Bitte beachten Sie, dass unsere Kollektionsfotos in natürlichem Tageslicht aufgenommen wurden. Dies kann dazu führen, dass die Produkte in manchen Fällen heller oder dunkler erscheinen, abhängig von der jeweiligen Lichtsituation. So können Unterschiede entstehen zwischen den gedruckten Farben und den tatsächlichen Produktfarben. Für eine korrekte Farbbeurteilung arbeiten Sie bitte mit den Musterstücken auf den jeweiligen Farbkarten.

Tenete presente che in generale le foto della nostra collezione sono prese alla luce naturale. Perciò nella stessa collezione i prodotti possono sembrare più o meno scuri a seconda della luminosità. Ci può essere una notevole differenza fra le immagini del catalogo e i tessuti. Per i colori corretti fa fede solo il campione del tessuto.
