SPARKLING 1860 MINERAL SPRING WATER

Offering satisfying hydration with volcanic spring water, the Sprio Sparkling Mineral Water is rich in minerals and a high alkaline pH of 8+, promoting health and wellness.

STILL 1860 MINERAL SPRING WATER

Heritage SPRIO 1860 Volcanic Mineral Water direct from Black Hill Springs. First discovered in 1860, the middle of the Gold Rush Era, its spring water was supplied to the miners and people of Ballarat.
