About Gorham Football

Gorham Football offers teams for players in 1st - 12th Grade. Junior Rams Football is overseen by the Gorham Youth Football Board. The High School Teams are overseen by the Gorham School Department.

The Gorham Youth Football Board works very hard to support all football players in Grades 1-12. Youth Football and High School Football are run in unison to promote and grow football for all youth in Gorham!

We are 1 football family!

The Champions Club

Gorham High School Football relies on the support of local businesses to continue the tradition started in 2018 of the Gorham Football Champions Club and also to offset team expenses! This was a project started by Coach Hager and Coach Morrison to help Unite the Community and the team. All sponsors are highlighted on the Website, Social Media, Champions Club T-Shirt, A banner at the Youth Field & Team Media Guide.

We try to wear our Champion Club shirts whenever we help out in the community. Some past GHS Football community service projects include volunteering at the Special Olympics, running a food drive, and volunteering with Youth

About Junior Rams Football

The Gorham Youth Football program is overseen by Gorham Football Boosters, a non-profit organization run solely by volunteers. Funding for this program is supported by registration and fundraising efforts. Parent/Guardian volunteering is expected to support home game operational needs as well as general needs for the program.

The purpose of this program is to offer an opportunity for the youth of Gorham to participate safely in an organized football program. Our goal is to provide a safe learning experience in the skills of football, promote good sportsmanship, and develop a sense of teamwork among our participants.

Registration is open for members of the Gorham community for kids in grades 1 through 8.
