*Making Memories  
Since 1948*

**News from the  
vineyard**

**January 2025**

**2024 has been a year filled with up and downs. It has also flown by so quickly, that none of the downs seemed to last for any significant length of time.**

**We hope that 2025 will be a safe and prosperous year for you and your loved ones, and that we get the opportunity to meet more of you in person at the events we have lined up in 2025.**

# *Dec in the Vineyard*

Decembers on the farm are a hive of activity and December 2024 was no exception. The vineyard is in full growth and weeding and tidying up is a constant task. Along with the growth of course there also has to be a strict regimen of crop-protection. All these tasks involve our skilled team and they all work long hours over this festive time.

As the everyone knows the busier you are the more tasks will present themselves, one of these involved the transfer of bulk wine into road tankers, as shown in the photos below, this is a time and labour consuming essential activity. Well here goes another tank filled with love.
