## Drodzy klienci!

Z ogromną przyjemnością prezentujemy Wam katalog tekstylny na rok 2026/2027. Nieustannie podążamy za najgorętszymi trendami oraz rosnącymi wymaganiami naszych Klientów, czego następstwem jest tegoroczna kolekcja.

Dzięki pracy z doświadczonymi projektantami i artystami stworzyliśmy różnorodne portfolio, które stale wzbogacamy o modne i funkcjonalne pozycje wyznaczające standardy rynkowe. Zdrowie i radość dzieci od zawsze są naszymi priorytetami. Dlatego od lat rozwijamy markę ASTRABAG. Jest ona dedykowana przedszkolakom oraz uczniom rozpoczynającym swoją przygodę z edukacją. Wiemy, że najmłodszy potrzebują lekkich i praktycznych plecaków. Dlatego przy tworzeniu każdej kolekcji współpracujemy z lekarzami ortopedami i wdrażamy rozwiązania technologiczne, które zapewniają poczucie komfortu oraz dbają o zdrowy kręgosłup.

W świecie bez granic dynamiczne i komfortowe przemieszczanie się oraz dalekie podróże stały się codziennością. Dlatego z myślą o nastoletnich i tych nieco starszych podróżnikach stworzyliśmy markę ABAG. Najwyższej jakości plecaki dostosowane do wymiarów schowków bagażowych, praktyczne przegródki na laptopa i tablet to znak rozpoznawczy naszych produktów. Bez względu na to, czy wybieramy się na wakacje, w podróż biznesową czy jedziemy na uczelnię – ABAG sprawdzi się w 120%.

Lubiane od lat linie licencyjne Head, Minecraft, FC Barcelona, Real Madrid corocznie trafiają do szerokiego grona odbiorców w całej Europie. Dbając o bezpieczeństwo naszych klientów opracowaliśmy unikatowy system Ergo Back minimalizujący nacisk na barki i plecy. Dzięki niemu poczucie komfortu nabrało zupełnie nowego znaczenia.

Wszystkie nasze produkty podlegają najwyższej kontroli jakości podczas procesu produkcyjnego. Jednocześnie posiadamy wszelkie certyfikaty spełniające najbardziej rygorystyczne wymogi UE. Wyobraźnia nie ma granic, dlatego każdego dnia udoskonalamy nasze produkty. Wszystko po to, aby sprostały oczekiwaniom naszych najbardziej wymagających klientów. Życzymy dużo radości z odkrywania naszych produktów!

**Zarząd i pracownicy ASTRA S.A.**

## Dear Customers!

It is with great pleasure that we present to you our textile catalog for the 2026/2027 season. We constantly follow the latest trends and the growing demands of our Clients, the result of which is this year's collection. By working with experienced designers and artists, we have created a diverse portfolio that we continuously enrich with fashionable and functional items that set market standards.

The health and joy of children have always been our priorities. That is why we have been developing the ASTRABAG brand for years. It is dedicated to preschoolers and students beginning their adventure with education. We know that the youngest need lightweight and practical backpacks. Therefore, when creating each collection, we cooperate with orthopedic doctors and implement technological solutions that ensure comfort and take care of a healthy spine.

In a world without borders, dynamic and comfortable movement and long-distance travel have become a part of everyday life. With teenage and older travelers in mind, we created the ABAG brand. Top-quality backpacks tailored to the dimensions of luggage compartments, featuring practical compartments for laptops and tablets, are the hallmark of our products. Whether you are going on vacation, a business trip, or to university – ABAG is a 120% reliable choice.

Our long-beloved licensed lines—Head, Minecraft, FC Barcelona, and Real Madrid—reach a wide audience across Europe every year. Caring for our customers' safety, we developed the unique Ergo Back system, which minimizes pressure on the shoulders and back. Thanks to it, the feeling of comfort has taken on a completely new meaning. All our products undergo the highest quality control during the production process, and we hold all certificates meeting the most stringent EU requirements.

Imagination knows no bounds, which is why we improve our products every day to meet the expectations of our most demanding customers. We wish you much joy in discovering our products!
