Viefe Arpa Plate Handles & Knobs

The Arpa Plate handle introduces refined structure to cabinetry, with fine vertical lines that add texture while remaining comfortable in the hand.

Its integrated backplate gives it confident presence, making it easy to specify across contemporary, industrial and framed joinery without overpowering the design.

Crafted in aluminium, it's available in stainless steel look, dark brushed brass, brushed black and rustic brass.

Four lengths, plus a coordinating 22 mm knob, allow for cohesive compositions across kitchens, bathrooms and bespoke spaces.
