The staff at Spectrum were so professional and understanding. I arrived very late for a fingerprinting appointment and they still provided service and were very accommodating. I was done in less than 5 minutes! I highly recommend their business. Even as they were closing they offered to help yet another customer who came in last minute. They are a prime example of extolling great customer service!

M Monesh Mohabir 

Came to do my last-minute NYPD photo picture. I came after hours and the staff was helpful to stay after business hours and get it done. Anyone looking for professional work. I definitely recommend it.

My family and I had a great experience with family photos at spectrum imaging. The staff are professional and are family oriented. The best part is the photographs are beautiful. We are a family of 5 husband wife and 3 children. Birthday girl photos for mom, hubby photo shots, kids, solos, and all together family shots fun and amazing. I highly recommend spectrum imaging center.
