Residential Product Guide

2025-2026

WELCOME TO

H.J. Oldenkamp Co.

Thank you for taking the time to learn about H.J. Oldenkamp Company. With almost 80 years of experience in the Michigan market and extending our reach into northern Ohio and Indiana, we pride ourselves on being a trusted supplier of kitchen and bath brand name products. Our legacy is built on a foundation of exceptional service and dedication to our customers.

What We Offer

At H.J. Oldenkamp Company, we know dealers have options—but our partnership, service, and expertise set us apart. With 40+ years of combined experience, we're committed to helping you grow your business with dependable support and high-quality products.

We offer a full range of cabinetry and surfacing materials—from entry-level to premium—sourced from trusted brands to meet diverse design and budget needs.

Dealer-focused services include:

- Budget Estimates for quoting
- Jobsite Measurements for accuracy
- Truckload & In-Unit Delivery
- Countertop Coordination (laminite, solid surface, quartz)

Oldenkamp is more than a distributor—we're your partner in success.

CORIAN® QUARTZ

Corian® Quartz surfaces combine timeless beauty with durability and low-maintenance performance — ideal for kitchens, bathrooms, and living spaces. With elegant, on-trend designs and proven strength, they're a smart choice for any home.

Key Product Details

- **Residential Price Level:** \$\$\$
- **Colors:** 40+ options — marble veining, solids, and modern patterns
- **Lead Time:** Stocked in Royal Oak (1–2 weeks); special orders (3–4 weeks)
- **Ordering:** No minimums; available via H.J. Oldenkamp Co. with delivery or pick-up
- **Warranty:** 10-Year Residential Limited
- **Certifications:** GREENGUARD Certified, NSF/ANSI Standard 51

Product Features:

- **Composition:** 93% natural quartz + polymer resins for strength
- **Surface:** Non-porous, stain-resistant, no sealing needed
- **Durability:** Resists scratches, heat, and daily wear
- **Maintenance:** Clean with soap and water
- **Design:** Polished and matte finishes for use on countertops, backsplashes, shower walls, and more

Use Cases:

Kitchen Countertops: Perfect for homeowners looking for a luxurious, durable surface that mimics natural stone but requires less maintenance.

Bathroom Vanities & Shower Walls: Non-porous surface makes Corian Quartz an excellent choice for bathrooms — resisting moisture, stains, and mold growth.

Whole-Home Applications: Beyond kitchens and baths, Corian Quartz can be used for bar tops, laundry room counters, fireplace surrounds, and custom furniture applications.

Modern & Traditional Design Compatibility: Available in both subtle and dramatic designs, Corian Quartz complements every style — from classic marble looks to sleek contemporary patterns.

CORIAN® SOLID SURFACE

Corian® Solid Surface is the original seamless, non-porous surface material that blends style, durability, and versatility. Ideal for kitchens, bathrooms, and more, Corian offers elegant, low-maintenance performance with limitless design potential.

Key Product Details

- **Residential Price Level:** \$\$–\$\$\$
- **Colors:** 100+ options including solids, stone, concrete, and translucent styles
- **Lead Time:** In-stock at Royal Oak (1–2 weeks); special orders (3–4 weeks)
- **Ordering:** No minimums; available via H.J. Oldenkamp Co. for delivery or pick-up
- **Warranty:** 10-Year Residential Limited
- **Certifications:** GREENGUARD Gold, NSF/ANSI Standard 51, Class I fire rated (most colors)

Product Features:

- **Material:** Acrylic polymer + natural minerals for consistent performance
- **Seamless Look:** Inconspicuous seams perfect for large surfaces and integrated features
- **Non-Porous & Hygienic:** Resists stains, mold, and mildew — ideal for wet and food prep areas
- **Repairable:** On-site sanding restores surface, extending its life
- **Flexible Design:** Thermoformable for curves, walls, and backlit effects

Use Cases:

Kitchen Countertops & Islands: A classic choice for seamless counters with integrated sinks and backsplashes. Corian is easy to clean and offers a warm, inviting surface.

Bathroom Vanities & Shower Walls: Seamless, grout-free shower enclosures and integrated vanity tops provide a sleek, low-maintenance solution for bathrooms.

Utility & Laundry Rooms: Resistant to water and chemicals, Corian is ideal for durable, functional utility room surfaces.

Creative Custom Applications: Great for window sills, wall cladding, desks, niches, and furniture — especially in curved or backlit designs.

WOOD WELDED® BALLY BLOCK

For over 140 years, Wood Welded® Bally Block has set the industry standard for premium butcher block surfaces. Crafted with precision from sustainably sourced North American hardwoods, Bally Block products deliver exceptional strength, natural beauty, and timeless performance for both residential and commercial applications.

Key Product Information:

- **Residential Price Level:** \$\$\$
- **Wood Species Options:** Maple, Oak, Walnut, and specialty woods upon request
- **Product Offerings:** Countertops, kitchen islands, tabletops, workbenches, cutting boards, and custom fabrication
- **Lead Time / Stock Availability:** Special Order lead time approx. 12-14 weeks. HJO stocks a variety of Natural Maple blocks in standard kitchen sizes at the Royal Oak Warehouse
- **Ordering / Shipping:** Custom sizing available; shipped finished or unfinished based on project needs
- **Warranty:** 1-Year Limited Warranty on workmanship and materials
- **Certifications:** FSC® certified available upon request; CARB II compliant for indoor air quality

Construction & Performance Features:

- **Core Material:** Solid hardwood strips, laminated with durable, food-safe adhesives
- **Finish Options:** Factory-finished with natural oil, Varnique semi-gloss finish, or left unfinished for custom treatment
- **Durability:** Edge-grain construction for superior strength and resistance to warping
- **Maintenance:** Easy to clean; periodic re-oiling recommended for oil-finished surfaces to maintain beauty and durability
- **Customization:** Available in standard and custom sizes, thicknesses, and edge profiles

Use Cases:

- **Residential Kitchens:** Ideal for countertops, islands, and open shelving with a warm, natural look
- **Commercial Foodservice:** Durable enough for heavy prep environments in restaurants and bakeries
- **Workbenches & Craft Spaces:** Heavy-duty performance for workshops, studios, and maker spaces
- **Retail & Hospitality Design:** Adds organic texture and artisanal craftsmanship to interiors and display areas
