A Commitment To Excellence

Standing apart through scientifically validated innovation, exceptional quality, and uncompromising standards—delivering purity, efficacy, and trust that surpass the industry—this is the foundation of building lasting wealth through our business plan.

Synergy offers a 100% money-back guarantee. If you're not fully satisfied, return any or all of your initial order—used or unused—within 120 days for a full refund (excluding taxes and shipping). All product containers must be returned.

Starting a Business

To start your business, activate a Business Center by purchasing a product package (200 - 600 CV) at wholesale, positioning you for immediate value and profitability.

The simplest way to qualify for ongoing commissions is to maintain a monthly product AutoShip, which can be as low as 120 CV, helping to keep your monthly business overhead manageable while supporting consistency and growth.

Members with an active AutoShip receive a 10% savings plus free shipping ($13), helping to maximize margins while staying qualified.

The monthly AutoShip is fully flexible—you can change, pause, skip, or cancel at any time.

With a simple, scalable system and options at every level, you can build your business in the way that works best for you.

NOTE: Your entire activation order is backed by a 120-day, 100% money-back guarantee—so feel confident exploring and experiencing as many products as you like, completely risk-free.

Body Prime is an effective kick-start to any health regimen. Made with magnesium, prune powder, and apple pectin, this formula has simple ingredients that support cleansing and bowel motility to prime the body for an effective purification program.

Benefits:

- Supports cleansing and bowel motility*
- Magnesium helps maintain healthy electrolyte balance and reduce fatigue
- Contributes to muscle function including the heart muscle
- Contributes to normal muscle contraction including normal heartbeat

Recommended Use

For the first 7 days, mix 2 packets with 12-14 oz of water, 2x daily. For the next 14 days, mix 2 packets with 12-14 oz of water, 1x daily. Mix well and drink immediately.

Key Ingredients

- Magnesium: Body Prime contains 400 mg of the powerful, essential macro-mineral Magnesium. To effectively prepare the body for a regimen of healthy habits, magnesium oxide has a priming effect shown in clinical settings to induce mild bowel motility. At the same time, magnesium is a crucial mineral for maintaining a healthy balance of electrolytes, and is an important micronutrient in the reduction of fatigue.
- Additionally, magnesium has been proven to have positive cardiovascular benefits.
- Apple Fruit Pectin and Prune Fruit Powder Blend: Prune powder and apple pectin work synergistically to kick-start a health regimen. Along with magnesium oxide, these familiar fruit sources have been recommended for use in clinical settings to induce bowel motility, which leads to a variety of benefits.
- These ingredients are approved for daily

Body Prime (continued)

Scientifically Validated

Body Prime and its ingredients have been included in a number of studies, including those conducted at the Hughes Center for Research and Innovation. There, the safety and efficacy of escalating doses of Body Prime on maintaining the regularity of healthy bowel function were explored, thereby setting the recommended dosing parameters. Studies showing that magnesium has a positive cardiovascular benefit, is usefull in maintaining a healthy electrolyte balance, and reduces fatigue.

Chlorophyll, the green pigment in plants that facilitates respiration and growth, is a significant nutrient found in green, leafy vegetables. Sourced from mulberry leaves and alfalfa.

Synergy's Liquid Chlorophyll is a rich, highly-concentrated combination of chlorophyllin (sodium copper chlorophyllin) and peppermint oil. Chlorophyllin has been shown to provide valuable protection against excess free radicals.

Liquid Chlorophyll also contains barley, a grass that acts as a good source of vitamins and proteins. Studies also support the ability of barley grass to scavenge free radicals and act as a powerful antioxidant.

Simply add two teaspoons to eight ounces of water and turn your ordinary drinking water into a body-cleansing, refreshing beverage.

Benefits:

- Helps detoxify your digestive tract
- Supports gut health
- Supports well-being
- Helps freshen breath and body!
- Supports antioxidant pathways

Key Ingredients

Sodium Copper Chlorophyllin, peppermint aerial parts oil, alfalfa leaf and stem juice extract, barley grass juice extract.

Recommended Use

For adults: Take two teaspoons (10 ml) in a glass (240 ml) of water, two times a day.

For children 12 and under: 2.5 ml in a half glass of water, two times a day.

Refrigerate after opening.

The human body is made up of complex systems that rely on energy (ATP) to function at their best. This energy is produced within the body and fueled by nutrients from natural sources.

CoQ10, or Coenzyme Q10, is a vitamin-like compound found in every cell and plays a vital role in energy production.

Organs with high energy demands—especially the heart—require greater levels of CoQ10 to function optimally.

Synergy's CoQ10 features an all-natural, crystal-free form with a patented lipid blend designed to enhance absorption and bioavailability. Incorporating it into your daily routine helps support consistent energy production and overall heart health.

Benefits:

- Helps reduce oxidative stress in all cells throughout the body
- Supports energy production for the heart and other organs requiring high levels of ATP or energy
- Supports the health of the heart, kidneys, liver, and pancreas

Recommended Use

Take 1-2 capsules daily.

Featuring Citrus bergamia extract combined with a proprietary blend of high-ORAC antioxidants, it supports total cholesterol, triglycerides, and blood sugar levels already within the normal range. It works in part by helping block an enzyme the liver uses to produce LDL cholesterol—providing natural, targeted support for heart health.

Benefits & Features:

- Modulates oxidation of LDL cholesterol
- Supports healthy cholesterol levels
- Features a powerful, proprietary antioxidant blend

Recommended Use

Take 2 capsules with your evening meal.

Key Ingredients

Bergamot Fruit Extract (Citrus bergamia Risso): Technically an orange, this fruit more closely resembles a lime or lemon with a bumpy outer peel that ranges from pale green to yellow. Our bergamot fruit grows along the southern coast of Italy in the town of Bergamo. Bergamo fruit is bursting with polyphenols, naturally occurring antioxidants that scavenge free radicals in the body
Proprietary Antioxidant Blend: Nine fruit and plant extracts - including turmeric, green tea, grape seed and mangosteen - are featured in this dynamic formula.
Our unique combination of citrus bergamia and our powerful, proprietary antioxidant blend create a truly synergistic effect. Scientists observed enhanced antioxidant activity beyond the regular capacity of the individual ingredients, yielding a wonderfully effective formulation for cardiovascular health.

The human body can naturally produce vitamin D3 through sunlight exposure. However, modern indoor lifestyles and widespread sunscreen use have led to widespread deficiency in this essential, bone-building vitamin.

Like a ray of sunshine, Synergy's Vitamin D3 chewable tablets support numerous biological functions and promote overall health. This vital nutrient is one of the most effective tools for supporting wellness.

One of Vitamin D3's most important roles is enabling calcium absorption, which is essential for strong bones. Without adequate D3, the body cannot properly utilize calcium—potentially leading to bone loss over time.

Vitamin D3 also supports bone mineralization, helping maintain a strong, healthy skeletal system through proper daily supplementation.

Benefits & Features:

- Provides 2500 IU of Vitamin D3 per tablet
- Helps maintain normal levels of calcium in the blood
- Helps maintain bone health and mineralization
- Helps support a healthy immune system
- Facilitates calcium absorption in the body to support a healthy skeletal system

For many people, getting a good night's sleep can be rather challenging. Sleep issues can be a natural outcome of aging, a change to the routine, increased worry, jet lag, caffeine or alcohol consumption, and screen time.

Melatonin is a natural hormone produced by the brain and secreted by the pineal gland. The human body releases melatonin when it's dark outside and slows its release during daylight hours. This important hormone helps you get the proper amount of sleep by helping the brain to relax at the right time.

Recommended Use

Take 1 capsule 30 minutes before bed.

Benefits & Features:

- Helps promote the body's natural sleep cycle
- Helps you feel more rested and alert after sleeping
- May help you adapt to new time zones during and after travel
- Provides 3 mg melatonin per serving
- With vitamin E, ginkgo and eleuthero for brain support
- Non-GMO formula

Radiance Oil

Illuminate your complexion with L'amara Radiance Oil. This fast-absorbing oil-essence blends fermented tea, algae, and astaxanthin to enhance skin's natural radiance while delivering deep, long-lasting hydration. Powered by the l'amara Land and Sea Complex and enriched with jojoba and sunflower oils, it smooths, nourishes, and refreshes the skin for a healthy, glowing finish.

STEP FOUR

Revealing Eye Cream

L’amara Revealing Eye Cream is a rich yet gentle formula designed to nourish and protect the delicate skin around the eyes. Powered by adenosine, fermented tea, caffeine, and algae, it delivers antioxidants, hydration, and barrier-supporting care for a brighter, smoother, and more luminous appearance.

STEP FIVE

Moisture Boost Emulsion

Wrap your skin in hydration with L'amara Moisture Boost Emulsion. This silky, fast-absorbing moisturizer blends botanicals from land and sea with antioxidant-rich fermented tea, algae, and nourishing mango seed butter to replenish moisture and enhance your natural glow. The result is skin that feels soft, fresh, and beautifully balanced all day long.

STEP SIX

Anti-Pollution Revitalizing Concentrate

Defend your skin against everyday pollution with L'amara Anti-Pollution Revitalizing Concentrate. This lightweight yet potent formula helps prevent toxins and contaminants from settling into the skin while supporting hydration and elasticity. Enriched with ceramides, sterols, fatty acids, and antioxidant-rich vitamins C and E, it leaves skin looking smoother, brighter, and visibly refreshed.

ADDED SKIN SUPPORT

Age-Defying Marine Collagen

Near-constant exposure to harmful blue light can lead to dry eyes, blurred vision, and skin aging and damage—but screens are a part of everyday life.

TruGlo brings together innovation and nature's anti-aging nutrients in one powerful formula. Combining skin-nourishing marine collagen with clinically studied FloraGLO® Lutein, it supports wrinkle reduction, eye health, and protection against dark spots—delivering a complete beauty boost from the inside out for today's digital lifestyle.
