### PREFACE

**T**HIRTY-ONE years ago we permanently established the first Mask Manufacturing Establishment in the United States of America, and having had years of experience in Europe, we feel confident we can supply the trade with superior goods, with the additional advantage of being able to ship them on short notice at all times.

We guarantee low prices, and propose by fair dealing to merit a continuance of the extensive patronage we have thus far enjoyed.

Very respectfully,

AMERICAN MASK MANUFACTURING CO.,
