# EVERYDAY CATALOG

Dear Friends,

I am delighted to welcome you to our latest catalogue, sharing my collection of giftware and illustrations. Each piece in this range is inspired by my love of British heritage and the joy of creating designs that bring a smile. From our much-loved fine bone china mugs to tea towels, tote bags, notebooks, I hope you find something special for you or a loved one.

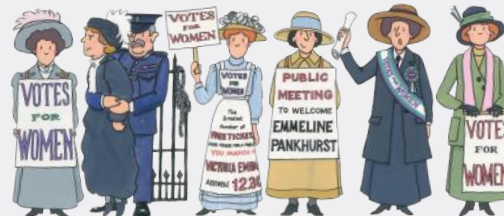

I am thrilled to introduce our selection of Mamelok products, including beautifully crafted dress-up masks and paper dolls. These nostalgic designs are perfect for parties, creative play, or as unique gifts; each mask is made and hand-finished in the UK with exquisite attention to detail.

In addition, we are pleased to offer Coppenrath wrapping paper books—featuring a variety of high-quality, beautifully illustrated sheets. These books make gift wrapping a pleasure and include DIY ideas and gift tags for that extra special touch.

Thank you for joining me on this creative journey—I hope you enjoy exploring the collection as much as I enjoyed designing it.

With best wishes,

*Alison Gardiner*

I support British manufacturing as much as possible, so the majority of our products are made in the UK.

## VOTES FOR WOMEN

Alison created a new range in 2018 celebrating the Suffragette Movement which was successful in winning women the right to vote. Women in the UK were first able to vote in 1918 followed by the USA in 1920.
