# A Note from our Meissner Maker Team

**Hello** and thank you for reading our Spring Edition of the Meissner Maker magazine. My name is Amber and I am the General Manager for Meissner Sewing and Vacuum Centers.

This spring we are introducing some NEW events starting with our Two Day Hands-On Serger Event plus trunk show 4/20-4/21, and our local partnership with Hearts for Paws dog rescue on 4/22! I hope you will stop by our Sacramento store location for both events! You'll get to see some incredible serger projects

at our trunk show, and if you register for the Two Day Hands-On Serger event, you will learn how to make 3 different projects on our top of the line sergers! We will have some great sales and specials for this event as well, you don't want to miss it!

We also hope to see you for our fundraising event with Hearts for Paws dog rescue! A portion of sales for the day will go to this local rescue and a part of ANY Serger sale will be donated to them for the month of April in honor of National Serger month! Come out to our Sacramento location on April 22nd and

meet some of the dogs available to adopt. We will even make a custom embroidered dog bandana with every adoption!

We have lots of new classes for spring and many more coming for summer! This is just the beginning; I hope to introduce lots of fun new events, shows, and causes to our stores! Thank you for your continued support of our small business. We hope you will stay connected with us through email, social and in store visits this spring! See you soon!

**Amber Rich**  
General Manager
