# *Welcome to Downlands...*

**A** hidden gem in the heart of Hampshire, Downlands has been a proud part of the landscape since 1550. Family-run and rich in heritage, it offers a refined reinterpretation of traditional countryside pursuits. Here, tranquillity and excellence meet to create an immersive shooting experience that redefines the quintessential British country day.

Set amid serene lakes, ancient woodland, and unspoiled meadows, our simulated shoot days are thoughtfully designed to draw you into the natural beauty of the estate. Enjoy award-winning cuisine, the warmth of roaring fires, and quiet moments of reflection in a setting that feels both timeless and personal.

Each shoot day is entirely bespoke—whether you’re entertaining clients, celebrating with friends, or enjoying time with family. Every detail is meticulously arranged, allowing you to focus on what matters most: creating unforgettable memories in extraordinary surroundings.

*“The best run event we have been to in more than 20 years of hosting such events for our friends and family.”*

## *Your Day...*

**Y**our shoot day begins in our characterful 16th-century barn, where you'll be welcomed with a choice of hot or cold breakfast options, accompanied by freshly brewed tea and coffee.

Following a short safety briefing, guests board the gun bus and head out across the estate for the morning drives. Around midday, we pause for traditional Elevenses at our tranquil woodland cabin, where locally sourced canapés and refreshments await, thoughtfully prepared by our expert catering team.

After the final drive, a champagne reception is served - either out in the field or back in the courtyard - offering a moment to toast the day's highlights. Guests then return to the barn for a seasonal, fireside lunch: a relaxed and convivial close to the day's pursuits.

Before departure, tea and coffee are served, allowing guests a final moment to unwind.

### Location

*Just an hour from Central London, Heathrow, and Gatwick, Downlands is a rare blend of seclusion and accessibility. For those arriving by air, private helicopter landing facilities are also available.*
