What we Do?

Guide and support local networks in delivering consistent value to members.

Identify, cultivate, and develop business leaders for the industry, the community, and the network.

Serve as a resource and model of excellence in operations for local networks.

Reflect and reinforce the Women's Council mission, vision, values, and goals in all communications.

Vision

We are a network of successful REALTORS®, advancing women as business leaders in the industry and in the communities we serve.

To: Potential Real Estate Vendor Partners

We, the Governing Board, are humbled and grateful for the opportunity to serve the Fort Bend Network. As president, I stand on the shoulders of many pioneers who have served before me. I do not take my responsibility to move this network forward lightly.

The 2026 theme is “T.E.A. Time” which is to Teach with tenacity, Educate and Elevate to Accelerate in Real Estate. This focus will be at the heart of everything we do. It’s all about providing our members with the knowledge and resources they need to work smarter, not harder. We will strive to strengthen relationships, build new connections, and foster a safe space for agents to learn, grow, and thrive. Your partnership and presence will afford you the opportunity to join us in these efforts and enrich your business as well.

Your partnership will not be taken lightly. It will be used to strengthen our membership by providing valuable education, creating networking opportunities, and giving our members the tools to elevate their real estate skills. Together, we can make 2026 a year of significant growth and success for every member of the Fort Bend Network. The value of your support will transform the Fort Bend Network now and for years to come as we will continue to progress in real estate.

Sincerely,

Dr. Anita Horne
