Each couple deserves a completely personalized wedding, that allows their style & preferences to show in every aspect. Let her make your dream come true!

FROM OUR COUPLES

“Katie and Hotel Arista were **AMAZING**. I had heard it is stressful planning a wedding, but Katie made it easy. Any request we had she made sure to get it covered (including having the dogs get ready with us at the hotel). I could not recommend Katie and Hotel Arista more if you are looking for somewhere to have a beautiful venue and work with amazing staff.”

Melissa | February 2023

“Planning a wedding can be stressful but we were so fortunate to have Hotel Arista as our wedding venue and have Katie guide us through the process! She was very responsive and knowledgeable to all of our questions prior to our wedding. On wedding night, she was a professional. She checked in with us through the night and even had meals delivered to some of our guests in their hotel rooms when they needed a break from the night.

Everything came together so wonderfully and the staff were kind as well.”

Christina | November 2022

“My husband and I had our wedding reception at Hotel Arista and I can’t tell you how incredible everything was from start to finish. Katie and Kristine were absolutely wonderful to work with throughout the entire process reducing any stress that may occur while planning a wedding. The ballroom, food, staff and hotel rooms were above our expectations and we cannot thank Hotel Arista for everything they did to execute the wedding of our dreams!”

Amanda | July 2022

“We booked our daughters reception at this hotel and couldn’t believe how beautiful the ballroom looked; the food was spectacular and the staff there was the best around.

I would definitely recommend this hotel if you’re looking for an elegant, beautiful wedding.

The staff takes the worries off of you. Guests are still talking about it!”
