

TORONTO TO VANCOUVER BY RAIL

Orbridge

A Nostalgic Journey Aboard VIA Rail's
The Canadian in Premium Class

Toronto To Vancouver by Rail | Itinerary Highlights

VIA Rail Canada operates on tracks owned by freight companies, like other passenger railways in North America. While VIA Rail strives for on-time departures and arrivals, increased freight traffic on the railway will often cause delays. These delays could result in delayed departure from Toronto, delayed arrival in to Vancouver, and shortened / limited time off of the train. The majority of your time on this tour will be spent aboard the train. Simply unplug and embrace the journey. Onboard services are guaranteed. Any changes to the schedule will be communicated and updated throughout the journey.

Day 1 ARRIVE IN TORONTO, ONTARIO, CANADA

1 Upon arrival to Toronto Pearson International Airport an Orbridge representative will be waiting to assist with your transfer to the hotel. The Fairmont Royal York carries a rich history, having welcomed royalty, celebrities and dignitaries since its opening in 1929. This iconic property is ideally situated steps away from Toronto Union Station and minutes from Toronto's main attractions. This evening relax and mingle with fellow travel companions during a special welcome reception.
Overnight: Fairmont Royal York (R)

Day 2 **TORONTO | BOARD VIA RAIL'S THE CANADIAN | HORNEPAYNE** After breakfast and check-out gather for the quick walk to Union Station to embark upon *The Canadian*. Day 4 **SASKATOON, SASKATCHEWAN | EDMONTON, ALBERTA** Ideally by this point in the journey you have reached a restful feeling of true relaxation—being able to disconnect from devices allowing for more opportunity to connect with each other. Conviviality abounds in the train's social atmosphere.
Overnight: *The Canadian* (B,L,D)

Day 5 **JASPER | KAMLOOPS, BRITISH COLUMBIA** Embrace your final day aboard the train. Navigating through the Canadian Rockies marvel at the scenery along the Fraser River and the incredible obstacles overcome to build a railway here. One of today's viewing highlights and photography opportunities is Hell's Gate, the most narrow (and very treacherous) part of the Fraser River. An impressive display of power, its narrow cliff walls create a funnel for hundreds of millions of liters of water rushing through every minute—double the volume of Niagara Falls.
Overnight: *The Canadian* (B,L,D)

Day 6 **VANCOUVER** Enjoy breakfast on board before disembarkation. Set off on a guided city tour to discover the lush gardens and notable totem poles of Stanley Park and the cobblestone streets of Gastown.
