What Guests Are Saying...

My desire was to see a dramatically different culture than America up close and get a feel for what life was like there, and I feel like we accomplished that. Seeing the people living their lives was more important to me than the amazing palaces, forts, etc. We were fortunate to see tigers on two of our safari drives, including one day when we saw a mother and her three cubs on the move.
~John P., Gastonia, NC

We were very pleased with all facets of the trip. We thoroughly enjoyed our guided trip with Orbridge! Thank you for marking it a wonderfully memorable trip!
~Nancy M., Ankeny, IA
