# ABOUT US

Established in 2020, R Enterprises is a dedicated manufacturer and supplier of high-quality dehydrated agri products, sprouts, spices, herbs, and raw materials. With a focus on purity, hygiene, and customer satisfaction, we deliver reliable products to domestic and global markets.

Based in Pune, Maharashtra, India, we specialize in products such as Moth Bean, Green Moong, Horse Gram, White Peas Sprouts, Dehydrated Ginger, Garlic, Onion, Neem Leaf, Curry Leaf, Coriander, Spinach Leaves, Green Chilli, Rose Petals, and Raw Banana. Our manufacturing facility is equipped with advanced dehydration machines and grinders with a daily production capacity of 30 kg.

## **Vision :**

To become a leading manufacturer of dehydrated agro products in India by delivering superior quality, maintaining ethical business practices, and providing value-driven solutions with consistency and trust.

## **Mission :**

- To supply pure, hygienic, and naturally processed dehydrated products.
- To offer customized packaging and production based on client needs.
- To maintain the highest standards of cleanliness and quality in every process.
- To build long-term relationships through transparency, reliability, and timely delivery.
- To continually improve efficiency, quality, and customer satisfaction through innovation.
