Japanese Knife Company

Gift Guide

Step into the enchanting world of the Japanese Knife Company.

Our gift guide unveils a thoughtfully curated selection from our extensive array of offerings, each item meticulously chosen to make an exceptional gift.

These products embody our core values of functionality, durability, and timeless design – principles that carry even greater significance in a world perpetually evolving and our fight against the constantly increasing ‘disposable culture’.

From high-quality stocking fillers to opulent luxury gifts, you'll discover the perfect presents for all your cherished family, friends, and loved ones for Christmas, birthdays, anniversaries and all special occasions. Many of our items, where appropriate, can be personalised with complimentary engraving, adding a unique touch to the gift.

Our products are available for purchase online, by phone, or in-store, where you can benefit from expert guidance to find that perfect gift.

There is a 2 week lead time for deliveries to Europe.

Please bear in mind that some of our products are exceptionally rare and entirely handcrafted by skilled artisans, making them in high demand. We advise placing your orders early to ensure availability and avoid disappointment.

We look forward to the opportunity of serving you, and making selecting the perfect gift a stress-free and a truly wonderful experience.

video of how
to use the block

Custom made to our own design, this compact range of 5 knives exemplifies all the qualities of a great Japanese kitchen knife – sharpness, longevity of edge and ease of maintenance.

Our unique knife block is modular so can accommodate increasing number of knives as you add further models.

Form and function in perfect harmony

Genbu Premium Knife Set by Zanmai

Four years ago, Zanmai marked their 10th anniversary with the Suzaku, their first limited series inspired by ancient mythology. This was followed by the White Tiger and Blue Dragon series, each limited to 50 sets and quickly sold out.

Now, the final series has been launched, the Genbu, with each collection beautifully representing mythological "gods" or "beasts" in both blade and handle design.

Key Features

Blade Material: Coreless steel VG-10/VG-2

Layer: Multi-Layer

Blade: Double Beveled & Full Tang

Blade Finish: Black finish

Hardness: 63±1 HRC

Handle: Reinforced Acrylic Material

Shapes: Petty 150mm, Santoku 180mm,

Gyuto 210mm, Kiritsuke 230mm

Set of 4 with storage case: £5,999

JKC Classes

Knife Sharpening Class

As a proud owner of a Japanese knife, learn to keep it sharp and in top condition with JKC's in-store sharpening classes for groups and individuals.

We also offer complimentary, bespoke demos for restaurants (with a minimum of 10 chefs).

Companies like Seiko, Yo Sushi, and Suntory Whiskey have enjoyed private demonstrations at their corporate events.

NEW Cookery & Skills Classes

JKC is collaborating with Tokyo College of Sushi & Washoku London to bring you authentic & exclusive one-day Japanese Cookery and Cooking Technique Classes.

A fantastic opportunity to learn from acclaimed chefs from top Japanese restaurants in Ginza, Tokyo, or Kyoto.

£350 each

★ Trustpilot Rated Excellent

"If I could give more than 5 I would. Excellent service.

Amazing range of knives and other things, the staff are so helpful and genuinely have a passion for their job and craft.

On top of this, the store is so well laid out and it is clear that they take pride in their showcasing of product. I look forward to the next time I need a knife or anything else."
