# Pourquoi choisir nos dalles imprimées ?

## Une lumière pour un effet naturel

Nos dalles LED sont une solution innovante qui apportent une lumière naturelle et authentique à vos pièces, idéales pour embellir vos plafonds et vos murs, sans ouverture vers l'extérieur.

Imprimées en haute définition, elles subliment des espaces tels que les bureaux, les commerces et les centres de soins, tout en offrant une sensation de bien-être.

## Imprimées en France

- Impressions HD réalisées dans notre usine située dans l'Hérault (34)
- Choix illimité d'images : créez votre propre ambiance

Il est également possible d'apposer sur nos dalles LED vos visuels ou logos pour un éclairage aux couleurs de votre société, tout en respectant votre charte graphique.
