AHIHA is much more than just a place where athletes learn how to skate and shoot pucks. It is an organization that works hard to help its participants to achieve goals and become successful in life and hockey.

"I will never forget the first day in the locker room when the kids looked around the room and were surrounded by kids just like them – the looks on their faces were priceless! They were in awe!! We soon found out it wasn't "just a hockey camp", it is so much more! We found a new family." Karen Gintoli, mother of 2 deaf hockey players (Bronze medal team, 2015 Deaflympics)
