### ACKNOWLEDGMENT TO COUNTRY

We acknowledge the traditional owners of this land, water and sky, who have thrived and lived sustainably with the land we now call Australia for more than 60,000 years. We pay our respects to Elders of the past and present for their strength, knowledge and leadership. We acknowledge the stories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples on this land, the oldest and longest continuing culture on the planet. Aboriginal art and its sacred symbols are intrinsically linked to the longest continuing culture in the world, a form to preserve stories, traditions and culture. The story-telling and symbols represented in this contemporary art collection does not represent all Aboriginal culture groups or peoples. Aboriginal people are a diverse group of hundreds of nations, and clans within those nations, each with their own unique traditions and beliefs, languages, knowledge systems, lore and art.
