## ORCA BRILLIANCE WATER CLARIFIER

Orca Brilliance Pool Water Clarifier is a fast-acting pool treatment designed to clear dull, hazy, or cloudy pool water. It works by binding fine particles that cause cloudiness, allowing them to be captured more efficiently by the pool's filtration system. Ideal for routine maintenance or post-storm recovery, this clarifier helps restore sparkling water with minimal effort.

**Aids in removal of dirt & suspended algae**

**Reduces chlorine consumption**

**Use Brilliance for a Crystal Clear pool**
