DUSTIN VOGELGESANG

PURPOSE STATEMENT:

Together we will find our passion in all that we do. As a family, we will build each other up, provide and hold each other accountable. I will do what it takes so when my players are gone they will be great husbands, fathers and successful in whatever they choose to do.

To the East Ridge Community,

Welcome back to the rink! This 2024-2025 season is a particularly special one as we celebrate the 15th season of East Ridge High School Boys Hockey. Over the years, this program has grown from its humble beginnings into a cornerstone of our community, and we couldn't be more excited to share this milestone with you. As we skate into our 15th season, we are reminded of the importance of not only building a strong future but also honoring the foundation and history that brought us here. Together, we are continuing to #BuildTheHouse and solidify our legacy.

East Ridge hockey has always been about more than just the game—it's about culture, family, and pride. This year, our players have taken that to heart, working tirelessly in the off-season to bring their vision of brotherhood and unity to life. You'll see this passion reflected in our guiding theme: "No One But Us" I am confident you'll notice the energy, commitment, and changes all around—on the ice, in the rink, and throughout our hockey community. It's a privilege to lead such a special group of dedicated athletes.

None of this would be possible without the incredible support of so many people. First, to our fans and community members, thank you for your unwavering encouragement over the years. You are the backbone of this program. To the East Ridge Faceoff Club and school administration, your hard work ensures that our players and coaches can give their best every day. To the parents, your sacrifices and unwavering commitment make all the difference. Thank you for entrusting me with your athletes, for fostering their love of the game, and for supporting them through every win and challenge. Your efforts ensure this program thrives.

Finally, to my coaching staff, your dedication and expertise inspire these young men on and off the ice. Coaching alongside you is a true honor.

My wife, Emily, and I feel incredibly fortunate to be part of this remarkable community. With our daughters, Elaina and Evelyn, deeply involved in their own activities, we understand firsthand the joy and pride that come with being immersed in East Ridge athletics. Few head coaches are lucky enough to experience this kind of community stability and support, and I am profoundly grateful for it.

Hockey is more than a game; it's a privilege and a legacy. As we commemorate this 15th season, we celebrate not only the now but also the history we are building together. Thank you for being part of this journey. Let's make this season unforgettable! Sincerely - Coach Dustin

"A good coach can change a game, a great coach can change a life" - John Wooden

The ERHS Boys Hockey program is proud to unveil the latest addition to the **Raptor Legacy Wall**, a vibrant tribute to the history and achievements of our players, both past and present. This newest phase introduces an exciting new area dedicated to individual and team photos, allowing players to shine while showcasing the unity of our program. Additionally, we have updated the space honoring the legacy of Braedon Hyland, ensuring his impact remains a lasting inspiration.

Originally launched in November 2023, the Legacy Wall captures iconic moments and celebrates the records, milestones, and contributions of our athletes and alumni. It stands as a symbol of the dedication, passion, and camaraderie that define Raptor Hockey.

This project was made possible by the incredible generosity of players, families, and fans, whose support and contributions have brought this vision to life. Thank you for being a part of our story and helping us honor the legacy of Raptor Hockey
