VISIT YOUR LOCAL PHILLY AREA CHEVROLET DEALERS

Chevrolet received the highest total number of awards among all trucks in the J.D. Power 2025 U.S. Vehicle Dependability Study. Award based on 2022 models, newer models may be shown. Visit [jdpower.com/awards](https://www.jdpower.com/awards) for more details.

26 Buyer's Guide

Greetings, Philadelphia!

As chairman of the 2026 Philadelphia Auto Show, as well as the Auto Dealers Association of Greater Philadelphia, I am proud to introduce you to this one-of-a-kind Buyer's Guide.

The Philadelphia Auto Show has been educating local consumers for decades about the latest products hitting the auto market. This guide is an extension and resource of that education. Inside you will find descriptions and specifications on approximately 300 vehicles currently offered; including photographs, horsepower ratings, powertrain offerings, estimated miles per gallon, pricing information and more. It's the perfect resource for anyone in the market for a new vehicle or someone who simply likes to stay in the know about the latest offerings from today's vehicle manufacturers.

With that, enjoy the guide and we hope you unlock what fuels you.

Jeff Glanzmann

Chair, Philadelphia Auto Show & Auto Dealers Association of Greater Philadelphia

RAV4

DEAR PHILLY,
I'M ALL-NEW AND ALL-HYBRID.

Prototype shown with options.

WELCOME TO PHILLY AND THE PHILADELPHIA AUTO SHOW!

As America celebrates its 250th birthday this year, I'm revved up about everything that's happening in the City of Brotherly Love in 2026.

The entire team at Visit Philadelphia is happy to have you here for Philadelphia's biggest year yet, whether you live in the city or are visiting from near or far.

Philly is dialed in for a yearlong celebration like no other. Gear up for happenings like the FIFA World Cup 2026 matches, brand-new galleries at the National Constitution Center, massive art moments like the citywide What Now: Philly 2026 celebration and, of course, Wawa Welcome America - a 250th birthday bash for the record books.

As you explore Route '26 here at the Pennsylvania Convention Center, make a few pit stops to learn more about some of the other exciting things happening here this year, including:

- **Universal Theme Parks: The Exhibition at The Franklin Institute**
- **The Declaration's Journey at the Museum of the American Revolution**
- **The 2026 MLB All-Star Game and All-Star Week festivities**
- **TED Democracy: Founding Futures at the Kimmel Center for the Performing Arts**

Enjoy the Philadelphia Auto Show, and be sure to bookmark philly2026.com for a comprehensive guide to celebrations happening all year long.

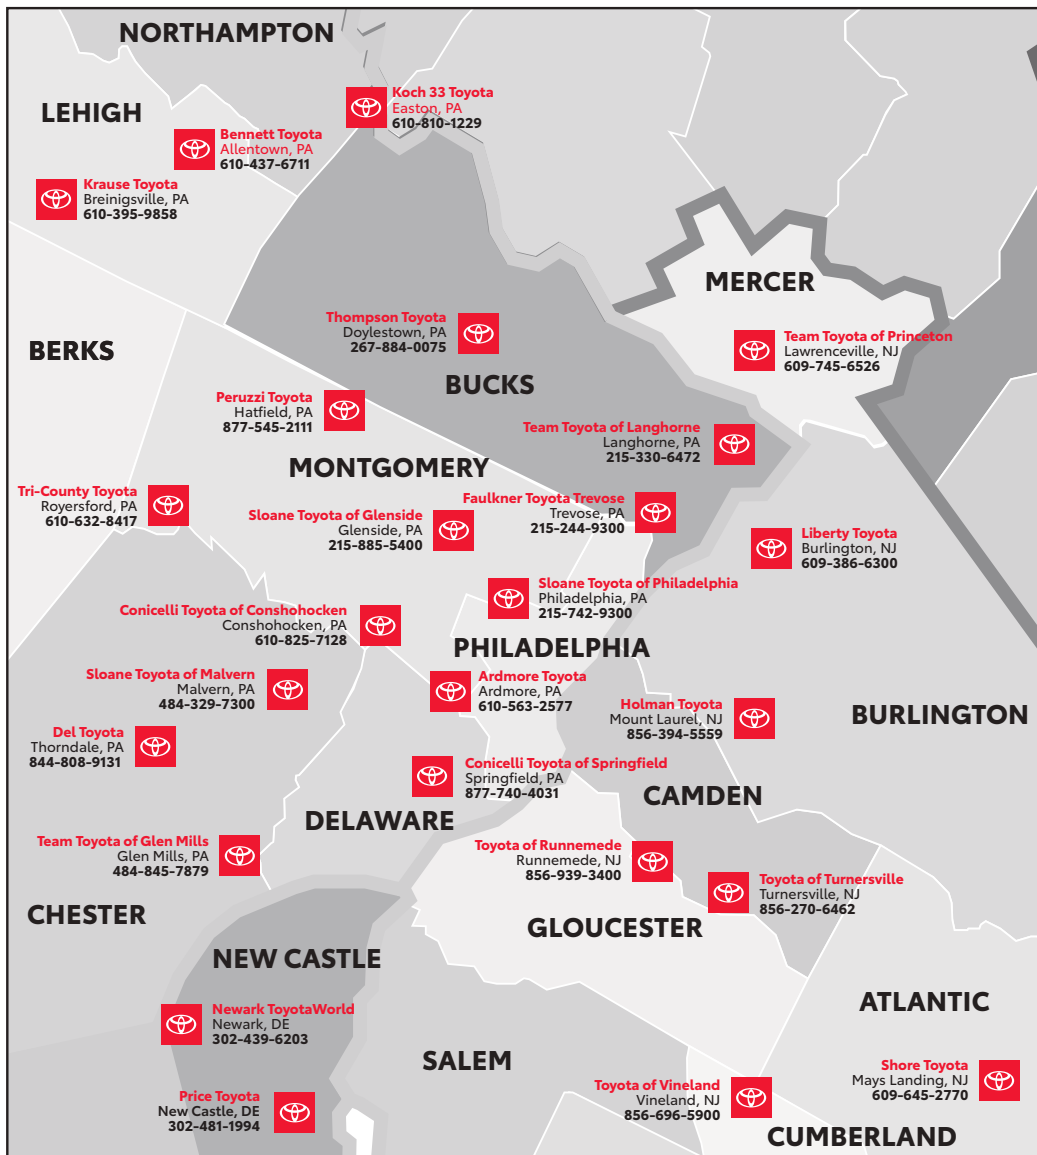

Sincerely,

Angela Val
President & CEO

Acura ADX**\$35,000 - \$42,000**

Engine 1.5L I-4
Horsepower 190
Torque, lb-ft 179
EPA est. mpg 26/31
Drive wheels FWD, AWD
Wheelbase, in 104.5
Curb Weight, lb 3369
Transmission CVT

The Acura ADX turbocharged premium compact SUV is available in three well-equipped trims. Standard features include a moonroof, heated front seats, dual-zone climate controls, rear air conditioning vents, a power tailgate with Walk Away Close and 18-inch alloy wheels. Wireless Apple CarPlay® and Android Auto™ and a 10.2-inch Acura Precision Cockpit digital instrument display are standard. A-Spec trims have a sportier appearance with LED fog lamps, gloss black lower exterior trim, Gun Metallic skid garnishes front and rear, larger 19-inch wheels, A-Spec badges, and a panoramic moonroof.

Acura Integra**\$33,400 - \$53,400**

Engine 1.5L I-4	Type S
Horsepower 200	2.0L I-4
Torque, lb-ft 192	320
EPA est. mpg 30/37	310
Drive wheels FWD	21/28
Wheelbase, in 107.7	FWD
Curb Weight, lb 3084	107.7
Transmission 6M, CVT	3219
	6M

The 2026 Acura Integra receives a refresh adding new colors, more style and enhanced technology. The tech-rich cabin now includes a larger 9-inch color touchscreen, wireless Apple CarPlay® and Android Auto™, and wireless charging — all standard. A-Spec® models add a new aero body kit, black 18-inch wheels and ambient lighting for a more premium, aspirational look. Three new exterior colors are introduced — Solar Silver Metallic, Urban Gray Pearl, and Double Apex Blue Pearl — as well as an available color-matched grille. Integra is built upon an exceptionally rigid body and sport-tuned chassis with an independent suspension.

Acura MDX**\$51,800 - \$75,850**

Engine 3.5L V6	Type S
Horsepower 290	3.0L V6
Torque, lb-ft 267	355
EPA est. mpg 19/26	354
Drive wheels FWD, AWD	17/21
Wheelbase, in 113.8	AWD
Curb Weight, lb 4271	113.8
Transmission 10A	4741
	10A

The 2026 Acura MDX arrives after a refresh from last year that included bold new styling, a new 12.3-inch touchscreen with Google built-in, a quieter cabin, new safety features and two available bespoke Bang & Olufsen luxury audio systems. The MDX A-Spec with Advance Package combines a sport appearance with additional premium features such as 16-way power seats, heated outboard second-row seats, Head-Up Display (HUD) and Surround View Camera system. The high-performance Type S with Advance Package features a frameless Diamond Pentagon grille and includes the AcuraWatch™ 360 system with more advanced driver-assistive features.

Acura RDX

\$45,100 - \$54,850

Engine 2.0L I-4
Horsepower 272
Torque, lb-ft 280
EPA est. mpg 22/28
Drive wheels AWD
Wheelbase, in 108.3
Curb Weight, lb 3777
Transmission 10A

The 2026 Acura RDX is available in one trim, but five different packages. RDX sports a "frameless" Diamond Pentagon grille for a more distinctive look. A 272-hp turbocharged four-cylinder is standard across the board, as is all-wheel drive. RDX features the signature Acura four-element JewelEye® LED headlights and "Chicane" LED daytime running lights and brake lights. The standard 10.2-inch HD center display with True Touchpad Interface™ includes a widescreen mode for its wireless Apple CarPlay® and Android Auto™ compatibility. Standard features include ambient lighting, heated front seats, and dual-zone climate control.

Acura TLX

\$45,400 - \$58,050

Engine 2.0L I-4	Type S 3.0L V6
Horsepower 272	355
Torque, lb-ft 280	354
EPA est. mpg 22/31	19/25
Drive wheels FWD, AWD	AWD
Wheelbase, in 113	113
Curb Weight, lb 3990	4200
Transmission 10A	10A

2026 will be the final year for the Acura TLX. TLX with Technology Package (two-wheel drive only) is the entry point into the lineup and is equipped with premium styling and innovative technology features, including 19-inch wheels, Milano Leather seating, ELS STUDIO Premium Audio, a 12.3-inch Precision Cockpit™ Digital Instrument Cluster, and Iconic Drive™ ambient LED cabin lighting. A-Spec delivers an even sportier appearance with split-spoke 19-inch wheels finished in Shark Gray, large dual round exhaust finishers, and a gloss black rear spoiler. Type S is further differentiated with unique performance and design elements.

Alfa Romeo Giulia

\$43,995 - \$50,690

Engine 2.0L I-4
Horsepower 280
Torque, lb-ft 306
EPA est. mpg 24/33
Drive wheels RWD, AWD
Wheelbase, in 111
Curb Weight, lb 3521
Transmission 8A

Alfa Romeo Giulia offers the core model, a limited special edition, and a new Intensa edition. Giulia features an aluminum 2.0L turbocharged engine paired with an eight-speed automatic transmission with column-mounted aluminum paddle shifters. The 12.3-inch gauge display can be reconfigured into three layouts: Evolved, Relax and Heritage. Giulia comes with standard leather seating, Apple CarPlay®, Android Auto™, keyless passive entry, remote start, backup camera with rear park sensors, and more. Intensa features distinctive two-tone design elements. Giulia carries over for 2026 as a new model is expected in the near future.

Alfa Romeo Stelvio

\$48,995 - \$56,990

Engine 2.0L I-4
Horsepower 280
Torque, lb-ft 306
EPA est. mpg 22/29
Drive wheels RWD, AWD
Wheelbase, in 110.9
Curb Weight, lb 3901
Transmission 8A

The Alfa Romeo Stelvio is a premium midsize SUV for driving enthusiasts, equipped with Q4 all-wheel drive. Inside, a standard 12.3-inch thin-film transistor screen accesses vehicle information, including autonomous driving data, and the cluster can be reconfigured into three layouts: Evolved, Relax, and Heritage. The center console sports a leather-wrapped gear shifter with bright accents, and a wireless phone charging pad is offered. The Intensa model features unique two-tone design elements that emphasizes the brand's "intense" identity and history. Stelvio carries over for 2026; a new model is expected to debut in 2027.

Alfa Romeo Tonale

\$36,535 - \$55,230

Engine 2.0L I-4	1.3L I-4/ Electric
Horsepower 268	285
Torque, lb-ft 295	347
EPA est. mpg 21/29	77 MPGe
Drive wheels AWD	AWD
Wheelbase, in 103.8	103.8
Curb Weight, lb 3715	4133
Transmission 9A	6A

The 2026 Alfa Romeo Tonale debuts a bold new special edition, three new exterior colors and a series of refined interior and exterior updates. The bold exterior design features a restyled front fascia with a new concave scudetto grille, reduced front overhang, and wider front and rear tracks. An expanded exterior palette offers eight colors and red leather interior is available for the first time on Tonale. The new Sport Speciale edition features silver accents on the side skirts and rear bumper, gloss-black Brembo brake calipers, an available contrasting black roof, and new 20-inch wheels with a striking three-hole design.

Aston Martin DB12

\$265,000 - \$377,000

	S
Engine 4.0L V8	4.0L V8
Horsepower 671	690
Torque, lb-ft 590	590
EPA est. mpg 14/23	15/22
Drive wheels RWD	RWD
Wheelbase, in 110.4	110.4
Curb Weight, lb 4184	4012
Transmission 8A	8A

Aston Martin debuts a new 2026 DB12 halo model, the DB12 S, offered in Coupe and Volante form. DB12 S sees an output increase to 690 hp and multiple chassis changes to enhance handling, steering, and braking. Unique exterior styling elements include a front splitter, a vented hood, black side skirts, a rear diffuser, a quad-exit exhaust, and S badging. Inside, S gets optional Alcantara heated sport seats and the choice of three interior themes. DB12's performance and handling is based on an exceptionally rigid bonded aluminum structure. The convertible's electrically-operated 'K-fold' roof design enables sleek and swift operation.

Aston Martin DBX

\$252,086 - \$270,000*

	707	S
Engine	4.0L V8	4.0L V8
Horsepower	697	717
Torque, lb-ft	663	900
EPA est. mpg	15/20	15/20
Drive wheels	AWD	AWD
Wheelbase, in	120.5	120.5
Curb Weight, lb	5000	4940
Transmission	9A	9A

*See dealer for pricing

Aston Martin introduces a new 2026 DBX flagship, DBX S. With the dynamic appeal of DBX 707 and an enhanced engine, DBX S delivers more power, reduced weight and more assertive design. A dramatic new front grille and transformed rear give DBX S an unmistakable identity. The interior displays a bespoke 'S' theme; the most notable feature being the distinctive herringbone design. Both DBX models – S and 707 – are powered by a twin-turbo 4.0L V8 engine paired with an innovative 9-speed 'wet clutch' transmission, which removes the need for a conventional torque converter, delivering extreme performance on launch from standstill.

Aston Martin Vanquish

\$434,000 - \$489,700

Engine	5.2L V12
Horsepower	824
Torque, lb-ft	738
EPA est. mpg	13/21
Drive wheels	RWD
Wheelbase, in	113.6
Curb Weight, lb	4210
Transmission	8A

The Aston Martin Vanquish made a comeback in 2025. Vanquish gains a convertible sibling called the Volante for 2026, and its fabric soft top can retract in just 14 seconds at speeds up to 31 mph. A twin-turbo 5.2L V12 resides under Vanquish's long hood, and it pumps out 823 hp and 738 lb-ft of torque. Rear-wheel drive is standard, and an eight-speed automatic is the only available transmission. Vanquish is strictly a two-seater and offers many exterior and interior design combinations from wheel rims to luxurious interior trims. A pair of 10.3-inch digital displays provide access to the infotainment and gauge cluster.

Aston Martin Vantage

\$191,994 - \$250,000*

		S
Engine	4.0L V8	4.0L V8
Horsepower	656	670
Torque, lb-ft	590	590
EPA est. mpg	18/24	15/22
Drive wheels	RWD	RWD
Wheelbase, in	106.5	106.5
Curb Weight, lb	4065	3594
Transmission	8A	8A

*See dealer for pricing

For 2026, Aston Martin debuts the Vantage Roadster and the Vantage S. Vantage Roadster is a convertible stablemate of the Vantage coupe. Technical reinvention of the Vantage coupe in 2024 is carried over into Vantage Roadster, including industry-leading Active Vehicle Dynamics, Electronic Rear Differential (E-diff), Bilstein DTX adaptive dampers with bespoke tuning. Vantage S is the most performance-focused in the lineup with increased power and even greater dynamic prowess. Together with distinctive exterior and interior enhancements, Vantage S establishes a new benchmark for the brand's acclaimed front-engine sports car range.

Audi A3/S3/RS 3

\$40,100 - \$66,100

	S	RS
Engine	2.0L I-4	2.5L I-5
Horsepower	201	401
Torque, lb-ft	221	369
EPA est. mpg	29/37	20/29
Drive wheels	AWD	AWD
Wheelbase, in	103.5	103.6
Curb Weight, lb	3329	3649
Transmission	7DCT	7DCT

The Audi A3 family includes the A3 quattro, S3 and RS 3 sedans. For 2026, the previously available Technology Package contents – including the 12.3-inch Audi virtual cockpit plus, MMI navigation plus, traffic sign recognition, a three-year Audi connect PLUS subscription, and access to the Audi App store – are now standard on all models. A top-view camera and Park Assist Plus are now included in the Premium Plus trim level, which now also offers an S line plus package with an exclusive Daytona Gray pearl color. New optional S3 equipment includes 19" 5-arm-star design bicolor finish wheels, and a new Driver Assistance Plus package.

Audi A5/S5/RS5

\$49,700 - \$81,195

	S	RS
Engine	2.0L I-4	3.0L V6
Horsepower	268	444
Torque, lb-ft	295	443
EPA est. mpg	22/31	19/28
Drive wheels	AWD	AWD
Wheelbase, in	113.8	114
Curb Weight, lb	4090	4288
Transmission	7DCT	7DCT

The all-new Audi A5 sedan launched last year and was sold alongside the outgoing A5 Sportback. In 2026, the A5 family includes the new four-door models and the RS5 Sportback. The new 2025 A5 and S5 models bring new PPC architecture, more responsive chassis, and quattro® all-wheel drive as standard. Spacious new interior and modern E³ 1.2 electronic architecture enable increased comfort combined with latest infotainment, convenience, and safety-enhancing features. Brilliant new lift-back design artfully caches 5-door practicality to replace both the A5 Sportback and A4 Sedan models. A new RS5 Sportback model is expected for 2026.

Audi A6/allroad/S6/RS 6/e-tron

\$64,100 - \$130,700

	RS Avant	A6 e-tron	S6 e-tron
Engine	3.0L V-6	4.0L V8	Electric

Torque, lb-ft	406	627	406
EPA est. mpg	20/29	15/22	126 MPGe
Drive wheels	AWD	AWD	RWD
Wheelbase, in	115.1	115.3	116.1
Curb Weight, lb	4310	4575	4949
Transmission	7DCT	8A	1A

See dealer for complete lineup

The 2026 A6 model line includes a new A6 Sedan, A6 allroad, RS 6 Avant Performance, and new A6 and S6 e-tron models. The all-new 9th-generation sedan has been completely redesigned and is quicker, quieter, and comes with more driver-centric tech through big, digital display screens. The new all-electric A6 e-tron Sportback is offered in single-motor rear-wheel-drive or dual-motor all-wheel-drive powertrains and provides an estimated 392 miles of range when combined with the available ultra package. The new S6 e-tron is equipped with dual electric motors and AWD and features a panoramic glass sunroof with switchable transparency.

Audi A8/S8

\$95,100 - \$130,000

	S
Engine 3.0L V6	4.0L V8
Horsepower 335	563
Torque, lb-ft 369	590
EPA est. mpg 17/26	13/22
Drive wheels AWD	AWD
Wheelbase, in 123.1	123.2
Curb Weight, lb 4773	5302
Transmission 8A	8A

The Audi A8 L and S8 carry over for 2026, but see some style package changes. The A8 L sees an additional exterior color added (Daytona Gray pearl effect), and the content of the Luxury package (dual-pane acoustic side-window glass, dynamic all-wheel-steering, extended leather package, front seat massage function, heated front seat armrests) has been added to the Executive package content to create the newly available Executive Plus package. An alternative 21-inch Neodymium gold 10-Y-spoke design wheel option is now also available for the Black Optic package. The S8 also sees the newly available Executive Plus package.

Audi e-tron GT/RS GT

\$127,700 - \$170,500

	S GT	RS GT
Engine Electric	Electric	Electric
Horsepower 670	912	912
Torque, lb-ft 472	612	612
EPA est. mpg 90 MPGe	85 MPGe	85 MPGe
Drive wheels AWD	AWD	AWD
Wheelbase, in 114.2	114.2	114.2
Curb Weight, lb 5126	5137	5137
Transmission 2A	2A	2A

The e-tron GT family received significant product improvements in 2025, with two new models comprising the lineup: the entry S e-tron GT and top-spec RS e-tron GT performance. The new models provided upgrades in performance, battery capacity, range, and charging speed over the models they replaced, while adding new interior and exterior design enhancements. For 2026, S e-tron GT gets all-wheel steering and Sport direct steering as standard, along with the Black Optic package. Red brake calipers are available as a stand alone option. RS e-tron GT performance gets a new wheel design and an optional new Red RS design package.

Audi Q3

\$43,700

Engine 2.0L I-4
Horsepower 255
Torque, lb-ft 273
EPA est. mpg TBA
Drive wheels AWD
Wheelbase, in 105.6
Curb Weight, lb 3935
Transmission 7DCT

The all-new 2026 Audi Q3 delivers significant upgrades in design, technology, and performance. As part of the thorough exterior redesign, newly designed full LED headlights include customizable digital daytime running lights. The rear LED taillights include dynamic turn signals and animated sequences as part of the coming home/leaving home function. New dual-pane acoustic glass for the front side windows reduces noise. A new panoramic display combines an 11.9-inch instrument panel with a 12.8-inch MMI touch infotainment screen built on Android Auto OS technology. Q3 also sees an updated suspension and a more powerful powertrain.

Audi Q4 e-tron/Sportback e-tron

\$50,600 - \$63,500

	45	55
Engine	Electric	Electric
Horsepower	281	335
Torque, lb-ft	229	339
EPA est. mpg	103 MPGe	100 MPGe
Drive wheels	RWD	AWD
Wheelbase, in	108.7	108.7
Curb Weight, lb	4674	4850
Transmission	1A	1A

The all electric Audi Q4 e-tron and Q4 Sportback e-tron were updated in 2024 and 2025 with more power, range, and a dynamic suspension tune, along with the contents of the Technology package made standard. For 2026, the Q4 lineup carries forward with minor trim-level content changes. Now standard on Premium Plus trims are Park Assist Plus, top view camera and SONOS sound system. Now available on the Q4 55 e-tron and Sportback, a new Vision package includes the Head-up display, matrix-design LED headlights with DRL, and headlight washers, and the Black Optic packages now include black exterior trim with black Audi rings and badges.

Audi Q5/SQ5

\$52,200 - \$73,000

	Q5	SQ5	55 e
Engine	2.0L I-4	3.0L V6	2.0L I-4/ Electric

Torque, lb-ft	295	406	369
EPA est. mpg	23/30	19/26	65 MPGe
Drive wheels	AWD	AWD	AWD
Wheelbase, in	111	111	111
Curb Weight, lb	4244	4464	4652
Transmission	7DCT	7DCT	7DCT

Audi's Q5 lineup includes Q5, Q5 Sportback, SQ5, and SQ5 Sportback models. Introduced for 2025, the latest generation offers a bold, dynamic stance and an interior design focused on driver and passenger-oriented comfort and versatility. Q5 offers confident handling for daily use, while the 362-horsepower SQ5 with standard sport adaptive air suspension provides both performance and ride quality. The Q5 and Q5 Sportback are based on the Premium Platform Combustion (PPC) architecture, with the latest availability in safety-enhancing features and convenience technologies, coupled with Audi quattro all-wheel drive as standard.

Audi Q6 e-tron/SQ6 e-tron

\$63,800 - \$77,300

	Q6	Q6 Quattro	SQ6
Engine	Electric	Electric	Electric
Horsepower	322	456	509
Torque, lb-ft	358	631	631
EPA est. mpg	104 MPGe	99 MPGe	89 MPGe
Drive wheels	RWD	AWD	AWD
Wheelbase, in	113.7	113.7	113.9
Curb Weight, lb	4982	5269	5324
Transmission	1A	1A	1A

The Audi Q6 Sportback e-tron models were introduced last year and carry over for 2026. All models in the Q6 lineup are available as either a standard-silhouette SUV or a fastback Sportback. Q6 Sportback e-tron quattro and SQ6 Sportback e-tron benefit from the strength of the Premium Platform Electric architecture in terms of performance, range, efficiency, and charging. The sloping roofline infuses the classic proportions of an SUV with dynamism and elegance unique to the Sportback form. The slim, free-standing MMI curved panoramic display with OLED technology comprises an 11.9-inch virtual cockpit and a 14.5-inch touch display.

Audi Q7/SQ7

\$62,000 - \$99,800

	45	55	S
Engine	2.0L I-4	3.0L V6	4.0L V8
Horsepower	261	335	500

Wheelbase, in	117.9	117.9	117.9
Curb Weight, lb	4795	4971	5291
Transmission	8A	8A	8A

For 2026, the Audi Q7 45, Q7 55 and SQ7 receive significant additions to their available trim-level content. A new Convenience plus package for the Premium trim offers a new wheel design, Bang & Olufsen® Premium sound system, Black Optic exterior trim, dark chrome exhaust tips, the LED interior lighting plus package, heated steering wheel and the top view camera system. The Q7 55 Premium Plus trim sees additional ventilated front seats, four-zone automatic climate control, heated rear seats, power soft-closing doors, and more. Q7 55 Prestige trim adds all-wheel steering, OLED taillights, and a new Sport Plus package.

Audi Q8/SQ8/RS Q8

\$75,600 - \$138,300

	S	RS	RS Q8
Engine	3.0L V6	4.0L V8	4.0L V8

Transmission	8A	8A	8A

For 2026, the Audi Q8 lineup sees significant additions to its available trim content. A new Convenience Plus package for the Premium trim offers a new wheel design, Bang & Olufsen® Premium sound system, Black Optic exterior trim, dark chrome exhaust tips, the LED interior lighting plus package, heated steering wheel and the top view camera system. The Q8 Premium Plus trim sees additional ventilated front seats, four-zone automatic climate control, heated rear seats, power soft-closing doors, and more. Q8 Prestige trim adds all-wheel steering, OLED taillights, and a new Sport Plus package with exclusive design details.

Audi RS 7

Curb Weight, lb	4938
Transmission	8A

With the upcoming all-new A6 sedan debuting later this year to further represent Audi in the mid-size segment, the 2026 A7 model line will be embodied solely by the RS 7 performance. This sleek hatchback sedan is powered by a twin-turbo 4.0L V8 paired with a 48-volt hybrid system, eight-speed automatic transmission, and Quattro all-wheel drive. The available Driver Assistance package includes adaptive cruise control, a blind-spot monitor, and lane-keep assist. The optional Executive package includes additional leather interior surfaces, a head-up display, an automated parking system, and soft-close doors.

Bentley Bentayga

Transmission	8A	8A	8A

The Bentley Bentayga Speed returns to the 2026 luxury SUV lineup with a vengeance after a two-year hiatus, now sporting a 641-hp twin-turbo V8 and a host of other performance upgrades. New 23" wheels are exclusive to Speed, with carbon ceramic brakes. Speed is equipped with a new SPORT Mode for improved road-holding. A new limited Bentayga Atelier Edition also arrives showcasing clean, contemporary luxury aesthetic. Atelier Edition offers six curated color specifications including the new Mulliner legacy exterior colors and a new Obsidian Crystal paint. Bentayga offers three powertrains, including a plug-in hybrid.

Bentley Continental GT

Transmission	8A	8DCT	8DCT

For 2026, a core model and a mid-range Azure trim make their debuts to the Bentley Continental GT family. The new Continental GT and Azure models mark the arrival of Bentley's new high performance hybrid powertrain. While the entry-level coupe and convertible models showcase classic design cues, including the signature matrix grille, now finished in gloss black with a chrome surround, the Azure has more chrome accents and a waterfall grille with 11 chrome strips and unique 22-inch wheels. Elegant design, a lavish specification and a strong focus on wellbeing are the distinguishing features of the new Azure models.

Bentley Flying Spur

Bentley reveals the fourth generation 2026 Flying Spur that includes the new core and Azure models. While the exterior design in the core model largely remains familiar, it's beneath the skin where the real changes take place - with the all-new ultra-performance hybrid powertrain matched with an also-new electrical architecture that brings the most modern suite of automotive technology. Interior updates include new stitch options, 3D diamond hide extended to doors and pillars, and further wellness features, including the intelligent air ionization. Azure features a new chrome matrix grille with 11 vertical vanes, and more.

THE PHILADELPHIA AUTO SHOW BLACK TIE TAILGATE

40 years
of FUN and
PHILANTHROPY

Did you know the Black Tie Tailgate at the Philadelphia Auto Show is celebrating its 40th Anniversary this year? That's right – it's been 40 years of fun and philanthropy with an incredible amount of good done along the way.

The Black Tie Tailgate started in 1986 as a small preview party of the Philadelphia Auto Show with about 500 people in attendance. Fast forward to today and the event has grown into one of the largest black tie previews in the City of Philadelphia.

More than \$10 million has been raised for Children's Hospital of Philadelphia through the event. From funding for Patient Welcome Centers to specific programs and initiatives within several departments at the Hospital, the Black Tie Tailgate truly demonstrates the heart of the automotive industry.

The event is run by the Auto Dealers CARing for Kids Foundation, the philanthropic arm of the Philadelphia Auto Show and the Auto Dealers Association of Greater Philadelphia. The Foundation's mission is to enhance and enrich the lives of children and youth in the communities where our dealer members work and live...and that is exactly what the Black Tie Tailgate has done!

Have you ever attended the Black Tie Tailgate? If not, please consider it in the future! It truly is a great night for a great cause!

BMW 2 Series/M2

\$39,600 - \$68,200

The two-door BMW 2 Series lineup includes the rear-wheel drive models, 230i and M240i, the all-wheel drive M240i xDrive and 230i xDrive coupes, and M models. The four-door Gran Coupe is offered in a new 2026 two-wheel-drive, 228i xDrive, 228i sDrive and M235i xDrive models. For 2025, the 2 Series coupe added new paint finishes, alloy wheels, steering wheels, and interior trim and upholstery choices, and offered a new M Sport Professional Package. M2 adds more power, new design elements, and innovative digital features. Several updates improve efficiency in electric drivetrains and quicker charging capabilities for plug-in hybrids.

BMW 3 Series/M3

\$47,500 - \$87,700

See dealer for complete lineup

The BMW 4 Series lineup received several design updates in 2025. For 2026, the 4 Series, i4, and M4 are available in two-door coupe or convertible body styles. 4 Series and i4 also offer a Gran Coupe five-door fastback. i4 receives some mechanical updates to improve range, while 4 Series engines are equipped with a 48V hybrid system for improved efficiency and handling. M models offer optional M Carbon bucket seats, an M Drive Professional package (onboard drift analyzer and lap timer) and the M Driver's package, which unlocks a higher top speed. All models receive BMW's newest iDrive 8.5 operating system.

BMW 5 Series/i5/M5 Touring

Transmission	8A	8A	8A	1A

The BMW 5 Series family includes 4 gas models, 3 electric models, M5, and the recently introduced M5 Touring. The high-performance M5 Touring Hybrid drivetrain produces 717 hp and features the M-specific design inside and out. The 5 Series includes a range-topping 550e model with a plug-in hybrid powertrain. i5 models start with the 335-hp eDrive40 with RWD and a single electric motor. The xDrive40 adds a second electric motor on the front axle and provides 389 hp and all-wheel drive. The hotter M60 xDrive model, also with dual motors, brings 593 hp. Minor updates, new colors and new upholstery options are added for 2026.

BMW 7 Series/i7

The BMW 7 Series large luxury sedan carries over in 2026 with a high level of comfort, convenience, and connectivity. The tech-filled, opulent cabin features leather or cashmere upholstery, stainless steel accents, and fancy glass and wood trim elements. The i7 M70 xDrive is the most powerful purely electric model in the lineup with two motors generating 650 hp and an M-tuned chassis. The eDrive50 comes with a Panoramic Sky Lounge Roof as standard, and xDrive60 models come with both massaging front seats and the Luxury Rear Seating Package. The ultimate rear-seat luxury is the available 31.3-inch theater screen.

BMW 8 Series/M8

Transmission	8A	8A	8A	8A

The 2026 BMW 8 Series lineup carries over and includes coupe, convertible, and Gran Coupe body styles. High-end materials and luxury features define the interior. The 8 Series comes with an illuminated kidney grille and a 12.3-inch infotainment display as standard, an optional M Sport Professional Package, and optional Chrome Line Exterior Trim. Two smooth and powerful engines are offered: a turbocharged inline-six or a twin-turbo V8. The M8 is available exclusively as a Competition model in Gran Coupe or convertible body styles. M8 and Alpina B8 models ended production in 2025, and 2026 will be the final year for 8 Series.

BMW iX

\$75,150 - \$111,500

	xDrive45	xDrive60	M70

Wheelbase, in	118.1	118.1	118.1
Curb Weight, lb	5567	5692	5849
Transmission	1A	1A	1A

The 2026 BMW iX sees a host of intelligent advancements that improve power, efficiency, and range of the first BMW SUV to be "Born Electric". Simplified exterior styling features clean surfaces, new lights and grille designs, and new wheels up to 23 inches. The available M Sport Package adds bold exterior details and sporty interior features such as the new M Multifunction seats. The new iX xDrive45 offers up to 312 miles of range, the iX xDrive60 offers up to 364 miles. The new iX M70 xDrive delivers 650 hp and M-specific design details. All trims get the expansive BMW Curved Display. A new iX3 model is expected for 2026.

BMW X1

\$42,800 - \$51,900

	28i	M35i
Engine	2.0L I-4	2.0L I-4

Wheelbase, in	106	106
Curb Weight, lb	3750	3790
Transmission	7DTC	7 DCT

The 2026 BMW X1 adds new exterior colors but remains unchanged. All-wheel drive, heated front seats, and eSIM capability for 5G connection are standard. The optional Premium package includes a head-up display, built-in navigation, a panoramic sunroof, a 360-degree exterior camera system, and more. The M35i xDrive comes with exclusive design and equipment reserved for high-performance cars from BMW M, including two pairs of exhaust tailpipes and high-performance brakes. The X1 cabin features a minimalist shift lever, a floating center console, and an all-digital dash. Both models come with the latest BMW Operating System 9.

BMW X2

\$44,300 - \$53,400

	28i	M35i
Engine	2.0L I-4	2.0L I-4
Horsepower	241	312

Curb Weight, lb	3803	3840
Transmission	7DTC	7DCT

The BMW X2 sports activity coupe carries over for 2026, offering a choice of two turbocharged four-cylinder engines and standard all-wheel drive. Inside, X2 has seating for five. The rear seat backrests can be folded in a 40:20:40 split. The modern, tech-focused interior features the digital BMW Curved Display with the new BMW Operating System 9 and standard wireless Apple CarPlay® and Android Auto™. Heated front seats and a Wi-Fi hotspot trial subscription are also standard. A Harman/Kardon sound system is available as part of the Premium package. The more powerful M35i comes with sportier front seats wrapped in faux suede.

BMW X3**\$50,900 - \$65,900**

	30 xDrive	M50 xDrive
Engine	2.0L I-4/ Electric	3.0L I-6/ Electric

The BMW X3 lineup includes 30 xDrive and M50 xDrive models. X3 received a revised exterior design and chassis, tweaked powertrains, and updated infotainment and driver-assist features last year and carries over for 2026. All-wheel drive is standard, as is the latest BMW Curved Display and iDrive 9. Both powertrains get a power boost with a 48-volt hybrid system. The M50 xDrive engine benefits from the Efficient Dynamics Next technology package. The optional Convenience package includes remote start, sunroof, and heated steering wheel. X3's driver-assist systems include automated lane change, adaptive cruise control, and parking assistant.

BMW X5/M**\$67,600 - \$129,700**

The 2026 BMW X5 gets upgrades to the iDrive touchscreen, enhanced driver assistance systems, and new wheel designs. The front fascia of X5 features the signature BMW headlights and kidney grille. An optional M Sport package adds a front apron, roof rails in black high-gloss, M high-gloss Shadowline trim and more. The digital BMW Curved Display is at the heart of the interior design with a 12.3-inch information display and a diagonal 14.9-inch control display. The optional Highway Assist hands-free driving feature includes an eye-activated lane-change assist system. The X5 M is equipped with a potent 617-hp twin-turbocharged V8.

BMW X6 offers standard all-wheel drive, the choice of two powertrains in either base xDrive 40i or the hopped-up M60i. Standard amenities include 16-way power-adjustable front seats, ambient lighting, heated front cushions, and passive entry. Upgrades include built-in navigation, enhanced USB ports, and wireless charging. The available M Sport Professional package includes a kidney grille surround in matte black, exhaust tailpipe trim in black chrome, and darkened M Shadowline lights. The BMW Curved Display's graphics and the operation system's menu structure are designed with a smartphone-style appearance. X6 carries over for 2026.

BMW X7 is the largest BMW available, with the most cargo space and seating, spacious headroom, and grand exterior dimensions. The X7 lineup includes xDrive40i, M60i, and ALPINA XB7 models. Interior features include the BMW Curved Display with BMW Operating System 8.5. X7 comes with a wide range of standard equipment and driver assistance systems and the latest 48V mild hybrid technology. The available Driving Assistance Professional Package allows hands-free driving at speeds up to 85 mph when conditions permit, and includes new eye-activated lane change functionality. Digital Key is also available.

BMW XM**\$159,600**

Engine	4.4L V8/ Electric

Torque, lb-ft	738
EPA est. mpg	46 MPGe
Drive wheels	AWD
Wheelbase, in	122.2
Curb Weight, lb	6094
Transmission	8A

BMW has trimmed down the XM lineup for 2026, scrapping the entry-level XM and leaving the XM Label as the sole trim. XM Label features a plug-in hybrid powertrain, all-wheel drive and ample space for five passengers in a seriously lavish cabin. The XM Label gets a few fresh exterior options, including a new BMW Individual Frozen Tanzanite Blue paint color, a revised welcome light animation, and a Jet Black finish for the 23-inch wheels. There are also new interior themes to choose from, combining three new hues of Merino leather with either brown or black accents. AC charging speed has also been increased.

BMW Z4**\$77,500**

Since its introduction in 2002, the BMW Z4 Roadster has been thrilling enthusiasts with its unique combination of classic proportions and sporty dynamics. BMW announces the Z4 Final Edition – a special Z4 M40i commemorating the end of production of the iconic 2-seat Roadster. The Z4 Final Edition will be characterized by its exclusive BMW Individual paint, unique interior accents, and commemorative badging on the door sill plates. Z4 Final Edition will be produced in very small numbers from February to April of 2026 in a single, well-equipped configuration with a choice of a 6-speed manual or 8-speed Steptronic transmission.

Buick Enclave

\$46,200 - \$59,600

Engine 2.5L I-4
Horsepower 328
Torque, lb-ft 326
EPA est. mpg 20/27
Drive wheels FWD, AWD
Wheelbase, in 120.9
Curb Weight, lb 4537
Transmission 8A

The Buick Enclave, redesigned last year, provides luxury finishes and thoughtful technologies, including available Super Cruise hands-free advanced driver-assistance systems and an ultrawide 30-inch-diagonal screen – the largest in its class. Enclave sports signature winged lighting, checkmark-style LED headlamps and cross-car LED taillamps. Inside, Enclave integrates a floating center console that houses functional storage, a multi-controller, a wireless phone charger and cupholders. New for 2026 is a wallet-friendly key card, a standard Trailing package, and an optional digital rearview mirror.

Buick Encore GX

\$26,295 - \$31,400

Engine 1.2L I-3	1.3L I-3
Horsepower 137	155
Torque, lb-ft 162	174
EPA est. mpg 29/30	29/31
Drive wheels FWD	FWD, AWD
Wheelbase, in 102.2	102.2
Curb Weight, lb 3025	3079
Transmission CVT	CVT, 9A

The Buick Encore GX is offered in Preferred, Sport Touring and Avenir trims with seating for up to five and available AWD. The interior of the Encore GX features a Virtual Cockpit System with 19 inches of high-definition screens under one sheet of glass. The exterior was refreshed in 2024 with the Wildcat EV concept that included a new grille design, winged LED headlamps, and new wheel designs. Avenir features exclusive design cues, including 19-inch wheels, leather seats, heated steering wheel and more. For 2026, GX swaps Cinnabar Metallic paint for new Brilliant Red paint and a tire inflator kit becomes standard.

Buick Envision

\$36,500 - \$46,200

Engine 2.0L I-4
Horsepower 228
Torque, lb-ft 258
EPA est. mpg 23/31
Drive wheels FWD, AWD
Wheelbase, in 109.4
Curb Weight, lb 3732
Transmission 9A

The Buick Envision received an extensive update in 2024. Envision implements a Wildcat EV-inspired exterior with slim LED lighting elements, a grille and front fascia that dons the brand's body-mounted emblem on the hood. The interior is accentuated by a 30-inch-diagonal, ultra-wide display stretching from the center console to the gauge cluster and offers customizable freeform screens. Envision comes in Preferred, Essence and Avenir models with available AWD. Standard driver-assistance features include adaptive cruise control, automatic high-beam headlamps, and a 360-degree camera system. New paint colors are offered for 2026.

Wheelbase, in 106.3
Curb Weight, lb 3030
Transmission 6A

The Buick Envista, introduced in 2024, offers the cargo space and utility of an SUV, packaged inside sporty and sleek proportions typically found in a sedan. The Envista comes in three distinct trims, each with their own unique personality: Preferred, Sport Touring (ST) and Avenir. The Envista incorporates Buick's modern design language featuring the brand's emblem mounted on the body above a sleek, intricate grille design. Sporty all-black 18-inch wheels are standard on the ST trim, with 19-inch wheels available. For 2026, Envista is newly available in bright and sporty Brilliant Red paint that replaces the Cinnabar Metallic.

Cadillac CELESTIQ is a handcrafted, all-electric, ultra-luxury flagship for the brand's electric future. Each CELESTIQ is personally commissioned – no two will be alike. CELESTIQ's revolutionary Ultium Platform is the foundation for exhilarating performance and range. The EV architecture combines a 111-kWh battery pack and a two-motor, all-wheel-drive propulsion system to offer an estimated 600 hp and 640 lb-ft of torque, and an estimated driving range of 300 miles on a full charge. CELESTIQ is equipped with a 200 kW DC fast charging system. The centerpiece of the interior is a 55-inch-diagonal advanced HD display.

The 2026 Cadillac CT5 returns with minor changes after a refresh from last year and offers new colors. CT5 features a massive 33-inch-diagonal LED color touchscreen display that brings in GM's latest Google-based infotainment system. The CT5-V and CT5-V Blackwing feature enhanced Performance Data Recorder with Lap Analyzer and Speed Tips tools, available Super Cruise driver assistance technology, and Google built-in integration with Assistant, Maps, and Play. The Parking Package (Air Filter, Air Quality Sensor, Rear Camera Mirror, and Hands-Free Decklid Release) and Blind Zone Steering Assist are now standard on CT5-V Blackwing.

Cadillac Escalade IQ/IQL

\$127,405 - \$151,205

Engine	Electric
Horsepower	750
Torque, lb-ft	785
EPA est. mpg	TBA
Drive wheels	AWD
Wheelbase, in	136.2
Curb Weight, lb	5810
Transmission	1A

Cadillac expands the all-electric Escalade lineup with the introduction of the 2026 ESCALADE IQL. ESCALADE IQL features the best of the ESCALADE IQ, plus additional passenger and cargo capacity offering four additional inches of third-row legroom and an extra inch of headroom for passengers in the way back. Production of the extended-wheelbase IQL is expected to start in mid-2025. ESCALADE IQ brims with iconic design, the highest level of craftsmanship and the latest automotive technology. IQ offers an estimated 460 miles of range, a curved pillar-to-pillar 55-inch diagonal LED display, Super Cruise® driver assistance, and more.

Cadillac Escalade/Escalade-V

\$91,100 - \$168,000

	V

EPA est. mpg	14/19
Drive wheels	2WD, 4WD
Wheelbase, in	120.9 / 134.1
Curb Weight, lb	5635
Transmission	10A

Cadillac Escalade tweaks the lineup for 2026, offering base, Luxury, Sport, and V-Series trims, along with a long-wheelbase Escalade ESV upgrade option. 4WD is available on all models. Escalade received a refresh last year with a bolder front end featuring a larger grille that includes an illuminated front crest and, on the V-Series and Premium Luxury Platinum trims, an illuminated grille surround. Escalade-V sports a authentic carbon-fiber performance-focused interior, surrounded by a deep Jet Black leather interior and uniquely quilted and perforated seats. 24-inch wheels are available, the largest ever offered on an Escalade.

Cadillac LYRIQ/LYRIQ-V

\$58,595 - \$85,290

Curb Weight, lb	5557	5789	5980
Transmission	1A	1A	1A

Cadillac has added a performance-oriented Lyriq-V to the lineup for 2026, which boasts 615 hp. Standard Continuous Damping Control, specifically calibrated for LYRIQ-V, combined with a lowered multi-link suspension, a quicker steering ratio, and additional performance-supporting and enhancing technologies provides a comfortable yet spirited ride and handling. LYRIQ's battery offers an estimated driving range of up to 314 miles. Premium features and technologies include a 33-inch-diagonal advanced LED display, Super Cruise hands-free driver-assistance, and an AKG Studio 19-speaker audio system with headrest speakers.

Cadillac OPTIQ

\$50,900 - \$67,300

Wheelbase, in	116
Curb Weight, lb	5445
Transmission	1A

OPTIQ is the luxury electric entry point for Cadillac. A performance-oriented OPTIQ-V joins the lineup for 2026. This new range-topping model boasts 519 hp, upgraded Brembo brakes, and a launch-control system. OPTIQ-V features an athletic and confident design with unique blue and carbon fiber accents inside and out inspired by the V-Series badge. OPTIQ gets an estimated 300 miles of range per charge, 275 miles for OPTIQ-V. The interior boasts a 33-inch diagonal advanced LED display, advanced radar, camera and ultrasonic sensor technology, Google built-in compatibility, and a 19-speaker AKG Audio System and Dolby Atmos.

Cadillac VISTIQ

\$77,395 - \$98,190

Engine	Electric
Horsepower	615
Torque, lb-ft	650
EPA est. mpg	86 MPGe
Drive wheels	AWD
Wheelbase, in	121.8
Curb Weight, lb	6326
Transmission	1A

Cadillac debuts the 2026 all-electric VISTIQ, a luxury three-row SUV delivering on the brand's promise of performance and craftsmanship. The standard dual motor all-wheel drive system, chassis damping control and available Air Ride Adaptive suspension, combined with GM's purpose-built electric drivetrain provide an estimated 300 miles of range. VISTIQ includes a 102-kilowatt-hour battery pack and offers 615 hp and 650 lb-ft of near-instant torque. The exterior design includes a swept-back windshield and Black Crystal Shield grille unique to the brand's EV portfolio. VISTIQ boasts a standard 23-speaker AKG Studio Audio system.

Cadillac XT5

\$44,300 - \$62,725

Engine	2.0L I-4	3.6L V6
Horsepower	235	310

			1A

The Chevrolet Blazer is offered in LT (2LT and 3LT trims), RS and Premier models. All models are available in front-, rear- and all-wheel-drive configurations. The all-electric Blazer EV SS performance offers the most powerful experience in the lineup with an AWD propulsion configuration producing up to 557 hp and up to 648 lb-ft of torque. For 2026, a new Tech Bronze package is available on EV models and adds 22-inch bronze wheels and black exterior decals. An available Midnight/Sport Edition package adds 19-inch black aluminum wheels, high gloss black roof rails, dark chrome trim on the air vents, and black cloth seat trim.

Chevrolet Bolt

\$27,600 - \$28,595

Horsepower	210
Torque, lb-ft	169
EPA est. mpg	TBA
Drive wheels	FWD
Wheelbase, in	105.3
Curb Weight, lb	3776
Transmission	1A

By popular demand, General Motors is bringing back the Chevrolet Bolt in 2027. Bolt is powered by GM's X76 electric drive unit delivering improved efficiency in cost and energy and achieves an estimated 255 miles of range. Bolt offers a native NACS charging port taking advantage of DC public fast charging. Bolt is also vehicle-to-home bidirectionally capable, meaning that when paired with a GM Energy Home System, it could provide power to a properly equipped home during an outage. Bolt's integrated infotainment system features Google built-in and the latest suite of entertainment apps, powered by OnStar Connectivity.

Chevrolet Colorado

\$31,900 - \$49,600

Engine 2.7L I-4
Horsepower 310

EPA est. mpg 17/19
Drive wheels 4WD
Wheelbase, in 131.4
Curb Weight, lb 5298
Transmission 8A

Chevrolet Colorado is offered exclusively in crew-cab form with a five-foot bed and a 310-hp turbo four. WT and Trail Boss add a standard sliding rear window, rear defroster, and cruise control. The Advanced Trailering package is standard on Trail Boss and Z71. ZR2 features perforated leather seats with ventilated front cushions, a heated steering wheel, and wireless device charging. Every Colorado has a four-door cab and a five-foot bed and can be optioned with either rear- or four-wheel drive. Colorado has a towing capacity of up to 7700 pounds. For 2026, Colorado's wheel and paint offerings are slightly revised.

*See dealer for pricing

Chevrolet introduces an all-wheel drive Corvette worthy of the storied ZR1 designation: the 2026 Corvette ZR1X with 1,250 hp. The electrified all-wheel drive propulsion system does not require a plug-in - charging takes place through regenerative efforts from the front drive unit. ZR1X is available in coupe or hardtop convertible body style. ZR1 revived one of the most iconic styles in Corvette history: the split rear window. For 2026, the entire lineup - Stingray, E-Ray, Z06, and ZR1 - features a thoroughly reimagined cabin with larger and more advanced driver-centric displays and fresh interior colors, finishes and materials.

Chevrolet Equinox/EV

\$28,600 - \$44,795

	EV
Engine 1.5L I-4	Electric
Horsepower 175	290

Wheelbase, in 107.5	116.3
Curb Weight, lb 3428	4000
Transmission CVT, 8A	1A

The Chevrolet Equinox was refreshed in 2025 offering modern connectivity and a new look. Equinox gained 2.5 inches in width and included larger screens, new safety features and the new outdoor-inspired trim, ACTIV. ACTIV features a unique front fascia and off-road styling cues, all-terrain tires, and an available white roof for a two-tone finish. An 11.3-inch-diagonal infotainment display projects Google built-in. The all-electric Equinox EV offers two distinctive personalities - LT and RS - and is available in several trims, drive configurations and range options. For 2026, a Midnight appearance package is now available on LT.

Chevrolet Express

\$41,800 - \$47,350

Engine	4.3L V6	6.6L V8
Horsepower	276	401

Curb Weight, lb	5261	5488
Transmission	8A	8A

The Chevrolet Express is a full-size van available in cargo or passenger versions. The Express Cargo offers a tall cargo bay and rear hinged doors, while the Express Passenger has standard seating for 12 or optional 15-passenger seating in the extended-wheelbase model. A sliding side cargo door and a Thule® hitch mounted storage container are available. Express offers a V6 or V8 engine. The V8 engine pairs with an 8-speed heavy-duty automatic transmission. Options include automatic-locking rear differential, cruise control and blind-spot monitoring. Express comes with an AM/FM stereo with two speakers and an auxiliary jack.

Chevrolet Silverado 1500

\$36,800 - \$70,000

	Engine	2.7L I-4	5.3L V8	6.2L V8	Diesel	3.0L I-6
	Horsepower	310	355	420		305

	Transmission	8A	10A	10A		10A

The Chevrolet Silverado 1500 is equipped with a wide range of powertrain options, including a turbo four-cylinder, two V8s, and a Duramax diesel. The Silverado is available in WT, Custom, Custom Trail Boss, LT, RST, LT Trail Boss, ZR2, LTZ and High Country trims. For 2026, a new RST Select Special Edition is introduced available exclusively with the 2.7L TurboMax – with best-in-class standard torque. Active Exhaust (dual) with Sport mode is included with the 6.2L V8. Cruise control is standard on WT trim. Premium Audio is standard on ZR2. OnStar and wireless Apple CarPlay® and Android Auto™ are standard on all models.

Chevrolet Silverado EV

Chevrolet offers its off-road Trail Boss trim to the 2026 Silverado EV lineup. With a 2-inch lift, Trail Boss has 24% higher ground clearance than the base Silverado EV. Trail Boss includes model-specific 18-inch wheels wrapped in 35-inch all-terrain tires, red tow hooks, a redesigned front bumper, and Terrain mode. The LT trim features a unique lower front fascia and uplevel exterior lighting, a 17.7-inch infotainment screen with an 11-inch driver informational center (now standard on all trims). A Premium Package is available that adds Super Cruise, Multi-Flex Midgate, and more. Max Range Work Truck reaches 493 miles of range.

Chevrolet Silverado HD

\$45,300 - \$75,095

	Gasoline	Diesel
Engine	6.6L V8	6.6L V8

Wheelbase, in	141.5 - 172	141.5 - 172
Curb Weight, lb	6267	6894
Transmission	10A	10A

The 2026 Chevrolet Silverado HD includes a choice of regular, extended, or crew cab passenger compartments teamed with short and long beds. Silverado HD is powered by the standard 6.6L gasoline V8 or the available 6.6L turbo-diesel V8, both with a 10-speed automatic transmission. The diesel is rated to tow 36,000 pounds. A 14-camera surround-view system and adaptive cruise control are offered. Based on the LT and LTZ trims, the Trail Boss brings an off-road suspension, unique 20-inch wheels, and some trim-specific cosmetic features. A larger 13.4-inch touchscreen is standard on LT, LTZ, Trail Boss, High Country, and ZR2 models.

Chevrolet Suburban

\$62,000 - \$81,700

	Gasoline	Gasoline	Diesel

Wheelbase, in	134.1	134.1	134.1
Curb Weight, lb	5616	5797	6053
Transmission	10A	10A	10A

Chevrolet Suburban received a fresh design last year that included a more powerful diesel engine option and technology enhancements, and it carries over for 2026. The exterior has available 24-inch wheels, bold signature lighting and lighting animations. The interior design centers on a best-in-segment 17.7-inch diagonal touchscreen paired with the 11-inch-diagonal driver information center. The Max Trailering package and adaptive cruise control hands-free driving system are available. High Country is the most luxurious model; it includes wood trim and perforated leather upholstery and offers unique interior color schemes.

Chevrolet Tahoe

\$59,000 - \$78,700

Transmission	10A	10A	10A

The 2026 Chevrolet Tahoe lineup includes LS, LT, RST, Z71, Premier and High Country trims. Rear-wheel drive is standard on most models, and all-wheel drive is optional. Tahoe can seat eight passengers (or even nine with the optional front bench seat), and can tow up to 8400 pounds. Tahoe received a styling refresh for 2025 that included new lighting elements, new wheel 24-inch wheel designs, and a revised dashboard with a standard 17.7-inch infotainment touchscreen and 11.0-inch digital instrument cluster. Optional features include a power rear liftgate, second-row captain's chairs, a power-adjustable steering column, and more.

Chevrolet Trailblazer

\$23,000 - \$27,600

Drive wheels	RWD, AWD	RWD, AWD
Wheelbase, in	121	121
Curb Weight, lb	4816	4816
Transmission	8A	8A

The gas-powered Charger muscle car returns to the Dodge lineup for 2026, but it's more than new from the tires up: this time it comes in two body styles; a four-door sedan and a two-door fastback coupe. Charger is offered in either R/T or Scat Pack trim levels, with the latter getting the higher-output 550-hp version of the Hurricane twin-turbo inline-six. The all-wheel drive system has a mode that turns the Charger into a rear-wheel-drive machine. The Charger's retro styling from the 1960s and 70s is displayed inside and out. The tech inside includes a 10.3- or 16.0-inch digital gauge display and a 12.3-inch infotainment screen.

Dodge Charger Daytona

Wheelbase, in	121	121
Curb Weight, lb	5698	5767
Transmission	1A	1A

Dodge debuts the all-new 2026 Dodge Charger Daytona Sedan — the world's only four-door muscle car — joining the two-door coupe. Charger Daytona Scat Pack models boast 670 horsepower. All models are powered by an all-electric 400-volt dual motor system delivering muscle car performance and sound through standard all-wheel drive, a mechanical limited slip differential and the world's first patent-pending Fratzonic Chambered Exhaust. Track Package is now optional on Scat Pack trims, as well as two new custom looks with Fratzog dual stripes and gloss black painted hood options.

Dodge Durango/SRT

The 2026 Dodge Durango lineup offers GT, R/T, and 710-hp SRT Hellcat models. The three-row SUV offers flexibility with 50 seating configurations. A new R/T Blacktop Redline package adds new 20-by-8-inch Black Noise wheels, blacked-out HEMI and Dodge badging, front and rear SRT spoilers and more. R/T also features a refreshed wheel lineup and brings back the Tow N Go package as a standalone option. The 10.1-inch touchscreen is standard with Uconnect 5, Apple CarPlay® and Android Auto™. More than 60 safety and security features are available, including Blind Spot Monitoring, Adaptive Cruise Control, and more. B5 Blue color returns.

Dodge Hornet

\$31,400 - \$46,745

	GT	R/T PHEV
Engine	2.0L I-4	1.3L I-4/ Electric
Horsepower	268	288
Torque, lb-ft	295	383
EPA est. mpg	21/29	77 MPGe
Drive wheels	AWD	AWD
Wheelbase, in	103.8	103.8
Curb Weight, lb	3715	4140
Transmission	9A	6A

The Dodge Hornet lineup consists of four models: GT, G/T Plus, R/T, and R/T Plus. R/T debuted in 2024 as the first electrified performance vehicle from Dodge, delivering 288 hp and 32 miles of all-electric range. Hornet R/T offers Sport Mode and three hybrid driving modes: Hybrid, Electric and E-Save. Key standard content for all models includes a 12.3-inch Digital TFT Cluster, 10.25-inch Uconnect 5 Radio, and dual-zone HVAC. Hands-free liftgate functionality is standard for the Plus models. Steering wheel paddle shifters are available for GT and GT Plus as part of the Track Pack option. Hornet is expected to receive a design refresh for 2026.

Ferrari 12Cilindri

\$467,000 - \$510,000

Engine	6.5L V12
Horsepower	819
Torque, lb-ft	500
EPA est. mpg	19-Dec
Drive wheels	RWD
Wheelbase, in	106.3
Curb Weight, lb	3439
Transmission	8DCT

The newly introduced Ferrari 12Cilindri replaced the 812 and is all about the naturally aspirated 6.5L V12 — no turbos, no hybrids. The latest evolution of Ferrari's F140 V12 makes 819 hp and 500 lb-ft of torque. An eight-speed dual-clutch gearbox mounted at the rear increases speed shift by 30 percent. Taller 21-inch tires contributes to better acceleration. 12Cilindri gets all of Ferrari's latest, ultra-advanced chassis control systems. The modern cabin features a trio of screens and a "dual-cockpit" layout that envelops the driver and passenger into their own pods. 12Cilindri is offered in coupe and convertible variants.

Ferrari 296 GTB/GTS

\$350,000 - \$500,000*

	PHEV
Engine	3.0L V6/ Electric
Horsepower	819
Torque, lb-ft	546
EPA est. mpg	47 MPGe
Drive wheels	RWD
Wheelbase, in	102.4
Curb Weight, lb	3241
Transmission	8DCT

*See dealer for pricing

The Ferrari 296GTB coupe and 296GTS convertible are equipped with a plug-in hybrid system— a V6 coupled with an electric motor — delivering 819 hp. 296GTS has a retractable hard top that can stow behind the cabin in 14 seconds. 296GTB coupe comes with carbon-fiber wheels and carbon-fiber Daytona seats. Four drive modes provide varying performance characteristics. The center console has a push-button shifter inspired by the gated manual Ferrari gearboxes of old. A high-performance Assetto Fiorano package is available. For 2026, a special edition — 296 Speciale — takes the 296GTB and dials it up in nearly every conceivable way.

Ferrari 849 Testarossa

\$540,000 - \$645,000

Engine 4.0L V8/ Electric
Horsepower 1036
Torque, lb-ft 621
EPA est. mpg TBA
Drive wheels AWD
Wheelbase, in 104.3
Curb Weight, lb 3463
Transmission 8DCT

Ferrari has unveiled its latest sports car, the 849 Testarossa, which replaces the SF90 Stradale. 849 Testarossa is a plug-in hybrid super sports berlinetta equipped with three electric motors alongside the mid-rear twin-turbo V8. The 849 Testarossa is equipped with the latest brake system and Ferrari's ABS Evo controller, which improves braking precision and consistency in all conditions. Available in coupe or spider body styles, the inspiration taken from 1970s Sports Prototypes, together with sharp and geometric lines, creates a unique and timeless design. The seats are available in two versions: comfort and carbon-fiber racing.

Ferrari Amalfi

\$283,000*

Engine 3.9L V8
Horsepower 631
Torque, lb-ft 559
EPA est. mpg 17/22
Drive wheels RWD
Wheelbase, in 105.1
Curb Weight, lb 3241
Transmission 8 DCT
*See dealer for pricing

The Ferrari Amalfi replaces the Ferrari Roma for 2026. The new V8 powered 2+2 coupe's design was inspired by the scenic Italian coastline. Amalfi sees some cosmetic and mechanical changes intended to correct the few flaws of its predecessor. Updates include a revised engine, improved aerodynamics, and a new active rear spoiler with three positions. The exterior sees a revised front fascia with a new black strip across the nose, smaller headlights and restyled taillights. The cabin has been reworked, physical controls on the steering wheel have been added, and the central touchscreen is switched from portrait to landscape.

Ferrari F80

\$3,500,000*

Engine 3.0L V6/ Electric
Horsepower 1200
Torque, lb-ft 749
EPA est. mpg TBA
Drive wheels AWD
Wheelbase, in 104.9
Curb Weight, lb 3562
Transmission 8DCT
*See dealer for pricing

The 2026 F80 is Ferrari's new supercar, a car destined to join iconic models from the 1984 GTO to the 2016 LaFerrari Aperta. F80 is a showcase for the ultimate in technology and performance from the marque, and represents an extreme development of the internal combustion engine. With a combined maximum power of 1200 hp, the V6-hybrid powertrain makes F80 the most powerful road car ever to come out of the gates of the Ferrari factory. A host of advanced technological solutions makes the F80 the new benchmark for innovation and engineering excellence. F80 will be produced in a limited run of just 799 examples.

Ferrari Purosangue

\$428,000

Engine 6.5L V12
Horsepower 715
Torque, lb-ft 528
EPA est. mpg 15-Nov
Drive wheels AWD
Wheelbase, in 118.8
Curb Weight, lb 4482
Transmission 8DCT

The Purosangue is Ferrari's first-ever crossover. Vehicle dynamics inspired by the Prancing Horse's most extreme sports cars make the Purosangue an authentic Ferrari four-door sports car. The Purosangue has a mid-front-mounted engine with the gearbox at the rear to create a sporty transaxle layout. The V12 engine is designed to produce the highest amount of torque at low revs possible without losing the feeling of linear, never-ending power. The chassis was designed from scratch to produce a structure of uncompromising rigidity. The cabin feels like an extremely elegant, sporty lounge. A hybrid model is rumored to debut in 2026.

Ferrari Roma Spider

\$279,965

Engine 3.9L V8
Horsepower 612
Torque, lb-ft 561
EPA est. mpg 17/22
Drive wheels RWD
Wheelbase, in 105.1
Curb Weight, lb 3450
Transmission 8DCT

The Ferrari Roma returns for 2026 in top-down Spider form only, as the coupe retired from the Ferrari stable. The convertible's five-layer fabric top can fold in 13.5 seconds at speeds up to 37 miles per hour. Under the hood is a 3.9L twin-turbo V8, pumping out a maximum of 612 hp and torque of 560 lb-ft, driving the rear wheels through an eight-speed dual-clutch transmission and an electronic differential. The cabin mixes upscale materials with a unique layout featuring a dual cockpit design with an 8.4-inch central display mounted in the sweeping dashboard that flows into the doors and floating center console.

Fiat 500e

\$30,500 - \$35,500

Engine Electric
Horsepower 117
Torque, lb-ft 162
EPA est. mpg 116 MPGe
Drive wheels FWD
Wheelbase, in 91.4
Curb Weight, lb 2952
Transmission 1A

Fiat offers the 500e Giorgio Armani Collector's Edition, the perfect balance of elegance, style and sustainability. Available in two exclusive colors – green and Greige – with matching tone-on-tone eco-leather seats, Fiat 500e Giorgio Armani Collector's Edition features special Armani interior treatment and unique 17-inch wheels with the GA logo. Under the hood, the lightest passenger BEV in the market is driven by an electric motor with an output of 117 hp and 162 lb-ft of torque, delivering spirited performance while managing range – 0-30 mph in under three seconds and a combined range of up to 149 miles.

Ford Bronco

\$39,995 - \$79,995

	Raptor	
Engine	2.3L I-4	3.0L V6
Horsepower	300	418
Torque, lb-ft	325	440
EPA est. mpg	20/21	15/16
Drive wheels	4WD	4WD
Wheelbase, in	100.4 / 116.1	116.5
Curb Weight, lb	4286	5733
Transmission	10A, 7M	10A

The Ford Bronco offers many performance and personalization options to customize an off-road lifestyle. The new 2026 Bronco 60th Anniversary Package is a special edition that pays homage to the original 1966 Bronco. It is available exclusively on the Outer Banks trim level with the Sasquatch Package. Exclusive styling includes intricate wheels with retro hubcaps, a special grille, a white-painted roof, special badging, Vermilion Red bodyside decals, and a two-tone leather interior. The Bronco lineup now offers grab handles on the A-pillars. The 12-inch touchscreen and SYNC 4 system are standard on all models.

Ford Bronco Sport

\$31,695 - \$40,115

	Raptor	
Engine	2.0L I-4	3.0L V6
Horsepower	245	418
Torque, lb-ft	275	440
EPA est. mpg	21/26	15/16
Drive wheels	4WD	4WD
Wheelbase, in	105.1	116.5
Curb Weight, lb	3707	5733
Transmission	8A	10A

Ford Bronco Sport received several key updates last year, and for 2026 offers the new Bronze package. Available on the base Big Bend and the top Badlands models, the package includes 17-inch bronze-finished wheels and specific exterior trim. Inside, there are more bronze accents, special stitching, along with heavy-duty floor mats and a cargo-area floor liner. The Sasquatch package includes an ultra-rugged twin-clutch rear-drive unit and locking rear differential. Sport recently added modular points on the bumpers to fit a range of accessories. All models come standard with a 13.2-inch touchscreen with the latest SYNC® 4 system.

Ford Expedition

\$62,400 - \$84,000

	Raptor	
Engine	3.5L V6	3.5L V6

Curb Weight, lb	5404/5668	5542/5794
Transmission	10A	10A

The Ford Expedition carries over for 2026 after last year's redesign with a new look, advanced technology, greater versatility, and improved capability. The new Tremor is the most off-road capable Expedition ever with 33-inch all-terrain tires, best-in-class ground clearance, advanced off-road technology, and more. Recent updates include the new Ford Split Gate, a new 24-inch panoramic display, Flex Powered Console, an available class-exclusive 40/20/40 folding third-row bench seat, available exterior zone lighting, and more. Expedition seats up to eight and is available in standard-wheelbase or extended-length (Expedition MAX).

Wheelbase, in	119.1	119.1
Curb Weight, lb	4345	4727
Transmission	10A	10A

The 2026 Ford Explorer lineup includes the versatile Active, sporty ST-Line, high performance ST, luxurious Platinum and the new off-road Tremor. Tremor rides on a lifted suspension and features a limited-slip rear differential, all-terrain tires, special 18-inch wheels, and adds auxiliary off-road lights, and electric spice-accented tow hooks. A 13.2-inch LCD touchscreen infotainment system is standard on all models. Last year's mid-cycle refresh brought subtly revised exterior styling, interior design improvements, and a revamped tech suite to the rest of the Explorer lineup, so those models will carry over to 2026.

Ford F-150/Lightning

See dealer for complete lineup

The Ford F-150 has evolved in the modern era with an aluminum body, turbocharged powertrains, a hybrid option, and an all-electric spinoff. A new 2026 Lightning STX model is introduced, replacing the XLT, and comes equipped with dual motors and an extended range battery, targeting an estimated 290 miles of range, 536 hp, as well as a standard rear e-locking differential. STX also adds a fresh new grille with a striking grabber blue accent. The F-150 Raptor boasts FOX Dual Live Valve shocks providing a more confident, controlled ride. SYNC 4 with a 12-inch touchscreen is standard on all models. Pro Access Tailgate is available.

Ford F-Series Super Duty

Curb Weight, lb	5697	6499	6206
Transmission	10A	10A	10A

The F-Series Super Duty lineup received new advanced technology features, new appearance packages and refined interior upgrades last year and carries over for 2026. Super Duty offers various cab and bed options and the choice of three gutsy powertrains. The Trailer Technology bundles include options for auxiliary cameras, Individual Trailer Tire Pressure Monitoring System, and BLIS® with trailer coverage. The available Platinum Plus Package includes a distinctive satin finish grille with bright chrome inserts, exclusive Smoked Truffle interior, and more. The Tremor off-road package adds a lift kit and meatier tires.

Ford Maverick

\$28,145 - \$40,995

	EcoBoost	Hybrid
Engine	2.0L I-4	2.5L I-4/ Electric
Horsepower	238	191
Torque, lb-ft	275	155
EPA est. mpg	23/30	42/33
Drive wheels	FWD, AWD	FWD
Wheelbase, in	121.1	121.1
Curb Weight, lb	3563	3674
Transmission	8A	ECVT

The Ford Maverick received a styling refresh in 2025 adding darkened headlamp covers, a redesigned front bumper and grille, new wheel designs and more. The 2.0L EcoBoost FWD has been reintroduced to the 2026 lineup and the 2.0L EcoBoost all-wheel-drive (AWD) is now a no-charge upgrade versus the standard Hybrid FWD. The power-sliding rear window option extends to XLT and Lobo trims. New exterior paint colors - Marsh Gray and Orange Fury Metallic Tri-Coat - are offered. A conventional spare tire is now offered as a standalone option. Maverick features SYNC 4 on a large 13.2-inch touchscreen with Apple CarPlay® and Android Auto™.

Ford Mustang

\$32,320 - \$69,075

	EcoBoost	GT	Dark Horse
Engine	2.3L I-4	5.0L V8	5.0L V8

Curb Weight, lb	3512	3730	3949
Transmission	10A	6M, 10A	6M, 10A

For 2026, Ford introduces the Mustang FX Package inspired by the third-generation Mustang. Available on GT Premium models, the package celebrates the 80's Fox-body 'stang, complete with callback exterior styling accents, a retro cabin redesign, new wheel designs, and an available Oxford White styling theme. New paint colors and new seatbelt options are available. Mustang Dark Horse is a track-focused step up from the GT that uses a 500-hp version of the 5.0L V8. An available GT Performance package includes 19-inch wheels, big Brembo calipers, a 3.73-gear Torsen differential, and more. A Mustang Raptor model is expected in 2026.

Ford Mustang Mach-E

\$37,995 - \$58,490

	Standard Range	Extended Range	GT
Engine	Electric	Electric	Electric

Wheelbase, in	117.5	117.5	117.5
Curb Weight, lb	4318	4838	4962
Transmission	1A	1A	1A

The Ford Mustang Mach-E electric SUV offers iconic design and a luxurious cabin. Based on the GT trim, a 2026 California Special package is introduced and includes 20-inch carbonized gray wheels with a GT/CS logo, a hood graphic inspired by the California coastline, and an illuminated Rave Blue pony emblem on the grille. The interior features a bespoke Navy Pier ActiveX upholstery with a reflective blue and silver stripe, and the California-ization also extends to the console and floor mats. A Ford Connectivity Package is available on all models and includes Wi-Fi® Hotspot, more apps, and enhanced navigation functions.

Transmission	1A	1A	1A

The all-electric Genesis GV60 receives a styling refresh for 2026 that includes new color palettes, updated bumpers, revised headlamps, and new wheel designs. The cabin sees a new three-spoke steering wheel and a large 27.0-inch infotainment display. A new battery increases range to 306 miles. Standard features include Wi-Fi hotspot, Android Auto™ and Apple CarPlay®, Genesis Digital Key 2, and Highway Driving Assist. GV60 is made with sustainable leather and fabrics from recycled materials. Technologies include Face Connect, Fingerprint Authentication, and OTA updates. A crystal sphere gearshift is a compelling design element.

Transmission	8A	8A	1A

The Genesis GV70 is available in 2.5T and 3.5T models and two electric trims. The electrified GV70 follows its gas-powered sibling into 2026 with a revised front grille and bumper, updated headlamps, and new wheel designs. Electrified GV70 also receives a slightly larger battery pack to increase range. GV70 adds a 27-inch widescreen display (also for the electric trims) that stretches across the dashboard and serves as both the digital gauge cluster and the central infotainment screen. Outside, tweaks include new headlights, a new grille pattern, new wheel designs, and a few additional visual enhancements for the Sport trim levels.

Genesis GV80

The 2026 Genesis GV80 family includes SUV and coupe models. Updates to the GV80 SUV include a new 2.5T RWD trim; third row seating now offered on 2.5T Advanced AWD, 2.5T Prestige AWD, 3.5T Advanced AWD and 3.5T Prestige AWD; and a temporary spare tire and Tire Mobility Kit now standard on all models. For the coupe, a new interior color combination and manual rear side sunshades are available on all trims. All GV80 models are equipped with a new Terrain Mode that optimizes the vehicle for different road conditions, including snow, mud and sand. Genesis Digital Key 2 Premium adds rear door lock/unlock functionality for most models.

With the new software-enabled King Crab off-road rear-steer mode (available over-the-air to all HUMMER EV owners) and faster acceleration with the new Carbon Fiber Edition Pickup –the 2026 GMC Hummer EV SUV and Pickup are now more capable and advanced than ever. King Crab mode takes the HUMMER EV's standard four-wheel steer agility to the next level to further improve maneuverability. The new limited Carbon Fiber Edition with carbon-fiber exterior trim as well as full-carbon wheels help drop the claimed 60-mph time to 2.8 seconds. It's available on the 3X trim. The updated Hummers are also now capable of bidirectional charging.

Transmission CVT, 8A

The GMC Terrain received a fresh new design last year and adds a new off-road AT4 trim and a top-tier Denali trim for 2026. The new luxe Denali trim includes heated rear seats, special 19-inch wheels, and two exclusive colors. Terrain's grille shares design cues with GMC's truck lineup and connects the headlamps to the lower fog lights to create a distinctive front-end graphic. A two-tone roof in black or gray is available. Standard tech includes a 15-inch-diagonal Premium GMC Infotainment System and 11-inch-diagonal driver information center. Up to eight camera views, including a rear camera mirror, are available.

GMC Yukon/XL

Transmission	10A	10A	10A		

The GMC Yukon and Yukon XL received technology upgrades, refreshed exterior and interior design, and the first-ever AT4 Ultimate trim last year. No changes are expected for 2026. The exterior commands attention with the application of unique grille patterns, liftgate badging, animated headlamps and taillamps, and an available panoramic sunroof. Advanced tech includes a 16.8-inch-diagonal premium infotainment system, an enhanced suite of safety features, and the newly available Night Vision. The AT4 Ultimate has a luxurious Obsidian Rush interior with three rows of full-grain leather seating and Ash Burl wood accents.

Honda Accord

The Honda Accord features more standard features and a turbocharged sporty SE trim. The SE trim stands out with black 17-inch alloy wheels, black window trim, black door mirrors, a black shark fin antenna and gloss-black B-pillar trim. All models come standard with rear air conditioning vents and USB-C ports; Sport adds standard heated front seats and a wireless phone charger. Accord features an available 12.3-inch touchscreen and Google built-in. Accord is available in six trim levels, starting with the turbocharged LX and SE, and topped by the hybrid-electric powered Sport, EX-L, Sport-L and Touring.

Honda Civic

\$24,595 - \$45,895

	LX, Sport	Si	Type R	Sport H

The 2026 Honda Civic is offered as a sedan or hatchback and is available in various trim levels starting with LX (sedan only) and Sport, followed by the more powerful Sport Hybrid and Sport Touring Hybrid. High-performance Civics include Type R and Si. The hybrid-powered trims reach a combined 200 hp and an impressive 232 lb-ft of torque. The two-motor hybrid system does not require a traditional transmission or CVT for driving and generating power. Both sedan and hatchback models seat five. A 7.0-inch touchscreen infotainment display (an available 9.0-inch is standard on higher trims) and adaptive cruise control are standard.

JL Freed Honda

WHERE VALUE MEETS PERSONAL SERVICE SINCE 1883

J.L. Freed has a long and distinguished history in Lansdale and has, from the beginning, remained a family-owned business. In 1883, George Gerhart and Joseph Oberholtzer formed a partnership that specialized in the trading of agricultural implements.

In 1918, Lester Freed and Warren Freed entered the business as partners with their father, Jacob. At this time the firm became known as J.L. Freed & Sons. That same year, the company embarked on a new direction, when they decided to diversify by adding Case automobiles to their existing line of agricultural machinery, and the future course of the company was forever changed. The Hudson and Essex car lines were added in 1921.

Fast forward to today, our new location features a state of the art, two story new car showroom. The service department boasts drive-in, valet parking, and allows us to provide the ultimate in convenience.

J.L. Freed Honda provides the finest ownership experience for its clients and builds on their reputation of outstanding customer service - Since 1883.

Honda CR-V

\$30,920 - \$42,250

	Engine	Hybrid
	1.5L I-4	2.0L I-4/ Electric
Horsepower	190	204
Torque, lb-ft	179	247
EPA est. mpg	28/34	40/35
Drive wheels	FWD, AWD	AWD
Wheelbase, in	106.3	106.3
Curb Weight, lb	3472	3752
Transmission	CVT	E-CVT

The refreshed 2026 Honda CR-V arrives with more standard technology and an expanded lineup, featuring a new TrailSport Hybrid trim that brings more rugged styling and improved capability. The new CR-V TrailSport Hybrid is the first Honda SUV to combine rugged design and trail-ready all-terrain tires with the Honda two-motor hybrid-electric system. A larger 9-inch color touchscreen, wireless Apple CarPlay® and Android Auto™, and a wireless phone charger are now standard across the lineup. Higher trims get a larger 10.2-inch full digital instrument display. CR-V also gains more aggressive 18-inch wheel designs.

Honda HR-V

\$26,200 - \$31,550

	Engine	2.0L I-4
	Horsepower	158
	Torque, lb-ft	138
	EPA est. mpg	26/32
	Drive wheels	FWD, AWD
	Wheelbase, in	104.5
	Curb Weight, lb	3150
	Transmission	CVT

The 2026 Honda HR-V arrives with stylish design upgrades and enhanced standard tech features. HR-V features sharp new wheel designs on all three trims: HR-V LX now features a Pewter Gray 17-inch alloy wheels and HR-V Sport rides on newly styled 18-inch Berlina Black alloys; at the top of the range, HR-V EX-L gets machine-finished 18-inch alloy wheels. Inside, HR-V LX and Sport gain a larger 9-inch color touchscreen with a faster processor, wireless Apple CarPlay® and Android Auto™, a wireless phone charger, and USB-C ports throughout the cabin. LX gains privacy rear glass, and Sport now comes with gloss black tailgate badging.

Honda Odyssey

\$42,795 - \$51,695

	Engine	3.5L V6
	Horsepower	280
	Torque, lb-ft	262
	EPA est. mpg	19/28
	Drive wheels	FWD
	Wheelbase, in	118.1
	Curb Weight, lb	4398
	Transmission	10A

The Honda Odyssey seats up to eight and is highly configurable. The second-row Magic Slide seat can convert from a three-across bench to individual captain's chairs. The third row is simple to collapse to create more storage space. Inside, every Odyssey gets a 9-inch color touchscreen, wireless Apple CarPlay® and Android Auto™ compatibility, a wireless phone charger, more USB-C ports. The Rear Entertainment System features a 12.8-inch high-resolution screen. Odyssey received a facelift last year which included sporty new styling, more standard features and updated technology improvements. No changes are expected for 2026.

Why do you see so many
vehicles with this emblem?
The answer is two words.

Engine 3.5L V6
Horsepower 285
Torque, lb-ft 262
EPA est. mpg 20/25
Drive wheels FWD, AWD
Wheelbase, in 111
Curb Weight, lb 4057
Transmission 10A

The new 2026 Honda Passport TrailSport and TrailSport Elite are the first Honda light truck models equipped with exposed and easily accessible heavy-duty front recovery points. All Passport TrailSport models also feature a trailer hitch with a 7-pin connector that integrates two stout rear recovery points and helps protect the rear fascia from off-road damage. The new Passport rides on a longer wheelbase and has a wider track. Interior updates include a new, larger infotainment screen and standard heated seats. The two-row Passport comes in three primary trim levels – RTL, TrailSport and TrailSport Elite.

Honda Pilot

\$40,200 - \$54,580

Engine 3.5L V6
Horsepower 285
Torque, lb-ft 262
EPA est. mpg 19/27

Curb Weight, lb 4030
Transmission 10A

Honda has advanced the rugged, family-friendly Honda Pilot for the 2026 model year with several key upgrades inside and out. These include a larger touchscreen, a more premium and tech-rich interior, and major styling updates with vibrant new colors. Improved steering feel and a quieter cabin enhance both driving enjoyment and overall comfort, as well as upgraded safety features. Pilot now features a new ultra-wide 12.3-inch touchscreen with Apple CarPlay® and Android Auto™, Google built-in, and 5G wi-fi hotspot now included as standard. Pilot offers six trim levels: Sport, EX-L, Touring, TrailSport, Elite and Black Edition.

Honda Prelude

Drive wheels	FWD	AWD
Wheelbase, in	121.8	121.8
Curb Weight, lb	4932	5610
Transmission	1A	1A

The all-electric Honda Prologue SUV features clean and simple "Neo-Rugged" styling and ample interior space that's ready for adventure. Prologue is offered in both single-motor (front-wheel drive) and dual-motor (all-wheel drive) configurations with three trim levels — EX, Touring and Elite. Prologue receives an upgraded front power unit for 2025, offering notably higher range ratings (up to 308 miles) and improved power. A panoramic roof and large 21-inch wheels are available. In addition to embedded Google apps, two high-definition digital screens include an 11.3-inch touchscreen with wireless Apple CarPlay® and Android Auto™.

Honda Ridgeline

\$40,595 - \$48,690

Engine	3.5L V6

Hyundai debuts the high-performance IONIQ 6 N for 2026. IONIQ 6 N introduces cutting-edge innovations in suspension geometry, immersive sound and drift control. Flared fenders, a wider stance, lightweight wheels and a motorsport-inspired swan-neck rear spoiler all emphasize IONIQ 6 N's focus on aerodynamic efficiency and dynamic capability. IONIQ 6 has been restyled with a sleeker front end, slimmer exterior lighting elements, and updated wheel designs. The interior gets a new three-spoke steering wheel, a revised center console, and upgraded door panel materials. IONIQ 6 makes innovative use of sustainable materials.

Hyundai IONIQ 9

\$58,995 - \$76,490

	RWD	LR AWD	Performance
Engine	Electric	Electric	Electric
Horsepower	215	303	422
Torque, lb-ft	258	446	516
EPA est. mpg	92 MPGe	88 MPGe	85 MPGe
Drive wheels	RWD	AWD	AWD
Wheelbase, in	123.2	123.2	123.2
Curb Weight, lb	5507	5902	6008
Transmission	1A	1A	1A

Hyundai expands its IONIQ lineup with the all-new IONIQ 9 three-row electric SUV, combining spacious design, distinctive styling and cutting-edge EV technology. IONIQ 9 boasts powerful, efficient performance through multiple motor configurations and a long-range battery for up to an estimated 335 miles of range. Sleek aerodynamics with active air flaps and 800V ultra-fast charging allows recharging from 10% to 80% in just 24 minutes. A spacious interior with a fully flat floor, Relaxation Seats, and a slidable island console maximizes comfort. Active Noise Control technology, acoustic glass, and a premium 14-speaker BOSE stereo add a luxury feel.

Hyundai Kona/Electric

\$24,550 - \$32,975

Engine	2.0L I-4	1.6L I-4	Electric
Horsepower	147	190	201
Torque, lb-ft	132	195	291
EPA est. mpg	29/34	26/32	118 MPGe
Drive wheels	FWD, AWD	FWD, AWD	FWD
Wheelbase, in	104.7	104.7	104.7
Curb Weight, lb	3005	3267	3759
Transmission	CVT, 8A	8A	1A

For 2026, Hyundai has dropped the SEL, SEL Convenience, N Line S, and N Line trims from the Kona lineup and added the SEL Sport and SEL Premium models. All-wheel drive is available across the lineup, and the list of standard features is long. Despite the Kona Electric lineup growing to include a sporty N line trim just last year, Hyundai has axed all but the base SE trim for 2026. That means the Kona Electric is now only available with the 48.6-kWh battery pack and 133-hp powertrain. Standard features for the electric model include navigation-based cruise control, dual-zone automatic climate control, and a Wi-Fi hotspot.

Hyundai Palisade

\$38,935 - \$58,280

Engine	3.5L V6	Hybrid
Horsepower	287	2.5L I-4/ Electric 329
Torque, lb-ft	260	339
EPA est. mpg	19/26	33/35
Drive wheels	FWD, AWD	AWD
Wheelbase, in	116.9	116.9
Curb Weight, lb	4420	4790
Transmission	8A	6A

The all-new 2026 Hyundai Palisade showcases a bold design, tech that empowers, and enhanced comfort — including a reimagined third row. Palisade introduces a hybrid variant, alongside a robust internal combustion engine and a new adventure-ready XRT model. The new 2.5L turbocharged hybrid powertrain targets 329 hp and estimated driving range of up to 619 miles. The first-ever Palisade XRT PRO packs more off-road hardware and greater design differentiation than preceding XRT. New available convenience technologies include Relaxation seating, Digital Key 2, 100-watt capable USB-C ports, and factory-installed tow hitch.

Hyundai Santa Cruz

\$29,500 - \$43,450

Engine	2.5L I-4	2.5L I-4
Horsepower	191	281
Torque, lb-ft	181	311
EPA est. mpg	21/26	19/27
Drive wheels	FWD, AWD	FWD, AWD
Wheelbase, in	118.3	118.3
Curb Weight, lb	3704	3968
Transmission	8A	8A

The 2026 Hyundai Santa Cruz was refreshed last year and carries over with minimal changes. Sante Cruz now uses a more traditional eight-speed torque-converter automatic transmission replacing the eight-speed dual-clutch. Inside, the dashboard features a panoramic curved display with wireless Apple CarPlay® and Android Auto™ integration. The XRT trim has an exclusive grille and exclusive front and rear bumper fascia designs, front tow hooks, wrench-inspired XRT-specific 18-inch wheels, all-terrain tires, and adds Surround View Monitor and Blind-Spot View Monitor. XRT gains Terrain Mode for mud, snow, and sand for 2026.

Hyundai Santa Fe

\$34,800 - \$48,450

	Engine	Hybrid
Engine	2.5L I-4	1.6L I-4/ Electric
Horsepower	277	232
Torque, lb-ft	311	271
EPA est. mpg	20/29	36/35
Drive wheels	FWD, AWD	AWD
Wheelbase, in	110.8	110.8
Curb Weight, lb	4541	4905
Transmission	8A	6A

The 2026 Hyundai Santa Fe is available with two powertrain options: a 2.5L turbocharged engine and a 1.6L turbocharged hybrid. Santa Fe now uses a more traditional eight-speed torque-converter automatic transmission replacing the eight-speed dual-clutch. Santa Fe is packed with premium comfort and convenience features that include Relaxation Seat with Leg Rest, UV-C Sterilization Tray, dual wireless charging system for smartphones, Panoramic Curved Display and more. The interior emphasizes horizontal and vertical design elements, with an H-shaped dashboard with a 12.3-inch gauge display and a 12.3-inch infotainment screen.

Hyundai Sonata

\$26,900 - \$37,700

	Engine	N Line	Hybrid
Engine	2.5L I-4	2.5L I-4	2.0L I-4/ Electric
Horsepower	191	290	192
Torque, lb-ft	181	311	151
EPA est. mpg	28/38	23/33	50/54
Drive wheels	FWD, AWD	FWD	FWD
Wheelbase, in	111.8	111.8	111.8
Curb Weight, lb	3305	3534	3439
Transmission	8A	8DCT	6A

The 2026 Hyundai Sonata carries over with minimal changes. SEL Sport replaces SEL and SEL Convenience trims. A Blue Hybrid trim also joins the lineup. Most models are front-wheel drive, but HTRAC all-wheel drive is an option with the 2.5L engine. Inside, the panoramic curved display houses a 12.3-inch driver information cluster and 12.3-inch audio-video navigation system. Wireless smartphone charging and wireless Apple CarPlay® and Android Auto™ are standard. The SmartSense package of driver-assistance features is also standard. Sonata can even pull in and out of a parking space while you wait for it from outside.

Hyundai Tucson

\$28,705 - \$47,440

	Engine	Hybrid	PHEV
Engine	2.5L I-4	1.6L I-4/ Electric	1.6L I-4/ Electric
Horsepower	187	231	268

EPA est. mpg	25/33	38/38	77 MPGe
Drive wheels	FWD, AWD	AWD	AWD
Wheelbase, in	108.5	108.5	108.5
Curb Weight, lb	3429	3770	4121
Transmission	8A	6A	6A

The Hyundai Tucson received major exterior and interior design updates last year, as well as enhanced driver comfort, convenience and safety technologies. It arrives in 2026 with minor changes. Tucson offers internal combustion, hybrid, and plug-in hybrid models. Tucson sports a simple but modern dashboard design, a column-mounted shifter, and a separate control panel for the climate-control system. The tech-filled cabin offers optional features such as adaptive cruise control with lane-centering, a large digital display that combines gauges and infotainment within a single glass panel, and a 12-inch color Head-Up Display.

Hyundai Venue

\$20,200 - \$23,450

Engine 1.6L I-4
Horsepower 121
Torque, lb-ft 113
EPA est. mpg 29/33
Drive wheels FWD
Wheelbase, in 99.2
Curb Weight, lb 2612
Transmission CVT

The Hyundai Venue, available in SE, SEL, and Limited trims, carries over for 2026. The Venue features bold, modern design elements with optional two-tone extroverted color options for roof, mirrors and trim, and a power sunroof and privacy glass. Venue offers premium technology and a suite of advanced safety features. Available comfort and convenience features include leather-wrapped steering wheel, dual USB ports, an 8-inch touchscreen, a 4.2-inch TFT instrument cluster display, rearview camera and Bluetooth® hands-free phone, and a six-speaker audio system. Second-row USB ports are standard on SEL and Limited trims.

INEOS Grenadier/Quartermaster

\$71,000 - \$84,400

Engine 3.0L I-6
Horsepower 282
Torque, lb-ft 332
EPA est. mpg 15/15
Drive wheels 4WD
Wheelbase, in 115
Curb Weight, lb 5875
Transmission 8A

The INEOS Grenadier (SUV) and Grenadier Quartermaster (Truck) combine rugged British spirit and design with German engineering rigor. Three versions are offered for both the truck and SUV - the base model, the Fieldmaster, and the extreme off-road capable Trailmaster. The uncompromising, no frills 4x4 provides off-road capability featuring a best-in-class engine, ladder-frame chassis, permanent four-wheel-drive, three locking differentials and solid beam axles. Trailmaster includes a raised air intake for water fording, an auxiliary switch bay for accessories, and the Rough Pack option that includes BFGoodrich All-Terrain tires.

INFINITI QX60

\$51,200 - \$66,150

Engine 2.0L I-4
Horsepower 268
Torque, lb-ft 286
EPA est. mpg 22/28
Drive wheels FWD, AWD
Wheelbase, in 114.2
Curb Weight, lb 4566
Transmission 9A

The 2026 INFINITI QX60 is refreshed with a stunning new look and additional intuitive technologies, and a new SPORT grade is introduced. The new look incorporates a redesigned grille inspired by a bamboo forest, new wheel designs, an illuminated INFINITI emblem, and a restyled lower bumper that gives the grille a floating effect. The daytime running lights now recall the digital piano key style, while from behind QX60 appears lower and wider, thanks to cleaner surfacing. QX60 Sport has a uniquely designed front fascia and a sharpened grille mesh, complemented by unique, gloss black 20-inch wheels and dark exterior accents.

INFINITI QX80**\$83,750 - \$111,500**

Engine 3.5L V6
Horsepower 450
Torque, lb-ft 516
EPA est. mpg 16/20
Drive wheels RWD, 4WD
Wheelbase, in 121
Curb Weight, lb 5678
Transmission 9A

The 2026 INFINITI QX80 is offered in PURE, LUXE, the all-new SPORT and AUTOGRAPH grades. The new QX80 SPORT features a new front grille, a restyled front bumper, unique 22-inch wheel design, and darkened elements inside and out. In the cabin, the SPORT treatment includes a stunning Dusk Blue color scheme, with dark matte chrome accents, graphite for the headliner and pillars, open pore wood trim for the instrument panel and doors. QX80's dashboard uses two 14.3-inch displays with Google built-in and an available head-up display. QX80 offers advanced camera and driver-assistance technology and a Klipsch® premium audio system.

Jaguar F-PACE**\$57,000 - \$92,400**

	P250	P400	P550
Engine	2.0L I-4	3.0L I-6	5.0L V8
Horsepower	246	395	542
Torque, lb-ft	269	406	516

Drive wheels	AWD	AWD	AWD
Wheelbase, in	113.1	113.1	113.1
Curb Weight, lb	4015	4305	4535
Transmission	8A	8A	8A

The Jaguar F-PACE luxury performance SUV features all-wheel drive, an eight-speed automatic transmission, and a trio of powertrain options. The spacious interior offers authentic finishes, including open-pore wood veneers and aluminum, and an 11.4-inch curved-glass HD touchscreen that controls the Pivi Pro infotainment system with standard Apple CarPlay® and Android Auto™. Adaptive Cruise Control is available for P250 S and P400 R-Dynamic S. Standard features include Black Exterior Pack, additional power sockets, heated steering wheel, and Ebony Headlining. F-PACE carries over for 2026 as Jaguar prepares for an EV lineup.

Jeep Cherokee**\$35,000 - \$44,000**

Engine 1.6L I-4/ Electric
Horsepower 210
Torque, lb-ft 230
EPA est. mpg 42/33
Drive wheels AWD
Wheelbase, in 113
Curb Weight, lb 4295
Transmission CVT

The all-new 2026 Jeep® Cherokee returns with the perfect blend of iconic design, capability and efficiency and is available in entry-level Cherokee, Laredo, Limited and Overland trims. The new 1.6L turbo-four hybrid engine achieves an estimated 37 mpg combined and more than 500 miles to a tank of fuel. The new Cherokee is longer, taller and wider than the previous Cherokee. The classic SUV has been redefined with a bold, boxy exterior design that blends iconic cues with modern style. A 10.25-inch full-color digital instrument cluster and a 12.3-inch infotainment screen with Apple CarPlay® and Android Auto™ come standard.

Jeep Compass

\$28,765 - \$32,990

Engine 2.0L I-4
Horsepower 200
Torque, lb-ft 221
EPA est. mpg 24/32
Drive wheels 4WD
Wheelbase, in 103.8
Curb Weight, lb 3620
Transmission 8A

The 2026 Jeep Compass lineup includes Latitude models, Limited and the rugged Trailhawk. Standard features include heated seats and steering wheel, remote start, a 10.1-inch information screen and Uconnect 5 with Apple CarPlay® and Android Auto™. Limited is equipped with adaptive cruise control, a power driver's seat, dual-zone HVAC, and leatherette trimmings. Trailhawk gets a more serious AWD system with a "crawler" gear ratio and boasts up to 2,000-lb towing capability. Available advanced safety features include semi-autonomous driving system, parallel and perpendicular park assist, and a 360-degree Surround View camera.

Jeep Gladiator

\$38,695 - \$61,995

Engine 3.6L V6
Horsepower 285
Torque, lb-ft 260
EPA est. mpg 16/23
Drive wheels 4WD
Wheelbase, in 137.3
Curb Weight, lb 4650
Transmission 6M, 8A

The Jeep Gladiator offers a variety of models and is equipped with a standard 3.6L V6 engine, an eight-speed automatic transmission, and a versatile cargo box. Gladiator delivers 4x4 max towing of up to 7,700 lb. A unique option is a fold-down windshield. The industry's only open-air pickup truck offers a Dark Sky edition that features a performance hood to evoke the Desert-rated Mojave styling, body-color fender flares, gloss black bumper inserts, dark-colored badges and decals. For 2026, a new Willys '41 Buzz model is offered that pays tribute to the Kaiser Jeep M715 military truck with rugged styling and exclusive content.

Jeep Grand Cherokee/L/4xe

\$36,495 - \$65,040

The 2026 Jeep Grand Cherokee ushers in an all-new 2.0L Hurricane 4 Turbo engine. This new propulsion system headlines the grand family hauler's updates, including a new, larger infotainment system and design refinements, both inside and out. The exterior facelift includes an updated seven-slot grille, new headlight design, a modified rear and lower fascia, all-new exterior trim finishes and more. Inside, a new 12.3-inch infotainment unit with a reworked cabin elevates Grand Cherokee's technology advancements. Grand Cherokee offers a two-row, three-row Grand Cherokee L and plug-in hybrid options in the simplified lineup.

The 2026 Jeep Grand Wagoneer ushers in a new era of refinement, capability and model clarity for the flagship SUV with new Jeep brand badging, powerful powertrains (including an REEV application), and an elevated exterior design. Wagoneer and Grand Wagoneer are merged, leaving only the Grand Wagoneer model. Grand Wagoneer features an all-new front fascia, a chrome-free exterior, cross-car signature lighting, all-new wheel designs and new exterior colors. New trims and appearance packages are available including the rugged Upland. A new heads-up display offers a significantly larger field of view.

Jeep Recon

\$65,000

Curb Weight, lb	6112
Transmission	1A

Jeep charges into the future with the debut of the 2026 Jeep Recon. Recon delivers legendary Jeep 4x4 capability in a fully electrified package delivering 650 hp, 620 lb-ft of instant torque, and an estimated all-electric range of 250 miles. Standard, all-electric, four-wheel drive provides traction across a variety of terrain, supported by Jeep's exclusive Selec-Terrain system with multiple drive modes tailored for all conditions. Recon blends heritage-inspired design with modern electric innovation, featuring removable doors, swing gate glass, and rear quarter glass. Over 170 standard safety and security features are included.

Jeep Wrangler

\$32,690 - \$100,590

	Engine	3.6L V6	392	4xe

Kia introduces the all-new all-electric 2026 EV4 sedan. The compact EV4 establishes a new typology combining a low nose, long-tail silhouette, and fastback roofline for a unique and sporty profile. The face of EV4 is modern and expressive with vertical headlamps and Kia's signature Star Map lighting. At the back, the vertical taillights, two-piece roof spoiler and sleek bumper design echo the front-end styling and emphasize the car's rear presence and width. Built on Kia's dedicated 400V E-GMP platform, EV4 offers a choice of two battery options: a standard 58.3 kWh battery (Light) or long-range 81.4 kWh battery (Wind, GT-Line).

Kia EV6

\$42,900 - \$58,900

The Kia EV6 features a spacious five-passenger interior and a choice of several rear- or all-wheel-drive powertrains. EV6 received a styling update last year that included a new headlamp design, a reworked front bumper, new wheel designs, and tweaks to the full-width taillamp. Interior upgrades included an updated panoramic infotainment system display, a new steering wheel, and a redesigned wireless charging pad. Wireless Apple CarPlay® and Android Auto™ are standard and a fingerprint-authentication system is available. EV6 can deliver 320 miles of all-electric range with the larger battery pack. No changes are expected for 2026.

Torque, lb-ft	132
EPA est. mpg	30/40
Drive wheels	FWD
Wheelbase, in	107.1
Curb Weight, lb	2932
Transmission	CVT

Following the debut of the Kia K4 sedan, the 2026 K4 Hatchback is unveiled embracing a more athletic spirit. Drawing from the bold proportions and wide stance of the K4 sedan, the K4 Hatchback carves out its own identity with a striking floating roof design that seamlessly extends into the rear hatch. Adding to its distinct identity, the K4 Hatchback is available in an exclusive Sparkling Yellow exterior color. All models have two powertrain options and offer a multi-segment cockpit display with a combined nearly 30-inches of digital instrumentation, 11 standard ADAS features, and advanced connectivity and over-the-air capabilities.

The 2026 Kia K5 offers five trim levels: LXS, EX, GT-Line (in front- or all-wheel drive) and the turbocharged GT. The exterior showcases Kia's Star Map themed LED lighting, sporty multi-spoke alloy wheel designs, and, on the GT trim, satin-finish details. Inside is a standard 12.3-inch touchscreen navigation unit with wireless Apple CarPlay® and Android Auto™. The GT-Line offers available red upholstery and striking new 18-inch gloss black wheels for a sporty appeal and an ultramodern stance. K5 offers upscale interior features, such as ambient interior lighting on the dash and doors, heated and ventilated front seats, and more.

Kia Niro

\$26,990 - \$44,600

	Hybrid	PHEV	EV
Engine	1.6L I-4/ Electric	1.6L I-4/ Electric	Electric

The Kia Niro offers three efficient, electrified powertrains: hybrid electric (HEV), plug-in hybrid (PHEV) and all-electric (EV). Kia uses recycled materials and natural fibers where possible. EX Touring comes with a sunroof, fog lamps, rain-sensing windshield wipers, and 18-inch wheels. The Cold Weather Package is standard on PHEV SX Touring trims. A 10.3-inch infotainment display is included on all but the base LX trim (with an 8-inch display) and features in-dash navigation and SiriusXM. All models include the latest version of Kia's UVO infotainment system with Apple CarPlay® and Android Auto™. Niro carries over for 2026.

Kia Seltos

\$23,690 - \$31,390

	2.0L I-4	1.6L I-4
Engine	2.0L I-4	1.6L I-4
Horsepower	147	190

Curb Weight, lb	3087	3317
Transmission	IVT	7DCT

The 2026 Kia Seltos delivers bold styling and striking features that blend practicality with premium-level amenities. Seltos is now offered in both FWD and AWD on most trims, including the newly introduced LX FWD. Seltos offers two powertrains: a 2.0L four-cylinder delivering 147 hp and an available 1.6L turbocharged engine producing 190 hp, exclusively on the SX AWD trim. Available interior features include dual 10.25-inch panoramic displays, upgraded connectivity, and comfort amenities such as heated front seats and a 10-way power driver's seat. New gloss black 17-inch wheels are available as part of the EX Sunroof Package.

Kia Sorento

The 2026 Kia Sorento offers gas, hybrid, and plug-in hybrid models in various trim levels. The HEV and PHEV models feature a host of exterior enhancements, including a new X-Line trim featuring glossy black wheels, front air intake, roof rails, and a radiator grille surround for a cleaner, bolder look. A new Terrain Mode comes standard on PHEV trims and AWD-equipped trims. All models get a new leather-trimmed steering wheel design. A panoramic curved display features Kia's Connected Car Navigation Cockpit system making it possible to receive over-the-air updates. Wireless Apple CarPlay® and Android Auto™ are standard.

Kia Sportage

Transmission 8A	6A	6A

The 2026 Kia Sportage family receives a refresh with more confident exterior styling and advanced driver-focused technology. The new Sportage exterior design features a broad, upright grille and Kia's star map lighting with distinctive amber daytime running lights. Inside brings a new steering wheel, a revised dash, and dual 12.3-inch panoramic displays. Tech upgrades include a head-up display, remote parking assist. Sportage HEV provides an updated appearance with modernized front and rear bumper designs, a unique front grill design and eye-catching black trim. An upgraded version of Kia's Highway Driving Assist is available.

Kia Telluride

*See dealer for pricing

The next-gen 2027 Kia Telluride has been redesigned with greater overall length, more cargo space and interior roominess, along with a sanctuary-like cabin. A new 329-hp turbocharged hybrid powertrain, joining the revised turbocharged powertrain, delivers a Kia-estimated 35 mpg. Newly upgraded X-Pro adds wider all-terrain tires, a new advanced E-LSD system, new multi-terrain AWD mode, new off-road vehicle status screen and new Ground View Monitor. Technology includes available compatible smartphone or smart watch vehicle access, available YouTube and Netflix streaming, and standard wireless Apple CarPlay® and Android Auto™.

Lamborghini Revuelto

\$608,358

	PHEV
Engine 6.5L V12/ Electric	
Horsepower 1001	
Torque, lb-ft 535	
EPA est. mpg 10/17	
Drive wheels FWD/AWD	
Wheelbase, in 109.4	
Curb Weight, lb 3907	
Transmission 8DCT	

In the marque's 60th anniversary, Lamborghini presented the 2024 Revuelto, the first super sports V12 plug-in hybrid. Revolutionary architecture combines a naturally-aspirated V12 engine with eight-speed, double-clutch transverse gearbox and three electric motors built on a new carbon frame concept. One of the most distinct design elements is the vertically-opening scissor doors. Thirteen drive modes and all-wheel drive are available in fully-electric mode. The two-seater is equipped with four rotors on the steering wheel that control drive modes, and additional buttons activate turn signals and initiate the launch control.

Lamborghini Temerario

\$370,000*

Engine 4.0L V8/ Electric
Horsepower 920
Torque, lb-ft 590
EPA est. mpg TBA
Drive wheels FWD
Wheelbase, in 104.6
Curb Weight, lb 3826
Transmission 8DCT
 *See dealer for pricing

Lamborghini presents the 2026 Temerario, the all-new super sports car equipped with a twin-turbo V8 hybrid powertrain, which replaces the Huracán. Temerario's new hybrid powertrain combines an entirely new twin-turbo V8 engine with three electric motors, providing 920 hp. Its Lamborghini DNA is revealed in Temerario's silhouette: puristic lines, short and compact overhangs, integrated aerodynamics and a bold shark nose. That design language has evolved to create a new hexagonal Daytime Running Light signature. Interior space is increased over the Huracán's, and the cabin features a trio of user-configurable screens.

Lamborghini Urus

\$280,000*

SE
Engine 4.0L V8/ Electric
Horsepower 789
Torque, lb-ft 701
EPA est. mpg 14/19
Drive wheels AWD
Wheelbase, in 118.2
Curb Weight, lb 5520
Transmission 8A
 *See dealer for pricing

The 2026 Lamborghini Urus SE, the first plug-in hybrid version of the Super SUV, is powered by a 4.0L twin-turbocharged V8 mated to an electric motor setup producing a combined 789hp. The electric motor located inside the 8-speed automatic transmission can act as a boost for the V8 but also as a traction element, providing a 100% electric 37 mile range in EV mode. The exterior features sharp lines and a bold front grille. The cabin highlights Lamborghini's signature "feel like a pilot" design featuring a 12.3-inch touchscreen. Urus is customizable with dozens of paint options and multiple interior style and wheel choices.

Land Rover Defender

\$63,500 - \$168,700

	P300	P400	P500	P635
Engine	2.0L I-4	3.0L I-6	5.0L V8	4.4L V8
Horsepower	296	395	493	626
Torque, lb-ft	295	406	450	553

Transmission	8A	8A	8A	8A

The 2026 Defender 4x4 family receives new finishes, design and technology enhancements across 90, 110 and 130 body designs – including Defender OCTA. Upgrades include a crisp new headlight design with signature detailing and fog lights as standard, and flush rear lights with smoked lenses. A refreshed palette of contemporary exterior colors and finishes is complemented by enhanced detailing and upgraded materials. The interior receives a larger 13.1-inch touchscreen and new center console design. Defender OCTA Black joins the standard Defender OCTA, which is now available in two new colorways – Sargasso Blue and Borasco Grey.

Land Rover Discovery

\$60,200 - \$83,500

	P300S	P360
Engine	2.0L I-4	3.0L I-6
Horsepower	296	355
Torque, lb-ft	295	369
EPA est. mpg	19/24	19/25
Drive wheels	AWD	AWD
Wheelbase, in	115.1	115.1
Curb Weight, lb	4845	5145
Transmission	8A	8A

Land Rover has launched two new special-edition models of the Discovery for 2026. The P360 Gemini trim comes with a two-tone paint job with a Narvik gloss-black roof and one of six contrasting colors. Gemini wears unique 21-inch wheels and a special logo on the B-pillars and door-sill protector plates. The P360 Tempest is the lineup's new range-topping model. It features Petra Copper Gloss exterior accents, matte-finished paint in one of three colors, special badging, and unique 22-inch wheels. The rest of the Discovery lineup receives new wheel designs and accessory packs: road trips, beach days, snow days, and biking adventures.

Land Rover Discovery Sport

\$49,900

Engine	2.0L I-4
Horsepower	246
Torque, lb-ft	269
EPA est. mpg	19/23
Drive wheels	AWD
Wheelbase, in	107.9
Curb Weight, lb	4035
Transmission	9A

The 2026 Land Rover Discovery Sport now comes with more dynamic looks and higher specifications offered solely in the new Landmark Edition. The Discovery Sport Landmark is identified by the mountain range logo that was first seen on the original 1989 Discovery. Landmark also features a standard Narvik Gloss Black contrast roof, with a body-colored roof as an option. A fresh alloy wheel design as well as new curated option packs are introduced. New packs for Beach Days, Road Trip and Snow Days join existing Biking Adventures and For Dogs packs. Discovery Sport seats up to seven with up to 24 seat configurations.

Land Rover Range Rover

Transmission	8A	8A	8A	8A

See dealer for complete lineup

The Land Rover Range Rover is offered in both short- and long-wheelbase body styles with a choice of four powertrains, including a plug-in electric hybrid system that delivers an EV range of up to 51 miles. For 2025, the standard-wheelbase (SWB) SE trim with the V8 engine gets an upgraded Meridian surround sound system and the 550e plug-in hybrid powertrain is now offered on the SWB body. SV Black comes with exclusive black accents and badging. Range Rover's plush interior is decked out with rich leathers and woods, but a leather-free option is also available. An all-electric, near-silent Range Rover is expected to debut in 2026.

Land Rover Range Rover Evoque

\$49,900 - \$54,900

P250
Engine 2.0L I-4
Horsepower 246
Torque, lb-ft 269
EPA est. mpg 20/27
Drive wheels AWD
Wheelbase, in 105.5
Curb Weight, lb 3935
Transmission 9A

The 2026 Land Rover Range Rover Evoque includes S and SE Dynamic trims. Dynamic SE features a power liftgate, a 12-way power-adjustable driver's seat, LED headlights, and blind-spot monitoring. The available Technology Package adds a head-up display and a 360-degree exterior camera system. The center console houses a 11.4-inch curved glass touchscreen that is powered by Pivi Pro with built-in Amazon Alexa, Apple CarPlay®, Android Auto™, and wireless device charging. Other standard features include leather upholstery, dual-zone automatic climate control, ambient interior lighting, and a host of driver-assistance technology.

Land Rover Range Rover Sport

\$83,700 - \$169,500

P360	P400	P635	P550e
Engine 3.0L I-6	3.0L I-6	4.4L V8	3.0L I-6/ Electric

Wheelbase, in 118	118	118	118
Curb Weight, lb 4990	5090	5475	6025
Transmission 8A	8A	8A	8A

The 2026 Land Rover Range Rover Sport lineup includes SE, Dynamic SE, Autobiography, and new SV Black, SV Carbon and SV Bespoke models with distinct design curations and exclusive branding. All SV models are powered by a 626-hp twin-turbo V8 engine and offer special features like 6D Dynamics Suspension and Body and Soul seats. SV Bespoke offers 230 exterior colors and over 1,500 interior combinations. The cabin features a 13.1-inch curved touchscreen with Pivi Pro complemented by a 13.7-inch Driver Display. Standard features include automated emergency braking and a 360-degree exterior camera system.

Land Rover Range Rover Velar

\$61,600 - \$80,275

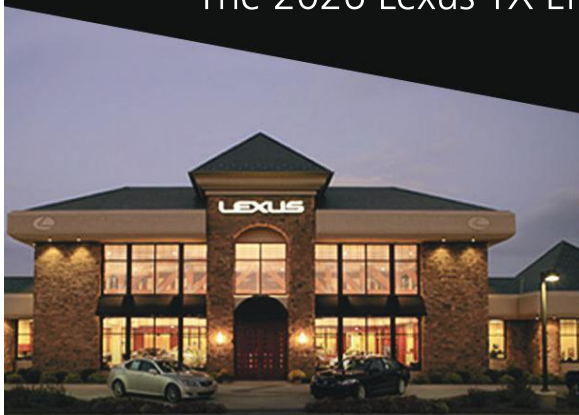

Engine 2.0L I-4	P400 3.0L I-6
Horsepower 247	395
Torque, lb-ft 269	406

Drive wheels AWD	AWD
Wheelbase, in 113.1	113.1
Curb Weight, lb 4130	4430
Transmission 8A	8A

The Land Rover Range Rover Velar carries over in 2026 with minimal changes. Range Rover Velar offers four models and two powertrain options. Each model has distinct design elements. Last year's range-topping Dynamic HSE trim is replaced by an Autobiography model that comes standard with an extended leather upholstery package, fancier 21-inch wheels, and a 360-degree camera system. Velar's headlight design has jewel-like effect Signature Daytime Running Lights. Inside, a floating 11.4-inch curved glass touchscreen in the center console provides intuitive control to all key vehicle functions. A leather-free cabin option is offered.

Wheelbase, in	116.1	116.1	116.1
Curb Weight, lb	4012	4640	4861
Transmission	ECVT	1A	1A

The all-new 2026 Lexus ES introduces an eighth generation of the luxury sedan. The lineup includes the hybrid and the first ES battery electric vehicle (BEVs) models with front- and all-wheel drive options. ES has been fully redesigned with larger proportions and a new interior design developed under the concept of the Clean Tech x Elegance. ES integrates a sharply defined spindle shape that extends from the hood to the bumper corners. On hybrid models, a slim upper grill is added to ensure cooling performance. Inside, a larger 14.0-inch touchscreen infotainment system features Lexus's latest infotainment interface.

Lexus GX

\$66,185 - \$81,295

Engine	3.4L V6
Horsepower	349
Torque, lb-ft	479
EPA est. mpg	15/21
Drive wheels	4WD
Wheelbase, in	112.2
Curb Weight, lb	5585
Transmission	10A

The Lexus GX carries over for 2026 following a recent redesign. GX features a square-body profile with a horizontal design motif. The Overtrail and Overtrail+ models have specialized styling including a bi-tone exterior paint combination. Overtrail grades also feature standard 33-inch All-Terrain tires wrapped around 18-inch wheels and more. GX comes standard with a 3.4L engine with a hybrid coming at a later date. All models come with a 14.0-inch infotainment system with Apple CarPlay® and Android Auto™. GX is offered in six grades: Premium, Premium+, Luxury, Luxury+, and all-new Overtrail and Overtrail+.

Lexus IS

*See dealer for pricing

The 2026 Lexus IS premieres with a redesigned exterior that refines the sedan's signature look with a new front-end treatment and new wheel designs. The interior features a restyled instrument panel, center console, trims, and the latest multimedia system. A larger 12.3-inch infotainment system and 12.3-inch digital gauge cluster are incorporated. "Forged Bamboo" ornamentation has been applied to the center console and start switch bezel. A new interior color, Radiant Red, is exclusive to F SPORT models. The 2026 IS will only be offered as 350 model with two available grades: F SPORT Design and F SPORT.

Lexus LC

\$101,700 - \$109,200

Wheelbase, in	113	113
Curb Weight, lb	4340	4420
Transmission	10A	ECVT/4A

The rear-wheel-drive Lexus LC 500 is offered as a coupe or convertible, and there is also a hybrid model. The 2026 LC 500 Convertible receives minor updates for 2026 and includes the addition of a new Inspiration Series model limited to 350 units. The LC 500 coupe also adds a new Inspiration Series limited to 200 units. The package comes with the new-to-LC color, Smoke Matte Gray, paired with a white and black interior treatment, along with blacked-out exterior and carbon fiber aesthetic enhancements. LC 500 features a stunning unique light signature at night. The taillamps were inspired by the glow of a jet's afterburners.

Lexus unveils the 2026 LS 500 AWD Heritage Edition as a final year tribute to the car that launched the brand. The Heritage exterior features a striking new color, Ninety Noir, which offers a deep sophisticated black that effortlessly complements dark exterior moldings and garnishes. Further distinguishing this limited edition are its 20-inch split-20-spoke alloy wheels with a Dark Gray Metallic finish. Inside, Heritage unveils an LS-first Rioja Red interior and an etched Heritage Edition emblem adorns the center console. A panorama glass roof, heated rear seats, and a Mark Levinson® 23-speaker sound system are standard.

Lexus LX

The Lexus NX is offered in four grades: Standard, Premium, Luxury, and F SPORT Handling. For 2026, the NX line receives minor changes. All NX 350h models are now available in FWD configurations, in addition to the existing AWD offering. The F SPORT Handling grade is now available on hybrid models, making it optional for all powertrain configurations. The Premium grade has been added to the Plug-in Hybrid powertrain. Each PHEV model now comes with dual voltage charging cables, enabling both level 1 and 2 charging capabilities. NX features wireless Apple CarPlay® and Android Auto™, Voice Assistant, cloud-navigation and more.

Curb Weight, lb	4321	4519	4663
Transmission	1A	1A	1A

The 2026 Lexus RZ features a redesigned battery electric system, delivering increased motor output, an extended driving range, and reduced charging times under ideal conditions. In addition, it debuts a new addition to the lineup—the RZ 550e F SPORT AWD, which is equipped with M Mode, an electronic system that provides virtual manual gear shifting via paddle shifters. The RZ lineup offers three different power options: 224 hp (RZ 350e FWD), 313 hp (RZ 450e AWD), and 408 hp (RZ 550e F SPORT AWD). A revised BEV system includes a new eAxe and a new lithium-ion battery for increased motor output, increased range and faster charging.

Lexus TX

\$57,090 - \$80,960

	350	500h	550h

Wheelbase, in	116.1	116.1	116.1
Curb Weight, lb	4420	4970	5400
Transmission	8A	6A	CVT

The Lexus TX is offered in seven grades: Standard, Premium, Luxury, F SPORT Handling, F SPORT Performance Premium, and F SPORT Performance Luxury. A choice of three powertrains includes a PHEV combined with a powerful V6 engine. Depending on grade, the second row is available in two configurations: captain's chairs or a 60:40 split-folding bench. The interior features a driver-focused cockpit and standard 14-inch HD touchscreen. F SPORT Handling grade includes exclusive design elements inside and out. For 2026, a panorama glass roof is now standard on TX 550h+, and a new Matador Red Mica exterior color is offered on select models.

Lexus UX

\$38,250 - \$48,240

	300h
Engine	2.0L I-4/ Electric

Torque, lb-ft	N/A
EPA est. mpg	45/41
Drive wheels	FWD, AWD
Wheelbase, in	103.9
Curb Weight, lb	3455
Transmission	CVT

The exclusively-hybrid 2026 Lexus UX is offered in eight different models, including F SPORT Design and F SPORT Handling. The UX F SPORT Design and F SPORT Handling models have F SPORT wheels, grille, dark roof rails, a black roof, power tilt-and-slide moonroof, rain-sensing windshield wipers, fog and cornering lamps, automatic headlamp leveling and painted wheel arch molding. The F SPORT grades also see a new Appearance package that includes an 18-inch split-five-spoke alloy black and machined finish wheel, black window trim surround and a rear black badge overlay. The hybrid powertrain boasts 196 hp on both FWD and AWD versions.

Lincoln Aviator

\$59,295 - \$87,395

Engine	3.0L V6
Horsepower	400
Torque, lb-ft	415
EPA est. mpg	18/26
Drive wheels	RWD, AWD
Wheelbase, in	119.1
Curb Weight, lb	4745
Transmission	10A

The 2026 Lincoln Aviator receives minor exterior updates, including a sleeker grille design and enhanced LED lighting. The addition of a new 13.2-inch infotainment screen integrates seamlessly with the vehicle's updated SYNC 4 system and works with Google Maps, Google Assistant, Apple CarPlay® and Android Auto™. Other updates include hands-free open-on-approach functionality for the power liftgate and automatic lane change capability for the Blue Cruise 1.5-equipped models. The Black Label model comes with premium materials and bespoke design choices. Rear-wheel drive is standard and all-wheel drive is available.

Lincoln Corsair

\$39,735 - \$54,365

	PHEV
Engine 2.0L I-4	2.5L I-4/ Electric
Horsepower 250	266
Torque, lb-ft 280	275
EPA est. mpg 22/29	78 MPGe
Drive wheels FWD, AWD	AWD
Wheelbase, in 106.7	106.7
Curb Weight, lb 3685	4397
Transmission 8A	CVT

The Lincoln Corsair is available with a 2.0L turbocharged gas engine or a 2.5L plug-in hybrid. For 2026, Corsair sports a refined front grille with a more sculpted, modern look and updated LED headlights and taillights. Inside is a new 13.2-inch touchscreen that integrates seamlessly with Lincoln's Pivi Pro infotainment system that includes Apple CarPlay® and Android Auto™. Lincoln BlueCruise hands-free system is available on all models, as is the Intelligent All-Wheel Drive system. The next-gen ActiveGlide 1.2 hands-free advanced driver assistance system and Lincoln Co-Pilot360 with a 360 degree camera are offered.

Lincoln Nautilus

\$53,940 - \$77,130

	Hybrid
Engine 2.0L I-4	2.4L I-4/ Electric
Horsepower 250	310
Torque, lb-ft 275	N/A
EPA est. mpg 21/29	30/31
Drive wheels AWD	AWD
Wheelbase, in 112.2	112.2
Curb Weight, lb 4349	4517
Transmission 8A	CVT

The Lincoln Nautilus brings evolved design, an available hybrid powertrain, and advanced connected features including Lincoln BlueCruise 1.5 hands-free highway driver-assist technology. The cabin incorporates ambient lighting along with crystal-inspired details throughout, a piano key shifter and Lincoln Digital Scent. The 48-inch panoramic display can be personalized with Lincoln Digital Experience. Nautilus is available in three trim levels: Premiere, Reserve, and the fully loaded Black Label. A Jet Appearance package with black design details is available on all trims. New color options are offered for 2026.

Lincoln Navigator/L

\$94,590 - \$121,590

Engine 3.5L V6
Horsepower 440
Torque, lb-ft 510
EPA est. mpg 16/22
Drive wheels RWD, AWD
Wheelbase, in 122.5 / 131.6
Curb Weight, lb 5685
Transmission 10A

Lincoln Navigator brings back the entry-level Premiere trim for 2026 joining the Reserve, Jet, and Black Label models. Navigator features a bold grille with an integrated lightbar that illuminates sequentially from the center outward on vehicle approach. The Split Gate rises like a traditional liftgate from top three-quarters, while the bottom quarter lowers like a conventional tailgate. Inside, Lincoln Digital Experience comes to life through a dash-spanning 48-inch panoramic screen. Heated, ventilated, and massaging seats are available for the second row. Two new Black Label themes are curated with premium materials.

Lotus Eletre

*See dealer for pricing		

Lotus has revamped the lineup for the 2026 Lotus Emeya. Emeya is now available in six clearly defined trim levels: Emeya 600, 600 GT, 600 GT SE and 600 SPORT SE, 900 SPORT and the Emeya 900 SPORT CARBON as the absolute flagship. The '600' and '900' model names clearly reflect the electrifying power output of the new models. The top specification model for Emeya features Lotus' high-power dual motor that delivers a top speed of more than 155 mph. Emeya has been consciously designed using advanced sustainable materials and repurposed fibers. At the center of the dashboard is a large 15.1-inch infotainment touchscreen.

Lotus Emira

\$77,100 - \$105,400*

	Engine 2.0L I-4	3.5L V6

Transmission	8DCT	6M, 6A
*See dealer for pricing		

Lotus unveils the all-new 2026 Emira V6 SE and the Emira Turbo joins the line-up as the entry point to the model range. Lotus also introduces a number of refinements across the board. These include two new colors - EOS Green and Purple Haze metallic - and further optimization of the cooling and transmission. Emira V6 SE is finished in Zinc Grey as standard and sets itself apart with exclusive features such as specific V6 SE badges, the extended Black Pack, 20-inch forged alloy wheels, red brake calipers and a luxurious interior finishes and sport pedals. Finally, Lotus launches the Racing Line with extra sporty design options.

Lotus Evija

\$2,300,000 est.

Engine	Electric
Horsepower	2012
Torque, lb-ft	1256
EPA est. mpg	N/A
Drive wheels	4WD
Wheelbase, in	TBA
Curb Weight, lb	3704
Transmission	1A

The fully-electric Lotus Evija British hypercar runs on four electric motors that make 2,012 hp. The Evija is the first Lotus road car to feature a one-piece carbon fiber monocoque chassis. The cabin, from the fully adjustable race-style seats to the multi-function steering wheel, is the pinnacle of motorsport-inspired road car design and technology. The most dramatic element of the exterior is the Venturi tunnel, which pierces each rear quarter. The Evija has five driving modes — Range, City, Tour, Sport and Track. It can race from 0-62 mph in under three seconds and accelerate to a top speed of more than 200 mph.

Maserati GranTurismo/GranCabrio

\$145,000 - \$206,700

	Modena coupe	Trofeo	Folgore
Engine	3.0L V6	3.0L V6	Electric
Horsepower	483	542	751

Wheelbase, in	115.3	115.3	115.3
Curb Weight, lb	3957	3958	5982
Transmission	8A	8A	1A

The return of the Maserati GranTurismo coupé, along with the new GranCabrio convertible version, offers two internal combustion engine options and the all-electric Folgore. The classic proportions have been maintained, with the long bonnet and the central body intersected by the four fenders. GranCabrio is "dressed" in Night Interaction livery with contrasting red interiors. The roof can be operated on the move at speeds of up to 31 mph and opens in just 14 seconds. Folgore is powered by a 92.5-kWh battery pack and three electric motors producing 751 hp. All models come with the Maserati Intelligent Assistant multimedia system.

Maserati Grecale

\$77,900 - \$119,900

	GT	Modena	Trofeo	Folgore
Engine	2.0L I-4	2.0L I-4	3.0L V6	Electric

Curb Weight, lb	4123	4178	4469	5467
Transmission	8A	8A	8A	1A

The Maserati Grecale "Everyday Exceptional" SUV provides the right balance between sportiness and elegance. Maserati broadened the lineup with its first full-electric SUV in 2025: Grecale Folgore. Its dual-motor electric powertrain makes 550 hp. Grecale Folgore's exterior styling includes a Folgore-specific grille and wheel designs. Gasoline-powered models include: Grecale, powered by a four-cylinder mild hybrid engine delivering 296 hp; Modena, with a four-cylinder mild hybrid 325-hp engine; and Trofeo, powered by a high-performance 523-hp V6. Grecale is equipped with the Maserati Intelligent Assistant multimedia system.

Maserati MC20/GT2 Stradale**\$310,000**

GT2
Engine 3.0L V6
Horsepower 640
Torque, lb-ft 531
EPA est. mpg TBA
Drive wheels RWD
Wheelbase, in 106.3
Curb Weight, lb 3009
Transmission 8DCT

The Maserati MC20 morphs into the MCPURA. GT2 Stradale is a street-legal variant of Maserati's GT2 race car. The heart of the GT2 Stradale is the V6 Nettuno engine, reaching 640 hp. GT2 Stradale is based on the same ultra-light carbon fiber chassis as the MC20 coupé and MC20 Cielo models. As a further acknowledgment of the company's racing pedigree, the Icona and Leggenda limited editions adopt paint schemes to mimic the MC12 race cars from two decades ago. Standard equipment includes center-lock 20-inch forged wheels, standard carbon-ceramic brakes, and lightweight sport seats. GT2 Stradale can be highly customized.

Maserati MCPURA**\$250,000 - \$280,000***

Maserati unveils the new MCPURA super sports car: pure energy, pure elegance, pure performance. The car is available in coupé and convertible versions, known as Cielo. An evolution of the MC20 Halo Car, the core remains the same powerful and unmistakable 630-CV V6 Nettuno engine. The color palette available for the MCPURA is eye-catching and evocative; it consists of a selection of different body colors specially designed for the new super sports car. MCPURA has four distinctive features: the carbon-fiber body; the Maserati-patented V6 Nettuno engine; the "Butterfly" doors; and the retractable glass roof, for the Cielo version.

Mazda 3**\$24,550 - \$37,890**

Wheelbase, in 103.9
Curb Weight, lb 3300
Transmission 8DCT

The McLaren Artura hybrid supercar offers coupe and Spider models. The advanced 3.0L V6 and E-motor powertrain produces a combined 690 hp. The Spider is the lightest convertible supercar in its class. Mechanical updates made in 2025 included revised valving for the adaptive dampers, faster electrical architecture that dramatically quickens the response time of the dampers, a retuned exhaust with a "cleaner" sound, and new aerodynamic ducting to increase airflow and improve cooling capability of the engine and brakes. A 15-spoke silver wheel design is standard. The minimalist cabin design is dressed up with leather and microsuede.

McLaren GT5

Torque, lb-ft 465
EPA est. mpg 15/22
Drive wheels RWD
Wheelbase, in 105.3
Curb Weight, lb 3351
Transmission 7DCT

The McLaren GT5 was facelifted and refreshed in 2025 and carries over for 2026. The twin-turbo V8 engine generates 626 hp. Its adaptive suspension can be set for comfortable cruising, serious track work, or something in between. GT5 comes with launch control and features that work to optimize acceleration from a standing start. The rear end sports larger air vents to help cool the mid-mounted engine. Inside, the cabin features standard Nappa leather upholstery, a 7.0-inch portrait-style touchscreen, and a 10.3-inch digital gauge cluster. A panoramic glass roof and a 12-speaker Bowers & Wilkins system are optional.

Mercedes-Benz AMG GT

Drive wheels	AWD	AWD	AWD
Wheelbase, in	106	106	106
Curb Weight, lb	3777	3836	TBA
Transmission	7DCT	7DCT	1A

The 2026 MINI Countryman now offers the John Cooper Works Style package for Countryman S models. This style package features a suite of sporty and aesthetic upgrades. The Countryman interior is modern and spacious with sustainable materials, a fabric-trimmed dashboard, a circular infotainment display, and simplified controls. Countryman S ALL4 gets a new wheel design and offers three styles – Classic, Favoured, and John Cooper Works – each with unique exterior and interior elements. The electric SE ALL4 features an intelligent all-wheel drive system, extended driving assistance functions, and an electric range of up to 212 miles.

Mitsubishi Eclipse Cross

\$27,345 - \$33,540

Engine	1.5L I-4
Horsepower	152
Torque, lb-ft	184
EPA est. mpg	25/28
Drive wheels	AWD
Wheelbase, in	105.1
Curb Weight, lb	3428
Transmission	8CVT

The Mitsubishi Eclipse Cross is available in six trims. All models are equipped with Mitsubishi's signature S-AWC all-wheel drive system as standard, 18-inch alloy wheels, standard LED headlights and fog lights. Eclipse Cross retains its predecessor's chiseled front and rear design enhancements and carries over for 2026 unchanged. For LE trims and up, My MITSUBISHI CONNECT adds a Safeguard 5-year free trial and a Remote Services 12-month free trial. All models come with a touchscreen infotainment system. Base ES models get a 7.0-inch display, while higher models have an 8.0-inch screen with Apple Car Play® and Android Auto™.

Mitsubishi Outlander Sport

\$24,445 - \$29,445

	SEL
Engine	2.0L I-4

Wheelbase, in	106.5
Curb Weight, lb	3593
Transmission	CVT

The 2026 Mitsubishi Outlander gets an all-new mild-hybrid powertrain. Outlander also introduces a new LE trim, slotted between the entry-level ES and mid-grade SE, as well as a top-line SEL Black Edition and the return of the Ralliart model. The Outlander PHEV receives a mid-cycle refresh that includes a redesigned interior with significant attention paid to sound-deadening, new materials, new colors, heated and cooled front seats, a redesigned center console with larger-capacity armrest storage, a Yamaha® audio system, an available 12.3-inch infotainment display, a revised grille area, redesigned front bumper and new 20-inch wheels.

Nissan Armada**\$58,840 - \$80,550**

	NISMO
Engine	3.5L V6
Horsepower	425
Torque, lb-ft	516
EPA est. mpg	16/20
Drive wheels	2WD, 4WD
Wheelbase, in	121.1
Curb Weight, lb	5677
Transmission	9A

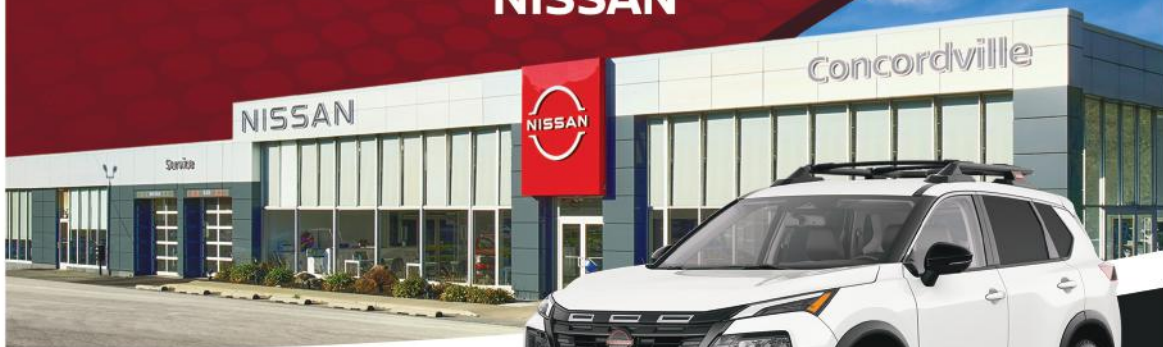

The 2026 Nissan Armada adds a thrilling performance option to Nissan's full-size SUV with its first-ever NISMO version. Armada is offered in six grades (SV, SL, PRO-4X, Platinum, NISMO, Platinum Reserve). With exclusive styling and handling enhancements, Armada NISMO delivers the most power of any Armada to date with 460 hp. NISMO stands out with its exclusive front and rear fascia, grille, side steps, rear spoiler, louder exhaust note, and exclusive Stealth Gray paint option. Armada's available technology includes Invisible Hood View, Front Wide View and 3D Intelligent Around View® Monitor camera system, and ProPILOT Assist 2.1.

Nissan Frontier**\$32,150 - \$42,370**

Engine	3.8L V6
Horsepower	310
Torque, lb-ft	281
EPA est. mpg	18/24
Drive wheels	2WD, 4WD
Wheelbase, in	126/139.8
Curb Weight, lb	4473
Transmission	9A

The Nissan Frontier offers S, SV, PRO-X and PRO-4X grades, plus a choice of King Cab (S grades only) or Crew Cab configurations and the availability of either a 5- or 6-foot bed. For 2026, a new bold and stylish Dark Armor package is available, along with additional standard comfort and convenience offerings for PRO grades, and a newly available drive mode selector. Roush Performance now offers an exclusive Frontier PRO-4X R build, which injects off-road thrill with a lift kit and added visual punch. Frontier sports a trailering rating of up to 7,150 pounds. Trailer Sway Control is standard on SV and PRO grades.

The 2026 Nissan Sentra receives a makeover inside and out. Sentra's interior is updated with higher-grade materials and contemporary designs and tech, including a new 12.3-inch infotainment screen as standard. The top-tier SL trim includes a power sunroof, a heated steering wheel, automatic climate control, faux-leather seating, and alloy wheels. The Sporty SR grade is headlined by 18-inch wheels, blacked-out trim, ambient lighting and rear spoiler. Updated tuning for the CVT transmission and revised dampers improve driving dynamics. Pro-Pilot Assist is now available. All grades come standard with Nissan Safety Shield® 360.

Nissan Z

\$42,970 - \$65,750

		NISMO

Transmission	6M, 9A	9A

The 2026 Nissan Z offers three grades – Sport, Performance and NISMO. Paying homage to the fourth generation of the sports car, Z introduces a new Heritage Edition with visual enhancements that evoke the 1990s. The Heritage package – offered exclusively on Z Performance – recreates the iconic model with bronze 19-inch wheels, a carbon-fiber rear spoiler featuring a retro-styled "Twin Turbo" badge, and bronze "Twin Turbo" graphics. The interior includes unique door kick plates, exclusive floor mats, and Midnight Purple paint. Sport and Performance grades are available with a new Boulder Gray paint color paired with a black roof.

Polestar 2

*See dealer for pricing

The 2026 Polestar 2 is updated with new features and technology. The updates include an upgraded processor chip, improving the performance of the car's infotainment system and a new top-tier audio system option from Bowers & Wilkins. A new five-spoke design for the 20-inch forged alloy Performance wheels is available as part of the optional Performance Pack. A new optional Prime Pack comprising the Pilot, Plus, and Climate packs, and rear privacy glass, is available as one cost-effective pack bundle. Tint is now applied to rear side windows, in addition to the tailgate window. A new exterior color, Dune, is also offered.

Polestar 3

The Polestar 3 electric performance SUV features an aerodynamic profile where strong focus has been placed on retaining the hallmarks of an SUV, including a powerful and wide stance. The effective aerodynamic optimization includes a front aero wing integrated into the hood, a second aero wing integrated into the rear spoiler, and rear aero blades. Polestar 3 features a dual-motor drivetrain and a large battery, with a range of 300 miles. Android Automotive OS is the in-car operating system fronted by a 14.5-inch display. 2026 upgrades include OTA updates and an NVIDIA DRIVE AGX Orin processor with complimentary hardware upgrade.

Polestar 4

\$56,400 - \$62,900

	Single Motor	Dual Motor
Engine	Electric	Electric
Horsepower	272	544
Torque, lb-ft	253	506

Wheelbase, in	118.1	118.1
Curb Weight, lb	5192	5137
Transmission	1A	1A

Breakthrough design is a theme for the all-new 2026 Polestar 4. The traditional rear window is removed to allow for exceptional rear occupant space, and a digital rear-view mirror replaces the conventional setup. The rear passenger compartment is especially unique, with reclining rear seats and a cossetting cabin that feels like Business Class. Interior materials include recycled plastics in various executions, like the unique Tailored Knit upholstery. Technology highlights include Mobileye's SuperVision advanced driver assistance systems (ADAS). Polestar 4 is available with single- or dual-motor powertrains with up to 544 hp.

Porsche 718

Transmission	6M, 7DCT	6M, 7DCT	6M, 7DCT

The Porsche 718 soft-top Boxster shares powertrains and just about everything else but its roof with the hard-top 718 Cayman coupe, and you can get both with nearly 500 hp. The most powerful version of the popular mid-engine roadster is the newly introduced 718 Spyder RS that comes with a unique manually operated, lightweight soft top and sporty design characteristics. The 718 Boxster and 718 Cayman are characterized by special colors and matching contrasting elements. The models carry over for 2026, but a 718 EV is expected to debut built on a newly developed platform. The 718 EV will eventually replace the gas-powered models.

See dealer for complete lineup

Porsche is expanding the 911 model range with three all-wheel drive models for 2026; The 911 Carrera 4S coupe and Cabriolet, as well as the Targa 4S. All three models gain more power, improvements in standard equipment and enhanced brakes compared to their predecessors. With their arrival, the range of new 911 models with all-wheel drive grows to six variants. The new all-wheel drive variants adopt the upgraded engine of the Carrera S. Its 3.0L twin-turbo six-cylinder boxer engine produces 473 hp and 390 lb-ft of torque. All 911 models also receive infotainment improvements. 911 offers a number of variants and body styles.

Porsche Cayenne recently introduced the Cayenne GTS, available in both SUV and Coupe body styles. Powered by a twin-turbo V8, Cayenne GTS features unique design elements that set it apart from other Cayenne variants. Cayenne standard features include ambient lighting, surround view with active parking support, and soft close doors. The optional Premium Package Plus for Cayenne and Cayenne E-Hybrid models include HD-Matrix Design LED headlights. 2026 brings minor upgrades to the infotainment hardware. An electric variant is expected in the near future featuring the new Porsche Digital Interaction display and operating concept.

Porsche Macan

See dealer for complete lineup

The Porsche Macan luxury performance SUV offers four gas models and four electric versions. The base gas-powered Macan and Macan T have a turbocharged four-cylinder while the S and GTS crank up the power with a turbocharged V6. All gas models feature a standard 7-speed dual clutch PDK transmission, AWD, lane departure warning and front and rear park assist. The Macan GTS has a number of distinguishing and striking design elements. For 2026, Macan electric models receive Porsche Digital Key complements, new parking assistance functions, in-car gaming through Porsche app, and maximum towing capacity increases to 5,500 pounds.

Porsche Panamera

Porsche Panamera offers both gas and plug-in-hybrid models. 2026 brings minor infotainment-focused updates that allows third-party software downloads as well as being faster and more responsive. Every Panamera gets an eight-speed twin-clutch automatic transmission and either a turbo V6 or turbo V8. The base trim is RWD — all others come with AWD. An available Premium package includes a host of desirable upgrades. The plug-in E-Hybrid variants offer up to 56 miles of all-electric range. The GTS features exclusive design and equipment additions. The Turbo S E-Hybrid is most powerful Panamera ever, with total system output of 771 hp.

Ram announces the return of the legendary 5.7L HEMI® V8 beginning with the 2026 Ram 1500. The 5.7L HEMI is rated at 395 hp and 410 lb-ft of torque and features new eTorque hybrid technology. Ram 1500 continues to offer the more powerful and more efficient Hurricane Straight Six Turbo. Ram also reintroduces the Ram 1500 Express. Ram 1500 Express sports a menacing, badgeless monochromatic paint scheme with gloss black grille surrounds and body-color front and rear bumpers. Black Express package returns and is available on Quad and Crew 4WD. Inside, 1500 offers the latest Uconnect5 with a 12-inch or optional 14.5-inch touchscreen.

Ram introduces two new Heavy Duty models to its expanding sport truck lineup for 2026. The new Black Express and Warlock (off-road) variants of the Ram 2500 are based on the entry level trim. The Ram Heavy Duty, offered in ten trim levels, is the most powerful, capable pickup in the segment with a towing capacity of up to 37,090 lbs and a payload capacity of 7,680 lbs. Ram was the first to achieve the 1,000 lb-ft of torque milestone with the Cummins I-6 Turbo Diesel, now rated at 1,075 lb-ft. Class-leading ride and handling is accomplished via an exclusive link-coil rear suspension system with optional rear air suspension.

Ram ProMaster

\$45,350 - \$69,995

		EV
Engine	3.6L V6	Electric
Horsepower	276	268

*See dealer for pricing

The Rolls-Royce Cullinan SUV offers superior luxury, all-terrain capabilities and the "Rolls-Royce" status symbol. Cullinan adds the "II" suffix to its name to denote design and tech updates. The exterior features an illuminated Pantheon grille, an L-shaped LED strip flanking rectangular headlamps, and seven-spoke 23-inch wheels. The front bumper has slanted air intakes creating a "V" shape and the rear bumper has a high-gloss black finish. Inside boasts a full-width glass panel that incorporates the instrument and infotainment setup. Lambswool carpeting, open-pore wood, box calf leather, and bamboo based materials are offered.

Rolls-Royce Ghost

\$358,000 - \$423,000

		Black Badge
Engine	6.75L V12	6.75L V12
Horsepower	563	592
Torque, lb-ft	627	664
EPA est. mpg	20-Dec	19-Dec
Drive wheels	AWD	AWD
Wheelbase, in	129.7/136	129.7/136
Curb Weight, lb	5445	5490
Transmission	8A	8A

The Rolls-Royce Ghost offers a velvety-smooth ride, a V12 engine and an endless list of additional high-class features and customizations. Ghost is available in three models: Ghost, Black Badge, and Extended. The Black Badge variant sports darkened exterior trimmings, hand-polished and high-gloss paintwork, black wood interior trim, an animated Starlight Headliner, and much more. Ghost offers rear-seat luxuries such as massaging seats and an entertainment system. Rolls-Royce also supplies an 18-speaker Bespoke stereo system with 1,300 watts of power and magnesium-ceramic speaker cones.

Rolls-Royce Phantom

\$510,000 - \$660,000

Engine 6.75L V12
Horsepower 563
Torque, lb-ft 664
EPA est. mpg 12/18
Drive wheels RWD
Wheelbase, in 139.8 / 148.5
Curb Weight, lb 5754
Transmission 8A

The Rolls-Royce Phantom offers a peerless ride quality, classic Rolls-Royce styling with modern tech, an ultra-luxurious cabin and endless customization options. Fine leathers, real wood and metal parts cover every inch of the cabin, as the rear seat passengers can relax in utmost comfort, especially in the Extended model. The available Privacy Suite adds an electrochromic-glass divider between the front and rear seats and an intercom to communicate with the driver. For 2025, every Phantom will come with a special centenary chassis plaque to celebrate its 100th anniversary. Several bespoke commissions will be revealed, as well.

Rolls-Royce Spectre

\$398,000 - \$467,750

Engine	Electric	Black Badge	Electric
Horsepower	577		650
Torque, lb-ft	564		793
EPA est. mpg	81 MPGe		TBA
Drive wheels	RWD		RWD
Wheelbase, in	126.4		126.4
Curb Weight, lb	6559		TBA
Transmission	1A		1A

The Spectre is unlike any Rolls-Royce before it, not only because of its fully electric powertrain, but also its unprecedented computing power and application of advanced data-processing technologies. A new suspension technology ensures that Spectre delivers Rolls-Royce's hallmark 'magic carpet ride'. Spectre's aluminum architecture is reinforced with steel sections that provide exceptional torsional rigidity. Spectre offers space for four with bucket seats in both rows and adds its own unique design features. Black Badge Spectre debuted for 2025 featuring bold exterior finishes, vivid interior details, and summoning 650 hp.

Subaru Ascent

\$40,795 - \$51,995

Engine 2.4L Flat-4
Horsepower 260
Torque, lb-ft 277
EPA est. mpg 21/27
Drive wheels AWD
Wheelbase, in 113.8
Curb Weight, lb 4453
Transmission CVT

The 2026 Subaru Ascent receives a simplified trim lineup, upgraded interior appointments, a new exterior color, and in-vehicle technologies. Ascent is offered in Premium, Limited, Limited Bronze Edition, Touring, and Onyx Edition Touring trim levels. This year, the entry-level Premium trim level adds water-resistant StarTex® interior upholstery and black exterior accents. The Touring trim levels offer the most advanced and premium features in the lineup and adds woodgrain interior accents. All models come standard with EyeSight® Driver Assist Technology, including a Wide-Angle Mono Camera and Emergency Stop Assist.

Subaru reveals the all-electric, all-new 2026 Subaru Trailseeker SUV. Trailseeker is equipped with a new propulsion system to a familiar shape while retaining the brand's Symmetrical All-Wheel Drive. Two powerful electric motors placed on the front and rear axles, make 375 hp and offer towing capacity of up to 3,500 pounds. Trailseeker delivers more than 260 miles of range, and with the battery preconditioning system, the Trailseeker can be ready for fast charging in warm or cold temperatures. NACS charging port offers more on-the-go charging options. Trailseeker's generous room is complemented by an open and bright interior.

Subaru Uncharted

\$34,000 - \$38,000*

Torque, lb-ft 258
EPA est. mpg 19/26
Drive wheels AWD
Wheelbase, in 105.2
Curb Weight, lb 3297
Transmission 6M, CVT

The 2026 Subaru WRX lineup includes Premium, Limited, GT, tS, and a new limited Yellow edition. The performance-focused tS sports distinctive interior and exterior accents and offers increased performance and handling capability and ride comfort with a new STI-tuned suspension featuring electronically controlled dampers and revised suspension tuning. All WRX models are equipped with a 271-hp, 2.4L turbocharged SUBARU BOXER engine, Symmetrical All-Wheel Drive, EyeSight Driver Assist Technology, and a tablet-style 11.6-inch SUBARU STARLINK Multimedia Plus system with wireless Apple CarPlay® and wireless Android Auto™.

Tesla Cybertruck

\$69,990 - \$99,990

	Engine	Electric	Beast	Electric
Horsepower	600		834	
Torque, lb-ft	743		1,029	
EPA est. mpg	79 MPGe		TBA	
Drive wheels	AWD		AWD	
Wheelbase, in	143.1		143.1	
Curb Weight, lb	6603		6901	
Transmission	1A		1A	

The Tesla Cybertruck electric pickup with its innovative design has an aircraft-style steer-by-wire system, a cargo bed with a power retractable hard tonneau cover, and the ability to tow a claimed 11,000 lb. Cybertruck boasts a range of up to 325 miles per charge and is available in either a dual-motor 600 hp AWD or the Beast, which makes 834 hp from three electric motors. Electronically adaptive air suspension offers 12 inches of travel and 16 inches of clearance. An ultra-hard stainless steel exoskeleton helps reduce dents, damage and long-term corrosion. The windshield is made with shatter-resistant glass.

Tesla Model 3

\$36,990 - \$54,990

	Engine	Electric	Electric	Performance	Electric
Horsepower	295		425		509
Torque, lb-ft	309		475		547
EPA est. mpg	132 MPGe		130 MPGe		112 MPGe

Wheelbase, in	113.2		113.2		113.2
Curb Weight, lb	3891		4054		4048
Transmission	1A		1A		1A

Tesla Model 3 brings back the base model in 2026, and it joins the Premium RWD, Premium AWD, and Performance models. The RWD Premium model has an estimated range of 363 miles and the Performance model offers 296 miles per charge. Model 3 offers several charging options: Tesla's network of fast-charging stations called Superchargers, adapters for DC public-charging stations, 240- and 120-volt outlets, and a home-charging station. The interior is simple with nearly everything controlled by the monolithic touchscreen. All models come standard with heated and ventilated front seats, navigation, and the Autopilot driver-assist system.

Tesla Model S

\$94,990 - \$109,990

	Model S	Plaid
Engine	Electric	Electric
Horsepower	661	1042
Torque, lb-ft	723	1050

Wheelbase, in	116.5	116.5
Curb Weight, lb	4561	4776
Transmission	1A	1A

Tesla Model S all-electric sedan unites powertrain and battery technologies for unrivaled performance, range and efficiency. Model S offers two models - a dual-motor Model S and a tri-motor Plaid - achieving 410 and 348 miles of range per charge, respectively. Updates for 2026 include a quieter interior through acoustic-lined glass, a front fascia camera, new bushings, suspension improvements for a smoother ride, new wheel designs, and a Frost Blue paint color. Tesla refined Model S Plaid's exterior for optimized high-speed stability. Model S can be charged using the company's vast Supercharger network or by the use of adaptors.

Wheelbase, in	116.7	116.7
Curb Weight, lb	5630	5248
Transmission	1A	1A

Model X is Tesla's larger luxury EV SUV offering seating for up to seven with the use of upward-opening "falcon-wing" doors for the second and third rows. Model X is built off of the same platform as the long-running Model S sedan and offers a driving range of 335 miles. Updates for 2026 include a quieter interior through acoustically-lined glass, a front fascia camera, new wheel designs, new bushings, and suspension improvements for a smoother ride. Model X's standard rectangular steering yoke setup replaces a conventional round steering wheel. The panoramic windshield gives drivers and passengers an unparalleled viewing experience.

Tesla Model Y

\$39,990 - \$59,130

Curb Weight, lb	4154	4363	4398
Transmission	1A	1A	1A

The Tesla Model Y EV crossover boasts a long battery range, fast and easy charging, and enjoyable performance. For 2026, Model Y receives a refresh that includes new narrow headlamps connected by a full-width light bar along the front end, richer interior materials, more sound deadening, available ventilated front seats, and a rear-seat passenger display. A new entry-level Standard trim also joins the Model Y lineup offering a battery range of 321 miles. Tesla's Level 3 DC Superchargers add 151 to 170 miles in 15 minutes, depending on the trim level, and at 250kW max. Model Y now only offers a two row configuration.

Toyota 4Runner

Transmission CVT	CVT

The Toyota Corolla is available in either a four-door sedan or a five-door hatchback. A variety of hybrid and gas models are offered with FWD or AWD options. Toyota adds the Corolla Hatchback FX special addition to the 2026 lineup. The FX adds a black vented sport wing, 18-inch gloss white-finished alloy wheels with black lug nuts, and a heritage-inspired rear badge. All models can be upgraded with ambient interior lighting, dual-zone climate control, and heated front seats. Standard features include Toyota Audio Multimedia with wireless Apple CarPlay® and Android Auto™, a 7-inch digital gauge cluster, and Toyota Safety Sense 3.0.

Toyota Crown

\$41,440 - \$54,990

The Toyota Sequoia three-row SUV offers a range of configurations for seating and cargo with an impressive 9,520-lb towing capacity. All Sequoias are equipped with the twin-turbo V6 hybrid i-FORCE MAX powertrain. Sequoia adds premium interior updates for 2026. The Capstone grade offers a revamped interior featuring Shale Premium Textured leather-trimmed seats. The Limited grade transitions to leather-trimmed seats in both black and grey. Massaging seats are now optional on all models. A new exterior color is offered on the TRD Pro grade. Toyota Audio Multimedia System comes with a standard 8-inch or available 14-inch touchscreen.

Toyota Sienna

Toyota Sienna offers a fully hybrid lineup, a choice of front- or all-wheel drive, and a combination of style and functionality. For 2026, this efficient minivan simplifies choice by making previously optional features standard on select grades. The entry level LE grade adds new standard features like an 8-speaker audio system, power rear door, rear window shades, and power tilt/slide moonroof. The XSE model also gets an audio upgrade with a JBL™ Premium Audio system with 12 speakers, subwoofer, and amplifier now standard. While the LE, XLE, XSE, Limited, and Platinum grades now have the option for Heavy Metal exterior paint.

Toyota Tacoma is built on Toyota's TNGA-F global truck platform and features an available new multilink rear suspension. Tacoma offers two powerful and efficient turbocharged four-cylinder powertrains, including a top-of-the-line i-FORCE MAX hybrid producing 326 hp. Tacoma also offers the rugged Trailhunter grade. Trailhunter is equipped with a bronze-colored "TOYOTA" heritage-inspired grille with an integrated 20-inch LED light bar that's complemented by white/yellow color-switching RIGID LED fog lamps. Tacoma hybrid models see a new blue exterior color for 2026, Wavemaker. An all-electric Tacoma is expected in 2026.

TAKE A CLOSER LOOK AT THE SERVICE DEPARTMENT!

Transmission	10A	10A

The 2026 Toyota Tundra now offers two powertrains: a twin-turbo V6 engine and a hybrid twin-turbo V6. The Capstone grade offers a revamped interior with Shale Premium Textured leather-trimmed seats. The Limited grade transitions to leather-trimmed seats in both black and grey. TRD Pro has a new exterior color and now offers optional ISO Dynamic seats. Power running boards are now available on Platinum and 1794 TRD Off-Road Package models. The SX Package now comes with 20-inch wheels. 1794 has its own unique embossed tailgate. All models are now equipped with a 32.2-gallon fuel tank, eliminating the smaller option.

Volkswagen Atlas

\$39,310 - \$54,630

Engine	2.0L I-4
Horsepower	269
Torque, lb-ft	273
EPA est. mpg	21/25
Drive wheels	FWD, AWD
Wheelbase, in	117.3
Curb Weight, lb	4343
Transmission	8A

The Volkswagen Atlas range includes SE, SE w/ Technology, Peak Edition SE w/ Technology, SEL, and SEL Premium R-Line trims. Atlas received a redesign in 2024, including an elegant new interior and a refined turbocharged engine. All models include standard 15W wireless charging and Light Assist on all trims. SEL Premium R-Line trims sport high-end design and comfort features, including headrest perforation, four-way lumbar support, and massage function for front seats. Exterior colors include Mountain Lake Blue and Avocado Green, and Pure Grey is available outside the Peak Edition trim. Atlas carries over for 2026.

Volkswagen Atlas Cross Sport

\$38,300 - \$53,620

Drive wheels	FWD	AWD
Wheelbase, in	103.6	103.5
Curb Weight, lb	3046	3300
Transmission	7DCT	7DCT

The Volkswagen Golf GTI and Golf R delivered a refresh last year and carries over for 2026. Exterior changes included new headlights and front bumper, an illuminated logo, a standard lightbar, new color options, and an 19-inch aluminum-alloy wheel design. The interior features a freestanding 12.9-inch touchscreen. Standard and available features across all trim levels include standard navigation, Dynamic Road Sign Display, and wireless App-Connect. Golf R is paired solely with a 7-speed dual-clutch automatic transmission and is available as the standard model only with available Euro Style Package and adds a new exterior color.

Volkswagen ID. Buzz

\$59,995 - \$67,995

	RWD	AWD
Engine	Electric	Electric
Horsepower	282	330
Torque, lb-ft	229	TBA

Drive wheels	RWD	AWD
Wheelbase, in	117.6	117.6
Curb Weight, lb	6200	6200
Transmission	1A	1A

The newly introduced all-electric Volkswagen ID. Buzz MPV van offers Pro S and Pro S Plus trims for 2026. ID. Buzz's design commemorates Volkswagen's iconic VW Bus, which inspired the van's retro design. Along with the nostalgic exterior, its spacious cabin features flexible seating and three rows. The ID. Buzz's electric powertrain comes in RWD and AWD configurations, with an estimated range of 260 miles. Standard features include a 91-kWh battery, 20-inch wheels, 12.9-inch infotainment system, 30-color ambient lighting, and Park Assist Plus. In the back, the three-seater bench is split 40:60 and its backrests can be folded down.

Volkswagen ID.4

\$45,095 - \$57,295

	RWD	AWD
Engine	Electric	Electric
Horsepower	201	330
Torque, lb-ft	229	339

Drive wheels	RWD	AWD
Wheelbase, in	108.9	108.7
Curb Weight, lb	4559	4782
Transmission	1A	1A

The 2026 Volkswagen all-electric ID.4 is available in RWD or AWD and offers five trims: Entry (Pro, AWD Pro), S (Pro S, AWD Pro S), and S Plus (AWD Pro S Plus). All models with the 62-kWh battery get a standard 12.9-inch display with backlit sliders, and S models with the 62-kWh battery add ventilated front row seats. S and S Plus models feature an available Black Package, including black mirror caps, door handles, badging and 20-inch black aluminum-alloy wheels. S Plus models also add an auto-dimming driver's side door mirror and receive a factory-installed HomeLink mirror. ID.4 expects a mid-model-year refresh.

Drive wheels	RWD	AWD
Wheelbase, in	106.4	106.4
Curb Weight, lb	4550	4817
Transmission	1A	1A

The Volvo EC40 (formerly C40 Recharge) is offered in Core, Plus, and Ultimate trims. A new Performance software pack is available for the twin-motor EC40, comprised of a Performance drive mode that enables a 25kW boost in power output and unique accelerator pedal mapping for quicker response. There's also an available Black Edition appearance package that includes Onyx Black paint, gloss black badging, 20-inch gloss black five-spoke alloys, and a choice of microtech or textile charcoal interiors. Unique to the EC40 are backlit trim panels on the dashboard and doors that illuminate. EC40 features vegan-friendly cabins.

Volvo EX30

Drive wheels	RWD	AWD
Wheelbase, in	104.3	104.3
Curb Weight, lb	3858	4140
Transmission	1A	1A

The fully electric EX30 SUV distills Volvo's design principles and commitments to sustainability and safety. EX30 offers two powertrain options: the Single Motor Extended Range rear-wheel drive variant provides maximum range, while the Twin Motor Performance variant is all-wheel drive and provides more power. EX30's interior uses recycled materials throughout and features a digital rendition of the signature Thor's Hammer headlights. For 2026, the new EX30 Cross Country trim is introduced featuring distinctive design details with front and rear skid plates, flared overfenders, grayed-out body panels, and exclusive 18-inch wheels.

*See dealer for pricing

The 2026 Volvo EX90 is an all-electric, true seven-seater SUV. The addition of a new EX90 Single Motor expands the range of powertrain options, while the Twin Motor and Twin Motor Performance both gain more power. The Twin Motor Performance now reaches 670 hp. EX90 adds a new 800-volt electrical architecture that delivers faster, more efficient charging. EX90 also gains a more powerful dual NVIDIA DRIVE AGX Orin-based core computer that enables advanced safety and driver-assist features. A new electrochromic panoramic roof with adjustable tint and a new ventilated Nappa leather upholstery option are now available.

Volvo V60 Cross Country**\$52,300 - \$57,600**

ROCK ON.

2026 Ford Bronco® SUV

The Ford Bronco was made for the moments when the pavement gives way to pure possibility. With 4×4 power, available off-road suspension, and G.O.A.T. Modes® Goes Over Any Type of Terrain that are designed to tackle rocks, ruts, and ridgelines, Bronco doesn't just drive, it dominates. Pop off the doors, roll back the roof, and feel the fresh air roll in. From canyon crawls to mountain passes, it's designed to handle it all with grit and style. The trail is calling. Get to your local Ford store today.

Ford.com/Local

2026 Bronco® Badlands® model with optional equipment, available Ford Accessories, and extra-cost color option shown.
