

HORSE BOOTS PAIR

Horse Fetlock Boots

Ensure superior leg protection for your horse with our Horse Fetlock Boots – Pair, expertly designed for performance, durability, and comfort. These boots offer targeted support to the fetlock joint, minimizing the risk of injuries during jumping, schooling, or turnout.

Horse Tendon Guard-4 Boots Set

Give your horse full leg protection with our Horse Tendon Guard – 4 Boots Set, including two front tendon boots and two hind fetlock boots. Designed for high-performance support, this set provides comprehensive protection for jumping, training, and competitions.

Horse Tendon Guard Boots Pair - Different Types

Protect your horse's legs with confidence using our Horse Tendon Guard Boots – Pair, crafted for superior support, shock absorption, and tendon safety. These boots are designed to shield the tendons and ligaments of the front legs, especially during jumping and high-impact activities, reducing the risk of strain and injury.
