- » We are a well-established, leading digital marketing agency in NAMIBIA for the past 9½ years.
- » 20+ years digital programming & development experience & expertise guarantees efficiency & effectiveness. We do not rely on AI to do the work, we strongly believe in hands-on personal diligence, paying special attention to every client and their specific needs.
- » 40,000+ verified bulk email subscribers in NAMIBIA - continuously updated with new, hand-picked interested parties.
- » Our campaigns are 100% compatible & responsive on ALL devices.
- » As a value-added service (free of charge), we also post the advertisements/newsletters on ALL our social media platforms (50,000+ monthly views/followers) and include them in our weekly flipbook publications. This is also done manually to target personalized audiences, not relying on AI to make random choices.

Fun Fact for this week

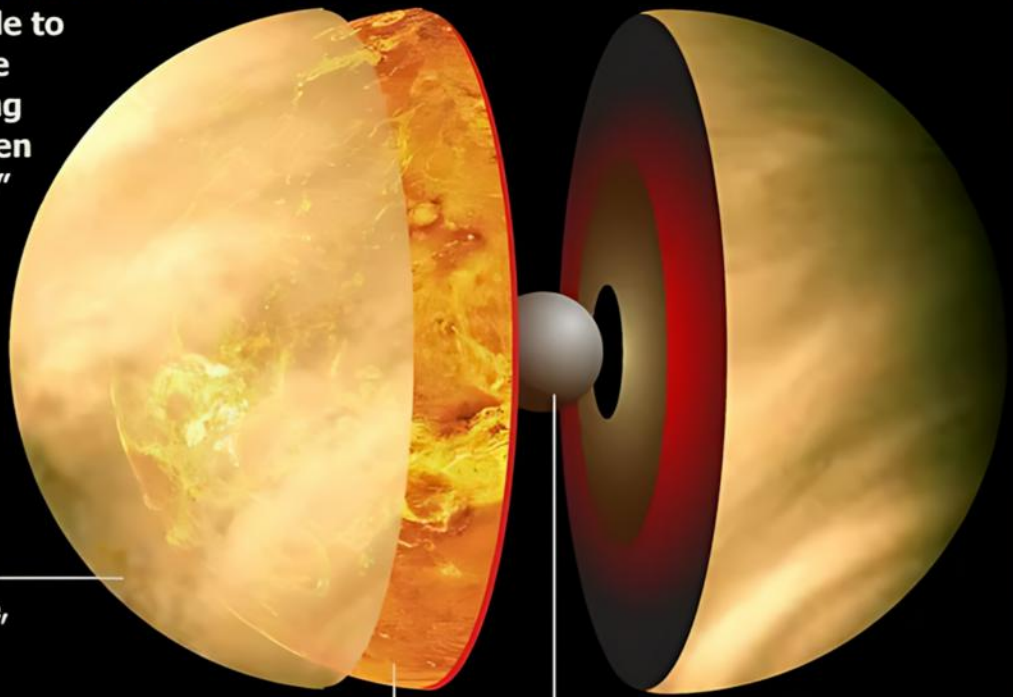

Venus is the only planet that spins clockwise... does that fact make this statement a good or bad thing:

"Woman are from Venus and Men are from Mars"?

SPACE.COM

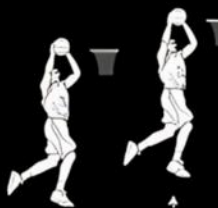

Inside Planet VENUS

Venus is often visible to the naked eye in the morning and evening sky. It has often been called Earth's "twin" because of its similar size, but space probes have discovered that the environment there is actually quite inhospitable.

THICK ATMOSPHERE
96.5% carbon dioxide,
3.5% nitrogen plus
trace gases

**GRAVITY 0.9
OF EARTH**

EARTH
10ft
dunk

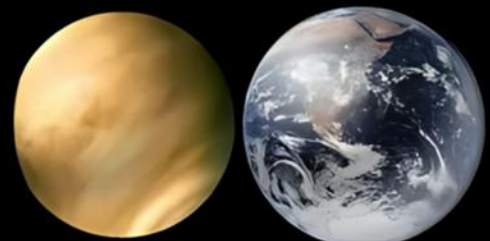

VENUS
11ft
dunk

SURFACE CONDITIONS
AIR PRESSURE: 90x Earth
TEMPERATURE: 870°F (465°C)
WINDS: up to 220 mph (100 m/s)

The surface of Venus photographed by a Russian probe in 1982

METAL CORE It is not known if Venus' core is solid. Unlike Earth, Venus' weak magnetic field is not produced by a dynamo in the core.

Venus, 7,520 mi (12,100 km) in diameter, is slightly smaller than Earth

Project Senior Park

Your Support Matters, Every Contribution Counts

Dear Possible Donor

We are reaching out to you on behalf of Senior Park, a state-owned selfcare senior community. The residents of Senior Park are expected to pay their rent, buy prepaid electricity, pay their water consumption, plus all their daily food, toiletries & cleaning supplies. All with a mere N\$1600 (State pension) per month.

As you may know, many of our seniors have spent their lives building and nurturing our communities. Now, it is our turn to give back and ensure that they spend their golden years in comfort, with the care and dignity they deserve.

How You Can Help

To continue offering assistance with basic needs at Senior Park, we rely on the generosity of people like you. We are currently seeking donations to assist with weekly meals for 150 elderly, toilet paper, toiletries & cleaning supplies. Every contribution, no matter the size, makes a significant difference in the lives of our residents.

Our current goal is to prepare a fully cooked meal plus dessert for every resident on Fridays, and serve each resident with cleaning supplies, toiletries and toilet paper once every 2 months.

Ways to Donate

Bank Transfer: WeCare Foundation, FNB Namibia, Branch Code 282-672, Account Number 642-775-588-04.

In-Kind Donations: If you would like to donate specific items, such as food, toiletries or cleaning supplies.

*Thank you for considering this request
with heartfelt thanks*

YOUR BUSINESS MAY ALREADY BE BREACHED.

YOU JUST DON'T KNOW IT YET.

THE PROBLEM

Right now a hacker could be inside your network. Reading your emails. Accessing your files. Sitting quietly and waiting.

In 2025 NAM-CSIRT recorded over 2.2 million cyber vulnerabilities across Namibia. Most businesses never find out until the damage is already done.

2,231,970

CYBER VULNERABILITIES DETECTED

NAM-CSIRT, 31 Dec 2025

1,701,883

CYBER EVENTS RECORDED

VULNERABILITIES DETECTED — 2024

NAM-CSIRT Annual Statistics

THE SOLUTION

FREE MICROSOFT SECURITY ASSESSMENT

Our security team will assess your Microsoft environment and surface hidden vulnerabilities before attackers find them first. No cost. No obligation.

01

Assess

Full scan of your Microsoft 365, Azure AD, Exchange and SharePoint for vulnerabilities.

02

Identify

Detailed mapping of security gaps, misconfigurations and exposed attack surfaces.

03

Report

Confidential executive-level findings report with risk ratings and priorities.

04

Remediate

Practical and actionable steps to strengthen your defences that your team can implement.

CLICK HERE TO BOOK YOUR FREE MICROSOFT SECURITY ASSESSMENT

Learn more at acunam.tech

Terms and Conditions:

- Available to businesses based in Namibia with a minimum of 15 Microsoft 365 users.
- Acunam will require access to your Microsoft tenant. Scope and permissions will be discussed before any work begins.
- Assessment and report are free with no obligation. Remediation services are separate.
