Company Profile 2025

A woman's face is visible through a narrow vertical slit in a heavy, red, vertically-pleated curtain. The woman has blonde hair and is looking directly at the camera with a slight smile. The lighting is dramatic, with the curtain being a deep red and the woman's face being the central point of focus.

Levels AV is an audio, visual, lighting and special effects (AVL) design, supply, distribution, rental and installation company with offices in Dubai, London and Riyadh. We service clients across the UK, Europe, the Middle East and Asia.
