## HOME TREASURES

With family histories in the textile industry that date back three and four generations respectively, Saeed and Ellie Taghdisi have a shared passion for fine linens born from that background and nurtured through their exposure to all aspects of the business. Their dedication to this craft has trained their eyes, hands and hearts to select the perfect materials for producing beautiful, customized, finished pieces.

Since our founding in 1988, Home Treasures has been guided by one of their firmly held beliefs: people want, and deserve, belongings that accurately reflect their personal style.

Today, Saeed and Ellie's commitment to producing top quality, highly customized goods continues to drive our company. While many in the industry have changed strategy and positioning over time, Home Treasures still pleases discriminating customers and prominent retailers alike with our willingness to improvise, modify and collaborate on exquisite products that meet very specific wants and needs.

Saeed and Ellie's life-long fascination with textures and weights, colors and sheens, shapes and lines, is on display in every item that Home Treasures produces. And the beauty and character of our bed, bath and table linens, including our coveted quilted items, are a reflection of the accomplished artisans who sew, stitch, embroider and shape each one. Care and attention goes into every step of the process. Using only the finest textiles in the world, our experienced seamstresses in Houston, TX take the time to carefully craft unique, custom pieces based on your individual style and specifications.

We are proud to produce our products in the U.S.A., close to the people who will cherish them for generations to come.

## QUILTING NOTES

While our quilted products are made to order to your specifications, and we offer many options for customization, including color, pattern, style and size, please note that there are some key factors to take into account before placing your order. Please see details below, and should you have any questions, please contact us.

### PRODUCT NOTES

- Quilted Coverlets with Split Corners, Fitted Corners and Gusseted Corners will have a 25% upcharge and will be labeled as dry clean only.
- Pricing for coverlets with Pillow Tuck and Reverse Pillow Tuck only applies for patterns that are perfectly symmetric. For pricing asymmetric patterns, marked with \* on Quilting Pattern pages, please request a custom quote.
- There is a 3 yard minimum on all quilted yardage.
- Quilted Boudoir and Neckroll Shams may only be ordered with a Coverlet Set, which includes 1 Coverlet + 2 Shams.
