TEAM SESSIONS

with **HEALTHHUB**

Long meetings, tight deadlines, and packed schedules can leave your team feeling drained and unfocused. A 5-10 minute stretch break or a guided wellness break can help with that!

With the Health Hub, you can easily book a Team Session designed to refresh and re-energize your group—no matter where they are!

Stretch Breaks

Ease tension and improve focus with simple, effective movements.

Mindfulness Moments

Reduce stress and enhance clarity with a guided breathing or relaxation exercise.

Education Sessions

Quick, practical wellness tips to support a healthier work-life balance.

Why it works:

Research shows that short, intentional breaks improve concentration, prevent burnout, and encourage collaboration. By integrating wellness into your meetings, you're fostering a healthier, happier, and more engaged team.

Ready to power up your next meeting? Contact us at fitness@tjxcanada.ca to book your Health Hub Team Session today!

APRIL 2026 EVENTS

April 1 – 30, 2026

Move more - one step at a time!

The StepUp Challenge isn't about hitting a perfect number every day, it's about building momentum, feeling better in your body, and discovering how small daily movement adds up. Whether you're already active or just getting started, this challenge is designed for **EVERYONE**. No workouts. No equipment. Just walking, at your pace, in your day.

OPTIMAL COFFEE TALK

Sip, Learn & Connect

Built to Cope: Understanding Stress Through Your Genes and Lifestyle

With Guest Speaker *Dr. Penny Kendall-Reed*

April 13 at 9:30am PT | 12:30pm ET | 6:30pm CET | 10:00pm IST

Stress is not just a mindset, it is a biological response shaped by both genetics and lifestyle. In this interactive coffee talk, Dr. Penny Kendall-Reed discusses how genetic predispositions can influence stress response, recovery, and burnout risk, and how naturopathic approaches can support the body in managing stress more effectively over time.
