AVVERTENZE GENERALI SUI RIVESTIMENTI

I colori di campionario delle pelli e dei tessuti non costituiscono un riferimento preciso e vincolante e sono da considerarsi indicativi, in quanto è tecnicamente impossibile avere la stessa tonalità di colore tra una partita e l'altra, soprattutto a distanza di tempo. Per questa ragione la ditta Rivolta declina ogni responsabilità in caso di richieste di accoppiamento.
Le pelli presentano piccole imperfezioni, disuniformità, diversità di grana o di tonalità tra una partita e l'altra.
I tessuti realizzati con fibre naturali possono presentare fiammature, impurità ed irregolarità.
Queste peculiarità non sono difetti bensì proprietà che testimoniano appieno la naturalità del prodotto.
Le pelli e i tessuti di proprietà del cliente che ci saranno inviati per la copertura dei nostri modelli dovranno pervenire in porto franco.
Sui tessuti dovrà essere indicato il diritto e il rovescio, oppure in caso di tessuto a fantasia l'alto e il basso.
In caso di tessuto con rapporto, è necessario comunicarne preventivamente la misura per confermare il metraggio corretto.
Nel caso di ordine di un modello con pelli e/o tessuti coordinati appartenenti a categorie diverse, si applicherà il prezzo della categoria superiore.
In nessun caso verranno forniti i nostri prodotti senza rivestimento.

NORME PER L'INFORMAZIONE DEL CONSUMATORE

Per qualsiasi informazione inerente la cura dei nostri prodotti, per comprenderne meglio la qualità e mantenerla nel tempo, Vi invitiamo a consultare con attenzione le indicazioni contenute nel manuale d'uso spedito con i prodotti.

IMPORTANT REMARKS ON COVERS

The colours shown in the leather and fabric samples sheets are not to be considered binding as it is technically impossible to obtain the same shades for all productions, especially after long time. For this reason, Rivolta declines all responsibilities for requests of colour matching.
Leathers have minor flaws, irregularities, differences of grain or shades among the different lots.
Fabrics manufactured using natural fibres may have slubs, impurities and irregularities.
These have to be considered as peculiarities that demonstrate the fully natural origin of the product and not as a defect.
Customer own leather or fabric must be dispatched to the company free of charge.
Such fabrics should contain the right and the reverse sides and in case of patterned fabrics, the top and the bottom.
In case of fabrics with ratios, it is necessary to communicate it to us in advance to confirm the correct fabric requirement.
In case of order of a model upholstered with leathers and fabrics belonging to different categories, the price of the higher category will be applied.
Under any circumstance our products will be supplied without upholstery.

INFORMATION RULES FOR CONSUMERS

For any kind of information concerning the care of our models, to understand better its quality and to maintain it over time, you are kindly invited to consult with attention the user's manual shipped with the products.
