QUESTIONS ABOUT SCHOOL

SCUCISD grants co-curricular excused absences for any student participating in the Schertz Young Leaders program as well as transportation from school if needed. For other schools, City staff will reach out to administration about getting excused absences approved and may help with transportation if needed.

Attendance is mandatory for graduation of the program. One (1) excused absence may be permitted pending notification and acceptance by the City of Schertz staff representative, on a case-by-case basis.
