Note: fingerprint resistant properties available on AbsoluteMatte Panels only. AbsoluteMatte Panels, AbsoluteGrain and AbsoluteGloss Panels only available in 18mm thickness. Please refer to each corresponding technical Data Sheet for detailed performance capabilities available at www.laminex.com.au. Laminex® FormWrap® Doors & Panels are not suitable in Australian regions which experience high or extreme humidity. Product installations above the latitude of -26.383 degrees, which is the latitude of Noosa Heads in Queensland, are therefore not covered under Laminex FormWrap warranty. You can obtain a copy of applicable warranties at www.laminex.com.au.

Navigating the range

With three distinct surface material options on offer, there's a made-to-measure door and panel product to suit almost every cabinetry application.

DesignEdge® Doors and Panels

Available in a range of décors, including solid colours, minerals and authentic woodgrains, the DesignEdge® range offers cost-effective Low Pressure Melamine options, as well as our premium AbsoluteMatte®, AbsoluteGrain® and AbsoluteGloss™ finishes all of which are highly durable and easy to maintain. Designs can be specified with a Square Edge or a Reverse Bevelled profile. Laminex InvisiEdge® ABS edging is available on a range of Made-to-Measure DesignEdge® Doors and Panels.

FormWrap® Doors and Panels

FormWrap® Doors and Panels are thermolaminated (vacuum wrapped) vinyl offering a luxurious, seamless look that's surprisingly affordable. They come in a select range of solid colours, a variety of flat face and routed profiles, and four finishes, making them a versatile option across a range of interior styles.

ColourTech® Doors and Panels

Perfect for customers seeking a bespoke, luxury finish in kitchens, bathrooms, and wardrobes. Our premium 2pac polyurethane finish offers a smooth, durable surface with a high-end look and feel. From classic shaker styles to contemporary flat panels, a range of profiles give you design flexibility. All ColourTech® doors are Australian Made, with strict quality control, supporting local industry.

COVER FEATURES: **Laminex Light Walnut AbsoluteGrain®** joinery in **Settler 20 profile** and benchtop **Laminex Calacatta Majore TrueScale™**. Butlers pantry cabinetry in **Laminex Light Walnut AbsoluteGrain®** and **Laminex Ghostgum**.

Lamiwood® is a Melamine Faced MR MDF product, also referred to as Low Pressure Melamine (LPM). Standard Offer: Laminex Design Edge Doors and Panels are manufactured using 16mm or 18mm E0 MR MDF substrate, as available. For more details, refer to the Technical Datasheet available at www.laminex.com.au. The full Made-to-Measure Doors and Panels offer is available in all colours and finishes as specified in the Availability Guide. Panel size dimensions: Min and Max panel size dimensions vary by profile and range.

Laminex® Finishes

Laminex Doors and Panels combine timeless and contemporary colours and finishes with the durability to stay looking pristine in the most demanding interior environments.

ABOVE: Cabinetry in Laminex Otway AbsoluteMatte®, bench top and rangehood in Laminex Paperbark AbsoluteMatte®.

Select Laminex colours are available in a range of profiles and finishes. Here's a guide to each of the finishes:

Laminex DesignEdge® Doors and Panels Range

AbsoluteMatte® Finish

A premium super-matte, intriguingly tactile and fingerprint resistant finish suitable for benchtops and joinery.

AbsoluteGloss™ Finish

A premium, ultra-glossy, reflective finish with a mirror sheen ideal for joinery.

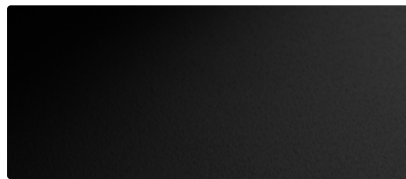

AbsoluteGrain® Finish

A premium matte finish with subtle texture and natural timber feel

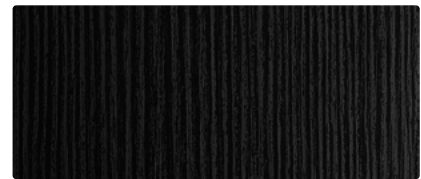

Silk™ Finish

A luxurious semi-gloss finish that is easy to clean and adds sleek style to joinery.

Chalk Finish

A low gloss tactile finish with the look and feel of a raw veneer, suitable for benchtops and joinery.

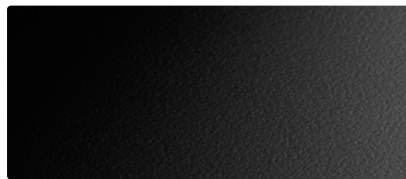

Nuance Finish

A combination of matte and gloss with a linear, sandblasted wood grain effect adding interest and tactility to joinery.

Natural Finish

A low sheen, smooth touch finish that is a durable and low maintenance option for benchtops and joinery.

Flint Finish

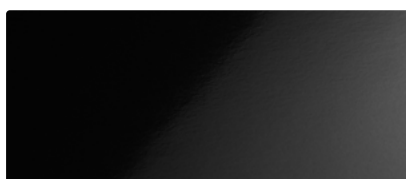

A subtle textured finish with a soft sheen that is a durable and low maintenance option for benchtops and joinery.

Laminex FormWrap® and ColourTech® Doors and Panels Range

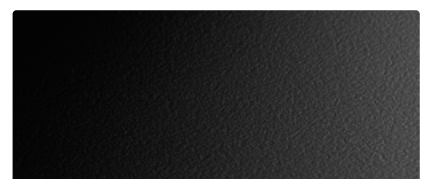

Gloss Finish

A smooth and consistent surface with a quality high gloss sheen.

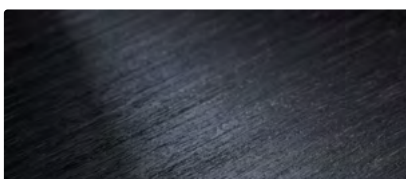

Satin Finish

A smooth, tactile finish creating an even, consistent glow under lighting.

Fine Textured Finish

A combination of low sheen with minor grain-like texture.

AbsoluteGrain® Finish

A premium matte finish with subtle texture and natural timber feel

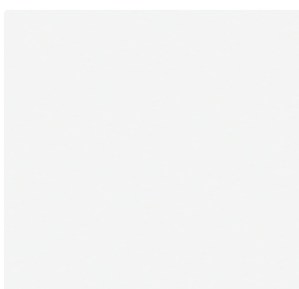

[^] Offer and subsequent finish reflects Absolute Panels ranges.
⁺ ColourTech Satin Finish showcases a matte-like finish with only 20% gloss.
[#] AbsoluteGrain® Finish is only available in FormWrap®.

Colour Range

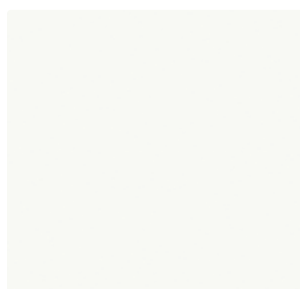

Laminex Made-to-Measure Doors and Panels are available in a comprehensive selection of Whites & Neutrals, Accents and Woodgrains décors from the Laminex Colour Collection, making it easy for you to create perfectly coordinated colour schemes.

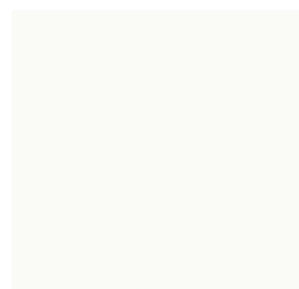

ABOVE: Cabinetry features **Laminex Paperbark** AbsoluteMatte and **Laminex Calm Oak**, bench top in Laminex White Linen and splash back in **Laminex Premio Carrara TrueScale**.

InvisiEdge® ABS Edging on DesignEdge® Doors and Panels

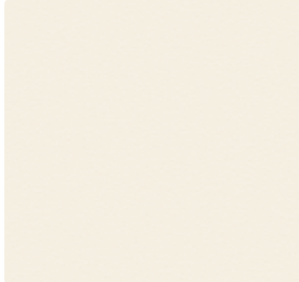

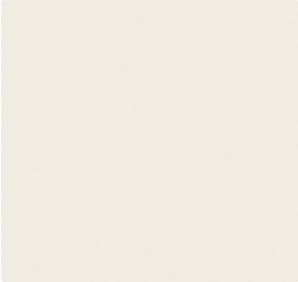

Laminex InvisiEdge ABS Edging gives Laminex Cabinetry a very similar visual appeal to 2pac painted doors, but with the affordability and durability of Laminex. Because InvisiEdge ABS Edging is virtually seamless, the cabinetry becomes more hygienic and is easier to clean.

InvisiEdge supplied as standard on 4 edges on selected decors.

InvisiEdge supplied as standard on 3 sides (Bevelled Edge in ABS). Refer to colour chart for applicable colours.

Frames are available in 1, 2, 4 or 6 pane options for both FormWrap and ColourTech. Glass not included.
Arch frame only available for Nostalgia Soft Arch profile.
Bevelled frame only available option for the corresponding Soft Bevelled Door profile.
Settler option shown in this diagram is Formwrap Settler.

Outer edge profiles:

*Square edge only available in FormWrap offer while arris edge only available in ColourTech offer.

^In FormWrap, 2mm edge option presents as 3mm pencil round once vinyl is applied. Both 2mm, 3mm and 6mm options offered in ColourTech.

FormWrap® and ColourTech® Drawer Options & Accessories

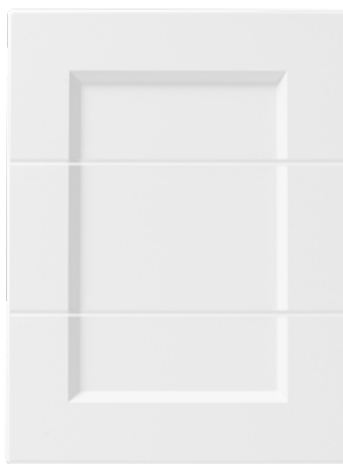

Drawer Layouts

A Drawer Set repeats your chosen door profile on each drawer, creating beautiful feature detail.

For a more contemporary, integrated look, choose a Drawer Bank style that matches your adjoining doors.

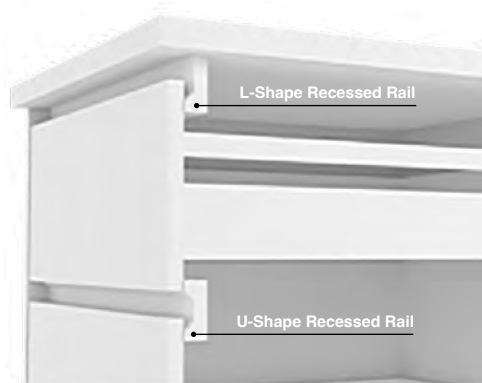

Drawer Set^

Drawer Bank

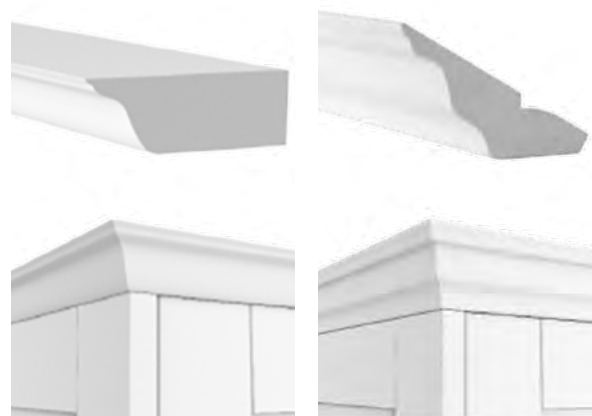

Recessed Rails

Designing drawers with recessed rails will allow you to achieve a minimal, handle-free look with any of the FormWrap or ColourTech profiles.

Capping Moulds

Decorative capping moulds add a classic design feature and create a seamless transition from overhead cabinetry to the ceiling.

FormWrap

ColourTech

^Drawer Sets are produced with half rails in between drawers, as shown in the example. For a Drawer Set with Full Rails top and bottom, simply order as individual panels. Capping Moulds and Recessed Rails are available in all available FormWrap and Colour Tech colours and finishes. Recessed Rails available in L and U shapes in Form Wrap and only L shape in Colour Tech. Above right: FormWrap doors cabinetry in Laminex Polar White Satin finish with a settler profile with Drawer Bank featuring full rails top and bottom.

FormWrap®

Integrated Panel Options

Matching Laminex Decorated Board Range

The Laminex Colour Collection has been designed for maximum compatibility between surface materials, so you can complete your FormWrap cabinetry design with different Laminex panels in complementary colours and textures.

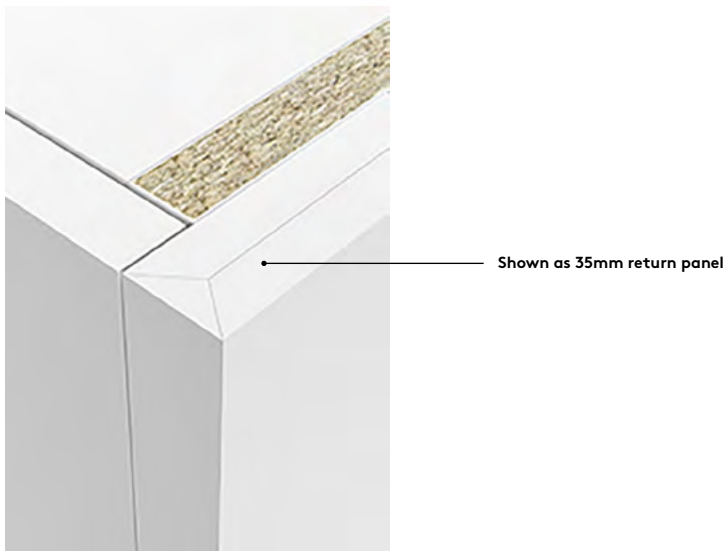

Options within the FormWrap range include vinyl double-sided panels and double-thickness Return Panels. For specific applications such as shelving, oven surrounds, kickers or end panels you can achieve integration with corresponding décors from the Laminex Decorated Board range*.

Corresponding Decorated Board Finishes

FormWrap Finish	Fine Textured	Satin	Gloss	AbsoluteGrain®
Corresponding Decorated Board Finish	Flint LPM	Natural LPM	Silk LPM	AbsoluteGrain® Panels

Return Panels

FormWrap Return Panels# display a continuous square edge, creating the impression of a thicker panel and offers a seamless look ideally suited to refrigerator, pantry and island bench end panels.

Refer to Availability Guide for comprehensive colour and finish availability for FormWrap Doors and Panels including Decorated Panel matches.
 # Maximum Return Panel height of 3050mm. Not suitable for shadow line bench top specifications.

* Excludes Formwrap Exclusive décors.

FormWrap panels are heat-resistant but not heat-proof. Damage caused by excessive heat or poor appliance placement is not covered under warranty.

To protect panels near ovens: Install heat deflector shields or use a complementary decorated board where possible.

To review full warranty document please visit www.laminex.com.au

- ⊙ InvisiEdge as standard
- ◆ Decorated Board available in matching colour, not finish. Alternate finish: Flint
- ◆ Decorated Board in Natural Finish also available to complement FormWrap
- FormWrap exclusive decor

Laminex DesignEdge Doors and Panels are manufactured using 16mm or 18mm E0 MR MDF substrate, as available, and FormWrap and ColourTech are manufactured using the Ultracraft™ 18mm E0 MR MDF substrate. For more details, refer to the Technical Datasheet. Panel size dimensions: Min and Max panel size dimensions vary by profile and range. Documents available at www.laminex.com.au. Colours may vary depending on a number of variables including the types of substrate. While we will endeavour to match colours, they may not be an exact match. Please familiarise yourself with the colour match before placing an order. By placing an order you accept the slight colour variation which is not a defect.
