# Simple steps for you

## How to get started

## We're there every step of the way

Contact us for any information you, or your employees, need. While the steps are straightforward we recommend you nominate an authorised person. We will liaise with them to prepare a simple list of your employees. Each employee can then sign-up to become a Letsbuyhealthcare Member (for a one-off fee of €5).

Then you can help with your employee's wellbeing with a contribution of our vouchers to their family healthcare funds. Tax relief may be available.
