DEPOSITS & FINAL PAYMENTS: (Not applicable to online bookings, which must be paid in full at the time of booking). You may be required to pay a deposit or deposits when booking. Your travel advisor will advise you of how much that will be. All deposits are non-refundable for changes of mind or cancellations by you (subject to your rights under the Consumer Guarantees Act) or if the travel service provider's terms and conditions provide that your deposit is non-refundable. You should consult your travel advisor regarding the specifics of deposit and final payment requirements for your travel arrangements. The travel advisor is responsible for informing you about payment schedules and any terms or conditions set by the service providers.

CHANGE & CANCELLATION FEES: Subject to your refund and remedy rights under the Consumer Guarantees Act, any change and cancellation fees that will apply to your booking are set out in your quote, tax invoice and/or itinerary (as applicable) and as set out in the sections below.

Payment of change or cancellation fees via credit card may attract the applicable credit card surcharges or fees.

All bookings are made on your behalf subject to the terms and conditions imposed by the travel service provider. If, for example, a travel service provider's terms and conditions contain a "no refund policy", for change of mind or cancellation, you will only be provided with the remedy as provided by the travel service provider (if any), which may include a travel credit supplied by the travel service provider.

SUPPLIER/TRAVEL SERVICE PROVIDER INSOLVENCY: To the extent permitted by law, neither we nor any of our related bodies corporate, directors, employees or agents, accept any liability for any consequences arising from the insolvency of a third-party provider. This includes any losses, delays, or inconveniences experienced by travellers or travel advisors due to the insolvency of airlines, tour operators, cruise lines, accommodation providers, or other service entities. You should address any issues related to supplier insolvency with your respective travel advisor, who is responsible for assisting with alternative arrangements or solutions. For the avoidance of doubt, in the event of a third party provider being unable to provide you with the product or service you have booked due to that third party provider becoming insolvent or being placed under external administration, subject to your refund and remedy rights under the Consumer Guarantees Act, we have no obligation to reimburse you for the cost of your booking, or for any loss or damage you may otherwise suffer as a result of any such insolvency or external administration.

TRAVEL SERVICE PROVIDER CHANGE & CANCELLATION FEES: Changed or cancelled bookings for any reason (including by reason of matters outside your or our control) may also incur travel service provider fees, which can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Travel service provider fees may also apply where a booking is changed for any reason and when tickets or documents are re-issued. Your travel advisor will inform you about any such potential fees and the conditions under which they apply. Where we incur any liability for a travel service provider change or cancellation fee for any booking which is changed or cancelled for any reason, you agree to indemnify us for the amount of that fee. Where you seek a refund for a changed or cancelled booking for which payment has been made to the travel service provider, we will facilitate the refund process through your travel advisor. We will not provide a refund to you until we receive the funds from that travel service provider (which may take 12 weeks, or longer, dependent upon the travel service provider processing time). In the event we are still holding the funds, we can only provide you with a refund once we are authorised by the travel service provider to process your refund, subject to that travel service provider's change or cancellation policy. Your travel advisor will be your point of contact throughout this process and will keep you informed of the progress of any refund request.

CHANGE OR CANCELLATION BY YOU: If you change any aspect of your booking, all changes will be subject to any applicable travel service provider fees and any change fees set out in your quote, tax invoice and/or itinerary (as applicable), and you may be responsible for any increase in pricing that may occur as a result of your change request. If you cancel any aspect of your booking, your deposit may be forfeited, and you will be required to pay any applicable travel service provider fees and any cancellation fees set out in your quote, tax invoice and/or itinerary (as applicable), and you will be provided with a refund for the remaining funds (if any). Alternatively, you may be offered a travel credit for the full amount paid by you without applying any applicable travel service provider fees or the applicable cancellation fees. If your deposit or booking is refundable, this is subject to receiving the funds from the travel service provider and/or being authorised by the travel service provider to refund your deposit or booking funds. For instant-purchase or non-refundable bookings, if you cancel any aspect of your booking, you will not be entitled to a refund, travel credit or other remedy from the travel service provider and/or us.

CHANGE OR CANCELLATION BY A TRAVEL SERVICE PROVIDER: The following terms apply to a cancellation by a travel service provider, except in the event of unavoidable or extraordinary circumstances (set out below).

To the extent permitted by applicable law, if your booking is cancelled by a travel service provider, the travel service provider will generally offer you in the first instance alternative travel arrangements of comparable standard (if available (and will refund any price difference if the alternative is of a lower value), or a travel credit for the full amount paid by you. Alternatively, subject to the travel service provider's change or cancellation policy, the travel service provider may offer you a refund of all money paid by you in respect of the booking, from which the travel service provider and/or we will deduct any unrecoverable costs, and any applicable travel service provider fees and our applicable cancellation fees. "Unrecoverable costs" means all reasonable, direct and indirect costs the travel service provider and/or we have incurred in relation to your booking, and includes amounts paid by us to other relevant travel service providers who are responsible for components of your booking and which may be non-refundable. For example, costs paid to overseas in-destination tour or transfer operators. For instant purchase or non-refundable bookings, if your booking is cancelled by a travel service provider, subject to the travel service provider's change or cancellation policy, you may not be entitled to a refund, travel credit or other remedy from the travel service provider and/or us.

UNAVOIDABLE OR EXTRAORDINARY CIRCUMSTANCES: In the event of unavoidable or extraordinary circumstances, a travel service provider may materially modify or cancel your booking as set out below. In these Terms and Conditions "unavoidable or extraordinary circumstances" means any cause outside a travel service provider's reasonable control which could not have been prevented or avoided even if all reasonable measures had been taken by the travel service provider (including, but not limited to, war, threat of war, riot, civil disturbances, industrial dispute, terrorist activity and its consequences, plague, epidemic, pandemic, infectious disease outbreak or any other public health crisis (including quarantine or other employee restrictions), natural or other disaster (such as volcanic ash or hurricanes or similar events), nuclear incident, fire or bushfires, adverse weather conditions (actual or threatened, including snow and fog), closed or congested airports or ports or other

A material modification is one that has a serious impact on your booking and would cause substantial inconvenience to you (including a change of departure date, departure point or airport, or change of departure time of more than 12 hours).

CANCELLATION DUE TO UNAVOIDABLE OR EXTRAORDINARY CIRCUMSTANCES: If your booking is cancelled by the travel provider/s due to unavoidable or extraordinary circumstances, either the travel service provider will offer you a travel credit or the travel advisor may, subject to any applicable hardship policy, offer you a travel credit for the full amount paid by you.

Although we will use due care and skill in performing our services, we will not always be able to verify if, and cannot guarantee that, all information provided by the travel service provider (including the travel service provider's brochure and terms and conditions) is accurate, complete and correct. Subject to any rights and/or remedies you may have under the Consumer Guarantees Act, we cannot be held responsible or liable for any errors, omissions, interruptions (for example, aircraft substitutions, renovations occurring at hotels, swimming pool closures, accommodation inclusions or changes to inclusions, resort fees payable, breakdowns, repairs, upgrade or maintenance of systems), or inaccurate, misleading or untrue information or non-delivery of information by the travel service provider. If we become aware that the information provided by the travel service provider is incorrect or incomplete in any way, we reserve the right to correct any information (including, but not limited to, pricing information (except where pricing has been finalised)) and amend your booking (in consultation with you and/or your travel advisor) to ensure that it reflects the correct price or otherwise contains the correct and complete information.

LIABILITY: To the extent permitted by law, neither FCNZ nor any of its related bodies corporate, directors, employees or agents, accept any liability in contract, tort, or otherwise for any injury, damage, loss (including consequential loss), delay, additional expense or inconvenience caused directly or indirectly by the acts, omissions or default, whether negligent or otherwise, of third-party providers or by travel advisors over whom we have no direct control, force majeure or any other event which is beyond our control or which is not preventable by reasonable diligence on our part. Our liability will also be limited to the extent that any relevant international conventions, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail, and the Paris Convention in respect of the provision of accommodation, limit the amount of compensation which can be claimed for death, injury, or delay to passengers, and loss, damage and delay to luggage. Under circumstances where our liability cannot be excluded and where liability may be lawfully limited, such liability is limited to the remedies required of us under applicable law (including the Consumer Guarantees Act). This liability clause is subject to your rights under the Consumer Guarantees Act and nothing in these Terms and Conditions is intended to limit any rights you may have under the Consumer Guarantees Act or the Fair Trading Act.

PRIVACY POLICY: We are committed to protecting your personal information provided to us by your travel advisor in connection with a booking and agree to handle your personal information in accordance with our Privacy Policy, which is available online at <https://www.infinityholidays.co.nz/privacy-policy/> or ask your travel advisor for details. By providing personal information to us, you agree that our Privacy Policy will apply to how we handle your personal information, and you consent to us collecting, using and disclosing your personal information, as detailed in our Privacy Policy.

MONIES NOT HELD ON TRUST: All monies paid by you to us, if you pay us directly, will be the property of FCNZ and will be a debt due and payable to the relevant supplier (contingent on availing) once the services to which the money relates have been availed, or the relevant booking is cancelled (subject to cancellation fees). You agree and acknowledge that such monies will not be held by FCNZ on trust for or on behalf of you, and we may hold such monies in any account as we see fit, including with our own and/or other customer monies.

MODIFICATIONS OF THESE TERMS & CONDITIONS: We reserve the right to modify any of these Terms and Conditions at any time without prior notice. If we make changes to any of these terms and conditions, we will post the amended terms and conditions on the (www.infinityholidays.co.nz) website, applications, or services, which are effective upon posting. The applicable terms that apply are those in effect at the time you make a booking.

GOVERNING LAW: If any dispute arises between you and us, the laws of New Zealand will apply. You irrevocably and unconditionally submit to the exclusive jurisdiction of the courts of New Zealand and waive any right that you may have to object to an action being brought in those courts.

ACKNOWLEDGEMENT: You acknowledge that you are 18 years of age or older, and that you understand and agree with the above Terms and Conditions and our Privacy Policy. For full terms & conditions please contact your travel advisor (if and where applicable).
