# Welcome to #NWBE2023

---

The team at Shout Expo is  
delighted to once again  
host the **North West  
Business  
Expo.**

We extend a  
warm welcome to  
exhibitors and delegates  
from across the region to the  
**North West Business Expo 2023.**

Once again, the Premier Suite of  
the Bolton Stadium Hotel is packed with  
exhibitors, keen to showcase their services,  
make new connections and seek out collaboration opportunities.

As you walk the aisles you will meet businesses from the private and public  
sectors as well as education providers, charities and sole traders. With such an  
eclectic mix of people to talk to, we strongly suggest you don't rush! Stay with us  
for as long your schedule permits to have as many conversations as you can.

Browse the list of exhibitors so you can plan your day and visit all the stands that  
interest you. Many exhibitors are running competitions with amazing prizes to be  
won and goodies to give away, so be sure you don't leave empty-handed!

**Today's expo hashtag is #NWBE2023.** Use it throughout the day and  
after the event to connect with exhibitors, delegates and the wider  
business community. Join the conversation on Shout Expo's  
X (Twitter), LinkedIn, Instagram, Facebook and TikTok accounts.

Thank you for being part of this fantastic annual event.  
We hope you have a very successful and memorable day.

With best regards,  
**The Shout Expo Team**

## How can you help?

We're searching for community-minded businesses to partner with Shelter for a minimum of 12 months.

Aligning with Shelter on a local level presents a remarkable opportunity to tangibly demonstrate a commitment to making a positive impact within the community you work in & to contribute to meaningful change.

With a diverse array of benefits and personalised support, this opportunity not only provides a seamless & accessible avenue to contribute to a worthy cause, but can measurably contribute to your company's CSR/ESG goals.

Right now, children are living in damp storage containers, poorly converted office blocks & cramped B&Bs. Families are being forced to sleep on the sofas of their friends and relations.

## LEADING COMMERCIAL PROPERTY DEVELOPMENT IN LANCASHIRE AND BEYOND

Based in the heart of Lancashire at the iconic Botany Bay, **FI Real Estate Management (FIREM)** is one of the UK's most established names in commercial asset and property management with over four decades of industry experience.

FIREM's national portfolio spans retail, industrial, office, and residential developments exceeding 15m sq ft and £1.2bn. With a further 6m sq ft of development in the pipeline over the next five years, FIREM is set to further expand its national footprint.

Arguably its most ambitious investment in its 40-year history, FIREM is currently redeveloping its headquarters to become Botany Bay Business Park, a 21-acre site that will become home to over 405,000 sq ft of industrial and office space, including 33 units ranging from 1,300 to 158,000 sq ft catering to businesses of all shapes and sizes. With demand on the rise, international chains are set to sign up to the development currently being constructed around the historic mill building, which will also be home to FIREM's growing team.

FIREM works closely with its tenants, communities and partners to ensure a cohesive approach is taken to all developments. The redevelopment of Botany Bay is set to provide a substantial boost to the local economy, supplying industry leading commercial property for the benefit of the local, regional and global business community.
