TOWING & TRAILERING

Designed to work smarter

Make trailering feel as effortless as it looks with proven trailering technology, eight available cameras with up to **14 views*** and an available **Trailering App*** all ready to help you haul with ease.

Up to 14 Available Camera Views

Silverado offers advanced camera technologies that help with things like towing a trailer, maneuvering into tight parking spaces or helping to ensure blind spots are clear. Available on Silverado LT, RST, LT Trail Boss, LTZ, ZR2 and High Country.

Trailering safety

Smart technologies like Trailer Side Blind Zone Alert* enable visual side-mirror alerts when a moving vehicle is detected in the side blind zone to help you stay safe for the long haul.

Trailering app

Create a custom trailer profile to help you easily set up and monitor your connected trailer, get step-by-step pre-departure checklists and more with the In-Vehicle Trailering App.*

INTERIOR

A connected and comfortable cabin

Silverado offers a spacious, comfortable cabin with plenty of room to spread out, along with standard Wi-Fi® hotspot* capability and available Google built-in* compatibility to help you keep your world within reach.

13.4-inch diagonal touch-screen

Available

12.3-inch diagonal Driver Information Center

Available

15-inch Head-Up Display

Available

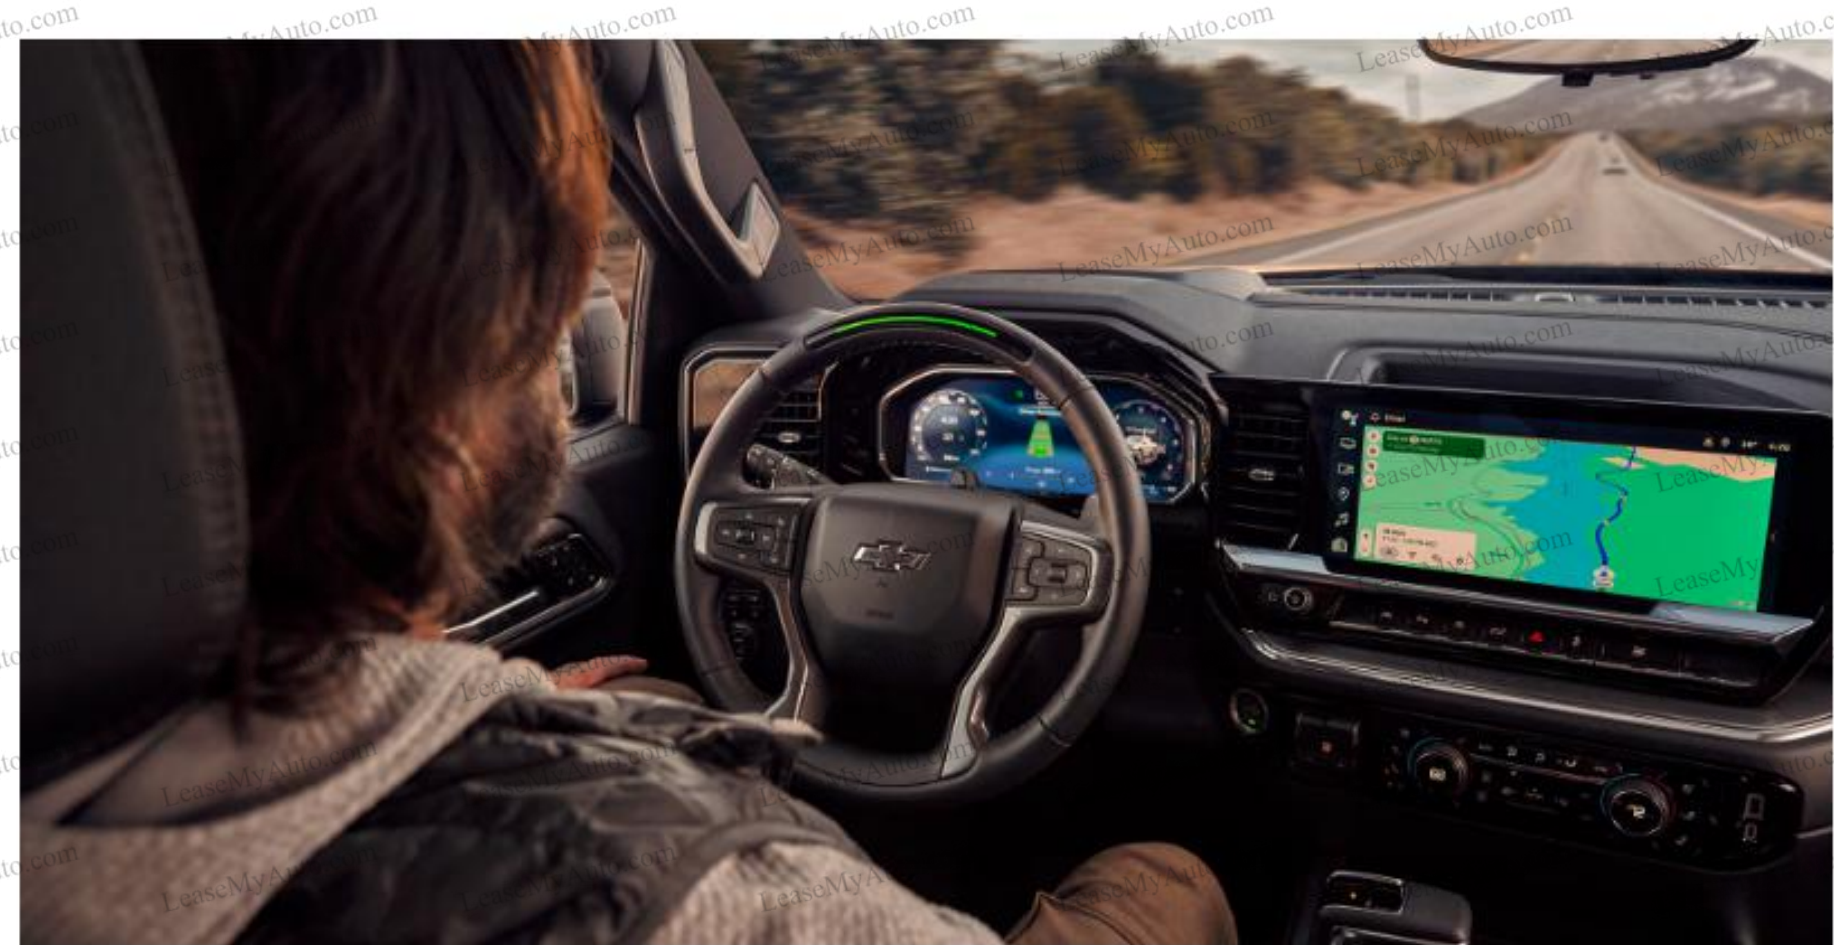

Wireless Apple CarPlay®* and Android Auto™*

Compatibility

Chevrolet with Google built-in

Enjoy an enhanced in-vehicle experience with available Google built-in* compatibility, which includes Google Assistant* to call/text friends, set reminders or control temperature, and Google Maps* to help navigate — all from your center display.

Connected Services*

Available OnStar** provides a variety of entertainment and convenience features — including 24/7 access to live OnStar Advisors, on-demand vehicle diagnostics*, In-Vehicle Apps and more.

OFF-ROAD
Tame any trail
Whether it's Custom Trail Boss, the rugged and adventurous LT Trail Boss or the terrain conquering ZR2, Silverado offers authentic off-road capability with a factory-installed 2-inch lift, off-road ready suspension, red tow hooks* and more available right from the factory.
