Do You Want Your Retriever On the Cover?

We're always looking for cover photos for HUNTING RETRIEVER magazine. If you have a photo you feel is cover quality, please send it in. Following are the guidelines:

- All dogs in the photo must be UKC registered.
- Supply the following along with the photo - the owner's name, contact information and HRC membership number, dog's UKC registration number, and a short write-up.
- If the photo was taken by a professional photographer, written permission to reprint must accompany the submission; for example, an email.
- Vertically aligned photos are preferred. All photos must be in focus, of sharp resolution, and in color. Digital photos must be 600 dpi. Send your photos by mail to: HUNTING RETRIEVER Cover, 100 E Kilgore Rd, Kalamazoo MI 49002; email to: huntingretrievermag@ukcdogs.com; or via the UKC website, <https://www.ukcdogs.com/cover-dog>.

INHERENT RIGHTS AND POWERS OF UKC

*(Revised December 18, 2009)

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- scores;
- disqualifications of dogs for fighting or other reasons;
- errors by the recording person; and
- documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- Bar an individual from entering or participating in any way in any UKC licensed event.
- Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- Falsification or alteration of any reports of wins issued to UKC.
- Falsification or alteration of receipts issued by UKC Judges.
- Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

OCTOBER/NOVEMBER 2024 HUNTING RETRIEVER

GARMIN® 5

Glen Scarborough, President
7421 Griffith Ln.
Texarkana, AR 71854
(903) 276-6817
President@hrc.dog

Fall, by far, is my favorite time of the year. The air is cooler, the leaves are starting to turn, hunting season has started, and there's a hunt test every weekend to run or judge! Just got to love fall.

Recently, I had the honor to judge North Louisiana HRC's 40th Anniversary test, Pin Oak HRC's 35th Anniversary test, and Luther Marsh HRC's 30th Anniversary test. Each of these clubs did an outstanding job celebrating many years of success in HRC. None of this would be possible without the hundreds of volunteers who have donated portions of their lives to make HRC the great organization it is today!

On Saturday morning, August 31st, I received word from Region 1 Field Representative Rusty Wismer that a handler had collapsed after leaving the line at the Georgian Bay HRC test in Canada. Rusty said the handler had been transported by ambulance to the hospital, and he was not in good shape. Please look for Region 1 PR Representative Erica Wilson's firsthand account of this awesome story with an amazing ending in this issue of the Hunting Retriever Magazine.

Please consider buying or leasing an AED (automated external defibrillator) for your club's next test. We have leased three AEDs from AED Consulting Services, LLC (Winter @ 404-921-5911) for the St. Louis grand, and my home club leases one AED for all our tests. The price of life is invaluable.

HRC lost a legend in our game with the passing of Mr. Robert N. Hines on September 15, 2024. Robert never met a stranger, loved to talk dogs, anything HRC, and the bible. In our last conversation a few weeks ago, he told me how lucky he was and that God had blessed him with a great life. I will always cherish the pen he gave me with his name on it and him saying, "I want to make sure you don't forget who I am." I already miss hearing his stories from the early days of HRC, his big smile, and contagiously positive attitude. Rest easy, my friend.

I Love HRC, the People, & the Dogs...

God bless you all.

Pat Johnson, Vice-President

The last couple of months have been busy. I had the honor of going to Lake Audrey's HRC 10th anniversary hunt in August. I have never been to the New Jersey area, and it is a beautiful place. For a small club, they put on a great test, and in true HRC fashion, everyone pitched in to help move equipment. The social was fantastic, with some great raffle items.

Wonderful people if you ever get a chance to head up to the northeast. It was a lot of fun for me to be able to see a new area, meet new people, and look at new grounds. I am looking forward to Lake Aubrey celebrating another milestone in 5 years.

Hope everyone is doing well. I know in certain parts of the country hunting seasons have opened or will open shortly. My dog Jynx and I went dove hunting on opening day here in Oklahoma. I wish I could report we shot a limit, but we didn't. It was nice to be able to go out with her and just enjoy a morning together, just me and my dog. It isn't always about shooting a limit; it is about spending time with your dog and just enjoying the sunrise and a day outdoors. Don't know about most of you, but I would rather spend the day with my dog than a lot of people I know. Don't worry, Jynx, we will get after the ducks

here in a couple of months.

The fall hunt test season should be just about over by the time this makes the magazine, along with the fall Grand. Had another big entry for the St. Louis Grand, and it goes to show the growth of HRC and its premier national event. Hopefully, everyone was able to achieve some titles this fall and have some fun with their dogs.

I hope everyone can get out and do some hunting this fall with their dogs and enjoy them from all the training they have done this year. I don't know about you all, but I own a dog because I like to hunt, and HRC is the closest thing we can do during the spring and summer when it isn't hunting season. Enjoy the dogs, remember to be good ambassadors of HRC, and remember sportsmanship when running your dogs. Hope to be able to see as many of you as I can this fall during our hunt test season here in the Oklahoma area. Everyone be safe traveling and good luck the rest of the hunt test season and happy hunting!

Sara Krause, Secretary

Howdy from Texas. Fall hunt test season is upon us. Life is a little bit slower in the summer months for us down here in the South, as it is normally hotter than the surface of the sun. Ok, well, it just feels that way. Haha. The HRC By-Laws Committee that Glen appointed from our BOD meeting in June is off and running. We have had a Zoom call and several conference calls as we are spread across the country. On a personal note, I am looking forward to our upcoming HRC International Grand and then my club's training days and our fall Upland Test.

See you at the line, if not sooner.

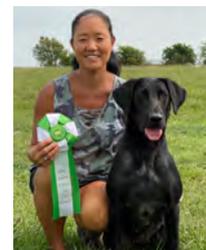

Kristine Odden, Treasurer

Greetings again from your national Treasurer! It's hard to believe summer is about over, and cooler temps are coming our way. After a much-needed vacation at the end of July, August flew by like doves on opening day of season. Now it's time to prepare for Fall hunt test season, along with a few judging assignments lined up in neighboring states – Arkansas, Kansas and Texas, as well as our home club's hunt test that is rapidly approaching!

In fact, we just wrapped up our club's mock hunt test training day – we had a great turnout with several handlers preparing for their tests, along with some great questions and evidence of a lot of time and work put into their dogs. We've had a few new handlers join our club this year, and it's been exciting to watch them and their pups learn and grow together as a team. In addition, we've also had some experienced members who are starting over again with new puppies, and they are off to a great start. Capturing these dogs with my camera is one of my great joys – nothing cuter than catching their antics and expressions, as well as watching them grow up into big dogs through my lens.

I might be a little partial to watching the young pups, but oh, what fun it is to watch them figure out this retrieving game! At a recent hunt test I judged, what a joy it was to see a handler who had struggled on his very first hunt test ever, to come back the next day and earn a pass – brought tears to my eyes to see them succeed! So, keep working hard, keep persevering, and enjoy the process! And best of luck to all the handlers this Fall!

WE MAKE YOUR DOG THE BEST IT CAN BE

Memberships/Subscriptions

subscriptions@ukcdogs.com

UKC accepts all advertisements placed in *HUNTING RETRIEVER* in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC

is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers.

MEMBERSHIP INFORMATION

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of Hunting Retrievers, in the awarding of Championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward Championships.

Your membership includes a year's subscription (6 issues) to *HUNTING RETRIEVER*, a membership card and a copy of the *UKC/HRC Rules and Guidelines for Hunting Retriever Tests*. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$17.50 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

**SINGLE COPIES &
BACK ISSUES**

Single Issues - \$6, includes shipping

ARTICLES FOR PUBLICATION

We welcome articles on training, breeding, health and care and other areas of interest. You may send articles via e-mail huntingretrievermag@ukcdogs.com.

**THE UNITED KENNEL CLUB
REGISTRATION OFFICE**

The Sole Registrars of Purple Ribbon Bred Dogs

The United Kennel Club is the largest

Performance Dog Registry in the World.

Established in 1898.

UKC'S MISSION STATEMENT

As an international dog registry we celebrate the Total Dog through family-friendly events and programs highlighting canine bonds, instincts and heritage while maintaining the virtue of our pedigrees. Through these efforts, we give Honor to Whom Honor is Due™.

FOOD SCOOP

ACCOMPLISHMENTS

Amateur handled through his 4x GMPR. A staunch, natural point from a very young age. Went 4/4 for his HRCH and 1 master pass. Will continue to pursue his MH titles this summer with plans of running the TC and the Grand this fall. Hard charger to marks and blinds, quiet and steady at the line. He absolutely loves to play all the games. He has an absolute perfect off switch and lives in the house.

KENNEL CLUB
LICENSED

Hosted by Gateway HRC • October 19-23, 2024

This Hunt is held under the rules of the Hunting Retriever Club and United Kennel Club.
Open to Hunting Retriever Champions of HRC Members in good standing with HRC & UKC.

All ENTRIES MADE THROUGH: www.HRCEntry.com

LOCATION

August A Bush Conservation Area
2360 HWY D, St. Charles, MO 63304

CONTACTS

Diana Peacock,
Grand Hunt Secretary
C (517) 240-1383
Dpeacock1701@gmail.com

Diana Lacaze,
Grand Hunt Secretary
C (903) 701-5461
Dianallacaze@gmail.com

Entries for the 2024 Fall Grand must be ENTERED on or before
12 noon CST August 28, 2024 at www.HRCEntry.com
Opening date to enter will be **August 14, 2024.**

REQUIREMENTS AND POLICIES FOR PARTICIPATING IN HRC INTERNATIONAL GRAND HUNTS

THE PREMIUM REQUIRES THAT YOU HAVE READ AND UNDERSTAND THE FOLLOWING INFORMATION:

ENTRY FORMS: must be made online at www.HRCEntry.com. The participant will have until **12 noon CST August 28, 2024** to enter to be eligible for entry in this Grand Hunt.

IN ORDER TO ENTER ONLINE:

- HRC Membership number for both the Owner and the Handler must be valid as of the entry deadline date.
- A valid UKC Registration at time of deadline.
- Only one (1) Handler - the individual actually handling the dog.
- Electronic acceptance of the Release of Liability and certifying the immunizations of the dog are current and appropriate.
- Acknowledgment and acceptance of the terms and conditions of refund policies.

CONDITIONAL ENTRY: A Conditional entry may be received on or before **12 noon CST August 28, 2024** without a dog acquiring the necessary 100 HRCH points to enter the Grand event. It is the **OWNER'S** responsibility to ensure that his/her dog is eligible to be entered. Any dog entered in the Grand that does not have 100 points **PRIOR** to the Grand, will not receive Championship Points or Grand Pass credit, if the dog passes the Grand. Please contact the Secretary to remove the conditional entry from the Grand Hunt. Entry fee less \$75 scratch fee will be refunded to the Owner. **Plaque fees are not refundable.**

ELIGIBILITY - It is the owner's responsibility to ensure that:

1) his/her dog is eligible to be entered (has earned HRCH); 2) the Owner listed is the Registered Owner on record with UKC; and 3) both the Owner and Handler have provided HRC Membership numbers and both must be **valid as of the entry deadline date of August 28, 2024.**

ANY OF THE ABOVE ITEMS LISTED IN ERROR SHALL PREVENT THE AWARDING OF POINTS AT THE CONCLUSION OF THE EVENT.

REMEMBER GUN SAFETY & SPORTSMANSHIP!

HRC, Inc. Grand Hunt Committee:

Tracy Stubbs - Grand Hunt Chairman
Dean Roy, Jimbo Earles, Leroy Mason,
Kim Olson, Pat Johnson, Mark Leahy,
Ken Reinert, Kevin Hannah, Rusty Noahr,
Clayton Taylor, Derrick Watson & Mike Botts

Judges: TBA

Local Grand Hunt Committee:

Hunt Chairperson: Ben Kuhn
Co-Chair/Marshall: Steve Kelly/Zach Sanknop

LOGISTICS: Handlers choosing to travel in the same vehicle must make their own logistical arrangements in order for each handler to be at the appropriate series when it is their turn to run.

FLIGHTS/RUNNING ORDER: Handlers MAY request being in a Flight with someone else and all reasonable attempts will be made to honor the request. Handlers sequence preference of running their dogs will NOT be accepted. **No changes will be made after the deadline date.**

SCRATCHES: Scratches no longer require a Veterinarian's Certificate (Illness, Injury or Bitch in Season). Plaque fees **are not** refundable. Scratches are subject to a \$75 fee after the close of the entries. This fee is not imposed on scratches with replacement dogs. Scratches prior to the close of the entries are fully refundable less any processing fees.

Handlers - Check-In and Meeting: Friday, October 18, 2024

Handler Check-in and Meeting - times will be announced at a later time.

Bird ordering information will be posted on social media at a later date.

Handlers must wear Camo/Hunting Attire

COURSES: Ducks, Chukars/Pheasants will be used in all hunts.

PRIZES: 40 United Kennel Club Championship Points

ENTRY FEE: \$400.00

PLAQUES: \$42.00 Plaques of participation in the Grand Hunt are available by pre-order only and will be mailed directly to owner/handler by the company. The Grand is not responsible for the plaques. They are ordered through EntryExpress. **Fees are nonrefundable for plaques ordered.**

The Grand Committee oversees the ordering of birds for the grand, at a later date the person to contact will be posted on our social media sites.

A

Quiet

Place

BY LYNNE FRADY

By the time you receive your magazine, the magic of the season is upon us. Dove season, early goose, and archery whitetail season are open. When people find out that I hunt, I get all the usual questions. “Why do you hunt?” “How can you kill those poor, defenseless animals?” “Do you really eat that”?! The list goes on and is long and never-ending. In this article, I have decided to explain myself to those who may not hunt but participate in HRC hunt test or read this magazine.

I grew up fishing and scouting with my dad, like so many kids do. I started hunting on my own when I was 18 with my dog, Star. She was a black Labrador retriever, and she was my grouse dog. She was a pointing lab, which was so cool. There was nothing she couldn’t do; we were a great team. I was a hunter before I joined HRC.

I wanted to learn how to work and handle my dog on waterfowl. My Dad did not duck hunt mainly because we live nowhere near a flyway. Joining a retriever club in my area seemed like a great idea and a place where I could learn how to teach my dog the skills needed to hunt waterfowl, which leads me to why I hunt.

First, I will say it’s not about filling your daily bag limit; it’s so much more. It’s the little bundle of black fur and floppy ears that picks me when I go see a litter of puppies. It’s the time spent training my dog with friends and family at club training days and on different landowner’s properties. It’s running HRC hunt test to hone skills with the added excitement they offer.

When your dog is ready and all the hard work has been put in, it’s time to go to the quiet place.

I walk down the hall to the kitchen at 3 am in the stillness of the house. Pouring a thermos full of steaming coffee, the dog is watching every movement I make with a slow wag of her tail. I grab the keys to the truck, which is already packed with decoys, and the rest of the gear I will need for the day. I slide my feet into my favorite

hunting boots, pick up my gun case and coat, and head to the truck to load up.

There is not much traffic this time of morning as we pull onto the highway. The dog lays beside me in the front seat with her head resting beside my hip. As I drive, I rub her warm fur as she sleeps soundly, taking slow, deep breaths. My mind is wondering what our day will bring.

Today, it’s just me and the dog on our adventure. We hit the dirt road, and as the tires roll over the gravel the dog sits up and begins to wag her tail and gives a low whine. She knows where we are going. We pull into our spot in the edge of the woods, cut off the engine, and quietly get out of the truck. I stretch in the cool morning air, collect my thermos and coat, and let the dog out of the truck. She looks at me with her big gold eyes and waits for the word that she can go sniff around a bit while I am collecting the decoys and gear bag from the back of the truck. When she hears me gently close the tailgate, she is back by my side to make our way through the finger of woods down to our hunting blind. There is just enough moonlight, and I am familiar with the area; I don’t have to use the flashlight.

We arrive at the blind, and I lay the decoy bag down outside the blind, tuck my gun and other gear into the blind, and methodically begin putting out the decoys. I put the dog on a sit-stay while I do the work; this way, she is not so tempted to cannonball the still water and scatter any wildlife that might be nearby.

I throw out the last decoy, collect the decoy back, and head to the blind with the dog in tow. I turn on the flashlight, aiming it at the floor, pull the gun out of the case, and rest it on the front of the blind. I get the ammo out of the bag, set it on the bench beside me and load my shotgun and put it on safe. I rest it on the front of the blind once again and open the dog door on the front of the blind. She takes her place for a quick survey in the darkness.

We settle in, eagerly awaiting the sun to slowly bring the land and sky to life, filling the sky with brilliant colors. There are so many people who never get to witness this event. We take advantage of these quiet moments, sharing the bacon and egg sandwich I had packed. As we sit there in the stillness, the crickets are singing, and the morning thermals are starting to come up. There is a chill in the air this morning, and a slight breeze is blowing from behind us from the north. Our blind is perfectly positioned for the conditions.

The dog decided to lie down and have a quick nap while we wait for the first light. I sit and reflect on how very lucky I am to be here in this place with my hunting buddy. This is a sanctuary, a place where I feel very close to my dad, who passed four years ago. He is the one who introduced me to the outdoors and hunting, and I feel so

very thankful and blessed.

A cold nose brings me back from my thoughts; I give her a pat and whisper, "You're right, girl; it's almost time." A thin glow of pale pink begins to show on the horizon, and very slowly, the colors of the most glorious sunrise appear, and God's grand cathedral comes to life.

The dog alerts me that she hears the ducks in the distance. I reach for my shotgun and hope the ducks will come our way. We have a pair of mallards come in and land in the decoys. We still have a few minutes until legal light, and we hope a few more will come in and settle in our layout and they do.

I whisper to the dog, "Watch," and she is in hunting mode; her ear direction tells me everything I need to know. We have a small flock coming in from the right in the distance. I blow the duck call, and they head our way. We let them come in closer; they cup their wings to land. As I bring the gun to my shoulder, I stand and take aim. A mallard falls about 40 yards to the left of the blind. I call the dog's name, and she is out the door to do her part. She glides across the water, grabs the duck, and brings it back to me. I give her a pat, and she is back in her place, watching the skies. What a dog, what a day! I must be the luckiest hunter on the planet this morning.

At the end of the day, we have three in possession. The dog ran a great blind on a double that was shot. I had to pull her off the last duck down and put her on a cripple. After retrieving the cripple, the other duck had

floated about thirty yards away and was lying at the edge of the back. I lined her up and sent her; she veered a little to the right, headed to where she saw the duck go down. One single whistle, she stopped and turned to me. I gave her a silent leftover, and she went to it like a rocket. All the training paid off again.

At the end of our day, I gathered up the gear and placed it outside the blind. I waded out to retrieve the decoys and put them back in their bag as the dog sniffed around to make sure no duck was left behind.

We made our way back to the truck being as quiet as possible. I have never been able to pack the decoys in the bag and quietly carry them. When we get to the truck, I put the gear and decoys in the back. I pull a towel out of a duffle bag I keep in the truck, dry the dog off, and feed her a well-deserved meal before we head home.

I give her the command to load up, and she is back in the seat, lying down. Her ears are up, and she is slowly wagging her tail. Once again, we share a gaze into each other's eyes. I swear this dog can see into my soul. We share unspoken words that only hunters share with their dogs. I take one last look back through the woods before I climb in the truck and thank the Lord for this day. I get in, and we head home.

What a beautiful place, a place that is sacred, a place of reverence. A special place shared by few that fills our souls and restores our faith. God's place that he shares with those who are lucky enough to be a part of it. There are no demands here, and it does not matter if you fill your bag. It's the time away from the world with your friends, your family, and your dog—a quiet place.

The reason I did not put my dog's name in this article is because this is not just my story. It is a story of all hunters who have had the privilege of sharing a blind with their dog in a quiet place.

I hope you get the opportunity to share a place like this with friends, family, and, of course, your furry hunting buddy.

Until next time, keep your nose in the wind!

In loving memory of my Dad, Arby, and my friend, Rob White.

HALL OF FAME SHOWCASE

GRHRCH(4) UH STORMRYDERS SHE AINT EASY MH HOF

Requirements for earning a Hall of Fame certificate were set forth by HRC. A dog is required to have passed four Grand Hunts and have accumulated 1,000 Championship Points. Fewer than 100 dogs in the history of HRC have accomplished this. UKC has reached out to HOF dog owners to showcase these incredible athletes. Read about them in this series.

“Easy never backs away from a task and never gives up. And she approaches everything with an extremely happy attitude. Always ready, always determined.”

Professional Handler, Harry Pradon from Cartersville, GA

GRHRCH(4) UH STORMRYDERS SHE AINT EASY MH HOF, Female, Labrador Retriever

Feature Photo Provided by: Mark L. Atwater - UpClose Photo

Q: Are you a professional or amateur handler?

A: We started as amateur handlers and turned professional about four years ago.

Q: How long have you been involved with HRC? And how did you get involved?

A: Since about 2018. I purchased an older dog from a friend to duck hunt with. Not long after I brought that dog home my wife Beverly made her into her dog! But Beverly did start duck hunting with me, so that worked out pretty well. We loved that old girl dog so much that we named our Kennel after her once we started our own kennel. Her name was Stormy. Our kennel became Stormryder Kennels. We learned of a local HRC club nearby (Etowah Hunting Retriever Club) and went to meet them and run dogs one weekend. That pretty much got us involved in learning to improve our skill with that older dog. We enjoyed the environment so much that we just kept getting more and more involved. We became members of Etowah HRC and met some great people that helped us learn how to improve our skillset running and training dogs. We are both on the Hunt Committee for our local club and Beverly is on the Board of Directors. If you ever come to Etowah Hunting Retriever Club you will find us (and our whole club) working hard to make sure you have the most enjoyable Hunt Test we can put on for you.

Q: Who are Stormryders She Aint Easy's sire and dam? Are there any other HOF/notable dogs of relation?

A: Easy is a granddaughter of 3X GRHRCH UH Dakota's Cajun Roux on her sire's side. She is also a granddaughter of 5XGRHRCH UH HOF Dreammyer Once In A Blue Moon MH. 13X GRHRCH HOF Missy's Cajun Dakota MH, GRHRCH Gator PT'S Magnum Gentle Ben, FC AFC Cuda's Blue Ryder are also in her third generation

Q: What are her strengths? Does she have any weaknesses that you've had to work through?

A: Easy is very focused on achieving any task you ask of her. She is competitive, smart, learns quickly, and wants to please. Easy is an excellent Marking dog, and she runs blinds exceptionally well. She runs very straight on blinds. She has run many blinds at the International Grand with no whistle or casts needed. She has also failed the Grand on a blind... One of her weaknesses has always been that she would cheat water because it slows her down. Water cheating was a challenge for her as a young dog.

Q: At what age did Daisy acquire her first title and at what age was she when she entered the Hall of Fame?

A: Easy earned her first title at six months and one week old. She Entered the Hall Of Fame at five years and twelve days old.

Mark L. Atwater - UpClose Photo

Q: What is Stormryder's She Ain't Easy's personality like?

A: What's the saying: Everybody wants a fire breathing Dragon; until they get one! Easy has always been a very high drive dog. Thank goodness she is also extremely smart and wants to be a team player. As a baby dog she ran so hard on every retrieve that she turned a flip when she hit whatever she was picking up. She learned to slow down as she aged. Easy is always very focused and attentive. She loves working and wants to work every day. She is a natural marking dog. She enjoys running blinds and takes literal casting easily. Easy gives over 100 percent every day. It was obvious she was a special kind of dog early on as a pup. My wife has nicknamed her The Golden Child. Lol Easy trains well. New environments and new experiences don't shake her up. She learns from her mistakes and takes correction easily. She does want to know you are happy with her. She will stand up on you for attention. It annoys me at times but I try to make allowances. She works so very hard and thrives on the positive attention so sometimes I just let her get me dirty!

Q: How has she developed over the years?

A: I referred to her as a fire breathing dragon as a pup. She has changed from a pup that hit every duck so hard that she flipped over every time and matured into a dog that works smart not just hard. I took Easy on her first hunt at four months old dove hunting. She was picking up marked birds and cripple birds and was steady to shot and wing then. She changed from raw potential as a pup to a dog that thinks about the choices

she makes while working. She has slowed down with the thought that she may work all day not just for a short period. She craved attention as a puppy and she still does to this day. That is why she works as hard as she does. Easy thinks we are just playing together.

Q: Did you train Stormryder's She Ain't Easy? If not, who with?

A: My wife Beverly and I trained Easy. Beverly earned Easy's Finished title. We would change handlers on our dogs between the two of us. We learned a lot from our group of friends at Etowah HRC.

Q: How would you explain your relationship with her?

A: I would say the relationship between Easy and my wife and I is pretty special. There is a challenge to creating a great working dog and balancing that with a special buddy. Easy has always been treated like a dog and unspoiled. But whether she is hunting or running Hunt Tests, Easy has always given everything she has in the effort. We have been blessed to have her as a part of our family. I admit she has found her way into our laps more than a few times.

Q: Tell us your favorite hunting story, or a special non-hunt test moment with your Hall of Fame dog.

A: Easy has always been a small dog. She is fifty four pounds now. At four months old she was small. We started training Easy from the first week she came home. When she was four

Mark L. Atwater- UpClose Photo

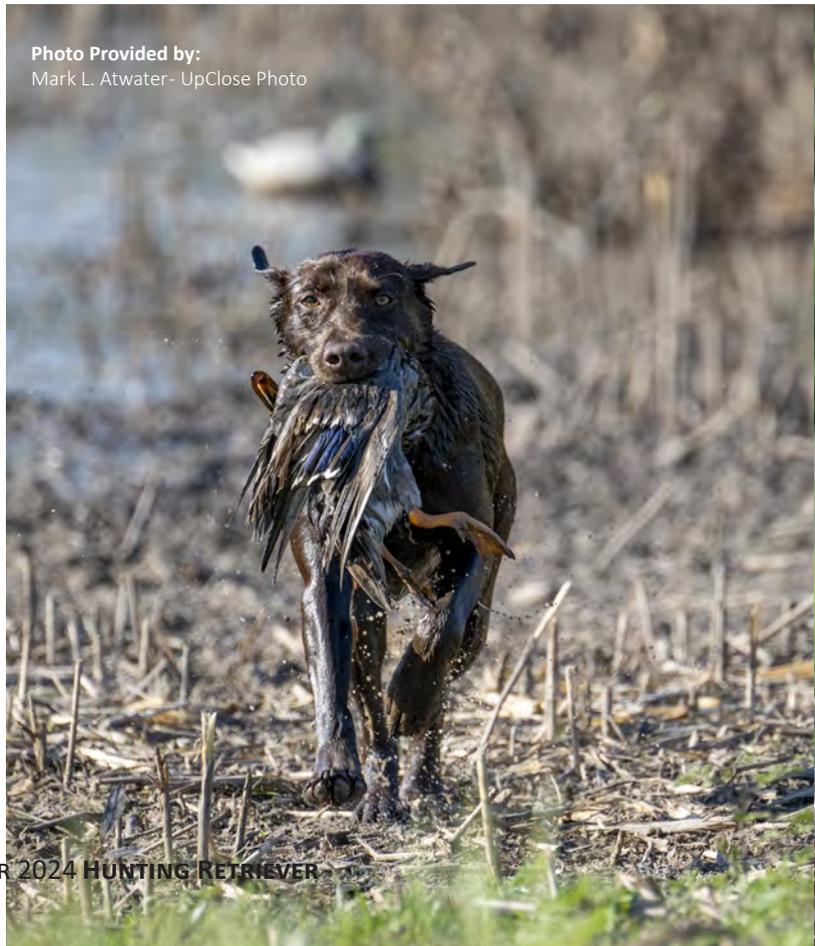

Photo Provided by:
Mark L. Atwater- UpClose Photo

months old, dove season came in here in Georgia. Easy had already been working on a dog stand watching/honoring our old Stormy during training. I took her dove hunting and put her on the training stand. She watched birds fly and dogs work and was as steady as she could be. I sent her out pick up a cripple and the whole field was amazed to this little puppy run a cripple down, retrieve it, and return to her stand to jump up and sit down while delivering to hand. Easy had a natural hold and very soft mouth. She showed her natural ability that day and started both of us on a great journey of hunting as well. Easy hunts every fall and winter even now.

Q: Points aside, what, to you, makes Stormryder’s She Ain’t Easy a Hall of Fame dog?

A: The inner fire and desire that this dog approaches every part of her life with sets her apart from the average dog. Easy will hurt herself to complete whatever task she is performing, We have to watch over these special dogs that give everything to their work. Easy never backs away from a task and never gives up. And she approaches everything with an extremely happy attitude. Always ready, always determined. Easy is the type of dog that gives all she has to every task. She is just a focused hunting dove, duck, pheasant, chukar, etc. as she is during a Hunt Test. She doesn’t perform that way because she can. She does it because her personality won’t let her do any less. These dogs don’t know when we are trying to earn ribbons or titles. Nor do the ribbons or titles mean anything to them. They are just trying to please us. Dogs that excel just for

their owners deserve a special place and title as recognition. Easy will never know what the Hall of Fame title means. But she wouldn’t change how she performs if she did.

Q: What does having this Hall of Fame accomplishment mean to you?

A: It is much like the other titles Easy has earned but much better. The titles these dogs earn don’t guarantee that you have a good dog. But the titles do show the dogs are trainable with a certain amount of ability also. Titles are better at gauging a dogs ability than only the word of someone telling you their dog has ability. The Hall of Fame is the pinnacle title. The dogs that earn this title have proven beyond a shadow of doubt that they are elite. I have always had a special connection with Easy and have believed she was better than the average Retriever. The Hall of Fame designation lets the rest of the world know she is special without anyone saying it. We did not set out to earn this title at the beginning of our journey together. I got curious about how many points the dog had earned and did an online check for points. Beverly and I realized that Easy was very close to earning 1,000 points then. We decided that we owed it to Easy for all her hard work and effort to complete the journey to Hall of Fame. So this spring that is what we did. And it turns out that she is now the youngest chocolate Labrador Retriever in history to earn the Hall of Fame title!

Q: Reaching the Hall of Fame is no easy feat. What words of encouragement do you have for those striving to reach HOF?

A: Approach the journey the same as you would training. Get your foundation solidly in place and then revisit that foundation often. Enjoy the training and work and make sure the dog is enjoying the work. Approach every hunt and test with the idea that both you and the dog can learn something to improve upon no matter if you get a ribbon or have a successful hunt or not. Make sure there is balance in the journey between work and fun. Enjoy the people you meet on the journey and don't let the negative keep you from believing in yourself and your dog. Enjoy the time spent running your dog, look for constant improvements, take time to make sure the dog's needs are taken care of so that they can continue to grow. Most of all I would say to enjoy the time spent with the dog and you will be happy no matter how your journey turns out.

Q: Do you have any final advice for those just getting into the world of HRC? What advice do you have for someone starting out?

A: I will answer the second question first. Start with a quality pup from quality parents with health testing done on all the dogs. That is the cheapest price you will pay on your journey. This helps improve the odds you will also have a quality dog. Find a group of like-minded people to train with that have a positive attitude about training and teaching. The right group of people will make this journey the most fun you will have. Remember not all dogs are the same and not all dogs learn the same and it takes time to build a nice dog. Most of all, join your local HRC club, meet some of the great members of HRC, and enjoy this great sport of ours!

HONOR TO WHOM HONOR IS DUE[®]

MANAGING YOUR HRC RETRIEVER'S DUCK HUNTING DEVELOPMENT

Rich Carpenter | 22039 County Rd 9, Weldona, CO 80653
rich@theriverbottom.com

As I write this dove season is about a week away. But it's never too early to think about duck hunting. I have some catching up to do with my 3 year old HRCH UH Popi. And hope springs eternal that this year the duck gods will smite those poor hunters up north where our ducks come from with a blue northerner that shoves everything this way. Then with our fields open, the rivers will lock with ice, the spring creek and sloughs will steam, the ducks will be descending in clouds, and Popi and I will be in hog heaven at our spring creek blind. We can dream! By the time you get this I hope you all will have had some good opportunities for doves and perhaps some early upland hunting. But duck hunting is just special in my book.

Rummaging through things turned up in unpacking after moving closer to the duck blind from the house we lived in for 46 years, I got to looking at a journal we kept in a tin can in an old duck blind: hunts to never be forgotten; hunts forgotten before the dekes were picked up; family and friends spending blind time with us; youngsters joining the waterfowling fraternity; reports of good and not-so-good dog work in that blind and other blinds; inexperienced young dogs earning their first hunting merit badges; and crafty veteran hunting retrievers that had pretty much seen all when it came to tough marks, wounded ducks and miscellaneous hunting surprises.

Time to grab the machete and go the 110% for HRC Realism. Right now, this blind won't hide us from even ducks that need a seeing-eye dog!

Looking back, the blind this journal was in was built when Gator, my second HRCH Lab, was getting a few gray hairs. It aged out and a flood finished the job. But there is another one there now, though it had to be dragged back in position after last summer's floods. The original was a tough blind to mark out of, and a blind that demanded a rock steady retriever, as the hunters could not easily see the dogs below and in front on the dog porches. Neither could the dog see much more than the gun barrel to mark off of. But experienced Gator adapted quickly, though many blind retrieves were guaranteed if the birds fell other than out front. And, sometimes the thump of the duck hitting the ground screened by the blind was all there was for him to mark from.

Then along came a youngster. Roux was 8 months old that December. But it was not a puppy duck blind, so as he learned his spot on the dog porch, I sat on the other dog porch next to him and I looked for straight-forward marks. But they still were not easy. The terrain was tough. As the season went on, we took a few birds in controlled circumstances and started things out right. Started was the key word. He was a Started retriever, and a young one at that, not yet ready for blind retrieves and double marks or diversions.

The next season, he was ready for this duck blind, at least ready for it to take him to school. He had his HRCH, he was good and steady, not apt to give in to temptations to switch, knew about honoring, etc. But, in terms of actual hunting experience, he really was more like a young Seasoned dog. He had the tools, but real world savvy was yet to come. He honored in tests, but how would it go, out of sight on the porch with another dog he'd never hunted with? How would the sound marks go? Tougher creek current doubles or triples? How soon would he learn the tough terrain and the idea to drive deep and keep on when he got one of those "it dropped behind the cottonwoods" marks? Well, if I told you he handled it all perfectly, I'd be lying. But this blind certainly put plenty on the blackboard for him to study, and by the end of season, he'd learn quite a bit, as had another slightly older dog, Maggie, that spent a bit of time on the porch of that classroom duck blind. And Maggie showed Roux about dealing with diving cripples if

a swift creek. After season we reviewed some tougher marks and blinds with bumpers.

The journal moves to the next season, and things that were eye-openers the year before were often taken in stride by Roux. He was still a young dog and has lots more to see, but he'd seen a few more of Mr. Mallard's tricks and understood that it's not X # of birds and back to the kennel box like a test. It was his job, but it was fun and more than a job; it was his life and what he was bred and trained for.

What did we see the following season in his duck blind classroom? Better approaches to really tough multiple marks. Good long lines on blind retrieves, and better running of creek current marks and bank savvy for cripples and harder blind retrieves. Mostly, just opportunities to see a lot of birds, a lot of falls and quicker radar acquisition. The learning wouldn't be over for him after the season, even for this duck blind. That goes on as long as a retriever hunts. What little approaches to hunting are we going to use that may run counter to how we need to run in hunt tests? How do we then seamlessly transition back and forth. And, how will the dog come to understand the differences? Work always continues on little things that are more hunter and dog teamwork experience than extending skills.

This does have a point, besides just sort of ambling aimlessly down memory lane and thinking about that young dog. Eleven years after he passed to the great duck blind in the sky, his frozen semen-bred daughter will continue to learn in the current point blind on a creek hugely altered by 5 floods a year ago. For those of you who are about to get your first retriever, or who are training your first hunting dog, maybe it will get you thinking about things and help make you aware of some realities that can smooth the skids for you and your four-legged hunting bud.

Levels of hunting difficulty. There is dog work in typical hunting that falls in the Started, Seasoned and Finished categories. Being able to recognize the hunting situations that are typically easy, straight-forward or tough can help you put together a good preparation plan and help you guide your young dog's hunting development.

Soon to be a duck hunter with her own youth 870, this eight-year-old lass is enjoying a November day on the river with her dad, a friend, and their HRC retrievers. Amazing how effective a sparse driftwood duck blind can be if you and the dogs sit still. And yes, Dad's gun is safely tucked in the corner, though the photo doesn't show that clearly.

Let's look at a few examples of hunting situations that tend to fall into those three categories. Your retriever will not go overnight from running a Started test to passing a Finished test. Neither will it be capable initially of handling advanced duck hunting challenges. HRC tests and levels were designed to fit actual hunting quite well. That realism was not by accident. The hunting focus was there as the HRC program was laid out and extended. So if you are just getting started in HRC, you found the right place, and you really want to get involved in training with your local club and running those UKC-licensed events. Nothing replaces real hunting, but running realistic HRC tests should come about as close as you can get. Some of us worry that our realism, both in terms of blind brushing, etc., as well as hunting realism in the test scenarios has slipped some.

In training and running tests you can get in real trouble by getting ahead of yourself. The same goes for hunting. You can quickly lose ground and let things get out of control to where you are talking serious catch-up work. On the other hand, just like in tests, there are other things a dog can't always handle but where trying doesn't hurt, and may even help.

In both testing and hunting, don't be afraid of your dog failing. You should only be afraid of putting the dog in situations where you will lose ground, lose control of the outcome, contribute to bad habits, or shake the dog's confidence. Raining three ducks on top of a 10 month old pup that hasn't been switch-proofed does hurt your program and sets him back. Anyway, let's look at hunting that roughly equates to the levels your dog will likely go through in the HRC testing program.

This isn't training the skills involved. Get yourself a good complete training program and follow it closely. Hook up with your local HRC club, join a training group and run the tests and you will find the testing program generally stands you in good stead to begin and advance the dog's hunting career. If you are new, believe this: you can't go wrong building a solid foundation of basics and repeating everything far more than you'd ever guess is necessary. I should charge for that. It took me until the fifth dog to get that through my thick skull!

Started. A Started hunting retriever is probably not steady. If not it should be restrained while hunting. Perfect line manners and maintaining skills in exciting situations are still ahead. Doubles are not expected yet, and the dog is not yet savvy about cover, terrain, wind, and other factors that affect finding a bird. The dog is not used to confusion, or extensive gun fire.

As you head off hunting with a young or inexperienced dog, you would probably be foolish to make its first duck hunt a confusing one with several people in the blind who don't know dogs and where it sounds like a young war, with multiple birds falling. Far better you go by yourself, insure steadiness, and try to drop a few birds that will give the dog some success in an orderly, under-control situation. You may even want to enlist a kindred spirit and have that person do all the shooting while you focus on the inexperienced dog.

Similarly, your young dog's duck hunts probably shouldn't be with other dogs, unless their owners and you are on the same page about trying to ensure steady progress toward the kind of hunting dogs you want.

Basically, you want to hunt your Started dog where you can remain in control, the dog is steady and the dog can have some success and positive experiences. Ensuring circumstances that

Friends, young girls, family, ladies, gentlemen, and HRC retrievers on a magical snowy January day on the creek bottom. It may get better than that, but I haven't seen it. Everyone in that picture remembers it like it was yesterday, and it was back in 2007.

let the dog experience steadiness from the start and getting birds to retrieve for a reward is so much better than trying to solve a breaking problem once the dog has had success in breaking for the bird. But, when you show the dog what you expect, later a bit of slippage can be corrected, and usually the dog is in a better position to benefit from the correction, having had success and rewards to compare to.

You need to know your dog. If the dog is starting to do easy doubles, and if you have steady guaranteed with the dog tied, then perhaps you can provide an easy double.

What these early hunts involve will depend on you and your dog, but if you are new to this, believe those of us who have gone before. It's easier to build gradually for success than to come back and fight battles. We made enough mistakes for you and us, so don't be bashful about learning from our errors.

Seasoned. A Seasoned dog may have a season or two of hunting experience. This dog can handle double marks; it should be able to do a short blind through easy cover. If a bird is shot as the dog comes back with another bird, it should not drop its cargo and grab the new bird. This dog is steady but not expected to honor another dog's work, though if good and steady, honoring can carefully be introduced. But remember in Seasoned tests the parts are isolated from each other. You may not be able to provide that. Be on your toes! A good solid Seasoned hunting test retriever is really a good solid hunting dog, and long the backbone of the HRC. A good Seasoned dog is much better than the vast majority of hunting dogs you see in the field, and truly can meet the bulk of the needs of the hunter. If this is as far as you want to go in testing, that's fine. If you have an HR title, you can be proud of a fine hunting dog. This used to be the first UKC title available to HRC dogs. You really do want to take your dog through Seasoned. You'll thank yourself later.

Steady is something that most of us can't take for granted in the early stages of a Seasoned dog's career, so, like Started, having the dog anchored or right next to you, or having somebody else start out the day shooting may help for first few hunts.

Good to avoid having more than two birds shot in a volley, since Seasoned doesn't include triple marks. While the dog should not drop its duck if you shoot another one, you may want to pass up the shot that will drop the duck on the dog's head until you feel confident about the dog in hunting situations. If you are hunting with companions, check to be sure you are all in agreement as to when you'll send the dog, so you don't send the dog only to find another bird shot and the young dog getting a diversion on the way out—a challenge even for a Finished dog. Think about positioning the dog for a good view.

Remember, Seasoned blind retrieves are not to be toughies, so be thinking of the kinds of things that you shouldn't see in a Seasoned test. Avoid those things in hunting or be quick to help the dog get some success. What kind of things would you not see? Well, a tough channel blind, a blind through the kind of cover that demands you keep the dog on a string or lose sight of it, or a blind run through an area scented up from a previous fall. You wouldn't ask this dog to leave a dead or flopping duck in the decoys and instead retrieve the far bird, or be sent for a

blind retrieve.

Still, if the hunting gets slow, you might get a little training for the dog by re-running a tough mark as a sight blind. Or run an appropriate blind with a duck. A tossed dead bird as a first diversion of the day might be a less exciting way to start, and help the dog remember that all its schooling is to be put to practice here. Things the dog has learned to do in a test are all applicable here, and the young dog will need some help, encouragement and guidance to make that transition efficiently.

If you are hunting with another dog, give some thought to its experience level and how you and the other handler will try to make it a good day for all, by selecting the appropriate retrieves for each.

Don't be too eager to bail the young dogs out on a tough mark. Persistence comes from the reward of capturing a struggling drake after sticking with the hunt. Hunting is the dogs' territory. Let them develop hunting, the perseverance to keep after the wounded bird, and an understanding of some common evasive techniques of wounded birds. The solution may be obvious to you, but showing it too them before it is clear they won't discover it on their own, may not add much to their learning. Developing bird savvy in hunting retrievers is less about your teaching than it is about providing ample opportunities to get experience and to solve puzzles. Again, assuming you've properly and fully followed a respected complete training program.

Finished. This is the "do-it-all" retriever. You don't wake up one morning with a Finished retriever in your blind. You work your tail off for it. You give up things you like to do to put in the time it takes to get the dog that can handle that percent of hunting situations that are beyond Seasoned dogs.

If you are an avid hunter and have a dog you been successfully duck hunting at this level, you might know more about this than I do. But if you are just starting to run Finished and hunting season rolls around, try to review the Seasoned section and give some thought to the kinds of things that are challenges to the dog in Finished tests. Chances are they will be here too. If you take a moment to approach things thoughtfully, you will end up with both a better Finished hunting dog and a better Finished test-running retriever.

If your dog is like most, certain kinds of suction on blinds (testing or hunting) create grief, particularly if you are asleep at the switch. Before you send the dog on that blind, analyze the suction point or points and expect them to come into play. Be ready to take control instantly. In the excitement of the hunt the effect is apt to be stronger and the dog less focused on you. Being quick on the whistle, and knowing exactly when to blow it, may prevent your quarry from dying a lingering death

"Yeah, this year I had to settle for a couple secondhand tossed doves. But next year, I'm going to retrieve a shot duck!"

or ending up on the coyote's table.

Handling on marks is a challenge even in training. Be ready for hunting excitement to double that. Again be quick on that whistle and don't let the dog get out of control. And, don't try to handle for a bird you don't have precisely located. Or if you do, it's best you've spent some time training for area blinds and can make it clear it to the dog when you are in control and when they are released to hunt

If you are out with another dog, work with that other handler to get the most out of it for each dog. Even hunting two HRCH retrievers together, if one is more experienced than the other, selection of retrieves may be better related to difficulty than to who shot the bird.

While we want to maximize our hunting opportunities and bag some birds, often just a bit of thought toward handling hunting things in a training fashion can pay off in spades. One opportunity passed up today for better control may yield a great many

additional opportunities each year in your future hunting with your retriever. And just as when you run Finished in licensed HRC tests, you'll find that control and teamwork are vital.

Some Specific Needs for Getting Serious Finished-level Duck Hunting. There was a time when if you were prepared to meet any possible Finished test scenarios in a licensed hunt test, you were pretty well prepared to meet all but the more isolated and unique waterfowl hunting scenarios. Sadly, to some of us, that's not as true as it used to be for Finished, owing to current practices and rules and policy changes. Some change is inevitable and naturally some like the changes more than others. Few changes have occurred in Started and Seasoned to make those tests not pretty solidly prepare dogs for actual hunting at those levels. I think it's accurate to say that this is now less true at the Finished level.

Why do we see some of these changes? Probably lots of reasons. Size of entries and limitations on grounds can be factors. At times there is some pressure to simplify from the heavy professional handler participation in weekend tests. Some clubs worry if they let judges use something like a dog stand they may lose some pro entries. Unlike those of us with a dog or two, most pros don't feel they have time to train for all the likely wrinkles pretty certain to be met in Finished level waterfowl hunting and previously in more Finished tests. Their livelihood depends on keeping the client happy and regularly bringing back ribbons for client dogs is paramount to keeping many clients happy. The Grand is an immensely popular venue and has grown to huge entries that must be managed to be possible. But things that need done to make the logistics possible may not always be the best thing for the muddy hunters' weekend tests. To me a factor also is it's too easy to just test training concepts in Finished tests without presenting

Spoonies????!!! I worked hard for my HRCH. Then turns out I'm hooked up with a lousy hunter that hunts smiling mallards? And shoots a sissy 28 gauge. I might enter the retriever transfer portal.

a realistic hunting scenario where the passing dog must have mastered those concepts. I think a judge friend of mine sort of hits it on the head when he opined that today, for too many, passes, titles, point clubs, HOF etc. have become ends, not means to an end (better hunting retrievers). I hope we can meet those needs and not erode hunting realism.

Back when HRC first started, good training programs, training knowledge, visual training aids, quality e-collars, e-collar conditioning programs, training equipment, etc., just weren't there. It's a blessing that this is no longer the case. But at the same time we need to be careful we don't get so much "standards creep" it becomes tough for the hunters with a first retriever to be able to hang an HRCH title on his or her first retriever with hard work and a little help from fellow local HRC club members.

I don't want to get us bogged down in the "why changes?", how we should address realism in tests, etc. Being an old curmudgeon, long ago I suggested the best rule change to submit and have passed would be, "There will be no rule changes (except emergencies) for 5 years." HRC founder and first National HRC President, Omar Driskill, and crew did a pretty stellar and complete job as HRC was born. But I gave up dog club politics for Lent about 30 years ago and will continue to do so. To me one of the great things about HRC is that truly it is a grassroots organization. Ultimately through local clubs, structure of the governance of the National HRC and running rule change voting, the membership really is able to influence things in many ways. Whether things continue more as recently or see somewhat of a rebirth of more realism can ultimately be determined by the membership and the leadership it chooses.

Let me say that to me there is no question this is the greatest retriever game and organization in town. Because of it my last 5 Labs have been far, far greater hunting retrievers than my first two. I've worked hard to hang an HRCH on each of them

and they have all made me proud in the hunting fields, duck blind and goose pits in a way that never would have happened without HRC. Still, I'll be honest. I yearn for the days of hours with a machete whacking tules and cattails on setup day to brush realistic blinds and seeing sharp focus on hunting realism and creative, realistic Finished HRC licensed tests.

Again, after kicking the ant hill, let me step right up and say that I have run several HRC Finished tests this season that were teeming with hunting realism in the scenarios in creative, yet definitely judgeable presentations that were a bundle of fun. And the most recent one had as nice a brushed blind as you could ask for, and a 42-yard blind that I think had plenty of hunting realism meat on the bone for any hunter/handler.

Anyway it's not for me to say where we should be or how we should get there. Today's topic is developing duck hunting skills in our HRC retrievers and that becomes clearly the greatest challenge at the Finished level.

Right, wrong, or indifferent, there have been changes in rules and policies that don't allow for some kinds of previous test scenarios to take place that are apt to need to be dealt with satisfactorily by our Finished retrievers in serious hunting situations. Others can address if or how these things should still be available in Finished or best left where they are. But here are a few examples that, to me, the serious hunter will want to prepare for with their Finished retriever for duck hunting. This is not intended as a laundry list of complex hunting skills no longer tested. But if I want my dog to be able to do these out hunting, then I better train them and practice them, since now I won't see them in a test.

Today a test diversion needs to be on the way back from a retrieve. Ever send your dog for a retrieve only to have your blind mate (or nearby public blind) whack another bird as your dog leaves for a retrieve? Switch? Lose concentration? Or dog goes to pick up a duck and on way flushes a pheasant or quail. A flyaway, but still got a job to do. Worth training for? Been a bunch of years since we saw either of those in a test.

When we go hunting, usually we are going to spend some time in blind or pit. Used to be in Finished tests we'd occasionally see a "full working honor." Now the dog can't be required to honor during the blind retrieve, so no longer possible. And dog must be released from honor as the working dog leaves for first

Memories. It's been a long time since that duck blind was in operation. Both HRCH Labs have long since gone to the much classier Great Duck Blind in The Sky.

retrieve of the triple. Likely it works its way out in hunting, but good to think about in some late season training.

Your Finished dog is on its way to the long last bird down of 3 ducks shot going upstream. After it's gone out of sight, the Started dog in the blind breaks at the shot of your partner, who sails one past the first bird down. But the youngster picks up the FBD, leaving the sailed bird as a long Finished blind, over the old fall your dog doesn't know is an old fall. We used to see this kind of scenario in tests. But, now no doubles in Finished tests. With only triple marks in land and water required, it's a puzzle how we might do this. I will prepare for this kind of situation. I want Popi to be ready.

What might or might not be acceptable and allowed with simulated cripples and tracking isn't easy to sort out, but I'm pretty sure I want my Finished dog to decide it knows what to do with a diving bird, or a cripple that has probably gone to the nearest land and needs tracked down or handled off the fall spot. One thing for sure, last time I saw this in a Finished test, some handlers didn't want any part of this in a test.

While selected order of retrieves can still be tested, or blind run after mark other than last one, we don't see as much in tests as we are apt to in a duck blind- particularly on a river with strong current or an out-to-sea wind on big water. It's easy enough to give this a little extra attention before waterfowl season arrives.

Spinning wing decoys may no longer be used in tests. If the Finished level "duplicates actual hunting conditions found throughout the country," I'm here to tell you that your Finished retriever better be able to work around spinning wings when hunting in about any location where they are legal. To me they are the devil incarnate and should never have been allowed, but I feel equally strongly that while I won't own or use one, my dog better be able to function around them. And while you are training for that, if your Finished dog will encounter it, better give it some experience with some intermittency or a wind-activated spinner. Had my pucker factor right up there in one Finished test with a wind activated spinner. Just as my dog approached one of two little islands, the breeze picked up for a moment and took his attention to other island where spinner was and mark wasn't. He worked it out.

Currently in Upland tests the live gunners may not fire to kill the bird until the handler has fired a primer popper. Hunting realism? Um, uh, I'm pretty sure my reprobate upland hunting companions are not waiting to see if this geezer quickly gets off a shot before dumping my dog's flushed rooster if it flies safely their way! It ain't duck hunting, but upland is also fun.

All dressed up and nowhere to go but the taxidermist. Is there a more dressy and elegant duck than a bull sprig?

Again, I'm not trying to do a full laundry list of an old geezer's dream of things keeping him from going back to yesterday. I'm just reminding us that because of test content changes, we are no longer forced to be prepared for some of these fairly common complex hunting scenarios in Finished tests if we hope to come home with a ribbon. We need to take the initiative and prepare for those things our Finished dog will need to face successfully out hunting to meet the tough challenges. So be creative in your training, not only for tests of bye-gone years, but situations specific to your duck hunting that you want your retriever to handle well.

Summary. We've just scratched the surface, but for those of you beginning to experience the enjoyment and satisfaction of training and hunting a good dog, it may get you thinking. You can extend this to what makes sense in your situation, or you can ask more experienced hunters how they approached certain things. Be prepared to find out people hunt in a lot of fashions and they may or may not match yours. They may have tricks you like and ones you don't. Whatever works. Well, good training and better hunting. You have a lot of fun days to look forward to if you are just starting off. Keep working with your retriever. Remember, we never get perfection with our hunting retrievers. But, we can achieve excellence through a series of successive approximations.

And remember we still have the best game in town and because it's a grassroots organization, members can be in charge ultimately of the HRC future. Be proud our organization was Conceived by Hunters for Hunters. 

HUNTING RETRIEVER CLUB FOUNDATION

Scholarship Recipients

Thank you to the sponsors, donors, clubs and members that made it possible for the HRC Foundation to award a record 35 scholarships to deserving students this year!

HRC
Scholarship Sponsors

Each year, the Hunting Retriever Club Foundation awards scholarships to as many eligible applicants as possible. This year, the Foundation's Board of Directors was proud to be able to fund scholarships for 35 students. Each of the following deserving young HRC Members were a recipient of a scholarship.

It is only due to the continued support of our sponsors and the generosity of HRC clubs and club members that we were able to have so many students this year. Please encourage your local club to consider making an annual contribution to this worthwhile endeavor.

Students interested in applying for next year's scholarship must be citizens of the United States or Canada. The applicant must be an HRC member or the legal dependent of an HRC member on a family membership, and that membership must have been in place for a minimum of one year (12 months) at the time of application. Other than a spouse, a dependent must be 23 years of age or less. The applicant must be a high school senior or graduate, with a minimum of a 3.0 grade point average on a four (4) point system or equivalent. College students must meet the same requirements.

Austen Anderson

My name is Austen Andersen, and my family and I are proud members of WISILL HRC. Our connection to WISILL and the Hunting Retriever Club (HRC) extends far back, even before my birth, making HRC an integral part of my upbringing. As long as I can remember, I've been tagging along with my dad to club meetings, training days, work days, and hunt tests. My family has always been deeply involved in these activities, instilling in me a sense of community and a love for retrievers and hunting.

When I turned eight, our family welcomed a new puppy, and I eagerly took on the responsibility of helping to train him. Working alongside my dad, I helped train our dog, Magnum, to achieve an HR title. This experience was incredibly rewarding and taught me valuable lessons about dedication, patience, and the bond between humans and their canine companions.

Beyond my involvement with WISILL and HRC, I pursued other interests during my high school years. I played four years of high school football, where I learned the importance of teamwork, discipline, and perseverance. Additionally, I actively participated in competitive archery, honing my skills and enjoying the thrill of the sport.

However, it was in the field of welding and fabricating that I discovered my true passion and talent. The precision and creativity involved in welding captivated me, and I knew I wanted to pursue a career in this field. The scholarship money I received from the HRC Foundation will be a tremendous help in making this dream a reality. It has provided me with the financial support needed to obtain my welding degree from Gateway Technical College.

I am immensely grateful for the support and opportunities provided by the HRC Foundation, and I am excited to continue my journey in welding and fabricating. The skills and experiences I have gained through HRC and my other activities have shaped me into the person I am today, and I look forward to applying them in my future career.

Sydney Barnett

I grew up watching my dad training daily and competing in hunt tests with our family dog, Shyla. I was fortunate enough to get my own labrador retriever puppy in 2015, Roxy. I helped raise her from the time she was born. We took her to obedience classes and trained

her for obedience to start with and field work to follow. With my dad's help I participated in a hunt test and received ribbons towards her started title. I also took care of and helped train her brother Cody for started and ran him successfully in the hunt test. While I was growing up, my dad was the hunt test chairman of the Central Florida Hunting Retriever Club. During multiple events I helped him with the organizing binders, judge's lunches, and the auction. I have really enjoyed the time I have spent helping with and training dogs for HRC tests.

Bryan Boykin

My family and I are members of the Dogtown Retriever Club, and I have been running dogs for twelve years at Taylor Farm Kennels in Sylvania, Georgia. I am currently getting my Master of Business Administration at Clemson University and have competed in HRC hunt tests

and SRS trials for the past couple of years. I started running hunt tests with my Boykin Spaniel, Bescie, and have competed more recently with my dad's black lab, Pine. I will always be thankful for the Durrence Family and all of the relationships I have made throughout the years.

Garris Boykin

My name is Garris Boykin. I am from Statesboro, Georgia, and I went to Bulloch Academy. I am a senior at Clemson University. I am pursuing degrees in both General Business Management and Marketing, and I plan to graduate in May of 2025. At Clemson,

I am involved in my sorority (Alpha Delta Pi), Women in Business, Rotaract, and the club tennis team. I have been involved with Taylor Farm Kennels since I was nine years old and got my first dog, Tide when I turned eleven. Mr. Stephen and Mrs. Kendra Durrence are a large part of why we love running dogs so much. I started with Tide running HRC hunt tests and have run them with our other dogs, Boss (who passed in July of 2021), Bescie, Pine, Cooper, and Whaley. Running in HRC tests has always been such a fun and important part of my sister and my life. My whole family is involved with the Dogtown Retriever Club. My parents, David and Beth, have always been encouraging and involved with us and our puppies. We now both run HRC tests and compete in SRS events. I really enjoy the people, the animals, and the sport that the dog world has brought us. We are so thankful for the memories and the lessons we have learned through this sport and special organization!

Ashton Broussard

The Cajun Hunter Retriever Club has been a cornerstone of my family life, profoundly shaped by my dad's dedication. From a young age, I eagerly attended dog trials and participated in training our dogs, creating cherished childhood memories. Watching my dad, Kevin Broussard, judge hunts as I grew older,

I learned invaluable lessons about communication, teamwork, and discipline. These experiences not only deepened my appreciation for the bond between people and their dogs but also helped me build lasting friendships with others in the club.

As I prepare to start my Master of Arts in Teaching program and work towards my teaching certificate at McNeese State University, I reflect on how the support from the Hunter Retriever Club has been instrumental in reaching this milestone. The HRC scholarship has provided essential financial assistance and highlighted the supportive community that has consistently been part of my life.

The lessons I've learned from HRC have prepared me well for a career in teaching. Just as I was taught the importance of preparation, patience, and clear communication in dog training, I aim to bring these skills into the classroom. My experiences with HRC have shown me how to effectively manage and motivate, which will be invaluable as I strive to create a positive and engaging learning environment for my future students.

I am deeply grateful to HRC for their unwavering support and for playing a pivotal role in my journey. Thank you, HRC, for helping me achieve my goals and for being an important part of my path toward becoming a teacher.

Kelsey Broussard

Growing up, my dad's involvement in the Cajun Hunter Retriever Club in Acadiana Parish was a huge part of our family life. From a young age, I accompanied him to dog trials and helped train our dogs, fostering a deep appreciation for discipline, teamwork, and the bond between humans and their dogs. These moments are some of my most cherished childhood memories.

As I navigate my college journey, I am grateful that the Cajun Hunter Retriever Club remains a significant part of my life. I am a junior at the University of Louisiana at Lafayette, pursuing a Bachelor of Science in Nursing. This field is challenging and demanding, requiring a commitment to excellence and a passion for helping others. I feel fortunate to be part of such an outstanding program.

The support I have received from the Hunter Retriever Club has been instrumental in my academic journey, and I am honored to have been awarded a scholarship by the HRC. This scholarship provides financial assistance and reminds me of the community that has always been there for me. I am deeply humbled and grateful for this recognition, and it motivates me to continue striving for excellence in my studies and future career.

Callie Browning

One of my earliest memories belongs to our first labrador retriever, Milo. I watched as he learned to fetch toys, wait at my dad's heel, and follow hand motions for direction, although he tended to enjoy frolicking in the yard more than finding the bumpers my dad

threw. Around age nine, I participated in an HRC youth camp day, where I had so much fun learning the basics of retrieving training. Another favorite activity of mine was taking care of the puppies we raised. Our dog, Tillie, gave birth to two litters, and I was responsible for keeping the puppies safe and warm during the cold months and socializing them as they grew older.

While at South Gibson County High School, I was a four-year student ambassador, a three-year member of the Beta Club, a two-year member of FCCLA, and a senior Yearbook staff member. Outside of school, I was a four-year ambassador for the Jackson Symphony League. This fall, I will attend the University of Tennessee at Martin, where I plan to receive my bachelor's degree in Economics with a concentration in General Business.

I want to thank the Hunting Retriever Club for the generous scholarship it has granted me. I am excited to see where the Lord takes me in college, and this scholarship helps to make it all possible.

Sophie Browning

Though I don't have quite as much experience as my dad and brother in dog training, I have always enjoyed spending time hunting and playing outside with our labs. Some of my favorite childhood experiences were hunt tests and going to kid's camp during the summer. I have

sweet memories of training with my family in the July heat, even if my sister and I couldn't throw the bumpers far enough.

This fall, I will be transferring to UT Martin with a major in finance. During my first two years of college, I attended UT Knoxville. While there, I had the pleasure of co-instructing a First Year Experience class for freshmen. I was also a member of the History Club, active in the Spanish Department, and in Sigma Phi Lambda-Sisters for the Lord. I can't wait to see what UT Martin has in store for my last two years! After graduation in 2026, I hope to attend law school.

I am so thankful to the Hunting Retriever Club, and specifically West Tennessee HRC, for their endless support and encouragement. Receiving any scholarship is such a blessing, and I want to express my sincere gratitude for this award.

Riley Brundrett

My name is Riley Brundrett, and I am excited to be a recipient of an HRC Scholarship.

I was born in China and was adopted and brought to the United

States when I was three years old. As you might imagine, I was around HRC from day one. When I was 4 or 5 years old, I remember going with my dad while he was judging a test, and he immediately put me to work picking up popper hulls. I loved being around the dogs and the test sites, especially the water. I spent many weekends at local hunt tests and enjoyed my time spent there.

When I got to Texas, I was greeted by a yellow Labrador Retriever puppy that went on to become HRCH Texas Rockin' Rebel (Rocky). In fact, he was the dog that picked up all of the birds on that first trip with Mr. Ernie. Rocky and I grew up together, and I was heartbroken when he passed. After a while, we got another yellow puppy, Brundrett's Hammered Again (Pete). Pete was a great part of our family, but we lost him when he was about five years old.

That brings us to the present. My parents wanted another dog but didn't really want to go through the puppy stuff again, and my mom wanted an inside dog. So, my dad called Cindy Burroughs in Georgia (the lady that sold us Pete), and she had a personal dog, SHR Nocahoma Out Of The Park (Chief) that she was willing to part with. So, my parents loaded up and drove to Georgia to pick Chief up and bring him home. Chief immediately took to his new role as a house dog and is my best buddy.

HRC has been a great part of my life. With Dad being highly involved with HRC and his being a Life Member of the Colorado River Retriever Club and HRC, our entire family has been impacted by this organization. Being around HRC has helped spur my interest in the environment. Because of that interest, I am attending Texas A&M-Corpus Christi to major in Chemistry and Environmental Science. The scholarship will truly help me afford college expenses, and I am very grateful for the support.

Samantha Collins

Last year, I joined the Hunting Retriever Club with my Labrador, Reese. My grandparents have been deeply involved in this club for as long as I can remember, particularly with the Central Kentucky Hunting Retriever Club, where my grandma serves as the Hunt Secretary. They were the ones who encouraged me to get involved; I grew up around their hunting dogs and always dreamed of having one of my own.

When I turned sixteen, my grandpa and I struck a deal: he would give me a puppy from his dog, Pook, if I committed to training her and allowed him to take her on hunting trips. It was an easy decision for me, and I eagerly accepted the offer. Since then, I guided Reese through her started test last spring.

Looking ahead, I'm excited to begin my studies at Murray State University this fall, where I'll be pursuing a major in Elementary Education with a focus on Learning and Behavioral Disorders. My ultimate goal is to have a classroom of my own where I can make

a positive impact on the next generation of students. Receiving a scholarship has been a tremendous blessing, and I am deeply grateful for the investment in my future educational journey.

Kerrstyn Dewoody

I can say learning how to train my dog Hoss was one of the most difficult things I have ever done. Luckily, I was blessed with the most amazing teacher a girl could ask for, my grandfather and retired retriever dog trainer B.A. Although the journey to champion my chocolate lab came with many challenges, I had an overwhelming amount of support and guidance from my home club, Felsenthal HRC in Crossett, AR, family, and friends.

The day I received my very first fail during a hunt test was disappointing, but it was also the day I realized how valuable the HRC family was to me. Who would have thought that a bunch of big, burly men would take time out of their day and share with me some of their tricks of the trade in order for me to succeed the next time around? Not me, but boy was I glad I was wrong.

With all the skills I have learned through my time running dogs in the HRC, I have decided to attend college in the fall and pursue a very demanding but rewarding degree in Nursing. Even though I look up to and respect each and every person who has helped me along the way, I give the utmost praise to my lord and Savior, Jesus Christ, because, in the end, he is the only reason I am here with breath in my lungs and joy in my heart.

James Eickhoff

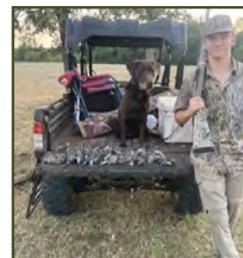

Hi, my name is James Eickhoff; I am from Zumbrota, MN, and I've been involved in the Hunting Retriever Club for almost half of my life. And for seven consecutive years, I helped at the Mount Rushmore Hunting Retriever Club. I have been involved in the club

by helping my aunt and uncle, who have hosted the MRHRC dog trials in Custer, SD, throughout those seven years. This experience has sparked my young interest in Upland Bird Hunting and helped with my involvement in Extracurricular activities, including playing for my school basketball and baseball team at Zumbrota-Mazeppa High School. Helping with the HRC Hunt tests has also engaged me in wanting to train dogs in the future. I am attending North Dakota State University in the fall for General Engineering, and I hope to enhance my love for hunting entering my adult life!

Connor Hoffman

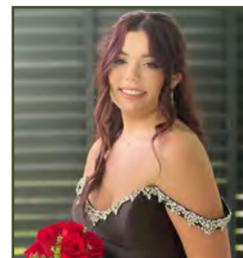

I am very honored to be the recipient of the John Wallace Memorial Scholarship. My family and I are members of the Northeast Texas HRC. I have cut my teeth in this organization. Our club members are not just members; they are our family. My dad owns Niche Creek Kennels, and he and I are avid feather chasers. I have been a bird tech for as long as I can remember.

Not only for our club but showing up at tests with my dad running dogs, I would always fill in when bird techs were shorthanded. This scholarship will help me pursue my dream to be a Firefighter. I have obtained my EMT degree so I am halfway there. I have always known that I wanted to serve my community, and I love the idea of a 48/96 schedule. That leaves more hunting time, right? I will be attending Angelina Fire Academy this fall. Following graduation, I will follow through and obtain my Paramedic license. I currently volunteer for the Central Heights Volunteer Fire Dept. Again, I thank the HRC organization for this scholarship opportunity.

Isabella Holley

Joining the Amite River Hunting Retriever Club altered my life in a way I didn't expect. When my family joined, I didn't know what it would be like, and I was nervous about how it would change my life. Since then, I have learned how great it is to be a part of a Hunting Retriever Club. I've learned how to train a dog for hunting and even got my labrador, Dixie, her started title. Not only that but I've helped my club with organizing the club trailer, being a bird "boy", and setting up hunt tests with the judges numerous times. Throughout this, I've met many great people and have been able to help out during our hunt tests. In college, I plan to major in chemistry, and I hope to become a doctor.

Ellie Huddleston

I began working with the Hunting Retriever Club when my dad retired from his teaching job and began training hunting retrievers full-time. I started with doing the basic obedience for the dogs we got at our kennel and then moved to running started level hunt tests with them during the summers. Going to hunt tests gave me the opportunity to connect with people I normally would not connect and interact with. I want to take everything I have learned working for my dad's kennel and running hunt tests and apply it to other areas, such as training service dogs.

Logan Knott

I'm honored to be chosen to be a scholarship recipient. I'd like to express my sincere gratitude and appreciation to the HRC, its members, and the HRC Foundation for making these scholarships possible.

This fall, I am going into my junior

year studying mechanical engineering at Milwaukee School of Engineering (MSOE). It is a great school with a very challenging and demanding academic curriculum.

Last summer, I served scouting on staff for NYLT (National Youth Leadership Training) as the Youth Course Leader (YCL). That required me to interview and select a 26-person staff to run the training program that teaches leadership and teamwork skills to youth ages 13-20. After NYLT was over, I attended an extension of that program called NAYLE (National Advanced Youth Leadership Experience) in Cimarron, New Mexico. NAYLE was an amazing experience enhancing my skills through team building, problem-solving, and in service to others.

My family has been associated with and active members of both WISILL and Fox River Valley for several years now. I've been fortunate to get to know many club members and hunt over our dog Tilly, who made it into the 500pt club this spring. This past fall, it really became evident to me how nice it is to hunt over a trained retriever. I love watching our dogs work, and I am excited about our young dog Sansa; she is progressing well with training when Dad finds the time to fit it in. Lately, he's been judging more than training our dogs. The photo is from one of Sansa's first couple pheasant hunts this past winter. Dad and I were also able to go on a goose hunt, where Sansa made her first water retrieve, a big Canada that fell out in the nearby pond.

Laney Lewis

My name is Laney Lewis, and I live in Vicksburg, MS. I am excited about receiving a scholarship from HRC. My family has been members of the HRC and West MS HRC since I was a baby. My mom is a breeder, so I grew up raising chocolate labs and training/running our dogs at hunt tests. I have two chocolate labs, Storm (11), and Dixie (4)—mother/daughter. I was 6 when I ran Storm in Started and passed four tests, earning her Started Title. My parents, along with Mandy Cieslinski and Alan Sandifer of Gator Point Kennels, were always there to give me the confidence that I could run them and pass a test. One time, Mandy was standing behind me at the line; I turned to her and said, "I've got this!" She got a kick out of that!

When I was 13, I ran Dixie in 4 Started tests and earned her Started title. She is now a 4xGRHRCH UH HOF MH. Big thanks to Chris and Heather Ashley of Banner Kennels for continuing with Dixie and making her the Champion she is today!

I work as a bird tech/gunner at local hunt tests, travel to other club tests, and work when my parents run our dogs. HRC is family; I have made lots of new friends throughout the years at club tests. I enjoy duck and dove hunting every year. Hunting with trained dogs makes hunting much more enjoyable and rewarding.

Years of being around animals and growing up with my mom breeding dogs sparked my interest to become a vet, which now has been my dream for a long time. My love for animals that the HRC and my peers have taught me is something I am very thankful for and will carry with me for the rest of my life. Now, I am going to Mississippi State University in the fall and majoring in animal and

dairy sciences/pre-vet hoping to one day fulfill my lifelong dreams of owning and practicing Veterinary medicine on my own one day. Thank you, HRC.

Allison Liddle

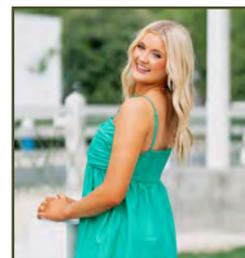

My name is Allison Liddle, and I am a Physician Assistant student at LSU Health Shreveport. I just began my clinical rotations this summer, and I am scheduled to graduate in August 2025. I am currently hoping to work in dermatology, psychiatry, or emergency medicine.

My family has been involved with HRC for as long as I can remember. My grandfather, Tommy Harp, has started and continued this tradition for our family. He has earned great honor for his work with his dogs. He currently has two labs named Red and Preacher. My grandfather's influence was passed to my family through Red's brother, Goose. Goose is an incredible dog to work with because he is always thrilled to train. He is one of the happiest dogs I have ever owned, and he always lifts the spirits of those around him. My mother has been working with Goose as a therapy dog through the ministry "Canines for Christ." My mom has brought him to be a camp dog multiple summers for the summer camp Royal Family Kids Camp, a camp for children in the foster system. I am so proud of her and Goose for taking the initiative to do this. I know Goose makes a difference in brightening people's day. He works hard practicing to retrieve ducks, and he has tons of fun in the process. I often throw Goose bumpers because it is a great way for us to bond. The HRC is such an outstanding organization for providing hunting families an opportunity to bond with their animals in a way that benefits both the hunter and the dog. I cannot thank the HRC enough for generously contributing to my education and giving me the chance to continue exploring what I am passionate about. I will use this scholarship to continue pursuing my aspiration of helping others as a physician assistant.

Brookelyn Livanec

Hi! My name is Brookelyn Livanec. I am honored to accept this scholarship. My stepdad, Brad McBride, is a guide for this club as well as my grandpa, Burl McBride, and uncle Blake McBride. I have gone on several guided duck hunts through this club. I will be attending and playing softball at Wichita State University. I have decided to major in Health Science and later go into nursing school. I want to become a Neonatal Nurse in the near future and have a remarkable impact on families.

Emma Luker

Since I can remember, the Hunting Retriever Club has been something I've enjoyed being involved with. Having a parent who is active on both sides has been fun to watch and has shown me

the amount of time and effort that goes into the clubs and dogs. Since starting college, I have had the opportunity to experience more of this with my dad, which has been fun. I also enjoy seeing members from our local club, Colorado River Retriever Club, whom I don't get to see as often. This year, I am entering

my senior year at Sam Houston State University and will graduate with a Bachelor of Health Science in the spring.

Ava Miller

My name is Ava Miller, and I recently completed my freshman year at the University of Georgia, where I began to pursue my degree in Marketing and Entrepreneurship. During my first year I have enjoyed being a part of my sorority, Sigma Kappa, as I have made

lifelong friendships and memories while also serving the Athens community. Additionally, I enjoy developing my entrepreneurial skills through my small business and providing childcare to financially support furthering my education. In the fall, I will be returning to the University of Georgia to continue my studies within the Terry College of Business as a second-year undergraduate student.

Hunting is a tradition in my family, and we've always had a dog. Whether it's waterfowl or upland birds, having a trained retriever has been essential. The HRC community, which has helped us train our dogs, has always been friendly, encouraging, and knowledgeable. Our family has been members of the HRC for six years and I've helped train retrievers by throwing birds or planting blinds. Our older dog, Scout, even earned an HRCH title!

I will treat this scholarship like a loan and not a donation, and I pledge to give back to my community hundreds of times over for what I have received. By being awarded this scholarship, I will be able to focus on my studies rather than on the financial burden that attending college can bring.

Thank you, Hunting Retriever Club Foundation Inc., for supporting me in achieving my future goals.

Jackson Miller

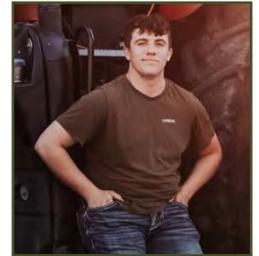

Hi, I am Jackson Miller, and I will be attending Northern Michigan University starting this August. I will be majoring in Biology. I am grateful for this scholarship and assisting my family and me in my college endeavors. I want to express gratitude toward the HRC, for

providing me with a community to grow up in. Much of my early life was spent in a field at hunt tests. If I could go back, I wouldn't change a thing. I will always remember getting excited whenever we would go out to Famous Daves for dinners with the club. I also remember how welcoming the club was to people who were just

starting. As I move forward into my future, I am hoping to find a position in the realm of biology, likely because I grew up outdoors in countless fields, thanks to the HRC. I would not be the person I am today if it were not for the group of people that I was able to meet while attending those hunt tests. I am beyond grateful for this scholarship, and I am more grateful that I will always be able to call the HRC home.

Mason Miller

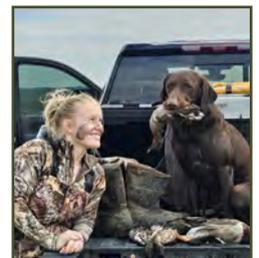

Hi, my name is Mason Miller. My dad is a member of the West Kentucky Hunting Retriever Club. We have four dogs that are titled anywhere from started to finished. We use all of our dogs for duck hunting and they all are very well trained. We enjoy attending the dog tests that you all put on, and it's a great experience for anyone who enjoys going out and being part of the HRC community. Some other activities I like to do are deer hunt and, like I mentioned above, duck hunt and goose hunt, which we use our dogs for.

I am currently attending the American Welding Academy. This scholarship I received is a lot of help, and I really appreciate working with everyone who helped provide the money to put towards all the scholarships that were sent out to a lot of other students. I know these funds will help others as well as myself towards whatever career path they choose; even if they don't stick to what they originally chose to do, it will still help them in the future. I really appreciate you picking me as a scholarship recipient and this will help me out moving forward into the future. Thank you for your time and support towards my career goals.

Mia Miller

I joined the HRC about four years ago when I got my first chocolate lab, Loki. Jeremy Ries taught me how to run my dog, and I was able to run him in his junior and started tests. Running Loki in those tests was so fun and something I will never forget. I have always hunted deer, but when I got Loki I was able to learn about duck hunting and hunting tests. I am so glad I have had the opportunity to be involved in this community. This year, I will be attending Missouri Science and Technology to study Civil Engineering and Spanish. During my time at S&T, I will also be a part of their softball team. I could not be more excited!

Landon Montgomery

My name is Landon Montgomery. I am a graduate of McNairy Central High School, where I played baseball and football for all four years. I graduated number nine in my class with a 3.98 GPA. I am pursuing a mechanical engineering

degree from the University of Tennessee at Knoxville. I enjoy hunting, fishing, and outdoor adventures. My family raises Golden retrievers, so my love for Golden and duck hunting brought me to the hunt test world. I not only like running dogs, but also like watching a dog work. I'm a part of White Oak HRC.

John Ross Peedin

I have belonged to the East Carolina Hunting Retriever Club NC Region 3 for several years. Since joining the club, I have worked every hunt test and have been at most of the training days. I have helped other clubs, such as Mid Atlantic Flyways, with their hunt tests. I also

work with pro trainer Dylan Bass of Old Mill Retriever after school and on weekends. My Dad and I train two of our own dogs for hunt tests.

In my Scout troop, I served as a patrol leader, senior patrol leader, assistant patrol leader, and Order of the Arrow representative. I became an Eagle Scout at the age of 14 upon completion of my final service project. My final service project was to enhance the safety procedures at my church. During my time in Boy Scouts, I earned 631 merit badges as well as Bronze, Silver, and Gold Palms. I also earned the 50 Miler Award, the Complete Angler Award, and the World Conservation Award. I have been inducted into the Order of the Arrow and have earned Ordeal, Brotherhood, and Vigil. I graduated from the National Youth Leadership Training (NYLT) Academy and served for three years as an NYLT counselor. One of my three years in NYLT, I served as Senior Patrol Leader. I have served to help fellow scouts learn what it means to lead through the National Youth Leadership Training (NYLT) Academy. The last four summers I taught the Ecology Merit Badge to fellow scouts at Camp Tuscarora. I am currently working at Philmont Scout Ranch as a Ranger.

I am currently attending Johnston Community College and will receive my associate's degree in May 2025. My plan is to transfer to North Carolina State in the fall of 2025.

Ashley Roland

Hi, my name is Ashley Roland. I am from Milan, TN, and I'll be a sophomore at Middle Tennessee State University this fall. I am a nursing major and a member of Alpha Delta Pi Sorority. Following college, I plan to continue my education in hopes of becoming a Nurse

Practitioner. I have been a part of Deer River HRC for the last six years. I have done many things, such as load wingers, prepare meals, and spend quality time with the dogs to help this club. I am thankful for this club because it has given me the opportunity to get closer to my two labs, Nelli and Eve, who both participate in hunt tests. I'm very thankful to receive this scholarship and continue my education.

Hunter Schultz

I have hunted since I was five years old. My family has always owned labs. We have owned a lab that participated in the HRC for the last six years. My family is a member of the Central Texas Retriever Club. Our family dog, Deets, is an HRCH with one Grand pass. My father volunteers for the fall and spring hunt tests in our area. My family has contributed to the hunt test in the past and will continue in the future. I have an appreciation for a well-trained retriever in the field. I will graduate from physical therapy school in May 2026 and plan to work in an outpatient orthopedic clinic or hospital setting.

Ella Shaw

HRC has been a significant part of my family's life. I've grown up watching my mom raise litters and my dad train dogs. HRC has been a support system and an easy way to build friendships. These people have similar passions and enjoy the same things as my dad. Meeting so many amazing individuals has been a highlight of my childhood, and I've enjoyed trying Southern dishes like crawfish etouffee. I always get extremely excited to know people are coming to stay as we exchange stories for hours. Fast forward to today, I'm a senior at the University of Wisconsin-La Crosse majoring in Business Management with a minor in Organizational Professional Communication. I am so grateful to have been allowed to receive the HRC scholarship to help further my education. Thank you to all my family, friends, and WISILL Hunting Retriever Club for supporting me.

Drew Sherman

My family and I just recently moved to Oklahoma and are now proud members of the Green Country Retriever Club. I have been training dogs with my dad since I was 10 years old while running many hunt tests with my two chocolate labs. I have helped at many hunt tests and loved every experience and all the amazing people I have been lucky to meet over the years. Hunting and training dogs are something I always enjoy doing in my free time outside of school, work, and extracurriculars. I am currently going to Northeastern Oklahoma A&M College to keep working towards a degree in music education. I look forward to joining the marching band at my college and being able to continue training dogs and enjoying time with amazing people while doing it.

Madison Solis

In 2019, my family got our first hunting dog, a Chesapeake Bay Retriever named Brandy. Owning a hunting dog was a new

experience for the whole family, and my dad was eager to learn all things dog training. The Green Country Retriever Club focuses on the family aspect of hunting to bring families, friends, and dogs together in forming life-long friendships. Since training with them, Brandy has come a long way in performing to the best of her ability, and

my dad as well in becoming a great hunting partner with her. I joined them in the blind for Brandy's second hunt season, which was my first ever hunt, and thoroughly enjoyed the time spent in the blind making memories. After experiencing my first hunt with them, it became the subject of a recent painting, and hopefully more to come. Painting has always been one of my top interests, and in high school, I won various awards in the state of Arkansas. In my free time, I continue to paint and grow as an artist. Previously, I attended the University of Kansas for my first few years of schooling, and this fall, I'll be a first-year nursing student at the University of Kansas Medical Center in Salina, KS. I'm excited to continue furthering my education and hope to work as an ER or trauma nurse, helping people in their most critical times of need.

Lola Wiedemann

The Hunting Retriever Club has been a big part of my life in so many ways! I remember when my dad would take me to his local club when I was younger to hang out with all the guys that eventually became like family. We still have the picture of my first time hunting

at around four years old. I wasn't much help, but I did play with the duck calls and ate a lot of candy! Thanks to HRC, my dad has found a love for hunting, which has brought many dogs into our lives. These dogs are family to us, and I can't imagine my childhood without them! Thanks to my dad being a member of HRC, I had the chance to apply for a scholarship this year; I am extremely grateful for this opportunity! The money I was awarded will help me pay for my education at Mizzou. I plan on earning my bachelor's in early childhood education and a master's in special education. I want to teach kindergarten and shape young minds like my mom did as an elementary school teacher for over 25 years!

Andrew Wilder

My name is Andrew Wilder from Bentonville, Arkansas. I am entering my senior year at the University of Arkansas, pursuing a major in Retail/Marketing with a minor in Supply Chain. This past Spring 2024 semester, I earned a spot on the Dean's List and have a cumulative 3.7 GPA with one semester to go before

earning my degrees.

My family has been involved with the Hunt Retriever Club since 1998, when my dad first started Hunt Tests in Mississippi at the

original Mossy Oak HRC Club. With my family's involvement in the Hunt Retriever Club, I have been around dog training, hunting, and attending hunt tests all my life. We are lucky enough to have had a few successful titled HRC dogs in my lifetime. Our current top performer is our 6yo chocolate male, 5XGRHRCH "Dude." We now have two puppies from "Dude." One is "Reign," who recently achieved her HRCH title at only 19 months old and hopefully will achieve her GRHRCH soon. We also have a 14-week-old puppy from a different litter that we are expecting big things from. We are having a fun time in puppy training and looking forward to putting what we learned from our HRC experiences to work with the new pup.

I am incredibly grateful for the support and experience that have been gained from being a part of the Hunt Retriever Club. The Hunt Retriever Club's impact on my journey with our dogs and as a hunter has left an immeasurable impact on my life and family. I want to thank the Hunting Retriever Club and the Foundation for awarding me the 2024 HRC Foundation Scholarship, as it will certainly help as I continue to pursue my education.

Kevin Wilker

My name is Kevin Wilker, and my family and I are part of Sandusky Bay HRC. As a college student, I don't get to be around Sandusky Bay HRC as much as I would like, but I always help my dad train our dog, Dakota, whenever we prepare for a test. A two-time HRC Grand Champion dog is something our family would have never thought was possible. I am grateful for everything the HRC has done for my family and me. The HRC has given us relationships that will last a lifetime, and we are so happy to be surrounded by great people.

Matthew Wilker

I am Matthew Wilker, and this is Dakota. Dakota is a two-time hunting retriever grand champion. My family has been a part of the Sandusky Bay Hunting Retriever Club for almost 30 years. My father has run multiple dogs, judged many tests, and still volunteers his time endlessly to this club. I also had the opportunity to volunteer my time by being a bird boy for tests while growing up. The HRC has helped shape my love for hunting and dog training. One of my favorite memories with the HRC was when my dad allowed me to run Dakota in her final started test before she could move on to seasoned tests. I was very nervous but also honored to have the opportunity to run her, and thankfully, she passed the test. Now that I am older and away at college, it is harder to be as involved as I want to be in the club, but I am hopeful that soon I will have my own dog to train and run in tests in the future.

Historical & Current TOP PRODUCING SIRES

Boykin Spaniel - Chesapeake Bay Retriever - Golden Retriever - Labrador Retriever

Historical: The Historical Top Producers lists were compiled by the United Kennel Club using all data for UKC or HRC titles earned and processed through August 29, 2024. These lists include all sires 25 years old or less.

Current: The Current Top Producers lists were compiled by the United Kennel Club using all data for UKC or HRC titles earned and processed through August 29, 2024, counting progeny born and registered from January 1, 2014 through August 29, 2024. These lists include all sires 12 years old or less.

Hunting Retriever Title Legend

SHR – Started Hunting Retriever

HR – Hunting Retriever

HRCH – Hunting Retriever Champion

GRHRCH – Grand Hunting Retriever Champion

UH – Upland Hunter

UHCH – Upland Hunter Champion

Please note: these lists do not include progeny that were single registered, and whose sire and/or dam's UKC registration numbers were not provided.

Historical & Current TOP PRODUCING SIRES

Boykin Spaniel - Chesapeake Bay Retriever - Golden Retriever - Labrador Retriever

Historical & Current TOP PRODUCING DAMS

Boykin Spaniel - Chesapeake Bay Retriever - Golden Retriever - Labrador Retriever

Historical: The Historical Top Producers lists were compiled by the United Kennel Club using all data for UKC or HRC titles earned and processed through August 29, 2024. These lists include all dams 25 years old or less (born since August 29, 1999).

Current: The Current Top Producers lists were compiled by the United Kennel Club using all data for UKC or HRC titles earned and processed through August 29, 2024, counting progeny born and registered from January 1, 2015 through August 29, 2024. These lists include all dams 12 years old or less (born since August 29, 2012).

Hunting Retriever Title Legend

SHR – Started Hunting Retriever

HR – Hunting Retriever

HRCH – Hunting Retriever Champion

GRHRCH – Grand Hunting Retriever Champion

UH – Upland Hunter

UHCH – Upland Hunter Champion

Please note: these lists do not include progeny that were single registered, and whose sire and/or dam's UKC registration numbers were not provided.

HOOSIER CREEK CONSERVATION AND RETRIEVER ASSOCIATION'S INAUGURAL YOUTH HUNT AND RETRIEVER ACADEMY

August 16-18, 2024

As many know, HCCRA has been dedicated to youth involvement since the creation of our organization. Every year, we've put on a youth hunt during Iowa's Youth Waterfowl Season. This consisted of a day at the local DNR Trap Range where mentors could work with kids on their trap shooting skills along with the DNR Range Officer and coach David Giese. This would give us an opportunity to pair up mentors and kids for a Sunday morning hunt, whether it was going out on a boat, a secret walk-in spot, or maybe hitting the fields for some Goose hunting.

This year was a different story. After 4 years of going back and forth with our local DNR on a wetland restoration project, the project was delayed indefinitely. We pride ourselves on keeping locally raised funds Local. With the wetland project at a standstill, we felt we needed to focus our efforts on other areas. It was unanimously agreed that we put a major amount of effort into the youth side of our organization. We'd talked for several years about trying to create a youth hunting camp where kids could learn about waterfowl hunting. Unfortunately, we couldn't come up with a place to host it.

As some of you know who attended our Spring Hunt Test, we moved our events to Legacy Acres Hunting Preserve. After a couple of conversations with Curt Ritchie (Legacy's Manager), it was agreed that we would host our event at the Legacy Lodge. This gave us not only the greatest lodging our campers could ask for but also an opportunity to have an indoor classroom, a shooting range, several ponds, and unlimited acres to set up seminars. Online registration was created on our website, and 10 youths were allowed to sign up for the academy. We limited it to 10 this year as a pilot program to help us figure out how we could expand it the next year and to make sure every kid gets the most out of this program. The online registration filled up quickly with nine boys and one girl. Peyton did a great job showing the boys up over the weekend events. Each student had to be a minimum of 12 years of

age and have completed their Iowa Hunters Safety Course.

Gear! As many know, we put on one of the biggest banquets in Eastern Iowa every spring to help raise funds for programs like this. At the banquet, we always make sure the youth come home with their arms full of cool stuff. Well, what would a youth Hunt and Retriever Academy be without gear.....right? Eric Steffes (HCCRA President) made sure these kids wouldn't lack gear. Each kid was geared up with a gun case, gun sling, gun cleaning kit, lanyard, Dean Downer custom-made duck call, duck tote, canvas shell bag, and decoy bag to go along with their dozen decoys set up with Texas Rigged decoys, and what would waterfowl camp be like without a pair of Rogers Waders. Yep, that's right, every kid went home with a new pair of waders. We wanted these kids to walk away from this event with the tools and the knowledge to hunt on their own.

After weeks of planning and discussing a schedule of events, things fell into place on Friday morning of the 16th. Campers arrived before 10:00 a.m. to get signed in, pick out a room, and hang out in the lodge to meet each other. This also gave us an opportunity to collect Phones. We wanted to make sure we had everyone's attention throughout the day, and one way was for them to hand in their phones.

Our main event organizer, Eric Harris, started us off with introductions and an agenda and went over the rules for the weekend. Once Eric finished up, the kids got an opportunity to check out all their gear and try on their waders. Mike, the "Legacy Legend," crafted us up an awesome lunch before we dove into the next event. We will talk more about Mike later on.

Friday was dedicated to firearms. We started out with Iowa DNR Range Safety Officer David Giese giving a great presentation on gun safety and handling. Not only at the range but in the onsite duck boat. Using the duck boat gave the kids a hands-on opportunity to learn gun safety while out duck hunting. Once we finished up with our safety course, we moved right on down to the 5-stand clay course right behind the Legacy Lodge. This is where the kids were introduced to Phil Bourjaily. Some of you who read Field and Stream would recognize Phil's name. Phil writes the Shotgun News section. Phil was also the trap coach for our own HRC Secretary, Sydney Pickering, back in her high school days. Phil doesn't waste much time getting guns shouldered up on these kids; within a short amount of time, these shooters were breaking

clays. We had some that had only shot a couple of times, and we had a few that knew their way around the trap range. Tate Stumpf not only won the 5-stand challenge, he used his knowledge to lend a hand to others on the range.

We wanted to give each kid an opportunity to have some one-on-one time with Phil and Dave at the range. We split up the kids into two groups. While the 5-stand was pumping out clays, this opened up an opportunity for the kids to learn about Archery. Steve Madura from the Solon Archers brought out all the equipment needed to get these kids on the archery range. Steve did an awesome job teaching these kids how to shoot bullseyes with the Genesis bows.

As the day started to wind down, it was time to get the guns cleaned up. Mark Groth and Zach French put on a great Basics Gun Cleaning Course. After shooting several hundred rounds through these guns, they were in need of some cleaning. After getting things cleaned up, several kids mentioned how they couldn't wait to get home to give their guns the proper attention they needed.

Did I mention Mike, the "Legacy Legend"? Well, this was the time of day that Mike stepped in and did his thing! How often does a kid get to attend a camp and have Ribs and salmon for dinner? This was definitely a 5-star meal.

The sun started to set, and that's when our Boy Scout of the organization, Mark Groth, put his knowledge to great use. We grouped up our campers and showed them the many ways to start a fire. Not only was this great to get our fire pit going, but it also showed them a bit of survival skills when out hunting. Not sure how this would go over, it ended up being one of our greatest events of the weekend. Each night the kids were putting these skills to work (in a controlled environment, of course). As the fire started to grow, so did their appetite for dessert. Sydney rounded up the campers and showed them how to make a Dutch Oven Cobbler. Some pie filling, cake mix, and a good soaking of 7up are topped off with a little butter. The Dutch ovens were set down in the coals for just a bit. The end result was some delicious Strawberry/Cherry Cobbler.

The kids all gathered around the campfire, told stories, and got to know one another. The rest of us hung back and discussed the day's events. Dake Detrich (Our HRC Vice President) mentioned, "I don't think we could have made this day any better." We really brought these kids out of their element. Listening to them talk

amongst themselves at the fire gave us a good feeling that this was going to be a great start to the academy.

10:00 came pretty quick and it was lights out for the kids. 7:30 was breakfast time, but I'm pretty sure all these kids were up and done eating by 7:00. Breakfast again was taken care of by Mike and his wife.

Things got a little serious in the morning. Brad Baker from the IDNR Law Enforcement stopped by. Brad went over hunting regulations with an emphasis on Waterfowl hunting. Then we moved out to the duck boat where Brad went over the boat and water safety and requirements.

By this time, the kids were itching to learn about waterfowl hunting. Half the group headed down to the north pond for a hands-on session on duck hunting. This is where the waders came into use. Each kid geared up and headed into the water, where Eric Harris, Chad Selby, and Eric Steffes explained how to put out a duck spread. Once the decoys were spread out, the panel blinds were grassed up. Wingers were set up at each side of the spread. We wanted to make these setups as real as possible. Setting up wingers on each side gave the opportunity to shoot some Poppers at the bumpers thrown out of the wingers. You certainly can't go duck hunting without a dog. Having a dog tucked into its blind and sent on command when the bumper came to rest within the decoys. Once the dog came back with a bumper in its mouth, a new fire burned in the eyes of these kids. Watching a working retriever was mind-blowing. We sensed a hole burning in Mom and Dad's pocketbook as these kids continued to watch the dogs make retrieves.

Meanwhile, up the hill from the North Pond, Dake Detrich, Zach French, and Jeremy Stolba were putting on a Goose hunting seminar. We didn't make it easy on them. We just opened up the doors to the trailer and told them to get hauling. Dake went into detail on the decoys explaining head positions, decoy placement, and even going into scouting. As the spread started coming together, blinds were pulled out, grassed up, and put into position. Dog blinds were also set up. Jeremy went into detail about why it is important to have the dogs in a safe position and how a properly trained dog makes goose hunting so much more enjoyable. After everything was set up, a couple of wingers were positioned on each end of the spread. We wanted to teach these kids the importance of handling a gun in a layout blind. Again, with poppers loaded,

wingers were launched, and bumpers were the target. It was a bit eye-opening for most. "Going through the motions can be a bit intimidating," was the response we got from Ty Bowman. "It seems so easy when watching YouTube videos, but you really have to pay attention not only to where your gun is at but where others beside you are pointing."

Merrick Taylor. The Dogs Millie, Diesel, Joker, and Breezy got plenty of pre-season training in as we rotated through. Mike delivered lunches out to the field to keep everyone going.

Predator Management. Ben Blood from Lucky Duck came down in the afternoon. This gave the kids some time to cool off in the lodge while Ben got set up for his seminar. With a spread of hides, calls, and guns, Ben explained in great detail how predator management is vital to the future of waterfowl and upland hunting. "When People hear Predator Management, usually the first thing that comes to their mind is coyote hunting, but coyotes are just a small part of predator management." Explained Ben. "Skunks, raccoons, and even Opossums will rob eggs off of nests." After learning how to use the E-Callers, we headed to the rifle range. Ben set up his bolt action .223 with a thermal mounted to it. Once on the tripod, each kid got a turn firing off a couple of rounds at some steel.

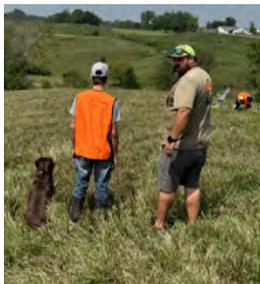

It was time to have a little fun. We loaded up the UTVs and headed to the pond for a little fishing action. Not sure exactly what we were in store for since nobody has ever fished the ponds, these kids started rolling in some big bluegills. Merrick, Ty, and Tate took a long trek around to the other side of the pond and started pulling in some bass. Peyton started the smack talk, and next thing you know, we had a full-blown panfish tournament on our hands. Jeremy had to run into town to get batteries for the fish scale since this was a legit competition we had on our hands. After things

calmed down and we determined the winner, we headed back to the bird cleaning shack where Eric Steffes put on a fish cleaning seminar. By this time, everyone was getting hungry for some of Mike's awesome cooking. Saturday night was our "Wild Game Feed." Mike had prepared us an Elk Jambalaya, Goose Alfredo, and Thin sliced and seasoned goose cooked to perfection.

With a little sunlight left, some kids went down to enjoy a few rounds of 5-stand. We also had a bags tournament and a highly competitive game of ladder toss. We wound things down with another fire that the kids used their fire-making skills on. Sydney Knocked it out of the park again with homemade ice cream to finish off the night. Tomorrow was a big day that a lot of kids were looking forward to.

Nothing like saving the best for last, right? We started off the morning with another awesome breakfast; let's just say you won't find better French toast! We had a special guest Dean Downer. Many of you in the retriever world have probably met Dean. Dean has always been known for his custom-made calls. When we first started putting the event together, Dean had shipped 10 duck calls over to us as a gift for the kids, which were given to them when they arrived. Dean made a long trip from the other side of the state to give a calling seminar. Not only did "Coach" give these kids lessons on duck calling, but he also gave a lesson or two on life. Then to our surprise, he pulled out a box of 10 custom-made goose calls. With each tip on calling, he also gave a tip on life, and that's the Dean Downer way. We here at HCCRA and those who attended the academy give Dean a huge thank you.

Sunday Funday! One thing these kids were looking forward to was hanging out with the dogs! We started with Christien Hystercamp DVM, giving the students a rundown on how to properly care for their dog, not only with the basics at home but

also what to do out in the field in case of an emergency. Curly, Christiene’s assistant, came along so the kids could get some hands-on lessons.

The part we’ve been waiting for, Retriever Training. Dake and JJ Wombacher went through equipment used in training dogs, everything from E-Collars to wingers. We then moved into training from a puppy all the way up to a finished-level dog. Then, we moved to the back of the lodge to throw some bumpers and explain basic commands. After the kids got the gist of it, we loaded up the UTVs and headed to the field for some training. With Wingers set up in the field and a few blinds planted, every kid got an opportunity to handle dogs. It gives you a good feeling to watch these kids who haven’t ever even owned a dog go out and handle them on a triple with a blind and be successful.

Then it was time to move on to doing an upland hunt. We wanted to give them the most realistic upland hunt we could. With live birds, a thrower, and a retriever behind them, we couldn’t get any more realistic. Each kid had a mentor at their side to walk them through the motions. Every kid was successful at harvesting a bird.

We headed back to the lodge to create a real experience of shooting out of a duck boat. We pulled the boat out to an open

area and set up a couple of throwers from the 5-stand course. Each kid had a turn shooting at clays out of the boat. It was about as close to hunting out of a boat as you could get, minus turning on the stove for some Jimmy Dean Breakfast.

The Academy came to an end. Parents arrived, some in awe of the amount of gear they had to take home with them. The weekend became a memory, one that is hopefully instilled in the minds of 10 future waterfowl hunters, dog handlers, Upland hunters, and maybe a few pro fishermen. As the committee hung out and had a brief discussion of how things went the last three days, we really couldn’t come up with anything to change.

The HCCRA Board and Youth Committee would like to thank our members for making this day possible and thank you for your support. We would also like to thank the crew at Legacy Acres for allowing this event to take place on your ground. We haven’t forgotten about Mike. Mike was the first one at the lodge, creating some of the best meals we could have imagined. Mike told a few stories about his journey in his cooking career, from preparing meals for REO Speedwagon and grilling for NASCAR drivers to owning his own Restaurant in Williamsburg with his wife. Thank you, Mike!

THE MIRACLE

Erica Wilson (Luther Marsh HRC)

The day started just like all hunt tests do. The hustle and bustle of a busy day ahead, getting all of us excited for the last hunt test for the year for region 1.

I had been asked to judge finished at Georgian Bay HRC one day with my great friend Gerry (Luther Marsh HRC) and the other with my husband, Tyler (Luther Marsh HRC). If anyone knows us, Tyler and I are not the best of friends at hunt tests, but we had planned to make the best of it. My brother in-law Conner (Lake Ontario HRC) called the hunt secretary Hannah and wanted to enter seasoned both days, but Tyler would not be able to judge so I was asked to move from finished to seasoned to judge. I didn't mind at all, a weekend spent with Brad (Georgian Bay HRC) judging seasoned would be fun. So off we went Friday setting up what we thought would be a great seasoned water test.

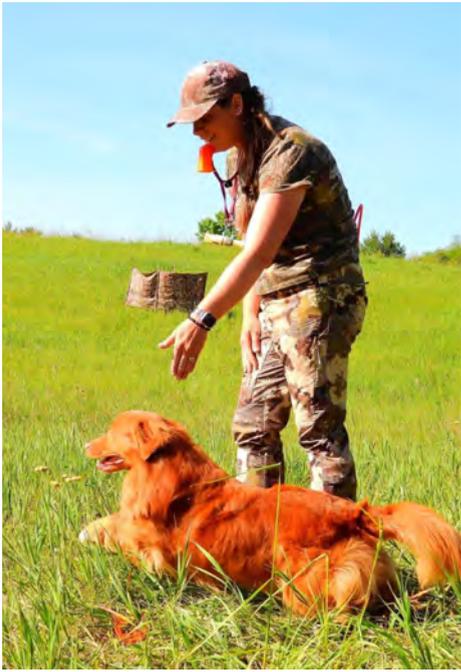

Saturday morning came around and we got ourselves all set up to run water. Brad sitting to my left and the dogs entering to my right, I was sitting right in the middle of the action. John Stevens brought Georgie to run seasoned water. John set Georgie up, sent him and Georgie thought he was playing a completely different game than John did. John called him back in and attempted a resend, well that went just about as well as the first send. John roped

Georgie up and looked at Brad and I and said dogs and their pea brains. He was laughing and smiling. He stopped at the holding blind to wish the next competitor a good luck and a wave. John kept trucking towards his truck, and this is when the world changed for John and all around him.

John made it to my brother in-law Conner, and John went from standing to laying flat on the ground in less than a second.

Conner yelled for me, I looked over and about 200 yards away I could see John laying on the ground with Conner by his side. I threw my books to the ground and made a run for John. Conner had rolled John into the recovery position by the time I arrived. John has not breathing, and I checked for a pulse, there was none. I told Conner to help roll him to his back and I started CPR. Chris from Essex HRC and Dianne from Georgian Bay HRC came to help. Chris giving breaths and Dianne helping with CPR. Conner called for EMS, while another member called for another nurse to come from finished to help with CPR. Kristen from Luther Marsh HRC came running down from finished to help. All hands-on deck when EMS arrived roughly 22 minutes later.

John was shocked with a defibrillator 2 times when EMS arrived. We continued to help when EMS (Kristen and I

are both Registered Nurses). We supported with CPR and initiation on an airway for ventilation.

John was loaded into the ambulance, still unconscious but he had a heart rate. He was alive and he was on his way to get some amazing care at the hospital.

As the EMS ambulance left, we all just watched as John, not just a man running a dog, but our friend was taken to the hospital. Mike (Georgian Bay HRC hunt chair) left with John. He ensured John would not be alone in hospital. Sitting for a few hours with John while his wife drove up to be with him.

Rusty (region 1, field rep) and Ben (president of Georgian Bay HRC) took charge of the situation after John left. We sat under a tree and talked it out. We took the time to decompress and ensure we were where all okay. We took the time to check in, make sure everyone had a drink and make sure we all got some lunch. Georgian bay HRC offered money back to anyone who chose to go home. No one left, everyone wanted to continue to run for John.

It's been exactly 2 weeks while I write this story and it's like it just happened. We are pleased to say John is home and doing well. He has some broken ribs (sorry John, but that's means your alive) he's had surgery for a punctured lung and for a defibrillator pacemaker to be implanted. He and his wife Carolyn reported daily how he was.

This story doesn't have an end, it's like the story that just keeps giving. John made it to the hospital, sitting up and talking when his wife arrived. The doctor's call him the miracle man. He had less than a 1% chance of survival and I like to think it

was the HRC Family who came together to make a difference in his life. Not only did we make it in his, but he sure did make it in ours. The HRC is a true family.

We really do think that everything happens for a reason. I was to be at Seasoned, Kristen was to be at finished just on the other side of the property and John was running his dog right at the most perfect time. We continue to support one another through our ups and downs. Region 1 thank you for being you, thank you for all your support through the years and as we continue to grow. All clubs came together this year and I really do think region 1 is stronger because of it. We are proud to say we are from Region 1- the North.

ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.

The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.

- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.

- Very Important! If you are emailing photos, please send each one as a separate attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.
- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- *If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

*Rev. March 2013

REGION 1

Erica Wilson

ESSEX HRC - Submitted by Curtis McFadden

Hard to believe that summer is winding down, the 2024 Ontario hunt test season has wrapped up and we are almost ready to start the fall hunting season.

The hunt test season was busy as usual with club members achieving titles at all levels. The Essex summer hunt test was a success thanks to all who entered and the help from all the workers.

The fall Grand is just around the corner, and we have a couple of members with dogs entered, good luck to all that are participating.

I hope everyone has a great hunting season and gets to enjoy some pure hunting time with their 4-legged friends.

Georgian Bay HRC - Submitted by Ben Leger

Our Hunt test on Sept long weekend will be one for us to remember for the rest of our lives. It was packed full of events, and everything ran as smooth as it could have. We had a great turn out for all stakes and an amazing dinner and raffle table. We wanted to thank everyone for coming to the last regular hunt test of the season before we all get ready for duck season. We wanted to wish everyone an amazing hunting season for 2024 and 2025!! See you next year.

Luther Marsh HRC - Submitted by Erica Wilson

Our 30th anniversary has come and gone, and wow was it the most amazing weekend we have every had. We had 2 flights of finished the largest turn out for us in the North. We had amazing turn out from both the HRC community and our club members. we can not thank everyone enough for all their hard work and determination to make our hunt test the best one yet. We hope to see you all soon at our monthly training seasons and we wish everyone the best hunting season.

Lake Ontario HRC - Submitted by Mikayla Freeman

We are pleased with how our club is coming around. We have been working hard to ensure our club members are getting training days and learning how to train their dogs. With the help of all our members we are well on our way to have a great club with lots of help. We appreciate everyone and everything they are doing for this club. We have our upland test coming up in Nov and we are so excited to bring it back this year. We hope you all have a great hunting season!!!

Ottawa Valley HRC - Submitted by Ron Stoddart

Ottawa valley HRC is wrapping up our weekly training season with hunting season right around the corner for us. We look forward to hearing all your hunting stories and can not wait to talk to you all soon. Till we see you again next year, happy hunting!!!

REGION 2

Roxanna Gould

Conowingo HRC - Submitted by Cleo Curry

Hard to believe that summer is over, and that fall hunt tests are just around the corner. But here we are. We are preparing for our Fall Hunt Test, which will be in late October. It's a little later than usual, so watch for the premium. We are still very fortunate to be able to hold our test on the beautiful farm in Port Deposit MD, overlooking the Susquehanna River. And don't forget about our first class tailgate, with pit beef, pit ham, and pit turkey cooked right there on site. It's an event you don't want to miss.

If you're local, and interested in training with us, training days are always the fourth Sunday of the month. Guests are welcome! Look for information on our website or facebook page.

Guns Up HRC - Submitted by Roxanna Gould

Here in Maine the days are getting much shorter and everyone is getting ready in gear for hunting season. We hope that the hunt test season has taught the dogs new skills that they will use in real life hunting. Wishing everyone a great season and that everyone gets their limit.

Hudson Highlands HRC - Submitted by Robert Tunney

In 2024, Hudson Highlands HRC started to gain momentum as an HRC club in its third year. An increasing number of our members are focusing on advancing their dogs in the HRC program and several titles were earned this year : Guy Defeo & Remi, Rene Alicea & Honey and Steve Silva & Luca all earned Started titles this year, Hugh Wiley & Panda earned a Seasoned title and Bob Tunney & Roxy earned a Finished title. Several other members were successful at tests and are a pass or two away from titles as enthusiasm grows within our membership. The atmosphere and camaraderie at the regional HRC tests which our members have entered has been a big factor in growing member interest and support. As we enter the Fall, most members will shift focus to spending days afield hunting and leverage those skills developed in their training and testing. Some will continue training as well to be ready for the 2025 testing season with hopes to bigger and better accomplishments with their dogs in the HRC program. We want to wish all a safe and successful hunting season, happy holidays with family and friends and hope to see you all next year at a test in the region.

Lake Audrey of South Jersey - Submitted by LuAnn Riebel

Lake Audrey HRC Hunt Test season has come to an end. We ended the season with the club's 10th Anniversary! What an amazing weekend with handlers, friends and Judges coming from all over to help us celebrate. Our special guest/Judge was HRC VP Pat Johnson, who helped make it a special weekend. It was a great pleasure to meet Mr. Johnson and everyone enjoyed his company. We had Junior Handlers run this weekend and passed, especially our young member, 5 yr. old Shiloh Heiselman and her dog Bullitt, congratulations Shiloh. We encourage our young handlers and support them. It is a delight to see young handlers run our hunt test. Congratulations to member Bob VonSuskil titling his dog Storm, in Season Flight and getting a pass on his dog Gauge in Season Flight. Also, congratulations member Jim

Riebel and his dog T, getting a pass in Finished Flight, member Cameron Green and his dog Onyx getting a pass in Finished Flight, member Cathy Proctor and her dog Fluzie getting a pass in Season Flight, member Bev Matthias and her dog Eliza getting a pass in Started Flight, and member Dawn Boyce and her dog Bubba getting a pass in Started Flight. Handler Kevin Rathgeber titled in Started at our Preliminary Hunt Test 10 years ago and came back and ran in our 10th Anniversary Hunt Test and got his 1000 points on his dog Otter. Our tailgate was a big hit with a decorated cake, great food and an awesome raffle. I want to thank all landowners, Blue Springs Kennels, Inskip Antler Club and Winslow WMA. I want to thank members, friends and handlers who worked the hunt test. A thank you to all the Judges who judged for us for the weekend. Also want to thank all those who donated towards our tailgate and all those that donated to our raffle. Without all of you our 10th Anniversary Hunt Test wouldn't of been so special and a big success. Thank you again, everyone!!

Now that the hunt tests are over, we now will get back to other club business. We are planning our General meeting and Holiday Dinner. And yes, we have already started working on our April 2025 Hunt Test and August 2025 Hunt Test. We hope to see you all there.

Training at Lake Audrey HRC will continue every Sunday, weather permitting all through the fall and winter months.

Lake Audrey HRC members hope everyone has a fun Halloween, a great Thanksgiving, a Merry Christmas and a very Happy New Year!!!!

5-year-old member Shiloh Heiselman and her dog Bullitt with her Started Ribbon.

Short report for this issue, everyone is working hard to get ready for ECHRC's fall test. Club members had a good showing at the recent Contentnea Creek HRC test. Congratulations to member Beth Johnston and her standard poodle Sonny. Sonny is only the 24th poodle to achieve the coveted HRC Finished Title!

Everyone have a great fall. Good luck to all the handers, dogs, and hunters out there. Stay safe and enjoy the time outdoors with our best four-legged friends.

Sonny went 2/2 at Rappahannock River Retriever Club to earn his Finished title, then traveled to Contentnea's test to pick up two more passes. Great judges, grounds, and workers made the weekends flow smoothly.

Contentnea Creek HRC – Jeremie Lovejoy ContentneaCreekHRC@gmail.com

CCHRC held our fall test in Kinston, NC September 7th and 8th. We had a really good turnout and appreciated everyone coming out and running their dogs. The light rain on Saturday morning and cool breeze on Sunday was such a relief from all the heat we have endured all summer preparing and training for the fall test season. Can't thank the judges enough for giving up their time, but really want to give an extra thanks to our seasoned judges.

We got hammered with people wanting to get into our seasoned test and our judges allowed us to bump our limit to 40. That is really asking a lot of those guys. Brian Lanning, David Lambert, Justin Dierks and Steve Peedin we really appreciate all the that you guys did for us.

For some folks this was the start to their fall test season, and we want to congratulate everyone that walked away with passes and new titles. Our Finished judges really challenged the dogs both days and those that passed earned it.

We can't thank our members enough for all their dedication and hard work to ensure this fall test was successful. Being one of the newest clubs in Region 3 we still don't have any equipment. Our members along with some close friends outside the club rallied together to ensure we had everything we needed and volunteered their time in the field at started and seasoned to help reduce the cost of bird techs.

On Saturday we kicked off our tailgate after all the ribbons were handed out. If you stayed around for that you got to eat some good food thanks to Derrick Carter. The tailgate was something we really wanted to do this fall because due to Covid a lot of clubs haven't been able to do one for a while and it was nice to catch up with friends.

We wish you all the best of luck and you continue to chase after your fall hunt test goals as well as hope everyone has a safe and fun upcoming waterfowl season. Jeremie Lovejoy CCHRC Vice President

Hello everyone. Finally, a little cooler weather. It is still warm, but more tolerable. Hunt test season is upon us, and it is going to be a busy fall. Although HRC is our first love, Middle Ga members have stayed busy through the summer participating in the Super Retriever Series events also. They are having great success I might add. We have whelped a few litters too, that have very bright futures.

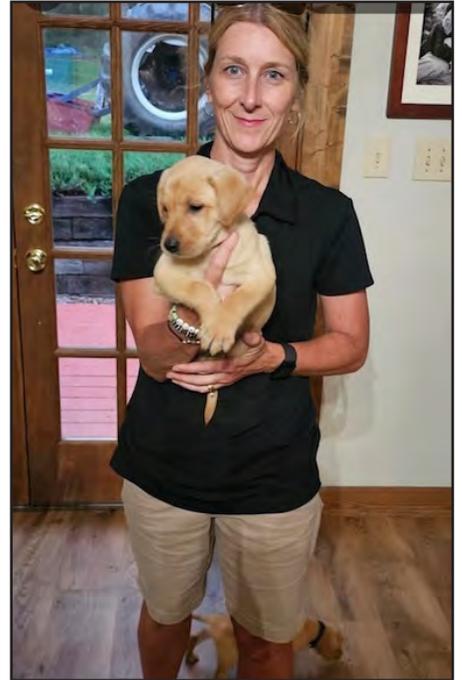

The highlight of the summer came when we had the wonderful opportunity to assist in a "Retriever Jamboree" for Hunting for the Cure. A few members took their dogs and were paired up with some amazing kids who have battled or still are battling cancer. We were humbled when we were reminded of how blessed we are and how truly good our lives are. See you at the line.

Coastal Empire HRC - submitted by Torrey Massey. Joel Hawkland, President.

Prior to the start of fall hunt test season, several of our members (and their dogs) had the honor of helping at the Hunting For The Cure Jamboree, held at Beaver Creek Plantation. This fine organization provides wonderful hunting and fishing experiences for children and their siblings fighting cancer. It was a beautiful day and all who were in attendance came away with full hearts and big smiles.

Coastal Empire held their annual meeting in May. The following members were voted into office: Joel Hawkland, President; Andrew Hallman, Vice President; Michelle Ervin, Treasurer; Torrey Massey, Secretary; Nic Morris, Board Member; Jeffrey Ervin, Board Member. Kevin Stewart will also serve on the board as past president.

Midlands HRC - submitted by Donna White. Steven Highsmith, President.

Everyone in the world should adopt the slogan "Sharing Smiles"!! This is what the non-profit organization, Hunting for the Cure, is all about and Midlands HRC, along with other local HRC Club members, got to experience this slogan firsthand in August. Midlands was a co-sponsor of a Retriever Jamboree which was held in Twin City, GA at Beaver Creek Plantation which was donated by the owner for this awesome event. It was a gorgeous day for the event. Even if it had been cloudy, the smiles on everyone's face, kids and adults alike, would have been enough to light up the day with sunshine. It was amazing to watch these 24 kids who had cancer (or had a family member who did) get to experience running a dog in a mock test setup, get a tee

shirt, a lanyard donated by Keene Steadman, a duck call donated by Retriever Trainers and, best of all, a winner's ribbon at the end of the day. Not only did HRC members see the shared smiles from the kids, we got to reciprocate with our shared smiles right back. It was truly a day to remember, and we all have photos taken by our very own Club member, Ben Taylor, to prove it. Thanks, Ben, for giving up your time away from your new baby to let us hang on to these memories. For more information about this caring non-profit organization, please go to huntingforthecure.org

Some Club members have had a good summer with their dogs. Lois McCracken had a successful weekend at Music City's hunt test. Not only is Lois and her dog Bonnie a force to be reckoned with in the show ring, but they have shown that they can compete in hunt test events as well. Lois told me last year that she wanted to get back in the game and she is off to a good start with Bonnie's Finished pass at Music City. Congratulations! In September, North Georgia held their first of the hunt test season event and Don and Ali were able to sign up after the Club added a third Finished flight. They passed both days under Jay Pace and Eric Ingram. Thank you, Blaine Tarnecki for the use of your property and your help to make everything run smooth.

Midlands is getting ready to have their 30th Anniversary hunt test in October. Club President, Steven Highsmith and Club Secretary, Heather Highsmith have been busy planning a good time for all. But, once again, the event writeup will have to wait because the timing does not coincide with the magazine submission dates!

A quote from Charles M Schulz: "All his life he tried to be a good person. Many times, however, he failed. For after all, he was only human. He wasn't a dog." We may not have 4 legs and a tail, but we should all learn from our four-legged companions.

Central Florida HRC - submitted by Carol Caito. Ray Caito, President.

Our Florida weather continues to make training in our part of the world a little more challenging. The heat and humidity make for short training sessions at either the earliest or latest parts of the day. But for the most part-we have adapted and made the best of it.

For our July training day, Mother Nature blessed us with a nice breeze and comfy temps in the shade. We had a marking scenario and a lining drill set up for the dogs. Everyone had a great time running dogs with good friends. A special "thank you" to Rob, Will, Erik and Walter for all the help. And as always-a huge 'thank

Hudson Maxwell and Tracy Hayes with judges Cam Ellyson and Marty Griner.

you' to Kelli and Sue for organizing these days for our dogs.

Our August training day had low humidity and there was a nice cool breeze amongst the trees. It was kind of like Queen Kelli with all her awesome male subjects. We set up a key relationship drill with concept marks in cover and blinds within the marks. Something for dogs at every level. A HUGE thank you to Walter Kennedy for helping to supply our birds and sharing your equipment with us. Another BIG thank you to our board member, Dave Barnett for spending the day with us. Always good to have a second set of experienced eyes to help us all out. As always, everyone who shows up chips in to help load wingers and blinds, sets up and tears down. We are a village!!!! It was a VERY productive day for those who came out and enjoyed the beautiful weather, great grounds and best yet...running their awesome dogs!!!!

Ray and Carol Caito along with their dogs Frank, Rona and Traeger participated in the Hunting for the Cure Retriever Jamboree-sponsored by Midlands HRC. This organization brings together families who have children battling cancer, as well as their siblings, to support each other and get them involved in hunting activities-thru Sharing Smiles. This event set up a mock started test and the kids were paired with dogs and their handlers to run a dog through a land and water mark. The smiles on everyone's faces throughout the day made for a lifetime of memories for both handlers and kids alike. If you ever have the opportunity to participate in one of these events-I strongly suggest you take advantage of it. It was truly one of the best events we have ever attended. It was a humbling experience to watch these kids who have so much going on in their lives step away from their normal daily routines and just enjoy the dogs and nature.

Hunt test season in our part of country has begun and several of our members attended the North Georgia HRC test. Kelli Riggs and her pup Edwin earned their first 2 started passes. Wendy Huntzinger and her dog Bulleit ran seasoned where he earned his first seasoned pass. Running Finished were Melissa Grant and Johnny, Caroline Davis and Tuff, Ray Caito with Rona and Traeger, Wendy Huntzinger and Bristol, Carol Caito with Frank and Hank, and Kelli Riggs with Ryser. Ryser-who is owner handler trained earned his HRCH title-CONGRATULATIONS Kelli! And Hank, owned by Carol Caito also earned his HRCH title, where Carol and Hank took their title bath swim.

Good luck to all of those running the Grand! And from our training coordinator Kelli-Happy training and remember...."progress, not perfection."

In August, we had a solid training day at Majestic Oaks Ocala, near Reddick, FL attended by a few members and their guests. We setup an inline marking drill (from Carol Cassity's book "Building a Retriever: Drills and More") Most dogs got to see at least 14 marks & we were done by 11:30. We saw a ton of improvement in a lot of dogs over the course of the drill. Thanks to everyone who came out to help toss marks! Members also shared photos of their dog's recent achievements or activities.

North Alabama HRC - Submitted by Allen Dillard, President.

North Alabama HRC has been busy this year with our spring test completed in June and our fall test scheduled for September. We have also had 4 training days. I encourage everyone to monitor our website and Facebook page for our upcoming member activities.

Central Alabama HRC - Submitted by Ashley Ezell. Thad Simmons, President.

We held our fall hunt test August 17-18, 2024 at Ethan Corkren's farm in Brilliant, AL. Due to the extreme heat this time of year, we started at 6am to provide the best conditions for our dogs, handlers, and judges. We had 2 full finished flights. Our seasoned flight was one of the largest we have seen in a while and lots of started dogs. We would like to say thank you to all of our members and handlers for the continued support to our club and love of what we do. If it wasn't for them, we could not do it. We wish everyone the best of luck at the Grand in a few weeks and hope to see you soon.

If you are interested in joining our club, please email us at aezell01@comcast.net for more information.

Greetings from Deer River Retriever Club. Our members have been working to beat the heat by training early or late in the day. We are continuing our monthly meetings and enjoying the fellowship. We are getting ready for our Fall test September 28 and 29. We welcome all to come and enjoy our test and our Saturday night banquet that we have been providing club members and guests for many years. We also want to wish the best of luck to our club members that will be running the Fall HRC International Grand in St. Louis!!

Tennessee River HRC - submitted by Hannah Chandler.

We are thrilled to announce that our recent summer hunt test was a tremendous success! The event saw an amazing turnout of both skilled handlers and talented canine competitors, showcasing the incredible abilities and dedication within our community. We are extremely grateful to everyone who came out to support our club by participating in the hunt test. Your enthusiasm and commitment truly made the event special.

As we reflect on this successful event, we are already looking forward to our fall hunt test in October. We can't wait to see everyone again and continue to celebrate the skills and spirit of our wonderful community.

Thank you all for your support, and see you in October!

West TN HRC - submitted by Jeremy Browning.

West TN's July and August hunt tests were a huge success. Thanks to Maple Ridge Retrievers for hosting and thanks to members, judges, handlers, and bird techs for your hard work. The grounds were spectacular. Members are

continuing to train for upcoming hunt tests and the Grand. We hope you will plan to join us at a future West TN test.

Old Hatchie HRC - submitted by Michael Fugitt.

Old Hatchie members are in full swing preparing for the upcoming Grand and holding our fall hunt test. We want to wish our members the best of luck in the upcoming grand: Mr. Jesse Sheppard, Mr. Mark Winters, Mr. Doug Burns, Mr. Micah Paige, Mr. Mike Harrison and Mr. Colter Thompson. Good luck to all of you and all others who are running.

Southern Flight HRC - submitted by Jeremy Browning.

Southern Flight hosted a great training day at Maple Ridge Retrievers! We had started, seasoned and finished set ups and it was great to have club members coming together and helping each other and learn from each other!

We are getting ready for our fall hunt test October 26-27th at Maple Ridge Retrievers!

White Oak HRC - submitted by Jeremy Browning.

White Oak's fall test will be held November 2nd and 3rd near Henderson, TN at the grounds of Chris Scott and L & D Retrieving. Chris' grounds are always in top notch condition and we appreciate his hospitality and hosting our tests. We hope you will consider joining us at a future White Oak club meeting, training day, or upcoming hunt test.

September 7th and 8th was our club's 2nd annual HRC test. The weekend was full of some great tests and runs, despite the weather not being cooperative on Saturday. We are so thankful to all of the volunteers, judges, and handlers who braved the occasional downpours and cold winds to help keep our day running smoothly. After all the stakes were run, we met back at headquarters to hide under to tents for some raffle fun, great food, and we were able to sneak in the ribbon ceremony during a random burst of sunshine (which was quickly followed by more rain). Sunday we had some absolutely beautiful weather, and the weekend was wrapped up with so many club members with more passes under their belts and many titles earned! It is great to see all the hard work pay off.

Michigan Hunting Retriever Club - submitted by Bob Zapalski, President.

As I write this article our late summer hunt test is ongoing. This is the first time in quite a while that the Michigan HRC is holding a two-day test this late in the year.

Our finished flights are full, seasoned filled with walk-ups, and started ran with 20 dogs. We will have a junior handlers event this year for all the youngsters to try their hand at running the family dog on a single mark. The smile on their faces says it all when they receive their ribbon.

The cub experienced modest growth this year. When people come to a free training day and watch the "big dogs" run they get hooked really quick and ask where I sign up.

Many of our older more experienced members are very pleased with the success that some of our newbies from 3 years ago are having. Finished titles and trips to the Grand.

Remember every day has a training opportunity take advantage of it. But most of all have fun and stay healthy.

Ohio HRC - Submitted by Steve Pittiglio. Greg Emlinger, President

This will be our 2nd update since the Ohio club moved from Region 7 to Region 7A. We would like to thank Dean Systma for his support and assistance while we were in Region 7. We have many dual members from Michigan and the move makes a lot of sense for our club. We say having those Michigan members is sort of like having friends but only deferent. As I write this, we are making the final plans for our annual hunt test at Pioneer Scout Reservation. One interesting fact is that we will run tests in both Michigan and Ohio as the Reservation is on the border of both states. Over the years we have tried to make our hunt a destination event, and it is known as the "Dance". We call it the "Dance" because it is the last big event of the year for our area, now Region 7A. After the "Dance" it's full bore getting ready for the marsh and upland Felds. If you have never been to the "Dance" come join us, it will be good comradery, good birds, good tests, and good times. All you Buckeyes – O.H.

St. Clair Flatts HRC - Submitted by Ken Frazee. Russ Dusett, President.

Summer was full of activity for our St. Clair Flatts club members. Congratulations to Shane Feeny and Waylon for obtaining a fourth pass for a finished title at the July Essex Hunt Test. On August 3, 2024, our club hosted a Super Singles Hunt Test that was well attended by 30 handlers and dogs. Cheers to Bob Zapalski and Axel for the best scores at this timed marking event. Kyle O'Neil and Fancy were a close second place and Sean Houtekier and Louie secured third. A special thank you to our judges Russ Dusett and John Nowakowski. Also, we extend our gratitude to Ron Winter and Heather Amthor for organizing this event and to Heather's father for his donation of the quality hand crafted trophies awarded for the top three dogs in this event. A sizable group of SCF members also enjoyed participating in the Southern Michigan August Hunt Test where we enjoyed some excellent dog work, fine hospitality from the host club and experienced judges. At one of our summer

weekly trainings sessions, we had our youngest participant to the line in our club's history. Wyatt at two months of age joined his mom while she ran her labs who were grateful for the day afield after sharing attention with the new addition at home. Our club members are awaiting Wyatt's first command and are wondering if it will be a left back or a right over. As this report heads to publication many of our members will be enjoying time afield with our dogs in search of waterfowl and upland game. Autumn is a terrific time of the year to enjoy outdoor pursuits in the Upper Midwest. We hope to see many of you at our December 14, 2024, Upland Hunt Test. Until then, safe hunting and steady marks.

Favor, flying high for Drew Cronk.

Bob & Axel, Super Singles Champs.

Sean & Bullet, teaching a young handler.

Young Wyatt with Mom and Murphy

Celebration for Shane Feeney.

Dave Mackie and Coot, working hard.

Summertime equals big water retrieves.

Badger State HRC - submitted by Wade Zaffke, President, gundog8080@gmail.com.

Badger State HRC had a very successful Regular Hunt in July at the Richard Bong Recreation Area. Thanks to all club members, members from Fox River Valley HRC, Horicon Marsh HRC, WISILL HRC and handlers that made the weekend a great success. We look forward to celebrating our 30th Anniversary hunt next year. Badger State HRC members continued to beat the heat by participating in our various club training groups. Club members have had great success this hunt test season. Club members earned 1 Hunting Retriever Champion, 1 Upland Hunter and 4 Hunting Retriever Titles.

Joe Hendrix's Stella and her first Started pass.

Nick Hough and HRCH Otis.

HR Dubh and HR Meadow.

Roger Smith Jr. and Meadow.

Ben Fullerton and HR Will.

Matt Papke and HR Luna.

Cranberry Country HRC - Submitted by Anne Millane. President Adam Bally.

Well fall is just around the corner and members are focusing on duck and goose hunting. It was a rousing start for our club this summer as we reflect on a highly successful inaugural event weekend in July. Looking forward to planning our next hunt tests in 2025.

Please check out our facebook page and join the conversation with us. Always looking for new members to help grow our new club and play with our wonderful dogs.

WISILL HRC - Submitted by Anne Millane. President Adam Bally.

Another summer hunt test season comes to an end. WISILHRC wrapped up its hunt test at the end of August. A great time was had by all who attended. Thank you to all of the WISILL members who volunteered and to the judges who set up great tests. Congratulations to all WISILL members who achieved a title or a major milestone at the test.

To all of our members who will continue to train hard getting ready for the Grand. We hope you all have great success in St Louis. Good luck!

We are now into hunting season and our members are out enjoying all the training they have worked so hard at over the past year. May all your shots find their mark and your dogs run true. Have a safe and successful hunting season.

Horicon Marsh HRC - Report submitted by Joe Fay, President.

As we wind down the Hunt Test season, we held our last club training and had a cookout. The weather was WARM for September. It was a great day working with our dogs and learning from one another. Even though this was our last club training for the year, training still goes on at home. It also leaves time to put all that training to use, waterfowl season! Good luck to all the goose and duck hunters! Hope you bring home some beautiful birds and have great stories to tell about the time spent with your hunting companions.

We are excited to announce that Horicon Marsh HRC will be hosting the Judges and Handlers Seminar for Region 8 this year. The date and location are being finalized and will be announced in the near future. This is a wonderful opportunity to learn and ask questions, as well as have some group discussions. We look forward to seeing old and new faces! Keep working and training those dogs during the off season!

Bennett Sheltra gets ready to run Fancy while Randell Gerbino and her dog Jesse sit on the honor bucket at our September training day.

Illinois River HRC - Submitted by Joshua Osborn, Steve Munson, President

The dove and early seasons are open and we're getting after it here in central Illinois! We hope you all are taking time to get your dogs' feet in the field to chase feathers! Illinois River HRC concluded club training days in August. We conducted our annual firearm raffle at IL DNR waterfowl duck blind draws at the end of July. This raffle is the primary source of funds for our club and enables us to maintain and grow our training grounds. These funds have also allowed

us to recently replace all club wingers, which has been a growing need for the club for a few years. We were then able to sell our old wingers to club members at a steep discount, allowing us to give back to the membership for their hard work for the club. Club training days are over, and training is beginning to wind down on our training grounds as hunting seasons approach. We train on IL DNR managed land and we work very hard to maintain relationships with local biologists to effectively manage the property for our use, but also the use by other stakeholders. During the fall and winter, we change our training schedule to permit hunters to use the grounds undisturbed. For clubs who struggle to find ground to train on, I would suggest seeking out a similar mutually beneficial partnership with local biologists. It has worked well for us and for the DNR here in central IL. IL River HRC members continue to judge at surrounding hunt tests. Recently Steve, Patty, Josh, and Gene all pitched in to judge at MS Flyway HRC in McCausland, IA. This was MS Flyway's first hunt test in over a decade. Thanks to the help of neighboring club, MS Valley HRC, and all judges, the test went off without a hitch. We were glad to see this club become active again. As always, thanks to all the clubs in our region and beyond who allow us to come judge your hunt tests! And, of course, please reach out if your club has judging opportunities for newer judges. As of this submission, we didn't have any newly-title dogs since the last publication. We did, however, have many of our handler/dog teams pass challenging tests in our region. Congrats are due to them, but also to the many judges that work to push our dogs to be their best! See you soon at the line!

Club members Josh Osborn, Gene Figge, Steve and Patty Munson judging at MS Flyway HRC.

Corky, Pippin and Sonnet owned by Joyce Latham

BT and new HR Shots Wingmaster Bella Roux.

HR Brandy, owned by Steve Micheletti, with two very challenging Finished passes.

Sundack's steady Stella owned by Eli Baffa with her third seasoned pass.

Tim Dietrich cooking breakfast for members at the annual duck blind draw.

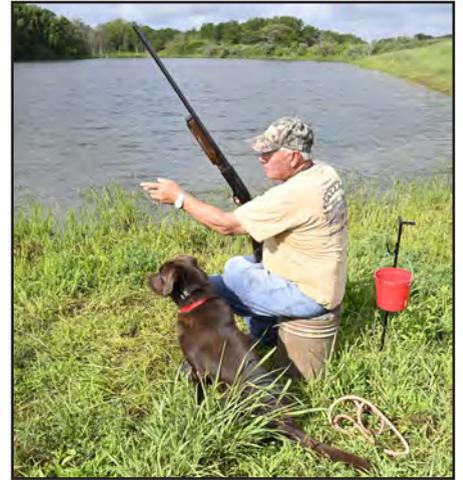

Treasurer Bobby Young raising money for the club at the annual duck blind draw.

Mississippi Valley HRC - submitted by Darrell Day, Jeff Daniels, President

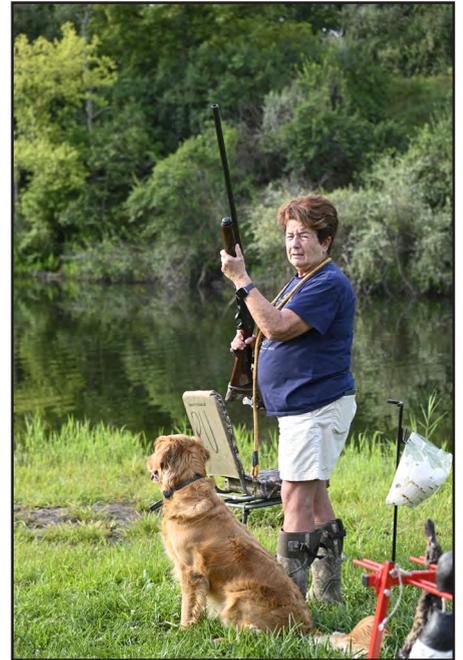

Where did summer go? Everyone getting ready for duck season. Time is really passing us by. Not much to report except Mississippi Valley Sportsman club donated \$4,000 to us to maintain out training grounds. It needs a lot of work now the flood waters receded.

Retrievers Unlimited HRC - submitted by Stephanie Schroeder

Retrievers Unlimited has continued to host training days through August. Our final training day prior to our hunt test will be Sept 14. Some of our newer members have gotten more comfortable handling the gun, younger pups have been socialized and we've all learned from one another. Our grounds are looking great and we are thankful to Mic Middleton and the staff at Peabody River King SWFA for working with us to keep sites in top shape for our tests. It is appreciated. We are looking forward to the fall hunt test season, and wish all of our club members and friends the best of luck on the line. We especially wish RU members who are running or have dogs running in the International Grand in October right across the river in St Louis. Brian Diekgraffe, Jeremy Ries, Gigi Strauss, Max/Ann Vickland and Paul Wollerman. May all of your birds land belly up, wind in your favor and dogs steady. This is our election year, so our nominations have opened for our Executive committee and board. Thank you to all of the board members who have served and those who plan to continue to serve on the next board (or move up to an executive position). We cannot thrive or survive without volunteers who believe in this sport and the pre.

Gene Blasingim.

Dave Merlin.

REGION 8B
Deb Eckhardt

In Loving Memory of Nancy Wiener
11/27/46 – 8/24/24

Our HRC family lost a dear friend and one of first female handlers in Region 8B. In her lifetime she was blessed with many great dogs and her passion for them was unparalleled. Nancy's dedication to the Hunting Retriever Club made her a legend, particularly through her remarkable partnership with her dog, Chase. As one of the first female handlers in the region, Nancy's accomplishments were groundbreaking. Together, she and Chase traveled across the country making lifetime friendships and ending with a 3x GRHRCH UH Dancers Chase the Moon, 1,680 points. Her legacy in the hunt test community will be long remembered. Nancy made an impact in every community she was part of, from her dog family to her local friends

and relatives – whom she considered all one big family. She will be greatly missed, but her legacy will carry on. In her memory have a glass of coke on ice, plant some flower seeds and give your dogs that extra treat and hug.

In Nancy memory we have started an HRC Foundation memorial, if you would like to donate you can find a contribution in the magazine or on <https://hrc.dog/web page> under About HRC>The HRC Foundation>Contributions>Contribution Form.

Dakota Hunting Retriever Club HRC - submitted by Riley Haag, President, riley.haag@gmail.com.

As usual it has felt like summer has come and gone in a blink of an eye. Over the past few months Dakota has been busy with hunt tests plus sprinkling in training days when we can. We held our 20th Anniversary hunt test in late July. We had great weather for the weekend. An outstanding turnout for the Saturday banquet. It was nice to see some long-time members show up to help celebrate the milestone. Our entries numbers were up from last year which is always a delight. Saturday had 117 dogs and Sunday had 109 totaling 216 for the weekend. We would like to thank the judges, bird tech, and the club members that helped with the event. It truly does take a solid team to put on a successful event year after year. Congratulation to the following members for passes at our hunt test:

- Kimber 1 Started Pass - Della Haag
- Berkley 2 Seasoned Passes - Andrea Mingo
- Ryder 2 Finished Passes - Billy Volek
- Ace 2 Finished Passes achieving HRCH Title - Sean Rogers
- Foxy 1 Finished Pass - Riley Haag
- Jade 1 Finished Pass - Deb Eckhardt
- Burn 1 Seasoned achieving HR Title and 1 Finished Pass - Jamie Worrall

I know there are several more that earned passes but never got me their information. Good work to all as it is nice to see all the hard work pay off. As we approach the end of the hunt test season in our region/area many of us are itching to get in that duck blind or sling some lead at the fast winged mourning dove.

We were saddened by the passing of our dear friend Nancy Weiner. She will truly be missed by not only Dakota but by the entire HRC family. Thoughts and prayers to all.

Arrowhead HRC - Submitted by VP Dennis Anderson. Jace Tramontin, President, mnretriever@gmail.com.

It's hard to believe that another training season has gone by. Our club continues to grow, and we welcomed new members Brandon Lindemoen, Rick Judnick, and Mark Kailanen each with new ideas and dog training and hunting backgrounds. A huge thank you to member Deena Congdon for all her work with updating a professional and user-friendly web page. Check us out at www.arrowheadhrc.dog

Our annual regular hunt was held August 10th and 11th, 2024 in Mt. Iron Minnesota. We had perfect weather throughout the event- sunny, cool mornings and warm afternoons. The ponds were full. We are very appreciative of the working collaboration with Minnesota Iron Range Retriever Club for the use of over 180 acres of grounds, club house, and pole building. The quality of grounds truly provides great opportunities for training and providing technical and realistic hunting scenarios. Many thanks to our business sponsors, members, volunteers, bird techs, and handlers. Our event would not have been successful without everyone's contribution of time, talent, equipment, and donations. We hope that everyone had a fun time at the banquet. With the food spread, we are sure that no one went away hungry. Thank you to judges Jeff Wilson, Sandy Zandlo, Cecil Epp, Jason Siverson, Shawn Van Vark, Wade Samson, Mark Stites, Pat Gysbers, Shannon Stites, and Kirt Meyer for their time, knowledge, and promotion of sportsmanship.

We train on Thursday evenings from April through September. We also have an informal event the beginning of May to kick off the season. Check out our Facebook page for updates.

Jim River HRC - Submitted by Deb Eckhardt, President, labs2love@hotmail.com.

Jim River celebrated their 10 Year Anniversary and had the honor of recognizing a great friend this year at our hunt test banquet – Joe Perron. This was the club's 3rd annual handler recognition.

Joe is known across the country as one of the greatest trainers and handlers in HRC. He is a staple at Hunt Tests including the Grand. Joe and his wife Tina are known as some of the best breeders of chocolate dogs. Joe is one of the kindest souls and anyone who meets him and knows him is lucky! We believe that Joe has attended all of our 10 Hunt Tests. We thank Joe and the rest of his crew for supporting us through the years. Pictures of Joe Perron include all the Jim River members along with anyone that has ever judged Joe, the other picture is of Joe along with EVERYONE that was at our banquet. We want our banquets to be fun and something handlers will remember so this we located and revived the 'traveling' Goose Suits. As Shannon and Janelle our Seasoned judges were preparing to read off their pink slips, handler Owen retrieved his Goose call from his vehicle and started calling in the Geese 8) As Owen is calling in the geese Shannon and Janelle make a grand entrance in the Goose suits, it was classic. Who will be the recipients of the Goose Suits next year, plan to attend and find out!

Best of luck to our members who are running or have dogs running in the Fall Grand
Casey & Jessica Dowler – Twitch, Ritz, & Nene
Josh & Heidi Goeman – Rum & Rose
Deb & John Eckhardt – Jade

Marsh and Meadows HRC - Submitted by Jim McKeehen. Floyd Jensen, President, fj.blackpines@gmail.com

Time to pull the docks, get the duck boat ready and check the mice haven't chewed up our camo and orange... The season we train for is upon us!

As MMHRC wraps up our 2024 training, we look back on a good year again. The club financials are in good shape, our equipment needs are well in hand and we had another successful Hunt Test at Central Minnesota Retriever Club grounds. The new clubhouse was impressive and the feedback from the participants was excellent. The grounds were wet but in good shape with water levels back where we like them – just like a real duck hunt! Always good to know we continue to put on a good, fair but challenging event. Attendance was down some as we've heard from other clubs, but we had a number of new faces and some new pro's already looking forward to next year so we hope to return a strong attendance in 2025.

We are excited by the influx of several new members and several with previous hunt test and field trial experience. Great to have new blood, ideas, and leadership candidates!

Hoping to see you at our June 2025 MMHRC Regular Hunt Test!

Club training night.

Prairie Lakes HRC - Submitted by Janelle Negen. Kim Olson, President.

Another summer has come and gone. It seems they fly by faster each year. PLHRC club members enjoyed all the time spent with the hunt club family training, running tests, sharing some laughs and some great successes. We now look forward to fall and getting to put all our hard work to use in the field and in the blind. We have a few club members attending the Fall Grand to run and help out this year as well. Cheers to all for a fun, successful and safe hunting season ahead!

Amberjack Farms HRC - Submitted by John (Jack) Johnson, President, duxdogretriever@yahoo.com

Even though the weather was hot for regular club training days, we were able to sneak one small day in for our membership. As the fall approaches and the weather gets cooler we will be scheduling more training events. Also to note this month, Club President Jack Johnson's dog 5 X GRHRCH Cohiba reached 500 pts.

Felsenthal HRC - Submitted by Bob Edmondson, President, robertedmonson@gmail.com.

Greetings to all retriever people! It's Fall hunt test season and hunting season is upon us. Fall tests are happening now and our test is October 5th and 6th. By the time this is published, our test will be at the door. Dove season has opened in the south. Teal season is just around the corner and isn't that why we train? Hope you all have a successful hunt test season and that your dogs pick up every bird that's shot! Preserve game, use a trained dog! Blessings to you all!

Four States RC HRC - Submitted by Darla Attaway. Damian Stroderd, President, byreview_dr@yahoo.com

I know y'all are probably as busy as we have been, which is a good thing!!! As stated last month, we held a Youth Handlers Camp on July 27th at Muddy Wing Retrievers, thank you Nathan and Katelyn Sloan. We may not have been great in numbers, but we were great in participation, enthusiasm, plenty of questions, and lots of hands on with the dogs. Attendees participated in dog obedience training, duck calling, gun safety, a mock Hunt Test and bumper golf. Loved that one of the younger girls asked, "when the seminar is over, do we get to pick a dog to take home?" An Arkansas Game and Fish Officer was present. He talked with the students about several aspects of hunting, fishing, boating, gun safety and some duck ID.

Next, we hosted a Judges and Handlers Seminar on August 10th, presented by Larry McMurry, with many judges from within our Region and a few from neighboring Regions along with some Handlers eager to gain more

knowledge. Larry did a great job. We have held a couple of training days to refresh and sharpen up some skills getting ready for Fall Hunt Tests.

Four States Retriever Club was very proud and honored to present Lifetime Membership Crystals to Mike Dittrich and Steve Lach for the hard work and time that they have given to our Club. Their efforts have helped make our club what it is today.

Since that presentation, we have been heartbroken at the passing of Steve Lach (08/15/2024). Four States Retriever Club decided to dedicate our Fall Hunt Test, Sept 7-8, 2024, in memory and honor of long-time member and friend Steve Lach. Rev 21:4

Hill Springs HRC - Submitted by Cole Flanagan, President. cflanagan73@msn.com

Welcome to Hill Springs Hunting Retriever Club. Hill Springs HRC is the newest club to be acknowledged by HRC and we are proud to be a part of Region 9. Located in Mammoth Spring, AR, just 3 miles from the mouth of the Spring River, in the heart of the Ozarks.

Region 9 has a plethora of great clubs and we are excited to be a part of this successful region. Right now we are in the planning stages of hosting our preliminary hunt. If all goes well and we get final approvals, it will be some time this Fall. This club is 100% open to amateurs and pros alike, as we are amateur led, and we want to invite and include as many new amateurs to our club as possible. We welcome all new retriever handler teams, to our sport, and we hope to see you at our events in the near future.

We are excited to bring this great sport to North Central Arkansas, introduce the area to the HRC and showcase some of the best dog work in the nation. We will have more details to follow on our preliminary hunt dates and our club member training days.

South Arkansas HRC - Submitted by Troy Barrios, Roger Morton, President.

Finally a little cooler weather in South Arkansas. Our club members are busy training for upcoming hunt tests and The Grand. Our Fall Hunt test was a great success and we're so thankful to the folks at Davis Farms for providing us with new grounds for our hunt. A huge thanks to our President Roger Morton for letting us use his grounds for our headquarters and his tech pond for a challenging finished water test.

Many of you know that Roger's wife Becky is still recovering and cherishes your prayers for their family.

Most of our members are duck hunters and are busily getting ready for another season. I've already seen some teal in South Arkansas as of this writing. As always we hope to see you on the road. Happy training. Safe travels.

Pin Oak HRC - Submitted by Beth Harrison, Eddie Benetz, President. PinOakHuntingRetrieverClub.WildApricot.org.

Hunt test season is in full swing in Region 9 these days. We did get a couple of brief brakes from the hot weather that gave people a chance to get in a little more training! This year marks Pin Oak's 35th Anniversary Hunt. We will be celebrating with 3 flights of finished, a Saturday night banquet, a raffle and a photo booth. We have a new 35th Anniversary Banner for pictures that will mark the occasion! The banquet is being catered by Cokey's BBQ and should be awesome! Due to some scheduling snafu's that are not Pin Oak's fault we will be eating picnic

style at Peppers Pond which should make for a fun event.

It's not exactly dog related, but Pin Oak would like to congratulate club President Jon Schuetz and his new bride Molly on their recent wedding! And of course we love that GRHRCH4 UH Continental Crusin the Hillside MH, MNH, HOF, call name "Nash" was the ring bearer! Jon's dog Juneau also joined the 500 point club recently. I think Jon has had a good summer!

Good luck to all this fall hunt test season. Enjoy the privilege of going to the line with your best friend. They give us their all and are not with us nearly long enough! See you around, Beth

Bo and Bob getting the Ponds ready for our test.

Congrats to Jon, Molly, and Nash!

Juneau, owned by Jon Schuetz earns 500 points.

REGION 9A

Cadet Otten

Welcome to Region 9A! We hope you are enjoying some cooler weather! With hunting and hunt test season in full swing in our area, we anticipate seeing many members in the field and at the line running hunt tests.

Clubs are working hard to add new members in our region. Partnering with other outdoor events can help your club meet potential members that are looking for assistance with their retriever training. Most of us started this journey just looking for a "better hunting dog"! Region 9A clubs can help anyone achieve that goal. If you need any help contacting a Region 9A club, please shoot me an email at cadeto@att.net. I'd be happy to introduce you and your retriever to any one of the eight clubs in our area. Assisting you train your retriever!

Cadet Otten, Region 9A Public Relations Representative

Green Country Retriever Club - Michael Bullen, President, greencountryretrieverclub@gmail.com.

Well, we've had some crazy hot weather going on here in NE Oklahoma, but the winds are changing finally. We're starting to see some cooler weather head our way. Dove season opened and that always seems to bring a change in weather. Members are definitely enjoying getting out to hunt, running, judging, and getting together for fellowship and training.

Our August training was great. Several members and guests were able to join us and as the old saying goes, if you don't like the weather in Oklahoma, wait a minute, it'll change. We got lucky with a beautiful August morning with 71 degrees and a little overcast that kept the temperatures low until around 2pm. We were able to set up some good water marks for all levels and great blinds for the Seasoned and Finished dogs. Everyone left as the temperatures rose and was happy with the work done in preparation for Fall Hunt Test Season. Good luck with all your endeavors this test season!

Next, on the agenda, for several club members is The Fall Grand!!! We have members working, running, and judging. Congratulations to Tim Blan and Gil Wilson for being chosen to judge. Thanks for all the judging assignments you did through the years that has helped to prepare you two for this honor. We are proud of you!! Pat Johnson and Rusty Noahr are both on the Grand Committee and Rita Johnson is

the Grand Treasurer. Lori Greer is in charge of PR and Sponsors and Cheryl Blan will be working wherever needed. Thanks to all for giving of their time. We also have 2 members running dogs. Good luck to Nathan Atkinson and TJ Greer as they run dogs at the Grand level.

We want to wish good luck to all of our friends with your hunt test adventures the rest of this hunt test season! Hope your hard work pays off. Looking forward to seeing everyone out at tests. It's always good to see friends and enjoy great fellowship and watch dogs do some awesome work. Until next time, God bless

GCRC. Member Stephanie Bullen. Do what ya got to do-training for waterfowl season. Sasmo!

GCRC. Yep, Dove Season, Day 2 was just as bountiful as Day 1. Member Geoff Aiken with Timber had 112 today.

GCRC. Congratulations to Tim Blan and Gil Wilson on being chosen to judge the Fall Grand!!!

GCRC. Tim Blan and co-judge Deb Eckhardt conducting handlers meeting from Judges' Island at Elkhorn Valley HRC Finished Test on the river. Coolest place to do a test. Yes, the handlers and dogs had to wade out to the line. It was a blast!!

GCRC. Aug training day. Fun set up on water.

Sunflower Retriever Club - Lindsay Mosher, President, SunflowerRetrieverClub.org

Hello and Happy Fall from the Sunflower State! Our hunting season here in Kansas is kicking off. The midwest heat has finally calmed down and it's beginning to feel like fall as some of our members are out dove hunting and preparing for teal season. Sunflower has only held one training day since the last issue due to the hard work our members are putting into our up and coming hunt test. A lot of time being spent with new landowners and a new area of Kansas. Our monthly club meetings are focused around our fall hunt test and discussing future opportunities for our club in the coming months.

Thank you, Scheels of Wichita, for inviting us to come and talk to people about our club and HRC at their 1st Annual Hunt Expo. Our members had a great time meeting new people & talking dogs, watching the dock diving dogs and working with the Scheels marketing staff.

We had some club members go after those end of hunt test season passes at Elkhorn Valley HRC and first-time experiences running Finished. Congratulations to Kevin and Kelsi Luman on a new Hunting Retriever title - HR Mollie (HR K2 Jumpin Across the River Mollie)

Additionally, we want to extend a congratulations to club member Marion Grace for being voted Region 9A Running Rules Rep.

Good luck to our members that are preparing to work and run the Fall Grand in St Louis, MO hosted by Gateway Retrievers HRC. See you at the line or in the field. Enjoy hunting season!

Three Rivers Hunting Retriever Club - Tab rains, President. ThreeRiversHRC.com.

Greetings from Three Rivers HRC! Many club members have been on the road either judging or running tests. It sure has been a hot summer and we as well as our retrievers are welcoming in the fall months with cooler weather and dove, teal, and resident goose seasons.

Fall hunt tests are in full swing, and we wish you all the best of luck earning passes and titles.

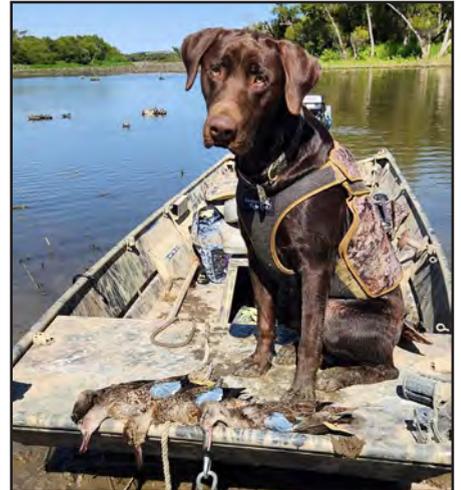

We had our club picnic/training day in August. It was hot, but we had a nice turnout with plenty of good training as well as fellowship, retriever games, and great food.

We are gearing up for our 14th Wood Duck Wally Hunt Test at the end of September with all hands on deck. The Wood Duck Wally got started in the fall of 2011 when Three Rivers lost our club president to cancer. Since that time, we have carried the name Wood Duck Wally not only in memory, but in honor of our friend Wally Winters. Since that time, the name Wood Duck Wally has become synonymous with cooler weather and the beginning of the fall hunt test season at Three Rivers. In honor of the 14th Wood Duck Wally, we will be using wood duck decoys in our hunt test set ups.

Until next time, enjoy the cooler weather and all the fall season has to offer in the field, in the blind and at the line with your retrievers and HRC family.

Texoma Hunting Retriever Club - Justin Jackson, President.

Texoma HRC has been busy training and running all spring and summer. Early starts and done by noon before it hits 108. Ponds were over flowing this spring, but 2-3 months of triple digits and zero rain is taking its toll on available water. We are holding a Fall hunt test beginning of November and have secured additional land with water for use if needed. Come see us at the last regular hunt test in our region!

North Louisiana HRC - Andy White, President, andyw@leeedwardsauto.com

Good morning from Omar and North Louisiana HRC. We held a club training day of August 17th. Despite the extreme temperatures many new handlers and dogs came out to participate. We would like to welcome new club members Adam Pardue, Carter Busby, Hagen Carter, Zach Kennedy and David Cameron.

Congratulations to the following club members for their accomplishments this year.

Jennifer Lyons and GRHRCH (4) 'PR' CADE'S CUSTOM INK HOF 1,000-point club

Arlene Gandy and HRCH UHCH MOCHA GUMP'S CHOCOLATE CHIP 1,000-point club.

Brad Crook and HRCH COBB'S WATERMARK'S SURPRISE Hunting Retriever Champion

Chris Siskron and HRCH GOLDENLOCH ONE IN A MILLION Hunting Retriever Champion

Our club officers for the coming year are Andy White-President, Clint Farrar-Vice-President, Ken Cooksey-Treasurer and Arlene Gandy-Secretary. Our Board of Directors will be Omar Driskill, Tommy Harp, Robert Haynes, John Neel and Joe Pankey. We want to thank our outgoing club officers Tommy Harp, Dusty Davis and Ed Myers for their service.

Adam Pardue & Butch Gandy.

Lake Charles Retriever Club - Submitted by Chris Fontenot. Curtiss Lindsay, President, lindsayslabs@yahoo.com.

Finally Fall is around the corner and some cooler weather. By time of this report, we will have had our Fall hunt test October 12, 13. Lake Charles members have been hard at work planning the hunt test. Hopefully no hurricanes in sight. South LA always seems to be in the cross hairs for some type of storm. Good luck to all this Fall and hope to see ya at a bucket soon!

Pontchartrain Retriever Club - Report submitted by Molly Burns. Brent Smith, President.

The extreme heat the last 2 months has been really tough to get some good training in. We know we've all been feeling it. The club has added a few members over the last few weeks and are looking for more! We've also purchased some additional Boom Guns for club as well. We are planning for our hunt test for the early spring 2025. Please be on the lookout for additional information

Amite River HRC - Submitted by Ron Lewis. Jeff Holley, President, AmiteRiverHRC.com.

Amite River HRC has been busy this past month as we just hosted a SRS event with 79 teams competing. A big thanks to event chair Bob Nicholson and club volunteers Rob DeVeer, Scott Williams, and Gary Leblanc, and to the judges Ryan Reppond and Curtis Lindsey who made this event a success. Congratulations to club members Ron Anderson (2nd place) and Bob Nicholson (6th place) in the amateur division.

We have had a couple of training days recently thanks to efforts by Pam Flotte and other club members. Attendance has been good and several new members have come out. Thank you to Jeff Holley and Steve Riggins for allowing us to use your properties for training days and for assisting handlers in improving their team's game.

Our fall hunt test is scheduled for September 28-29 and will be over by the time you read this. Hope you were able to come out to run your dog or help. Attending hunt tests is a great way to meet new friends, catch up with old friends, and to learn the hunt test game.

One correction from last report – our 40th anniversary hunt test will be in 2026, not 2025 as previously reported.

Amite River HRC welcomes our new members and encourages all members to participate in events and meetings. Please stay informed of all meetings, events, and training days via our Amite River HRC Facebook page. Help us to grow and thrive as a club by participating! Hope to see you soon.

Gwen Novak and Sunny

Central Louisiana RC - Submitted by Mary Anne Sayer, masword@suddenlink.net. Scott Ducote, President.

On August 10-11, we celebrated our 40th anniversary as a UKC Hunting Retriever Club in true Louisiana style. Thank you to all our members, friends, and family who helped make this a memorable event for CLRC! We especially appreciate our judges for being dedicated to our sport, willing to join us despite the heat and humidity, and putting forth the effort needed to set up effective yet summer-safe tests. We held three finished flights, two seasoned flights, and one started flight on Saturday and Sunday, but the highlight of our weekend was Saturday night's festivities. Our Puppy Run, sponsored by Haydel's Game Calls and Delta Waterfowl, had 13 entries. Each contestant came to the line with their retriever– some with confidence and excitement and some with shyness and

uncertainty. By the time each completed a couple retrieves, they were all smiles, laughter, and glowing pride in their pups. Robbie Andries and Scott Ducote did an awesome job of coaching our future HRC handlers! Afterward, we joined in Blessing our tailgate supper and sat down to grilled pork steak, dirty rice, potato salad, and homemade cake. In the background, a slide show of CLRC members past and present added to the camaraderie of the evening. Ribbons were awarded as we finished our meal and then the raffle began. President Scott Ducote presided over the cards and tickets with some happy winners of a customized HRC fire ring, cypress patio swing, dove hunt, and Garmin products. We also raffled many items generously donated by Gun Dog Supply, Holloway Outdoors, WetMutt, Duck Dog Clothing, The Retriever Trainer, and Academy Sports & Outdoors.

Fall will soon arrive with all its wonderful outdoor options– doves, teal, big ducks, squirrels, deer– take your pick and enjoy! The CLRC meetings are the third Thursday of most months, 7 pm, at 1889 Monroe Highway in Pineville with a training day on the following Saturday. All retriever enthusiasts are welcome!

4th place- Mike Landreneau and Molly Joe. Finished- 1st place- Davin Billot and Champ, 2nd place and 3rd place- Brian Broussard with Huck and Dazy, 4th place Cory Baudoin and Riot. Here is the list of winners for the Retriever Challenge. Pros- Andy Nguyen 1st and 3rd place. Trent Nugier 2nd place and Kaine Pace 4th place. Amateur-Brian Broussard 1st place, Bill Morgan 2nd place, Bob Nicholson 3rd and 4th place.

The following Saturday, Cajun HRC along with Cyress Bottom Retrievers host a full day of activities. We had a retriever challenge, our yearly eye clinic, microchipping, and PawPrints Genetics.

We would like to thank the three vets that helped us with our event. A special thanks to everyone that helped with the retriever challenge. Without their help this event would not have been a success.

Cajun HRC - Submitted by Katina Hebert. Darrell Hebert, President, cajunhunter911@bellsouth.net.

Cajun HRC has been very busy the last few weeks of August. We help the Gueydan Duck Festival host their annual dog trails. The weather was beautiful, and we had around 90 dogs that participated.

Here are the results from the Duck Festival. Started- 1st place- Mike Landreneau and Willow, 2nd place- Davin Billot and Kya, 3rd place- Jacob Desormeaux and Beau, and 4th place- Austin Patterson and Ike. Seasoned- 1st place- Davin Billot and Nova, 2nd place-Cory Baudoin and Fendi, 3rd place- Maxie Hebert and Tazz and

Colorado River RC - Submitted by Carrie Shaw, carriejeane01@gmail.com. Randy Crable, President.

Colorado River members have been busy getting ready for Dove and Early Teal Seasons to open, plus Fall Hunt Test Season to kick off!!! September starts the hunting fun and October brings the hunt test fun! WOOHOO!!! The months that we spend countless hours, and the rest of the year training for is finally here! Please make sure to keep safety first in your mind, while you're in the field. Keep all firearms pointed in a safe direction. Also, just because the temperatures have started to cool off, that doesn't mean you and your hunting partner can't overheat or get dehydrated. Finally, we look forward to seeing all of our hunt test friends and family down in Dickinson, in late October for CRRC's Fall Hunt Test. Come share your opening weekend stories and pics with us, come great food, and even better company! Premium and entry information is located on huntsecretary.com. Until then... Dog to the Line!

Don't the grey hair fool you, he still loves his job... 4x GRHRCH UH No Limit.

REGION 12

Kyle Krause

Lonesome Dove HRC - Sharon Freis, President, LonesomeDoveHRC.org.

At the time of writing this article, Texans are generally issuing a sigh of relief due to a break in triple degree temperatures. I know most of our members are glad to be able to extend our training sessions beyond mid-morning.

In July LDHRC held their first Members Appreciation and Fun day at Kanati Kennels grounds in Zephyr, Texas. We are lucky that some of our members take the versatility of their gun dogs and train and compete in other venues. We were pleased to have member, Kim Dunbar, demonstrate and assist in setting up an obstacle course, and also a disc throwing setup for our dogs. Challenging our field dogs with some extracurricular activities gave both the dogs and handlers a mental fun break from ducks and guns. It has been said if a person embarrasses easily this is not the sport to try, evidently that trickles down to "fun" days too. It was fun to watch and try to get the dogs to try something outside of the norm for them. Members and dogs were awarded treats and prizes for the top timed competitors. We finished the day with a members clay pigeon team "Shoot-off". Smack talk was thick, the competition was close, but eventually the more grey-haired team won.

We look forward to seeing everyone at this year's fall hunt tests. Good luck and safe travels to all participants.

Austin Prater and his dog practicing with the disc.

Enjoying the shoot-off competition.

Kyle Alldredge, Bonnie Parkhill, and Mark Freis in the shoot-off.

Lone Star HRC - Kyle Krause, President, LonestarHRC.org.

LSHRC had our Top Gun Shoot last month. We had several members come and we all had a great time. The weather was perfect. After taking a year off due to shoulder surgery, our very own LSHRC President, Kyle Krause took the top honor back.

Now LSHRC members are out training, and gearing up for duck hunting season and hunt test season. We are headed into fall and our weather is finally not in the 100s. We have many members that will be out in the judge's chairs or running dogs. We also have a couple members that will be at next month's HRC International

Grand. So let's get those dogs tightened up and ready to hit the road for St. Louis.

North East Texas HRC - Sharon Beall, President, sharonlabs@aol.com.

As the cooler weather finally rolls in to East Texas, the Northeast HRC members start gearing up for the second half of the season. To kickoff the second half of the season the club hosted their annual Shooting Range get together. Nothing like a good old friendly competition to get things started. The members at Northeast Texas are preparing and prepping and putting in long hours for their upcoming Fall Hunt Test at the end of September. Members are putting in the final detailed touches, to what looks like to be a full and busy test weekend. There will be a meeting to go over the final the details to make sure everything is in place and ready to go the second week of September.

All of the work the members have put in on the upcoming Fall Hunt Test, training for tests, preparing themselves and their dogs for the upcoming HRC 2024 Fall Grand has not diminished what HRC was created for with the Northeast Texas HRC. Club members took a break from the busy schedule and packed up their dogs and gear and hit the fields for Opening Weekend of Dove Season. Novice hunter or a pro, first season dog or a seasoned dog; watching their dog's work and doing what they have been training hours on was more exciting than the dove hunt.

Northeast Texas HRC Members wants to wish breeders, owners, trainers, handlers, and dogs Good Luck at the 2024 HRC Fall Grand.

The HRC GRAND

“May all your birds be seen
 May all your blinds be tight
 May the wind and sun be right
 Enjoy the ride, Scratch and Hug the dog
 you're at the line with
 Most of all you're at the HRC Grand you and
 your dog are winners already”

Cowtown HRC - Keith Hill, President, CowtownHRC.com.

Well we survived the Texas Summer. It was a little different as we had good rain in July and August. Now a new season is upon us, hunting season. I think most of us look forward to seeing how our training is helping us as we harvest birds and see how well our dogs perform. Dove season appears to be spotty with rain on opening weekend. Some people even had to contend with their trucks getting stranded due to wet fields. Thank goodness for UTV's. Congratulations to those who had great shoots. Another season has also started, the fall Hunt Test season. This brings not only the Regular tests but also Upland tests. I want to encourage you to check out an Upland test this fall or early next spring. They are a lot of fun and your dog gets to learn some new skills. With cooler temps, we have more opportunity to train to get our dogs in tip top shape. Good Luck this fall in hunting and hunt tests.

Scott Miles and Merlin (17-month-old Boykin).

David Korff on the honor.

Jimmy Westerman and Legend headed to the line.

Big D HRC - William Goodnight, President, bigdHRC.com.

Hello All, The summer in North Texas this year was brutal. Given the hot and dry conditions, training exercises have been brief and to the point. Fortunately, the first hint of autumn weather has rolled through this week bringing cooler air and even some rain.

Throughout the heat of the summer, the club spent it's time on hunt test preparation and continued to work our way through training material covering the Retriever's transition to field work. Speaking of Hunt Tests, we will host annual fall hunt test near Tioga, Texas in October. As every member of HRC knows, a lot of work by a lot of people goes into hosting a successful hunt test and our members have been dedicating themselves to this over the course of the last several months. -From Friday's setup, a day of tests, a BBQ dinner and an awards ceremony on Saturday, plus more tests, ribbons and clean up on Sunday our club volunteers will be working tirelessly to ensure the best experience we can possibly provide for the handlers and their dogs.

Our Hunt Test premium is up and open on Hunt Secretary and we look forward to seeing everyone at Saturday Night's ribbon ceremony!!

REGION 13/13A
Riley Sandall

Elkhorn Valley HRC - Chase Gartner, President, cgartner7@gmail.com.

Elkhorn Valley's annual hunt test has come and gone and it turned out to be an awesome event for handlers and dogs! Thank you to everyone that attended, our great judges, and club help that put together a weekend to remember. Along with helping run the test, many of our club members had success passing their dogs from the started to finished level. Congratulations everyone!

Later in the month of September many Elkhorn Valley members will be attending the Missouri River Outdoor Expo at Ponca State Park in Nebraska. Members and their dogs will be putting on training demonstrations for spectators during the two day event. This has become something that our club looks forward to every year and has been a great way to showcase HRC to the public.

Soon our gears will be shifting out of training mode and into hunting mode with fall setting in finally. With a full spring and summer of dog work everyone is looking forward to getting out in the field with their pups! Good luck to everyone running events this fall!

Kansas City HRC - Submitted by Pam Haahr, Rick LaVergne, President, kchuntingretrieverclub@gmail.com

KCHRC members have been busy training their young dogs and getting those veterans conditioned, gearing up for the season and jumping right into early Teal and Dove hunts! Many have also been busy running fall hunt tests around the region! Good luck to everyone on a successful season! Enjoy Fall Y'all!

Mount Rushmore HRC - Alan Case, President, alan.case60@gmail.com.

It is that time of year again. Dove season has opened, and grouse in some areas, so members are out with their retrievers doing what they both love. In preparation for that and the upcoming pheasant season, Mt Rushmore HRC held a couple of fun upland hunts. One on August 3rd and one on August 31st. They were well attended and there were some people who attended that were curious about our club and what we are about. Everyone enjoyed themselves and their canine counterparts seemed to love it as well. Not all were retrievers, there were a few pointers also. The International Grand is coming up soon. Dale Christensen and Mary Burns have two dogs competing and are going to attend. We wish their dogs, and all the dogs running the Grand the best of luck. We would like to congratulate member Jenny Malavasi and her dog Cypress. Cypress earned his Hunting Retriever Champion title at the FLK HRC hunt test. We at Mt Rushmore hope all our HRC family members have a great hunting season, and enjoy their dogs and the ability God has given them as well as training with an HRC group. Happy hunting, stay safe.

Salt Valley HRC - Joe Gioia, President,
 gioia@windstream.net.

For most of Salt Valley the hunt test season ended in August and hunting season begins. We made 4 HRCH's, 5 HR's and 5 SHR's. The Valley covered many judging assignments across 3 regions. It was a good summer, we laughed and cried, ate too much and stayed out to late at tests. Our HRC family is getting older but still growing, I hope growth will continue as we bring in new people next year. But for now it is the beginning of hunting season, hopefully everyone will be able to get out and enjoy sunrises with both two legged and four legged hunting partners. Good luck out there and be safe.

Salt Valley judges Chris Majka and Joe Gioia were honored to judge these two young handlers

REGION 14

Kate Szilard

Cascade HRC - Pam Ulsh, President, prescascadehrd@gmail.com.

Is that the smell of fall in the air or is it wishful thinking? After a great year of training days and hunt tests the Pacific Northwest is moving into upland and waterfowl season and everyone is excited. It is time to put the new learning and more polished skills to work.

Cascade and Whistling Wings coordinated their time and talents to host another great hunt test in August. The weather cooperated and wasn't too, too hot and was totally dry. A huge thanks to all the judges who gave their time to judge and to the members of both clubs who pitched in to help out. It is wonderful that the clubs have so many people who are willing to pitch in. There were many title baths given including 9 handlers at Started on Sunday. Additionally, titles were awarded at Finished to Lee, Jim, and Christina and 1,000 points to Louise and Taboo! (I am sorry I do not have the complete list of titles and names.) The clubs were very happy to be able to provide another local opportunity for a hunt test.

Region 14 had so many great tests this year. Cascade members were able to judge and/or run at all of the events! Many other members were able to add skills at our training days and are looking forward to running next year (which will be here before we know it!) Thank you to all the clubs for great tests and experiences this year. Enjoy the fall training days coming up and the chance to get out while it is still light and dry before hunting season is upon us again

Lower Columbia HRC - Dave Carey, President.

Our hunt test season in the northwest has come to an end. It has been a good season. We are seeing new people coming in from California, Idaho, Montana and Utah. We are seeing good growth in the HRC program.

The air is a little on the smokey side here in Oregon. Lightning strikes have started a large number of fires. It hasn't dampened the upland spirit. Grouse and pheasants are keeping our hunters and their dogs busy. Turkey is open and

our weeklong early goose hunt has warmed up a few shotguns, just to whet your appetite for full on duck/goose season. Happy hunting with lots of luck.

Newaukum River RC - Submitted by Kate Szilard. Davie Berg, President, dkindle@mclanefire.org.

Hunt test season has come to an end in Region 14 and the Pacific Northwest. As we transition from hunt test season, to hunting and fall training it's important to take a minute to reminisce, celebrate our achievements, and plan our off-season training. When my boys played football, the coach had the same closing remarks at the end of the banquet each year. He said, "Next season begins now". That resonates for me when applied to dog training. At the end of the day, the season is not about how many ribbons are earned, but about how much progress we made, what we learned and how we prepare and move forward to achieve success next year. As you plan for next year, mark your calendar for the Newaukum River Retriever Club regular and upland tests, held in July, in Centralia, Washington. This year we celebrated HRC's 40th anniversary with Jambalaya for our Judges dinner and a little HRC history lesson at the Saturday night tailgate. We strive to have excellent grounds, ducks and judges and a lot of fun! We are grateful for the dedication and imagination of our members that make our test unique, like our signature homemade pies, made by the pie lady, Judy Lorenzo. Get it by the piece, win a whole pie at the raffle, or leave nothing to chance and buy your favorite whole pie before its gone. We hope we are enjoying a piece of pie with you at our next hunt test in July 2025.

Tasty *and* pretty

Northeast Washington Gun Dog Club - Submitted by Gina Goodrich. Dave Steinbach, President, newgdc.com.

The NEWGDC held it's Labor Day Hunt Test on the beautiful grounds of Burlington Ranch in Chewelah, WA. We had a great turnout with 53 dogs entered on Saturday 8/31 and 54 entered on Sunday 9/1. The temperature was a sweltering 98 degrees, but the handlers, dogs and judges held up well despite the heat. On Saturday, 14 out of 18 dogs passed in the Started test (judged by Holly Williamson and Ron Stahl); 6 out of 12 dogs passed in Seasoned (judged by John Gilbert and Ellen Ziegler), and 16 out of 23 passed in Finished (judged by Dave Steinbach and Doug Burt). On Sunday, 18 out of 22 dogs passed in the Started test (judged by Kate Szilard and Carol Black); with 6 out of 9 dogs passing in Seasoned (judged by Pete Szilard and Jeff Backstrom), and 14 out of 23 receiving a pass in Finished (judged by Fred Drennan and Davie Kindell Berg).

The Saturday night barbeque, awards dinner and raffle/silent auction was enjoyed by all. The club raffled and auctioned off some amazing prizes; gift baskets, hunting gear, wine, beverage cooler, with Dana and Kris Schmidt's' wild honey drawing many bids. We handed out loads of ribbons, and of course, there were a number of dogs that titled which earned the handlers the traditional water bucket!

A huge thank you to our judges, bird techs and all those who helped to make this a successful hunt test. Special thanks to Mark and Allyson Burlington for offering the use of their top-notch training and test grounds in Chewelah, WA. Hunting season is just around the corner, so our club will put training days on hold. But we look forward to seeing you all at next year's training days and events!

Jim Reeve and Nick Schiele earned Season titles and the water bucket!

Salt Chuck HRC - Submitted by Wendy Tisdale. David Aberdeen, President, schrcwebmaster9.wixsite.com.

Members of the Salt Chuck HRC club have been enjoying a busy summer with their dogs. We have had a great selection of CKC hunt, working tests and field trials to choose from! There have also been some fantastic seminars hosted by the various retriever clubs and held on the multi training grounds we have access to here on Vancouver Island.

A few of our members travelled south across the border to compete with their dogs in HRC tests in the USA. At the Lower Columbia Quad Upland tests at the end of July "Ninja" bred, owned, trained and handled by Mary Shillabeer, earned both her UHCH and 500 points. It was a fun weekend, for both Mary and Ninja passing all four tests! Ninja - HRCH UHCH; Can OTCH GMH Zaniri Dare I Say More Can WCX MH19

JFTR CGN; Am CCA WCX

Rick and Louise Roberts were also busy this summer and hit some great HRC milestones with their GoldnGun dogs. Boo - HRCH UHCH NMH GMH GoldnGun Shots Before Daylight QFTR WCX CDX made the 1000 Pt Club at the Cascade HRC test in August. Patron - HRCH UHCH GMH GoldnGun Dare's Ode To Tequila QFTR WCX CDX and Selkie - HRCH GoldnGun Marshland Selkie MH both made the 500 pt club in July. We are keeping our fingers crossed that the fall brings some warm dry days for hunting and training with our 2 and 4 legged partners!

Sylvia Lawson joining the 500 point club with Cider at the June WWHRC test.

Rick getting wet for Selkie's 500 points!

Mary Shillabeer's 'Ninja'.

A happy smile despite wet clothes

Spokane Bird Dog Association - Submitted by Carol Black. John Gilbert, President, dogman7805@hotmail.com.

OSBDA started the discussion about hosting an HRC Hunt Test in 2025 and is working on our calendar in coordination with NEWGDC. SBDA's full retriever calendar of events will be posted on the SBDA website by the beginning of the year. Events start happening in March 2025. In addition to hunt tests, join us at the Espanola Training Grounds for training days, a picnic test, a super singles, and a chukar challenge. Please consider volunteering your time to help orchestrate an HRC Hunt test, the old guard is getting older and older.

To recognize participation and achievement, SBDA awards annual high-point dog trophies for members who participate in HRC Hunt Tests, NAHRA Field Tests, our training days, and the picnic tests. If you are an SBDA member, email Carol Black about which events you attended and which hunt tests/stakes/state your dog qualified. An email explaining the trophies is sent to members in late October.

John Gilbert and Gusty at Seasoned Land Marks.

Cody Swanson and Bridger with judges Ben Thompson and Boyd Ulsh.

Don Benson and Rowdy with judges Davie Berg and Pam Duncan Ulsh.

Western States Boykin Spaniel Club - Doug Burt, President

Fall is coming! Hunt test season has wrapped up in the West and our attention is turning to hunting season. A number of members have reported passing hunt tests at all levels and many Titles have been earned! Congratulations to all who have challenged themselves and their dogs in HRC hunt tests. There will be a Club Pheasant Hunt Oct. 26th and a Training Day on Oct. 27th in Corning, California. All breeds are welcome!! Happy Hunting and Happy Training!

Doug Burt's dog Rowdy working hard

Elroy Olson preparing Ricky to run an Upland test on Sauvie Island, Oregon.

Whistling wings HRC - No report submitted.

HRC REGION UPDATES

The following clubs have been approved as of September 15, 2024.

**HILL SPRINGS HRC

Hunt Reports

The number of dogs who earned Champion points indicates those dogs participating who were UKC registered on the day of the hunt.

Attention Clubs! Your hunt report write-ups and photos must be sent to your Region Public Relations Rep to be included in your club's region report. This allows you to share your hunt & club news in one section!

This issue contains all 2023 Event Reports processed from July 15, 2024 through September 15, 2024.

Did You Know ...

UKC offers an Offspring Report that lists the registered names and birth dates of all UKC registered offspring produced by any given dog.

This report also includes:

- The names, cities and states of the registrants of those UKC registered offspring
- The total number of titles earned by those offspring

To order an Offspring Report, please visit our website at shop.ukcdogs.com

\$25 per report

Upcoming Events

UKC Licensed hunt dates are classified by type of Activity. The Activity types are "Regular Hunt" & "Upland Hunt".
The following clubs have confirmed their events from August 1, 2024 to November 30, 2024.

HUNTING RETRIEVER CLUB, INC. Point Club RECOGNITION PROGRAMS

The 500, 1,000, 1,500, 2,000, 2,500, 4,500 & 5,000 Club Programs are recognition programs for HRC members who own dogs achieving 500, 1,000, 1,500, 2,000, 2,500, 4,500 and/or 5,000 UKC Championship points in the HRC Hunt Test & Upland Hunt Programs.

The HRC member-owner of the dog must be a member in good standing with HRC, Inc. for a minimum of 12 months prior to the time the dog earns the qualifying Championship Points (500th for 500 Club & 1,000th for 1,000 Club, etc.).

HRC recognizes the 100 Championship points that count toward the retriever's HRC title & all additional points (including Preliminary Hunts) earned in Finished, Grand & Upland Hunt Tests toward the Point Clubs.

The Programs consist of the awarding of a specially designed distinctive jacket

Following are additions to the list of all dogs & their owners that have met the qualifications for the clubs, compiled as of September 15, 2024.

Dog's Name

Breed/Owner(s)

500 Points

GRHRCH KESS'S ROYAL FLUSH	LR/JACOB F SCHMITT
HRCH UHCH GOLDNGUN DARE'S ODE TO TEQUILA	GR/ LOUISE & RICK ROBERTS
HR HRCH MURRAY'S BLACK JAGUAR	LR/JORDAN BLAKE & DON MURRAY
CPR HRCH UHCH JOE'S MIGHTY ELI	LR/JOE GIOIA
HRCH UH GOLDNGUN MARSHLAND SELKIE	GR/LOUISE & RICK ROBERTS
HRCH UHCH RYDER MUDDY RIVER	LR/ANTHONY WAKELAND
HRCH UH ROUX'S MOONSHINE PUPSICLE POPI	LR/RICHARD C CARPENTER

embroidered with the HRC logo, owner's name & the qualifying retriever's name. Only one jacket will be awarded for each 'qualified' dog. However, additional jackets may be purchased by the owner through the HRC Administrative Secretary. This is to allow co-owners, spouses, family members, handlers, etc. to participate in the recognition of the accomplishment of the dog.

A Certificate of Accomplishment & Letter of Congratulations will be issued & sent to the 'qualified' dogs announcing their induction into these prestigious Clubs. An order form for the jacket will be included with the Certificate.

It is the desire of HRC & UKC, due to the significance of the accomplishments of these Hunting Retriever Champions, that the jackets be presented at a ceremony to the recipients at a National HRC event/by their home HRC Club with special ceremony.

Direct questions to Tammy Cobb, HRC Administrative Coordinator, at 269-364-2054/ tcobb@hrc.dog

Scholarships

Grants

Education Seminars

General Fund

SPECIFY IF THE CONTRIBUTION SHALL BE DESIGNATED TO A SPECIFIC BENEFICIARY: _____

If no designee is desired, the contribution will go to the HRC Foundation, Inc., to support grants to canine medical research programs at various Universities and Colleges in addition to awarding college scholarships to HRC members and/or dependents of HRC members, to fund HRC Education Seminars and to fund general operations of the foundation.

Thank you for your generosity and thoughtfulness. Memorial contributions will be reported in the Hunting Retriever Magazine and will become a part of the permanent record of the HRC Memorial / Honor Program.

Notice of Suspension

UKC makes every attempt to maintain an accurate and up-to-date "Notice of Suspension" list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual's disciplinary status. UKC can only confirm or deny a person's disciplinary status and cannot provide details on that person's case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
5. They are barred from holding office in any UKC approved club or association.
6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).
8. They are barred from advertising in any UKC publication or UKC internet site.

Any violation of these sanctions or any other UKC rule or policy during the time period in which the individual is barred or suspended may result in their being suspended indefinitely.

Revised April 18, 2018

CARPENTER, Alan, Traverse City MI • Indefinite Suspension • GABRIEL, Mary, Farmington Hills MI • Indefinite Suspension
KELLY, Robin, Malvern AR • Indefinite Suspension • NELSON, Earl Ed, Sioux Falls SD • Indefinite Suspension
POLK, Gene, Jr., Corinth MS • Indefinite Suspension

 ***UKC/HRC approved clubs receive two ads for the price of one and include free ad design

Ads for dogs, kennels and trainers will be placed in the Duck Blind section.

Include UKC registration number for each dog in advertisement.

ATTENTION ADVERTISERS

YOUR ADS NEED NOT BE CAMERA READY! LET OUR TALENTED DESIGNERS PREPARE YOUR AD TO YOUR SPECIFICATIONS. Prior to submitting "camera ready" advertising copy to HUNTING RETRIEVER magazine for publication, please call the advertising department at (269) 343-9020 for specific guidelines.

UKC accepts all advertisements placed in HUNTING RETRIEVER in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers.

Please note: The use of trademarked or copywritten material without the authorization of the owner or any licensee is a violation, and leaves the advertiser and publication open to lawsuits, monetary damages and attorney fees.

PHOTO REQUIREMENTS

- Photos sent via e-mail must be at no less than 300 dpi and sent in tif or jpeg format.
- We prefer to not use printouts of low-end digital photos. We will evaluate any that are sent in and notify you if we question the quality.
- If hard copies of photos are being submitted, photos in the form of 35 mm glossy prints reproduce the best. Please note: do not cut your photos. If you want them cropped, just indicate how you want them cropped. We will crop them electronically without harming the original photo.
- Please include a stamped, self-addressed envelope to ensure the return of your valuable photos.

HUNTING RETRIEVER EDITORIAL/ADVERTISING CALENDAR

Attention all HUNTING RETRIEVER readers!

To ensure that your advertisements and articles appear in the issue desired, all material must be in our office no later than 4:30 p.m. (Eastern Time) on or before the following deadlines.

DEC/JAN
Deadline: November 15
 December/January – Deadline: November 15
 Highlights/Themes: Fall Grand (tentative)

FEB/MAR
Deadline: January 15
 February/March – Deadline: January 15
 Spring Grand Premium (tentative)

APRIL/MAY
Deadline: March 15
 April/May – Deadline: March 15

JUNE/JULY
Deadline: May 15
 June/July – Deadline: May 15
 Highlights/Themes: Youth / Fall Grand Premium (tentative)/
 Spring Grand (tentative)

AUG/SEP
Deadline: July 15
 August/September – Deadline: July 15
 Highlights/Themes: HRC Stud Dogs / Top Producing Sires

Major credit cards accepted for advertising payments and memberships.

Procedures & Schedule for Ordering Purina Dog Food for Hunt Tests*

- The schedule for ordering has changed and deviations from the schedule for order due dates are no longer available.
For those tasked with ordering the Purina dog food for their club's hunt test, please use the following information and guidelines to ensure you receive the dog food for the hunt test.
- The order **must be received** by the deadline date listed below.
- The hunt test application must be submitted to UKC, along with the application fee and appear on the UKC Calendar of Events on the UKC website before the order will be placed with Purina.

Ordering schedule for 2024/2025

Month Of Hunt Test	Date Order Is Due
March 2024	January 2, 2024
April 2024	February 1, 2024
May 2024	March 1, 2024
June 2024	April 1, 2024
July 2024.....	May 1, 2024
August 2024.....	June 1, 2024
September 2024	July 1, 2024
October 2024.....	August 1, 2024
November 2024.....	September 1, 2024
December 2024	October 1, 2024
January 2025	November 1, 2024
February 2025	December 1, 2024

All of the information on the order form must be completed. There needs to be two different contact phone numbers. If the delivery service cannot reach anyone to confirm delivery, they will not deliver the order. You must also include the zip plus postal code. There is a link on the HRC website to USPS Zip Code Lookup.

If you are having the order delivered to a residence, there has to be someone home in order to receive the delivery, and the accepting person is expected to unload the food off the truck or pay the lift gate service fee to the delivery company.

All of the above information is also available on the HRC website, www.hrc.dog Please contact Tammy Cobb - HRC Administrative Coordinator if you have questions. Phone: (269) 364-2054, Email: tcobb@hrc.dog

*U.S. Clubs only. Purina Support is not available in Canada.

Rev 7/15/2024

The order form is on the HRC website
www.hrc.dog
