Dear Members,

May has arrived, and with it, a wave of energy at the Club! As the weather warms, our facilities and activities are opening for another fantastic summer season.

At our most recent Board meeting, the Long-Range Planning Committee provided an update on the development of a 5-year capital spend plan. This plan outlines both necessary projects and aspirational improvements designed to keep our Club thriving for years to come. We look forward to sharing more details with you in the coming months.

In addition, the Board reviewed the Club's first-quarter financials. I'm pleased to report that we are operating better than the budget and ahead of where we were at this time last year!

Memorial Day weekend will kick off the summer season in style, with the pool reopening, ready to show off its new tile and complete deck makeover. It's the perfect spot to relax and enjoy time with family and friends.

Mark your calendars for some of May's key events:

- **Spring Fiesta – May 2:** Join us for an evening of delicious Mexican cuisine!
- **Roy Lalonde Tournament – May 10:** The opening tournament of the golf season.
- **Annual Finance Meeting – May 15:** An important opportunity to review the Club's financial health.
- **Men's and Women's Golf Leagues** – Both leagues are set to tee off this month.

Looking ahead, don't miss the highlight of the summer: Blues, Brews & BBQ on June 14. It promises to be an unforgettable evening, so be sure to save the date!

Thank you for your continued support. Your involvement is what makes Inverness Golf Club such a special place. I'm always happy to hear your feedback; feel free to reach out anytime.

See you at the Club!

Sincerely,

**Scott Beutler**

President

## IGC &amp; NCA PARTNERSHIP ANNOUNCEMENT

Inverness Golf Club is thrilled to welcome back students and staff from New Connections Academy in Palatine for our fourth year in a row! This continued community partnership with NCA will serve as a pre-employment site for students enrolled in NCA's summer vocational training program. This vocational experience will take place at Inverness Golf Club from June 10 - July 10 between 9:30 AM - 1:15 PM. The goal of this collaboration is to provide NCA students with community-based education, an opportunity to practice a variety of vocational skills in a new setting, and diversify the hiring practices at IGC.

New Connections Academy provides educational, therapeutic, and vocational services for children identified with Autism Spectrum Disorders (ASD). These students may be identified with Autism (previously Asperger's Syndrome and Pervasive Developmental Delay), Emotional Disturbance or other special education classifications. New Connections Academy serves students ages 6 - 22 placed by local school districts. New Connections Academy provides school, family, and community partnerships leading to successful learning.

Over the past several years, IGC, NCA, and FUTURE have worked closely together to identify vocational tasks throughout the club, support students with the application and interview process, and provide orientation and training to prepare participants for this time-limited training program.

Please join us in welcoming these young adults and NCA staff for another summer when you see them around the club!

If you have any questions, please feel free to reach out to the IGC board or Lyndsay Palach Shelton.

A NOTE FROM THE GM **Charlie Smith**, GM/COO

Dear Inverness Golf Club Members,

As spring arrives in full swing, we're delighted to announce the official start of the 2025 Inverness Golf Season. League Play and the Roy LaLonde Golf Tournament mark the beginning of what promises to be another exceptional year on the course.

## DRESS CODE &amp; CLUB ETIQUETTE

As we return to regular play and social gatherings, we kindly remind all members to review the Dress Code and Etiquette guidelines on pages 4 and 5 of the 2025 Events Book. These standards help maintain the welcoming, respectful environment that defines our Club. Please pay particular attention to policies regarding baseball caps and collared shirts when visiting the Highlands or any indoor dining spaces.

## PATIO ENHANCEMENTS – A FRESH LOOK FOR THE SEASON

We are pleased to share that the patio has undergone a thoughtful and stylish refresh during the winter months. New black awnings were installed in April, the wood trim has been repainted, and damaged windows repaired. To complete the update, black and white striped umbrellas and 2-inch thick seat cushions have been added—elevating both comfort and visual appeal. We invite you to enjoy this beautiful setting for lunch, dinner, or a relaxing cocktail as the weather warms.

# Welcome to the Team!

**JOE HILLENBRAND**, Assistant Golf Professional, was born and raised in Palatine, Illinois, and graduated from Palatine High School in 2011. "My love for golf began before I could even stand, with my earliest memories being of my father and me hitting balls into the pond at Twin Lakes. From that moment, I was hooked.

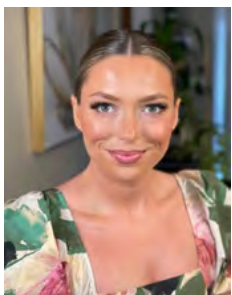

In 2020, during the COVID-19 pandemic, I married my incredible wife, Leah. With her unwavering support, I realized that my true calling was in the golf industry. In 2021, we made the bold decision to leave our friends and family behind and move to Hilton Head Island, South Carolina, so I could pursue a golf degree.

Since then, I've had the privilege of working at some remarkable places, including Berkeley Hall, Harbour Town, and TPC Southwind in Memphis, Tennessee—the host of the FedEx St. Jude Championship. These experiences have provided me with invaluable knowledge and connections in the golf world.

Now, I'm beyond thrilled to be back home in Palatine and to be part of this exceptional club. I'm eager to share my experiences and bring a fun, engaging atmosphere to the course. I look forward to meeting everyone and making golf an enjoyable experience for all."

**LINDSEY ANDERSON**, Director of Catering & Events, has been part of the hospitality industry nearly all her life, having begun at age 9 when her father opened a restaurant in her hometown of Hampshire, IL. Since then, she's worked in private clubs, conference centers, hotels, as well as both casual and fine dining restaurants. Along with Event Management, she has vast experience in the operations of Food & Beverage, Housekeeping, and Maintenance. "I'm passionate about providing exceptional service and going above and beyond for members and their guests," she says. When she's not working, Lindsey enjoys fishing, clay target shooting, and spending time with her family at their lake house in Wisconsin.

**ANNIE KAMPS**, Aquatics Director, is a M.S. graduate from Illinois State University where she pursued instructional and interpersonal communication while working as a collegiate communication instructor and group fitness trainer. No stranger to recreation and fitness, Annie has held multiple positions teaching group fitness, aqua fitness, and lifeguarding courses

over the years. In her free time, Annie enjoys spending time with her two dogs, Ellie and Benjamin, competing in the Miss America Organization, and eating lots of spicy pickles! Follow her on instagram to keep updated with her journey @official\_anniekamps!"

## STAFF NEWS

We are thrilled to share that Josh Pius has been honored by the Illinois PGA Section with a Special Award in recognition of his outstanding contributions to the game of golf!

This prestigious recognition highlights Josh's dedication to growing the game, his professionalism, and his impact on our golfing community. His passion for teaching, mentoring, and elevating the experience for players of all ages is truly inspiring.

Please join us in congratulating Josh on this incredible achievement. We are thrilled to celebrate his well-deserved recognition and are grateful to have him as a leader and mentor at our Club.

### DEACON PALMER AWARD

The Illinois PGA Section proudly announces Josh Pius the Head Golf Professional of Inverness Golf Club as the recipient of the prestigious Deacon Palmer Award. This distinguished honor recognizes individuals who personally display outstanding integrity, character, and leadership in an effort to overcome a major obstacle in their life. This individual is an unsung hero/heroine at their facility and in their community. Pius's journey has been nothing short of inspiring.

Since surviving a heart attack in 2016, he has dedicated himself to making a lasting impact on the lives of others through meaningful initiatives and personal challenges. Reflecting on the life-changing event, Pius believes that in a lot of ways, his heart attack was the best thing to happen to him because it allowed him to dedicate himself to the causes that he feels are most important in life. Among his many accomplishments, Pius has made a significant impact through two standout initiatives. The first is Sunshine Through Golf for GiGi's Playhouse Clinics: Pius teaches clinics that introduce children with Down's Syndrome to the game of golf, fostering inclusion and skill development. His work through GiGi's Playhouse highlights the transformative power of golf in creating opportunities for all.

The second is Running for Team PGA Reach. In 2024, Pius joined Team PGA Reach to run the NYC Marathon, which featured 16 PGA Professionals, and raised funds and awareness for PGA Reach Foundation programs. A total of \$127,000 were raised by the team. Pius contributed \$12,000 to that total, the second highest of the team. This commitment to supporting the foundation's initiatives will continue as Pius will once again participate in the New York City Marathon in 2025.

The Illinois PGA Deacon Palmer Award celebrates Pius's resilience, passion, and unwavering dedication to positively influencing others through golf and community involvement. This award marks the first career Illinois PGA special award honor of Pius' career.

# Extra Challenge

And now, a public service announcement from your golf course superintendent.....take a closer look at your tee markers before teeing off. This season, we've added a new set of "championship" tee markers for those golfers looking for the extra challenge of playing the course from the tips. These new markers are positioned behind the existing "member" tee markers and towards the back of the farthest tee box on each hole. To help you spot them, look for a blue dot in the center of the logo, in contrast to the black dot found on the member tee markers. So when you're stepping up to the tee, remember to take a quick look down..... you might have more options than you think!

To get the latest updates on course conditions, be sure to follow the IGC Grounds Department on Instagram at @igcgrounds. As always, please feel free to contact me with any additional questions you may have.

**CADDIE CORNER** Jeff Steele, Caddie Master

## Caddie Training

This past month, 40 new Caddies took part in a three-day Caddie Training Class. This class provided a valuable opportunity for aspiring caddies to learn the fundamentals of the role in a hands-on, supportive environment. The event combined classroom instruction with on-course training, covering everything from golf etiquette and club selection to reading greens and effective communication. A heartfelt thank-you goes out to the members who generously volunteered their time to mentor and guide participants throughout the training. Their involvement not only enriched the experience but also helped foster a sense of camaraderie and community between members and future caddie staff. Caddies are a great addition to your game—please support their growth and consider using them during your rounds this season!

If you are interested in continuing their training augmentation and being a mentor for this group, please let us know and we will match you with a new "B" caddie. Class "B" Caddies are the beginner caddies (remember, every Honor Caddie started here). As young recruits, they need practice, understanding and encouragement as they develop the core values of caddying. "B" Caddies can be identified by their hunter green caddie bibs.

Class "A" Caddies are usually the younger, less experienced caddies who have some experience and earn ratings of "Satisfactory" and "Good" from golfers. They have the desire and aptitude to become Honor Caddies and are capable of handling double loops. "A" Caddies wear silver bibs.

Honor Caddies have earned their rating by faithful attendance, outstanding work and help in training younger or less experienced caddies. These caddies know the duties and responsibilities of caddying and have a record of consistent high-quality performance. IGC Honor Caddies can be identified on the course by their blue bibs.

**"B" Caddies**  
Hunter Green

**"A" Caddies**

**Honor Caddies**  
Blue

Of note, caddies are assigned based on the time stamp on your golf reservation on Foretees. Last minute caddie requests may or may not be filled based on availability. I will always do my best to be as accommodating as possible.

I would also ask that everyone complete the caddie rating cards and note areas that still need improvement so that I can address your concerns with the caddies.

### IGC CADDIE PROGRAM GOALS

**CONTINUING** the IGC legacy for Caddie Program excellence through quality training and member training augmentation.

**IMPROVING** the member golf experience.

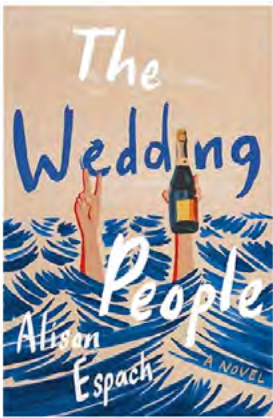

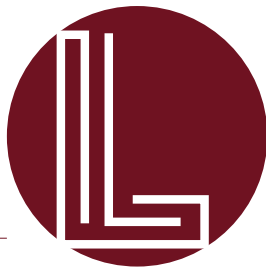

**MAINTAINING** the high quality conditions of the course.

**ENABLING** the development of young women and men through social, scholarship and scholastic modeling in youth employment.

**CONTRIBUTING** to the welfare and wellbeing of our neighboring communities through youth employment and scholarship opportunities.
