Rural Health Camp - Arogya Shibir, Chimanpurvadi

On **2nd Feb**, as part of our Masik Gramin Gatividhi, Sevankur Bharat, in collaboration with Government Medical College and Hospital, Ch. Sambhajinagar, organized a **Health Camp at Chimanpurvadi and Jogwada**. **66 students** from four medical colleges, along with four consultants, participated in the camp.

These camps are more than just medical check-ups, they offer students **hands-on experience** through interactive activities, surveys, and group discussions, helping them improve their **communication skills** under the guidance of expert consultant doctors.

Every visit is a step toward **better healthcare** and a stronger connection with the community!

2

“Apna Ghar” Ashram Visit, Mumbai

On **2nd Feb**, the Sevankur Bharat GGMC & JJH team visited **Apna Ghar Ashram, Vasai**, for a heartwarming small camp dedicated to spending quality time with our elderly friends.

We aimed to bring **joy and warmth to their hearts** through simple yet meaningful activities like listening to their life stories, serving meals with love, playing games, and offering companionship.

This visit was not just about service but about **creating a bond**, showing respect, and reminding them that they are **valued and loved**.

3 A Drop of Kindness: Blood Donation Drive

Sevankur Bharat, in association with **Respected Deva Tambe Sir**, organized a **blood donation camp** at **Taljai Tekdi near Swargate**. **Six volunteers** stepped forward to donate blood, contributing to the spirit of Seva. After the camp, we explored the serene surroundings of Taljai Tekdi and visited Taljai Mata Mandir, reflecting on the day's **meaningful service**.

This initiative nurtured **leadership and responsibility** among volunteers.

4 Government Medical College, Ch. Sambhajinagar came for DHR Visit

On **9th Feb**, Sevankur Bharat's team from Government Medical College, Chhatrapati Sambhaji Nagar, came for a **Dhr visit**.

This visit gave students a chance to learn about the hospital's journey. **Dr Pratibha Phatak** emphasized the need for doctors in tribal areas. **Dr Sachin Kuchiya** guided students on **social responsibility**, while **Dr Yatindra Ashtaputre** explained how Sevankur Bharat nurtures **socially responsible doctors**. The highlight was meeting **Dr Ashwinikumar Tupkari**, one of the **founders** of DHR Hospital.

5 Celebrating Innocence: A Day with Seva Vasti Kids

On **9th February**, students from **Chhatrapati Shahu Maharaj Ayurved College (CSMSS)**, Chhatrapati Sambhajinagar, conducted a **Weekly Learning Session** at **Guruvaraya Lahuji Salve Health Center**. The aim was to guide young children in their studies, engage them in games, and support their **overall growth**.

The session included **interactive learning**, where students helped children overcome **academic challenges** through fun activities.

Through such initiatives, Sevankur Bharat continues to **nurture young minds** while instilling the spirit of seva in volunteers.

6

Introduction to Sevankur Bharat at Smt Kashibai Navale Medical College, Pune

We organized an **Orientation to Sevankur Bharat** for the 2024 batch of SKNMC and GH. The session was guided by **Dr Mukteshwar** from BJ Medical College, who **inspired** students with his **talk on "One Week for Nation."**

For the first time in the college's history, **134 out of 150 students** have shown deep interest in DHR and are **eager** to be part of Sevankur Bharat.

This overwhelming response reflects the growing spirit of seva among future doctors, **strengthening** our mission of **service and leadership**.

7

Parbhani Medical College comes for DHR Visit

On **8-9th February**, **Parbhani Medical College** came for a DHR Visit. Students explored the hospital's Operation Theatre, Cancer Lab, and various departments, learning about **selfless service** in healthcare.

They were deeply inspired by senior doctors who continue to **serve even after retirement**. The visit helped students understand patient care, medical ethics, and the role of compassion in medicine.

8

Movie Night : SBHGMC Dhule Get-Together!

On **20th February**, **70 students** gathered for a special screening of **Chhava**, a film based on the life of **Chhatrapati Sambhaji Maharaj**. This event was guided by Consultant **Dr Nitin Patil**.

We first met at Shri Ram Lata Hall. With laughter and excitement, we headed to the theatre, eagerly awaiting the film. As the story unfolded, we were completely immersed and moved by the **courage, sacrifice, and resilience of Sambhaji Maharaj**.

This outing strengthened our bond and reminded us of **our rich history**.

9 Chhaava : Movie Time, KG Mittal Ayurved College

On **22nd February**, students of **Smt. K.G. Mittal Ayurved College** had the opportunity to watch Chhava, a grand historical film based on the life of Chhatrapati Sambhaji Maharaj.

The film brought to life the **bravery and sacrifices of the Maratha warrior**. Witnessing this inspiring story filled our hearts with pride and deepened **our love for the nation**.

This experience helped us connect with our glorious past while enjoying a great time together.

10 Shaping the Future of Healthcare : Brainstorming Session

On **23rd February**, the 16th Brainstorming Meeting took place **in Pune**, with the Ranchi team joining us. Students from **Bharat Ratna Atal Bihari Vajpayee Medical College** expressed their interest in joining future initiatives.

A team from **BJ Medical College** also visited and interacted with everyone. **Dr Shrikrishna Chaudhary (DNB Medicine)** showed keen interest in **joining One Week for Nation (OWFN) in Jashpur Nagar**.

11 Uniting Doctors for a Greater Cause

On **23rd February**, we connected with over **80 esteemed doctors** at the **Chembur Bhaag Sampark Vibhag** gathering. **Dr Aarti Adhe** shared insights on national healthcare projects, while **Dr Mayuri Athave** and **Dr Preeti Saraf** reflected on their **inspiring journeys** with Sevankur.

Many doctors **showed interest** in One Week for Nation (OWFN) and our initiatives.

This event **strengthened our mission** of bringing together socially conscious healthcare professionals **dedicated to seva and nation-building**.

12

Honoring Maa Godavari: A Sacred Evening of Faith and Service

On **24th February**, Sevankurites from the **Nashik division** gathered at Panchavati for a spiritually enriching **Goda Aarti**. Students from **VPMC, KBH Dental, Sapadhrungi Ayurved, and ASS Ayurved colleges** joined in devotion.

ISKCON's **Shri Narasimha Kripa Prabhuji** shared insightful guidance, while **Shri Nanaji Phad** and **Shri Jayantji Gaydhane** added to the **wisdom of the evening**.

This gathering was a reminder that seva is not just service, it is a **spiritual journey** that **connects us all**.

13

Sevankur Bharat Reaches Netaji Subhash Chandra Bose Medical College, MP

On **27th February**, a special session on Sevankur Bharat was held at **Netaji Subhash Chandra Bose Medical College**. Organized by Madhya Pradesh Medical Science University, the event brought together **students from Sukhsagar Medical College, Hitkarini Dental College, Government Ayurveda College, and Netaji Subhash Chandra Bose Medical College**.

Dr Pushparaj Baghel introduced Sevankur Bharat and One Week for Nation (OWFN), encouraging students to join. **Dr Navneet Saxena** highlighted the need for **service-driven doctors**, while **Shri Prashant Pol** shared insights on **India's deep-rooted spirit of seva**. **Dr Ashwinikumar Tupkari** spoke about Sevankur's journey and the **values that guide its mission**.

This event strengthened the **vision of Seva**, inspiring students to take part in One Week for Nation and contribute to the **country's healthcare service**.

Governor Applauds Sevankur Bharat's Work in Rural Healthcare

Maharashtra Governor C. P. Radhakrishnan praised Sevankur Bharat for its incredible work in providing free healthcare services to rural and tribal communities across India. He emphasized that if every citizen dedicates just one week to serving the nation, India will reclaim its past glory.

We are truly honoured that our Governor appreciated the selfless efforts of our medical student volunteers during One Week for the Nation. Throughout this journey, we respected different cultures, celebrated diversity, and went beyond borders to serve. We adapted, adjusted, and made the most of every chance to bring hope, kindness, and smiles to those who needed it the most.

During the event, the Governor honoured the creators of the short film, including Swayam Talks founder Naveen Kale, co-founder Ashay Mahajan, and writer-director Omkar Dhere. Jackie Patel, who provided financial support for the film, was also felicitated.

The event was attended by key members of Dr Babasaheb Ambedkar Medical Foundation, including Chairman Dr Satish Kulkarni, Dean Dr Swati Shiradkar, Secretary Dr Ashwini Kumar Tupkari, and several young doctors.

15 Spreading Joy Through Seva at Anandalaya

On **23rd February**, Sevankurites from Nashik visited **Anandalaya**, a senior citizen care centre, as part of our seva initiatives. The session began with inspiring talks by **Heramb Govilkar**, who spoke about **culture and service**.

Dr Omprakash Kulkarni, a **NASA Ambassador** and scientist with 23 patents, shared his journey and passion for seva.

Students also learned about Anandalaya's work and spent meaningful time **engaging with the elderly**.

16 Uniting Through History : Chhava Movie Screening

On **19th February**, 33 students from **GMC Nandurbar** came together to watch Chhava, a powerful film based on the life of Chhatrapati Sambhaji Maharaj. This initiative was led by **Dr Nikunj Shah**.

Beyond the movie, this event **strengthened bonds between students**, introduced them to Sevankur's **guiding values**, and encouraged them to meet again at the upcoming weekly Milan.

We returned home with **a promise to stay connected and committed to service**.

17 Learning to Lead: A Journey of Service Unfolding Before Our Eyes

On **21st February**, Nashik division of Sevankur Bharat came for a DHR visit.

This visit was about observing and **gaining hands-on experience** in the medical field. Students learned about **advanced healthcare systems**, patient care, and the values of selfless service (seva).

With guidance from mentors, students understood how to treat patients with compassion and develop a **socially conscious mindset** as future healthcare leaders.

18

A Bridge to Service: Our Loving Friend, Dr. Sachin Kuchiya Leads with Heart for Sevankur Bharat in Madhya Pradesh

The **partnership** between Madhya Pradesh Medical Science University and Sevankur Bharat has found a **powerful friend**, a person of **profound dedication** and immense value, in **Dr Sachin Kuchiya**, a respected **Professor and Controller of Exams, MPMSU Jabalpur**.

His vision for the healthcare system is rooted in **compassion** and **selfless service**. This resonates deeply with our principles, as he propels our expansion across Madhya Pradesh.

We are blessed and touched to host our friend at Dr Hedgewar Rugnalaya from **February 7th to 10th, 2025**, where he experienced firsthand the **transformative power** of our programs.

His recent engagement with our curious students at Government Medical College, Sambhaji Nagar, was met with **eager anticipation**.

This lovingly underscores his **simplicity and dedication** to **inspiring** the next generation of **healthcare leaders**.

19

Breaking Barriers, Building Bonds: Chhattisgarh's Sevankur Bharat at Rajim Kumbh

On **February 23rd, 2025**, a **powerful wave** of selfless service swept across the sacred grounds of **Rajim Kumbh (Kalp)**. Sevankur Bharat's Chhattisgarh Prant hosted a **transformative health camp**.

We were deeply moved and humbled by the **unconditional support** of our **eighty** enthusiastic medical students, who arrived from **six different colleges**, with eight experienced clinicians.

Their willingness to dedicate their time and skills felt like a blessing, reminding us of the immense power of **collective compassion**.

Together, this team provided vital health assessments for **120 pilgrims**, sharing crucial knowledge on **hand hygiene, menstrual hygiene, and sanitation**, laying the foundation for healthier communities.

We aim to see a future where preventive healthcare is **accessible to all**, where every individual can live a life of **dignity and well-being**.

The day was further blessed with a soul-stirring darshan of **Shree Rajiv Lochan Prabhu**. As the sun began to set, our medical students, clinicians, and local karyakartas gathered at the **Saraswati Shishu Mandir** to share a meal, prepared with **immense love** by the **hands of the villagers**.

The **warmth** of their hospitality, the **unconditional love** poured into every dish, created a stronger Sevankur Bharat - Chattisgarh **bond** that goes **beyond words!**

20

Sevankur Bharat Raipur Roundup: Games, Talks, and Real Connections

On **February 16th, 2025**, a lively group of **30 medical students** gathered at **Gandhi Udyan in Raipur**. They had a fantastic mix from Shri Balaji Institute of Medical Sciences, **Pt. Jawaharlal Nehru Medical College**, and **AIIMS Raipur**.

They kicked things off with some seriously fun games that got them thinking strategy and working **as a team**.

There were laughs, challenges, and a real sense of unconditional love and friendship.

Then, there was heartfelt discussion about successes and the **art of dealing with failures**.

The conversation was honest, insightful, and genuinely moving. They shared personal stories, **offered encouragement**, and **learned** from each other's **experiences**.

It was a day that left them feeling **inspired**, connected, and reminded them that they are all in this together. They walked with a sense of **shared understanding** and a **feeling of warmth**.

We Thank Our Medical Student Volunteers - Feb 2025

"The progress of a nation depends not on the accumulation of wealth, but on the selfless service of its people."

-Lal Bahadur Shastri

True service is more than just a duty, it is a heartfelt commitment to uplifting lives and bringing hope to communities that need it the most.
