Meals on Wheels[™]

YOUR INVITATION

By joining us to celebrate the 70th Anniversary of Meals on Wheels™ in Queensland, you are helping to deliver **more than just a meal**; you are providing practical support and meaningful connection to older and vulnerable Queenslanders across our state.

As a Partner or Sponsor in this milestone year, your organisation demonstrates a genuine commitment to social impact. You are supporting the right of every Queenslander to live independently in their own home, while remaining connected to the communities they know and trust.

Through your involvement, you will strengthen relationships with stakeholders, engage team members and visibly align your brand with one of Queensland's most trusted community organisations. Most importantly, you will help ensure these vital connections continue for future generations.

I warmly invite you to join us in celebrating **70 years of nourishment, connection, and care**. Together, we can ensure that Meals on Wheels continues to support Queenslanders for many years to come.

PLATINUM ANNIVERSARY DINNER

Wednesday, 26 August
The Queensland Art Gallery

Hosted by a 612 ABC Radio Brisbane presenter, this celebratory evening marks National Meals on Wheels Day with immersive storytelling, networking, and a charity auction to support our future.

Over a premium three-course meal and drinks, your table of 10 will include at least two volunteer guests, offering a firsthand look at the community impact you help create. To further personalise your support, you may choose to host additional volunteers or nominate that volunteers from a specific Member Service be your guest.

70TH ANNIVERSARY BOOK

To mark this milestone, we are producing a commemorative publication: **70 Years of Seasoned with Care**. Interweaving 70 years of history with powerful personal anecdotes, this legacy piece will be officially launched at the Anniversary Dinner and made available for sale within the Meals on Wheels network and to the public.

The book captures the spirit of our journey, from our first meal in Ipswich in 1956 to the present day, and celebrates the volunteers who have built a powerful legacy of connection and care across Queensland.
