RIDING STABLES AT MCNAUGHTON PARK

UNDER RENOVATION, SET TO REOPEN IN 2026-2027

The Riding Stables at McNaughton Park are currently closed as the facility undergoes significant renovations and improvements under new management. The Pekin Park District has announced that Dead Broke Ranch, LLC has officially taken over management of the property and is leading a comprehensive restoration effort designed to serve the community for years to come.

A Long-Term Investment in Quality and Care

Since November 2025, Dead Broke Ranch has been focused on modernizing and restoring the stables with long-term safety, functionality, and growth in mind. Renovations include:

- New electrical and plumbing systems
- Improvements to barns and upgraded stall spaces
- Enhanced arenas and riding areas
- Updated fencing and turnout spaces
- Field improvements and reconfigured layouts

These upgrades are centered around creating an efficient, horse-first environment that prioritizes quality care, consistency, and thoughtful daily operations.

Boarding Services Coming Spring 2026

The first phase of reopening is anticipated in Spring 2026, when boarding services will begin welcoming clients. Riders can expect upgraded stalls, improved feed and tack areas, and a professionally managed facility committed to steady horsemanship and dependable care.

This phase marks an important step toward reestablishing the stables as a trusted destination for local equestrians.

Public Trail Riding Planned for Spring 2027

Public trail riding operations are projected to launch in Spring 2027, once facility upgrades are complete and horse programs and trail routes are fully developed. By taking a phased and intentional approach, Dead Broke Ranch aims to ensure a safe, enjoyable experience for riders of all levels.

Building for the Future

This project is more than a renovation—it is a long-term restoration designed to strengthen equestrian services in Pekin. With careful planning, improved infrastructure, and experienced management, the Riding Stables at McNaughton Park will once again provide a welcoming place for learning, riding, and building horsemanship skills in a safe and thoughtfully designed environment.

Community members are encouraged to follow Dead Broke Ranch on Facebook for updates and news as renovations progress!

PEKIN ARCHERS, INC.

Located off of Rt. 98, in Pekin Park District's Dirksen Park. Pekin Archery Range offers a variety of ways to enjoy this great sport and hone bow-hunting skills. Pekin Archers are dedicated to promoting good sportsmanship and perpetuating the sport of archery. The range boasts a 4-star NFAA range and is home to many accomplished archers. Pekin Archers and Pekin Park District have a partnership on the use of this land for a range. Safety is a priority and thus an experienced archer must be on sight when the range is in use. A part of this relationship allows residents of our community to use the range to shoot a bow and arrow into a target. Another part of this partnership includes Archers from the Club teaching group archery lessons to those registered through the Pekin Park District classes in the Spring and Summer sessions.

Becoming a member of the club is easy. Just visit Pekin Bass and Bow on Derby St. in Pekin, or Presley's Outdoor in Bartonville, IL. The membership fee is just \$50 for your family per year (Jan. 1 - Dec. 1). You can attend Club work days at the range for a reduced membership fee. They host 3D shoots from March through Sept., ASA State Qualifiers and Championships, and field and target shoots. LEARN-TO-SWIM CLASS DESCRIPTIONS

The Introduction: Water Exploration & Safety **(Ages 6 months to 2)**

This class is an introduction to water safety and basic water skills for both parent and child. It is not a swim lesson and parents should adjust their expectations appropriately.

Preschool: I'm a Big Kid Now **(Ages 3–5)**

The purpose of the Preschool Level class is to help students feel comfortable in the water without the presence of mom or dad. Students will learn elementary water skills and safety tips that will stay with them throughout all swim lesson levels. Sophie the Safety Seal's Water Smart Rules are reinforced for increased aquatic safety.

Beginner: Stroke Readiness **(Ages 5–11)**

The Beginner Level class builds on elementary water skills and teaches students the skills needed to complete a 25-yard swim for each of the following: elementary backstroke, front crawl and backstroke. All elementary water skills are reinforced so that they become second nature to the students. All water safety rules are discussed as well.

Advanced Beginner: Stroke Development **(Ages 6–12)**

The Advanced Beginner class teaches students how to master stroke development and requires them to complete 50-yard swims of elementary backstroke and basic backstroke. Students are also asked to complete 25-yard swims of the breaststroke and front crawl with rhythmical breathing. We introduce scissor kick and sidestroke at this swim level too.

Intermediate/Advanced: Skill Refinement and Proficiency **(Ages 6–14)**

A class, depending on your experience, meant to improve upon and fine tune different swimming strokes. The baseline for a student of this class should be able to complete 50 yards of front crawl with rhythmic breathing, 75 yards of backstroke, 50 yards of breaststroke, 50 yards of sidestroke, 75 yards of elementary backstroke, and 25 yards of butterfly. Treading water and butterfly are introduced for the intermediate level.

Adult Learn to Swim: It's Never Too Late **(Ages 15+)**

Basic swimming and self-rescue skills are taught in a comfortable environment. The class size is designed so that every swimmer gets the attention needed to achieve swimming goals.

ILLINOIS RIVER VALLEY SPECIAL RECREATION ASSOCIATION

IRVSRA.ORG

All Pekin Park activities and programs are open to individuals with special needs. We are pleased to comply with the Americans with Disabilities Act (ADA) regulations to make reasonable accommodations for participation, made on an individual basis. We provide reasonable accommodations to all participants, as needed. Pekin Park District must be notified 2 weeks prior to the individual's start date.

In addition to making any reasonable adaptive inclusions into all our Pekin Park activities, we offer additional special needs specific programs through our association with the Illinois River Valley Special Recreation Association (IRVSRA).

IRVSRA is a cooperative extension of Pekin and Fon du Lac Park Districts to provide recreational programs and leisure services for individuals with developmental disabilities. These integrated and specialized programs are available for both residents and nonresidents with special needs.

It is our pleasure to provide these athletic and social settings, through IRVSRA, to the special needs population within the Tazewell County area. IRVSRA publishes a seasonal brochure quarterly containing all their recreational programs and offerings. Some of the programs like Special Olympic Sports have age requirements while other programs like dances and parties are open to all age groups.

The IRVSRA Recreation Staff handles all IRVSRA registration, program and activity related questions. They are available to assist and advise participants, parents or caregivers to assure a comfortable, quality recreational experience. Stop by their office during business hours or visit irvsra.org anytime to connect and stay up to date.

IRVSRA.ORG specializes in:
