Pocket has been part of our family for 3 years. He was one of Brannon's very first ponies. There hasn't been much Pocket hasn't done. He literally will stand tied for hours upon hours. And he's most likely been loaded on a trailer a million times. Pocket rides incredible! He walk trots lopes a circle, he's soft in his face, turns stops and backs easily. He goes literally wherever you point him... over bridges, logs, water. He's not stubborn or buddy sour. I would call him very simple and respectful. Catch him where you find him, we have enjoyed Pocket and consider him a very beginner pony but also has enough ride to him for the little cowboys that want to ride out with daddy! Suitable for the wee little kids! Please enjoy his unedited video of random clips over the last couple years. VIDEO: <https://youtu.be/s5vy-p16oQ?si=2heBdXVdip40IHBS> FMI: Amy 641-420-0712. Coggins.

Pants is a cool little draft cross that has about 90 days on him. He's been used extensively on the ranch. From doctoring to branding he's done it!
