# Intro

Somewhere deep in the North Pole, where snowflakes dance in the wind and the northern lights constantly paint the sky, Santa and his elves joyfully make gifts and toys for all the world's good girls and boys!

One November morning, Santa was making plans for the season when inspiration struck! He called upon ten of his elves to visit ten cities, and we, here in Rexburg, Idaho, were chosen to help Santa find a way to help make the holidays more special than ever!

Newby elf informant, Tinsel, travels on the North Winter Wind with her retro 50's tunes on her music player to visit Rexburg! It's "America's Family Community!" and is sure to help her discover what Santa needs! As she explores the town, she visits holiday festivals and admires the local decorations around town. The traditions of the season can help inspire a meaningful Christmastime!

During her time here in Rexburg, Tinsel likes to rock out to her favorite retro holiday tunes and pop in and out of local places to watch the holiday magic unfold. To keep her busy, she brought some fun Christmas games and puzzles, one of Mrs. Claus's famous knit scarves, some of Santa's favorite cookies, and several other things to remind her of home.

Now, she needs your help to cross everything off her Christmas list! While Tinsel is busy with her assignment, help her complete all the fun activities and help make this Christmas the most magical holiday!

# KNIT A SCARF FROM Mrs. Claus

Mrs. Claus is helping Tinsel learn to knit! You can follow her directions and learn to knit right along with Tinsel!

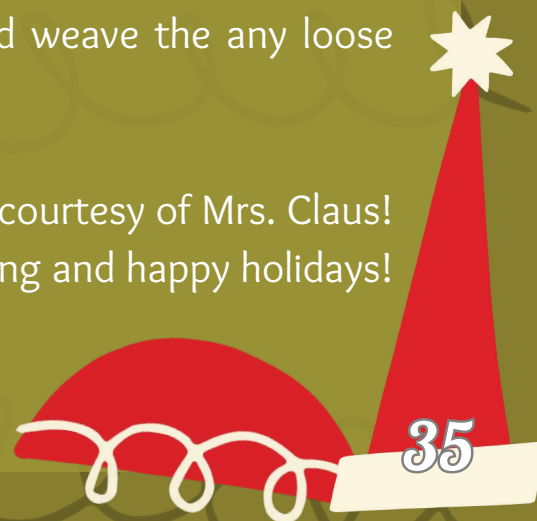

## *You'll Need*

1 skein of yarn | Size 8-10 knitting needles | Scissors

### INSTRUCTIONS:

1. **"Cast On"** is the knitting technique of creating the first few stitches on your needle. To begin, loop the yarn around the needle to form a circle to weave the yarn through, making additional loops across the row. If you cast 20 loops, this will set you up for a scarf about 6 inches wide.
2. **Knit in Rows:** For every row, knit every stitch by passing the right needle through the loop of the left, pulling the yarn through, and slipping the old stitch off. Repeat this until the scarf is your desired length.
3. **Bind Off:** When the scarf is your desired length, knit two stitches, then use the left needle to lift the first stitch over the second, off the needle. Repeat until you've bound off all stitches.
4. **Finish:** Cut the yarn, leaving a long tail and weave the any loose ends into the yarn so they don't snag.

Now you have a cozy scarf for the holidays, courtesy of Mrs. Claus!  
Enjoy your knitting and happy holidays!

# PIPING HOT Chocolate!

There is nothing to warm you up on a chilly day than a cup of cocoa! Tinsel has the perfect recipe...straight from the North Pole!

## *You'll Need*

2 cups of milk (or milk substitute) | 2 tbsp unsweet cocoa powder  
1/8 cup choc. chips | 2 tbsp sugar | 1/4 tsp vanilla extract | A pinch of salt  
Whipped cream or marshmallows (optional for topping)

## INSTRUCTIONS:

1. In a small saucepan, heat the milk over medium heat, but don't let it boil.
2. In a separate bowl, mix the cocoa powder, sugar, and salt.
3. Once the milk is warm, whisk in the cocoa mixture and chocolate chips until well combined and smooth - no lumps (a strainer can help remove extra stubborn clumps).
4. Stir in the vanilla extract, then remove the pan from the heat.
5. Pour into a mug and top with whipped cream or marshmallows if desired.
6. Let it cool slightly and serve it warm for Santa along with a delicious cookie! Enjoy!

Sometimes Tinsel likes to add cinnamon or a candy cane to give it a little zing! Santa likes his cocoa EXTRA thick, and the chocolate chips play that role! Add more or less to thicken or thin it to your taste!
