The largest flybridge space in her class is just the start for this luxurious Azimut yacht.

Stand out from the crowd on board this beautiful and modern Azimut 68' Yacht. Her stunning beauty resonates but the quality is in the details. Comfort, safety, technology and elegance all attribute to the Italian ingenuity that can be seen throughout this gorgeous model.

Her attractive hardtop is made versatile thanks to a retractable sunroof. Everything on this Azimut yacht is amplified: more space and unparalleled livability offered by a 28 m2 flybridge, the largest in its category. Three separate areas make this the ideal place to enjoy unique experiences in complete freedom and privacy. Azimut also appointed an extremely generous area for the cockpit and her large overhang that created the extra large bridge Space above provides tremendous shade overhead. This space is perfect for Al Fresco dining or cocktails over an evening sunset Champagne cruising.

Inside the ample saloon, formal dining is found midships, centered on a well-appointed galley complete with bar. The lounge space makes best use of the elongated flybridge over the prow. The saloon exudes Azimut style, with luxe couches, a formal dining area for six, and the ubiquitous pop-up TV.

The accommodation below deck makes the most of the yacht's volume, creating space for four (4) cabins with no option to significantly alter that plan. But it's the foredeck that seals the deal with seating for eight and two very wide sunbeds – all achieved without encroaching on the walkways to and from the bow.

120' LUXURY YACHT

120' LUXURY YACHT

Exterior:

The outdoor areas are designed and manufactured to ensure maximum comfort of the guests on board and direct contact with the sea: the extremely wide bow living area is furnished with tables, sofas and pillows, while in the large open cockpit on the stern sea, stands the monumental stone table for eight people and two comfortable sundeck areas.

An additional private and comfortable sunbathing area is then perfectly integrated in the upper part of the deckhouse, as much as to be imperceptible outside. The grand staircase that characterizes the transom is both impressive and functional and evolve the idea of boat up to turn it into actual "flying island".

Interior:

Is the contrast between black and white to characterize the interior design with a great clean lines and minimalist style where the rationality of furnishing details and choice of materials. The sleeping area-can accommodate up to 10 guests-consists of a full beam master cabin, 2 VIP cabins and two guest cabins, all with beds and furniture made out of exclusive project of designers. All bathrooms have a shower tray with black pebbles illuminated by LED lights. Accommodations for 5 crew members provided consist of three double cabins, a second service kitchen and are placed on the bow.
