

Commissioning A Painting Made Simple

ART FOR THE HEART OF YOUR HOME

A relaxed, collaborative process—
one that unfolds step by step.

We begin with a short conversation
where you share your vision.

You can bring inspiration photos, colors you love, a feeling you want to capture, or simply an idea.

There's no need to have it all figured out—that's part of what I help with.

Story Paintings

Bring together bold color and symbolism, layered with myth and folklore—beautifully embodied on your walls and woven into the life of your home.

Abstract Paintings

Bold, broad strokes of color evoke energy and aliveness, bringing a vibrant companion into your daily environment.

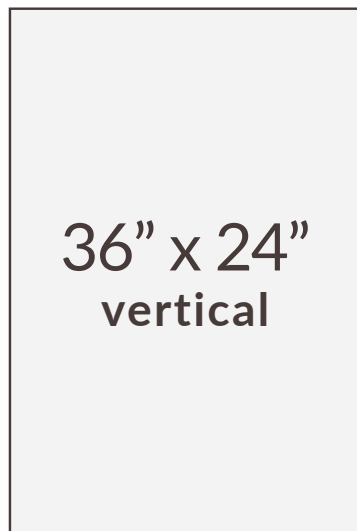

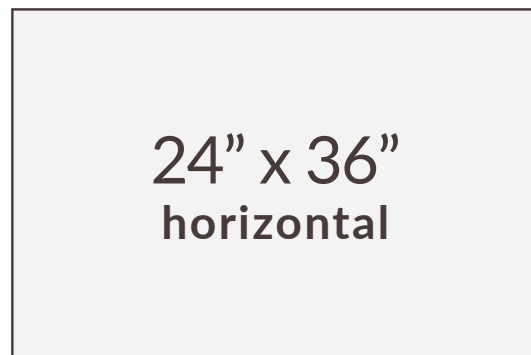

Based on your input, I'll suggest size, palette, and direction.

I'll guide you through options and help refine the idea until it feels right for your space.

Once we're aligned, I begin painting.

You'll receive progress updates along the way, so you feel connected and confident throughout the process.

Final details are refined, delivery is handled smoothly.

A painting created just for you, designed to live beautifully in your home for years to come.

Kind Words

“Oh, Cori, this piece is so enchanting. Every time I look at it, another layer of the story unfolds between the two mythical beings, identical, yet different, or is it a reflection of self? I’ve never commissioned anything before—it’s so intimate because you created it just for me. I’m so pleased and honored to have your work as a cornerstone in my living space.”

Thank you for your
