Touch Football Knockout
Finals Day**

Monday 10th November 2025

PROGRAM

**Canterbury Velodrome
and
Waterworth Park, Earlwood**

Welcome message

Congratulations to the students here today who have been selected to represent their school, zone and Association, following a series of carnivals and gala days. These are pathway events that provide students in NSW schools with the opportunity to participate in sport and to achieve outcomes that are aligned to the PD/Health/PE syllabus – none more important than “creates and participates in physical activities to promote healthy and active lifestyles”. We encourage students and their families to take the time to enjoy the experience both on and off the sporting field. We urge competitors to get to know their teammates, make new friends and enjoy the cities and towns hosting the events.

Across NSW, we are fortunate to have dedicated teachers and school staff who volunteer their time outside of school hours to ensure that students have access to the representative school sport pathway. Please take a moment to thank them for taking on these roles, especially at the grass roots level back at school. We also extend our appreciation to Principals for their support, especially for allowing staff to be released from schools to attend our events.

We recognise the NSW Department of Education and the School Sport Unit who provide resourcing to conduct our programs and employ a team of experienced and dedicated Executive Officers and administrative staff. This team works with our sport conveners, championship managers, local sporting associations, volunteer officials and personnel from the respective governing sporting bodies to make our championships happen. Thank you for your work not just during the championships but in the planning and preparation of events.

“Start where you are. Use what you have. Do what you can.” —Arthur Ashe
