A Division of Team Auctions

POWERED BY  eLease  
Financial Corporation

## Providing Equipment Lease Financing for New and Used Assets

We offer lease financing for equipment that our customers have chosen from Auction sales, commercial suppliers or private sellers. Our contracts are structured with fixed terms and payments which suit cash flow and budgeting circumstances. The lease payments also reflect the useful life of the asset and, as required, seasonal revenue fluctuations. Established businesses may qualify for financing with no down payment, unlike requirements from banks and other conventional sources.
