TRACTOR SKILL CHARITY DONATES \$32,000

Together, we made a life-saving difference! On Dec 19, 2025, the Oxford Tractor Skill Games Charity (TSG) proudly donated \$32,000 to the Children's Health Foundation — and this would not have been possible without YOU! On this date, OTSGC Board members President Dirk Boogerd, Vice President Peter Roos, Treasurer Krista Coleman, and Secretary Nicole Barnett excitedly brought the organization donation for the presentation. We would like to thank the Children's Health Foundation members who met with our presenting TSG Directors and supported us through the year: Jennifer Baxter (Director of Community Relations & Events), Scott Fortnum (President & CEO), and Dr. Kevin Coughlan (Chair of Division of Neonatal & Perinatal Medicine). To every family who attended the Tractor Skill Games event in August (south of Ingersoll), to every business who sponsored, every vendor who supported us, and every volunteer who gave their time: thank you. Because of your generosity, this donation is going directly toward life-saving hospital equipment that is unfortunately not funded by the province, including: 1 Kangaroo Sleeping Chair - \$2,326
1 Infant Crib - \$9,507
1 Blanketrol Hypo-Hyperthermia Blanket Device - \$19,742

These vital pieces of equipment will be used by over 1,000 infants every year, helping to save the lives of children who may not otherwise make it through. Equipment like this is funded solely through donations, and your support truly changes outcomes for families in their most critical moments. With this latest contribution, the Oxford Tractor Skill Games Charity has now donated \$69,500 over the past 4 years — a testament to what a strong, compassionate community can accomplish together. From the bottom of our hearts, thank you for helping us support children and families when they need it most. We look forward to hosting the 5th Annual Tractor Skill Games event this year Saturday, September 5, and the contribution we can make to help those in need. A huge thank you to the entire OTSGC Board of Directors for all their time, efforts, enthusiasm and talents: Dirk Boogerd, Peter Roos, Krista Coleman, Nicole Barnett, Jan Roos, Kevin Guikema, Pancho Wiebe, Rick Damen, and Lars Zeldenrijk. And to Jony Roos for your contributions in graphic design and website maintenance as well. For more information about our event, ways to participate, volunteer & sponsorship donation opportunities -- please check out our website at www.tractorskillgames.ca or follow us on Facebook and Instagram. You can also send us an email at tractorskillgames@hotmail.com.

DON'T DREAD OLD BREAD

It's so old-fashioned that you'd think everyone knew about it, or, had forgotten it. It's stale bread rejuvenated by making bread pudding out of it. A bit like French toast which in France they call "lost bread" it involves soaking bread in a milk & egg mix then cooking it. French toast is so simple. Soak, then fry. A standard for Bryan Smith's Sundays. Bread puddings are similarly simple, soak, then bake. They can be savoury or sweet, main course or dessert. For a main course version think about adding some vegetables, bacon or ham to it. For a dessert version, add some cinnamon and/or vanilla, along with fruit. Make it with white bread, brioche or even stale donuts. How sweet it is. And by the way, with food prices the way they are today, they can save you money too, not just the price of bread but the other bits found in the fridge you rescue by adding them. Check out recipes for bread pudding on the web. You will find lots. Grandma would have known how, but you can make these warming dishes yourself.

ECOMARKET: 9 Months of Community Impact & Growth

The weekly EcoMarket has now been serving Thamesford & area for an impressive 9 months! Thanks to a dedicated team of volunteers, the market continues to thrive, supporting an average of 40 families each week. This consistent effort has not only provided fresh, local options but has also fostered a spirit of connection & care among community members. In exciting news, the EcoMarket has expanded its reach with the addition of the Community Cupboard. The cupboard is stocked with non-perishable foods, toiletries & fresh goods, ensuring that the essential needs are met for those who rely on the program. With money from a grant from Gore Mutual Insurance Company & the partnership with Tim Hortons on the recent Holiday Cookie Campaign, a freezer & fridge have been purchased for the Community Cupboard. The monetary contributions & donated items received during the recent food drive have been vital in keeping the shelves stocked and the program running smoothly. However, the need for donations continues year-round. The EcoMarket welcomes any and all contributions—every item makes a difference! If you'd like to donate, please contact Kate Lockhart 226-448-3656 or reach out to Cheri Handy at Westminster Church to arrange a drop-off or pick-up. Thank you to everyone who has supported the EcoMarket so far. Together, we're building a stronger, more caring community!

THE GREATS OF ZORRA

The Beachville District Historical Society's Zorra Heritage Committee is currently compiling the stories of historic individuals, connected to Zorra, who gained recognition for their contributions beyond the Township's borders. To date, 78 individuals have been identified as part of the committee's Greats of Zorra project, and additional suggestions are always welcome. The Zorra Heritage Committee's next meeting is Wed, Feb 4, 7pm at the Beachville District Museum, 584367 Beachville Rd, Beachville. Zorra residents & non-residents alike are welcome to attend. As part of the Greats of Zorra project, the Zorra Heritage Committee has prepared the following overview of Jacob D. Allen of Thamesford.

JACOB DAVID ALLEN was a notable early settler & poet in the Thamesford area of Zorra Township. Originally from Quebec, he moved to Thamesford after meeting his wife, Maria Congdon, while travelling through Upper Canada. The couple married in 1838, and that same year Allen purchased land on Lot 1, Concession 9 in East Nissouri Township. Throughout his life, Allen held a variety of occupations, including schoolteacher, shop owner, mercantile operator in Thamesford, and poet. In 1866, he published *The Musings of Uncle Jake*, a 208-page collection of poems reflecting his experiences & observations, much of it written during periods of travel. Jacob D. Allen died in 1874 while living in St. Marys. His legacy remains visible in Thamesford through Allen Street, which was renamed from St. Patrick's Street following his purchase of land & construction of a general store on the west bank of the Thames River, north of Dundas Street. In recognition of his positive impact on the community, Allen's name was added onto the Thamesford Wall of Recognition in 2011.

KNOX UNITED CHURCH, EMBRO

"Drink from the Fountain of Grace" at Knox United Church, Embro
The first Sunday of Lent, leading up to Holy Week, Easter Sunday and the season of Easter, is Feb 22. Lent is an excellent time for us to turn inward & strengthen our connection with God. Throughout the stories in scripture & today, God sustains God's people in the most basic of human ways physically, with food & drink, and spiritually with food & drink for our souls. During worship, as we remember what it means to be human, we are invited to find refreshment from God's fountain of grace, and discover what it means to be more than our human bodies. The different images of cups shown in scripture will serve as a touchpoint for exploring aspects of our relationship with God. What does our brokenness say about us? What does discipleship look like? What does it mean to seek justice? This exploration culminates in the most exciting celebration of all — that Jesus is risen for us and we have new life in him! Let us gather together at Knox UC, Embro, in this season of Lent, and drink from God's fountain of grace. Sunday worship is in-person and online most Sundays, 10:30am. Join us online at: <https://www.youtube.com/@knoxembro>

TELLING OUR STORY:

Remembering the Past, Faithfully Moving Forward

One of my favourite things to do is to put pen to paper & write. Writing has a way of slowing us down, helping us listen more carefully—to God, to one another, and to the stories that have shaped us. Recently, theologian and pastor John Van deLaar reflected on how, over time, the Christian story has sometimes been narrowed or co-opted by cultural & political forces, losing its life-giving, countercultural heart. He reminds us that those who follow Christ are called to do the essential work of remembering the core message of the Gospel and reinterpreting it faithfully in light of what we continue to learn about our world & ourselves. Those words feel especially timely for us at East Nissouri Union Church. As a congregation, we find ourselves at a moment where looking back is just as important as looking ahead. To move forward with integrity, we must first honour the years behind us—the people, prayers, struggles, and joys that have shaped who we are today. At the same time, we are called to reset our sails for the years ahead, trusting God's Spirit to guide us into new waters. We are not the same church we once were. And yet, we still serve the same faithful God. Our past has taught us important lessons—about community, resilience, humility & grace. While we do not live in the past, we dare not forget it either. We are imperfect people, doing our best to follow & serve a perfect Saviour. In the coming weeks and months, I would like to begin sharing the story of East Nissouri Union Church—not as a single history lesson, but as a collection of small, meaningful moments. These stories may encourage others who have forgotten their own story, their own connection to faith, or their place within a community. I am inviting anyone who feels so inclined to help by digging through old photographs, newspaper clippings, or personal memories connected to the church. These stories will be shared as short anecdotes, accompanied by a digital photo when available, through our church's Facebook page & occasional articles in the Village Voice. I will do the writing. All I ask is that you bring the stories to me. You may remain anonymous, or you may choose to have your name attached—either is perfectly fine. This is not about forming a committee or producing polished historical essays. It is simply about remembering together & honouring the faithfulness that has carried this community through generations. Every church has a story worth telling. This is ours. Pastor Gail, East Nissouri Union Church

FEBRUARY MADE ME SHIVER...

Not with the cold as Don McLean sang to us, but with the delightful idea of a summer exchange to any of ISE Ontario's wonderful European destinations. Actually, the only way to see Ireland on an ISE exchange is in the summer. Don't miss this opportunity. Students will find information on their schools' website, or when Bryan Smith comes to visit in Feb. For those thinking yet further ahead, there are 9-week school-year exchanges to apply to via www.ise-ontario.on.ca. Contact bryasmit@oxford.net for more information.

EZAS CHRISTMAS PARADE & SANTA SOCIAL

On Dec 6, EZAS hosted their annual Christmas Parade & it was a wonderful community event yet again! With many families in attendance watching, and over 25 floats from community organizations & individuals, we were so happy to see it all come together & bring some holiday joy to everyone. A big thank you once again to Ben Van Haastert (Buffalo Ben Bison) and his beautiful custom made wagon for toting Santa & Mrs. Claus all the way from the North Pole - we appreciate you! The Santa Social was well-attended by families at the Knox United Church at the end of the parade, with refreshments sponsored by Teighan Morris Realty and Beans & Brews. Baked goods were provided by EZAS volunteers and a bake sale was put on by the Knox United Church patrons. Thank you to 7th Woodstock Scouts for volunteering to collect non-perishable food items on behalf of EZAS during the parade, which were then donated to Operation Sharing. Thank you to the EZAS Parade committee, especially lead organizers Emily Bertens & Katelyn Sykes. Community events cannot happen without many hands working together, volunteers, and donations - and we are so grateful for everyone who played a part in making this a success! We are looking forward to another Christmas parade in 2026!

HARRINGTON GRAVEL PIT UPDATE

Just last month our committee, Protect Harrington, informed you that for 14 months we'd had virtually no response to the objection letters submitted by area residents to the MNR. We poured out our complaints & concerns to the MNR back in Nov 2024 – the expected noise, the dust, the traffic, the damage to our groundwater, the impact on our property values & to our overall quality of life. It was a long time to sit here waiting for a response, but the new year finally delivered at least 10 letters of response, including a major response to our committee, from the consultants engaged in getting a gravel pit up & running in Harrington. And guess what, they say, the noise, dust, traffic, etc. won't be so bad. Impact on your groundwater? Not at all. And impact on your property values? That's not even worth looking at, because they have a study that says property values aren't affected, and even if they are, the Province says they're allowed to impact your property values without providing compensation. Meanwhile, MPAC accepts proximity to a gravel pit as justification for appealing an assessed property value. Says the Province, if your property is worth less because it's beside a gravel pit, well, we can't deny it, but tough. One of the most egregious determinations by the Province is that our groundwater won't be affected in Harrington. There was a hydrogeological study submitted by the gravel pit applicant which claims that, not to worry, your water will be fine. Perhaps they didn't know that a renowned hydrogeologist, Dr. Larry Jensen, grew up here in Harrington & lives across from the pit site. We submitted what's known as a “hydrogeological peer review”, where Larry countered the consultant's report with the actual facts of our “significant water recharge area”, as UTRCA describes us. The Province has essentially repudiated our local expert's vast knowledge & experience and accepted wholesale the opinion of someone else. This is typical of Provincial procedure – find someone with credentials who'll write a report that supports a gravel pit, and dismiss anyone else who disagrees. Gravel is king. Protect Harrington, and the many individuals willing to fight to preserve our community, will continue to use all rational argument & legitimate resistance to save our community. Strangely, the consultants' response to our objection letters all ended with this, “If we have satisfied your concerns, we would appreciate receiving a brief letter stating that you no longer object to the application.” Fat chance!!

THANKS FOR PROTECTING (Y)OUR HEALTH

The Oxford Coalition for Social Justice stands in for the Ontario Health Coalition and stands up for public health. We have collected lots & lots of your signatures on our petitions urging the province to fully fund our hospitals, and urging the federal government to enforce the Canada Health Act to guarantee full, free, accessible and universal health care in any & all places on Canada. Sadly there are some intent on destroying it by costly Americanization. Thanks for pushing back on that and offering viable alternatives. As of mid-February, the federal petition is closed and will be presented in Ottawa to Parliament. Provincial petitions have been read into the record at the Legislative by France Gelinat of Sudbury-Nickel Belt. You have been heard, though politicians may need to hear from you again. For more on health care, consult the Ontario Health Coalition online or visit Bryan at the Oxford Coalition's table at the Woodstock Farmers' Market.

GREAT CYCLE CHALLENGE 2026

For the 10th year now, I have once again signed up to ride & fundraise to help kids fighting cancer! Better & more treatment options, as well as a cure, is what we all hope for! The way to do this, is to raise a lot of money because all of this is very expensive! To that end, the first fundraiser has been rolled out! This is the former HI STEP fundraiser, but that acronym no longer works, so the fundraiser is unnamed right now, but it works the same as in other years... \$25 gets your name on the spinner wheel, for your chance to win the \$1,318.00 prize package. The prize package includes product and/or gift certificates from many of the same businesses as in previous years & a couple of new ones included! The prize package has something that is bound to appeal to you, so get your name on the wheel, to win the package! Send your EMT of \$25 per spot requested, to omulder@rogers.com or send an email to the same email address, to make other arrangements for payment options! Please note, a spot on the wheel does not qualify for a tax receipt, but if you wish to have a tax receipt, make your donation directly to my GCC website at: <https://greatcyclechallenge.ca/Riders/HenriettaOlthoffMulder> and you will receive a tax receipt from Sick Kids Foundation. Let's all help to make a difference in the lives of kids who should be living their lives, not fighting for them!

MANDATORY VOLUNTEERISM

Ok, so it's a contradiction in terms, but to graduate, high school students need to do 40 hours of work for free. But what if instead of considering this an imposition, you considered it an opportunity. For example, a begrudging apprentice welder was dragged by his mother to a Reuseapalooza where he noticed two welders' masks for free. Take both, said Bryan Smith, one for yourself and the other for a buddy in the course who needs it or the \$200 to buy one. While you're at it, take the barbell set you've been eyeing too. Or, having done some summertime landscaping or lawn-mowing with a neighbour, set up a small business offering for payment services that you now know well from watching & listening to someone with gardening experience. As the snow continues to fall, take a shovel over to a neighbour's door, knock and ask if you can clear the steps & sidewalk. Some old bones might be glad to sign off on your hours rather than fall on the slippery surfaces. Is it possible that the person next door might have some interesting things to say or stories to tell that will make your life better. Remember The New Radicals sang "You get what you give". Give it a try.

UNESCO RECOGNIZES ITALIAN CUISINE

The Colombo Club of Oxford proudly joins Italian communities around the world in celebrating UNESCO's recognition of Italian cuisine as an Intangible Cultural Heritage of Humanity. This historic declaration acknowledges Italian cuisine not simply as food, but as a living cultural tradition rooted in family, community, craftsmanship, and the passing down of knowledge across generations. UNESCO's recognition highlights the social & cultural significance of Italian cuisine, including its regional diversity, traditional preparation methods, and the central role shared meals play in strengthening family & community bonds. The designation affirms what Italian families have long known: Italian cuisine is a daily expression of identity, history & belonging. "For Italian-Canadians, this recognition is a powerful affirmation of our heritage," said Rick Eus, President of the Colombo Club of Oxford. "Our parents & grandparents brought these traditions with them to Canada. They gathered families, built communities & passed on values through food. UNESCO's declaration honours those traditions & the people who kept them alive." For decades, the Colombo Club of Oxford has served as a cultural & social hub dedicated to preserving & celebrating Italian heritage. Through cultural events, social gatherings, charitable initiatives & shared meals, the Club continues to promote the same values now recognized by UNESCO: community, tradition & cultural continuity. "This recognition reinforces the importance of organizations like the Colombo Club," added Eus. "We are not only preserving history-we are living it, sharing it, and passing it on to future generations." The Colombo Club of Oxford invites members of the community-those of Italian heritage & those who appreciate Italian culture-to join the Club and take part in celebrating this internationally recognized tradition. Membership offers an opportunity to connect with heritage, support a long-standing local organization, and ensure that Italian culture remains vibrant & visible within the community. The Colombo Club of Oxford is a community-based organization committed to celebrating Italian culture, heritage & traditions while fostering fellowship, cultural education, and community involvement. The Club welcomes members & supporters from across Oxford County and beyond. Colombo Club of Oxford, 519-423-6532, info@colombo-club.ca. COMING TO THEATRE TILLSONBURG

Hilda's Yard by Norm Foster. A hilarious comedy set in the nostalgic 1950's. Hilda's Yard follows the story of Hilda (Judy Cormier) and Sam Fluck (Mark Smith), who are celebrating their recent shift to empty nesters. The Fluck's have a fairly relaxing day planned, with Hilda intending to hang some laundry & Sam wanting to buy a new

console television. Chaos ensues when their children, Gary (Brent VanHooren) and Janey (Nikki Wiltac), return looking for some parental help with their problems. Things become even more chaotic when their son invites his girlfriend, Bobbi Jakes (Rachel Hanson), and the local thug, Beverly Woytowich (Brandon Buckle), then comes looking to collect a gambling debt from Gary. As with any Norm Foster comedy while the situation is side splitting fun, the connections we find ourselves making is where the real humour takes place. The show runs Feb 19-22 and Feb 26-Mar 1. First Sat and both Sun are matinees at 2pm and the other shows are evening at 7:30pm. Tickets \$28 each and can be purchased at <https://app.arts-people.com/index.php?ticketing=ttill>. Come dressed in your best 1950's attire, join us for our opening night Sock Hop Gala after the play Feb 19. Its worth the drive to Tillsonburg for a night of comedy & fun. You can also DINE like its 1959 show your ticket at our sponsor The Copper Mug Pub and get 50% off your meal show nights 5-8pm.

OCF AWARDS OVER \$240,000 IN GRANTS

Oxford Community Foundation (OCF) is proud to announce the awarding of more than \$240,000 in community grants in 2025, supporting local organizations that are turning vision into meaningful, on-the-ground impact across Oxford County. These grants reflect OCF's commitment to Making Oxford Better For All by addressing both urgent needs & long-term community priorities. From food security & housing supports to youth development, seniors' well-being, and environmental protection, the funded projects demonstrate the power of local generosity invested locally. 2025 grant highlights include:

Addressing Food Insecurity The William & Mary Mackesy Fund and the Cheryle & Peter Evans Fund are supporting The F.O.O.D. Project. A collaboration of community partners is developing a shared warehouse & distribution hub to strengthen food access across the county. Funding for fridges, freezers, shelving & a cargo van will significantly expand capacity, improve efficiency & increase access to fresh food for hundreds of residents.

Supporting Life Skills & Housing Stability The Maple Leaf Community Fund in honour of Harvey & Erma Beaty is supporting Indwell's supportive-housing communities at Harvey Woods Lofts & Blossom Park. Funding is being used for commercial-grade kitchen equipment which will enhance gardening programs, cooking classes, communal meals, and Gather—a tenant-led social enterprise—helping residents build food skills & budgeting abilities.

Connecting Seniors & Reducing Isolation The Oxford Rural Fund is supporting The Oxford Historical Society's "Gather & Remember..." program which brings themed presentations into assisted-living homes, sparking memories, conversation, and social connection. The program provides seniors with meaningful opportunities to share stories, strengthen well-being & reduce isolation.

Empowering Youth for the Future The Woodstock Chamber of Commerce Community Fund and the William & Mary Mackesy Fund are supporting Junior Achievement South Western Ontario, equipping 125 youth with essential financial literacy, work readiness & entrepreneurship skills through volunteer-led programming.

Developmental Education Work Experience Catering Crew at Woodstock Collegiate Institute received funding to replace worn kitchen equipment, supporting students with developmental disabilities as they build independence, communication skills, and employability through hands-on, student-led entrepreneurship.

Protecting Nature & Expanding Public Access The Thames Talbot Land Trust is securing Camp Shegardaynou, a 20-hectare property featuring mature forests, wetlands & rare species. Funding will support conservation efforts, public access & community programming that connects people to nature while protecting vital habitats for future generations. Funding for this grant came from the Stevens Fund, the Bill & Wilma Farr Fund, the Oxford Environmental Fund, the Ken & Lynda Whiteford Fund and the William & Mary Mackesy Fund.

Since its founding, Oxford Community Foundation has helped individuals & families leave legacies that grant with impact. OCF has granted more than \$2.2 million to 115 local charities, ensuring that generosity stays local & continues to benefit Oxford County today & well into the future. "These grants are possible because of the generosity of our fundholders, donors, volunteers & community partners," "Together, we are building a stronger, more resilient Oxford County," says Louise Wardrop. For information about 2025 grants, 2026 grant programs

EMBRO MINOR SOCCER – REGISTRATION

Embro FC is excited to announce that registration for the 2026 Embro minor soccer season will open Feb 1. Please go to embrosoccer.ca to register & follow the link to the Registration page. Registration will remain open until Fri, Mar 20, at midnight or until the age group is full - whichever comes first. Registration rates remain the same as in 2025. Register before Mar 1, and take advantage of our 'Early Bird' rates (\$80 for Tykes & Peanuts; \$150 for older age groups). On Mar 1, prices rise to \$95 & \$165 respectively. For U9 – there are 3 registration options. For \$100, you can register your child to play once a week in our house league program in Embro on Tues; or for \$100, you can register your child to play once a week for Embro U9 in the Inter-County League on Thur. What is the 3rd option? For \$150, your U9 player can play on Tues in the house league program in Embro, and they can play on Thur for Embro U9 in the Inter-County League. Thursday night will involve both games in Embro & in other centres like the older age groups. Late fees (\$115 & \$165, respectively) for U9 will apply Mar 1. Game nights for Tyke (U5) & Peanut (U7) are Wed, U9/11/13 are Tues & Thur, U15 are Mon, U18 are Wed and U21 are Sun. Our season runs early May to late July, older age groups may run into early Aug. Schedules will be available in late April. Do you have a player born in 2004 or earlier still interested in playing soccer on an Over 21 team? We are exploring if a team for this age group is an option. Please email us at embrosoccer@gmail.com and let us know you are interested. To make the 2026 season work, we need volunteers! Our current U5/U7 Coordinator will be helping again in terms of registration, making teams, scheduling & organizing coaches. However, we need someone to assist them as they won't be available in May & June to provide support on Wed evenings. We are happy to provide training. We also need new members to join our Board of Directors. We are happy to provide training - and you don't necessarily need a child registered in Embro Soccer to be on the Board of Directors. Reach out to embrosoccer@gmail.com to discuss. Any questions with the registration process can be directed to embrosoccer@gmail.com. Looking forward to seeing you on the pitch in 2026!

EZAS THANKS BECCA & CASSANDRA!

EZAS Social Media, Graphic Design, Advertising, & Website Development Role Transition

As our organization continues to grow, we've recognized the need to evolve how certain roles are structured. What was previously one position encompassing social media, advertising, graphic design & website development will now be divided into 2 roles:

1. Social Media Coordinator
2. Advertising, Graphic Design, and Website Development

We would like to sincerely thank Rebecca MacLeod for taking on such an integral role & for the dedication, creativity & leadership she has consistently brought to this position. Her contributions have been instrumental in strengthening our brand & presence, and we are grateful she will continue to oversee advertising, graphic design, and website development. We are also very excited to welcome Cassandra Baker, who will be stepping into the Social Media role. Cassandra brings a fresh perspective, fun enthusiasm, and skill set that will allow us to continue growing & connecting with our community in meaningful ways. This transition highlights something we truly value as an organization: having directors with diverse backgrounds & strengths who truly care about their community. That variety & volunteerism are our greatest assets and play a key role in the overall success of the organization. Please join us in thanking Becca for her incredible work and welcoming Cassandra in her new role. Feel free to reach out via Facebook or Instagram platforms, through our website www.embrofair.com, or via email to ezasadvertising@gmail.com.

Thank you
