MALDIVES

Dear Adventurers,

This season, we invite you on a journey inspired by *Around the World*, a celebration of curiosity, adventure, and moments worth savouring.

The hot air balloon takes centre stage, a symbol of adventure, curiosity, and discovery, while the globe reflects Amilla's own transformation, an island embracing new experiences, vibrant offerings, and a renewed sense of wonder.

At Amilla, the world gathers in one place: flavours spanning continents, vibrant traditions, and moments of quiet joy, all set against our turquoise waters and swaying banyans.

Our team is delighted to be your companions on this festive voyage, guiding experiences while letting the adventure unfold at your own pace.

May the memories you create here travel with you, far and wide.

Every journey finds its heart at Amilla.

With festive tides,

Morgan Martinello
